Prodigies like Gukesh inspire new generation to dominate chess: Adani

IAN S

NEW DELHI

The youngest-ever World Champion in the history of the game, Gukesh Dommaraju met with one of the leading business tycoons of the country, Gautam Adani, who heaped praise on the 18-year-old Indian Grandmaster for his tremendous achievement in the world of Chess.

Gukesh, who scripted history by becoming the youngest-ever World Champion in chess, beat Ding Liren of China in the 14-game match in Singapore. The 18-year-old from Chennai capitalised on a blunder by Ding in the winner-takes-all 14th game to dethrone the reigning champion, winning the match 7.5 to 6.5 and become the second Indian after Viswanathan Anand to become the World Champion in classical chess.

"It was an absolute privilege to meet and hear the victory story of reigning World Chess Champion @DGukesh. Equally inspiring was meeting his incredible parents, Dr. Rajinikanth and Dr. Padmavathi, whose quiet sacrifices laid the foundation for his success.

"At just 18, Gukesh's poise and brilliance are a testament to India's unstoppable youth.

Prodigies like him are inspiring a new generation, building an army of champions ready to dominate global chess for decades. This is the confident, resurgent, and rising India. Jai Hind!," read the post by Adani on X.

Gukesh broke the four-decade-old record of chess legend Garry Kasparov, who won the title in 1985 at the age of 22 years, 6 months, and 27 days. Gukesh is the second Indian to win the World Chess Championship title, claiming the title in just over a decade after five-time winner Viswanathan Anand had lost the title to Magnus Carlsen of Norway in Chennai in 2013. Carlsen abdicated the crown in 2023, paving the way for Ding to beat Ian Nepomniachtchi.
