Customer care: CSMIA gets highest ACI accreditation

Mumbai: Mumbai's Chhatrapati Shivaji Maharaj International Airport (CSMIA) has become the first airport in India and the third globally to achieve Level 5 accreditation from the Airports Council International (ACI) for exemplary customer experience

management.

The ACI Level 5 accreditation, the highest distinction in the Airport Customer Experience Accreditation Programme, reflects a comprehensive approach to enhancing passenger journeys. It involves rigorous review, training, stakeholder engagement, and employee development, creating a 360-degree framework for customer service excellence.

Jeet Adani, Director of Adani Airport Holdings Limited (AAHL), said, "CSMIA is thrilled to stand among the world's leading airports with this esteemed recognition. This achievement underscores our dedication to understanding and enhancing the passenger experience." ENS

TDG NETWORK

MUMBA

Adani Group-owned Chhatrapati Shivaji Maharaj International Airport (CSMA) in Mumbai has received Airports Council International's (ACI) prestigious Level 5 Accreditation for customer experience, Adani Group Chairman Gautam Adani said on Wednesday.

In a post on X, Gautam Adani said the CSMA is the first airport in India and only the third in the world to receive this distinction.

"There is no greater manifestation of business success than a company's ability to serve its customers. Every moment, it is this guiding principle that I urge all members of Adani Airports to dedicate their hours to. And there can be no greater feeling of gratitude than to have our@CSMIA_Officialreceive@ACIWorld's prestigious Level 5 Accreditation for Customer Experience," Gautam Adani wrote in his.

"Not only are we the first airport in India but also only the third in the world to do so. It is my promise on behalf of AAHL to keep serving all our passengers who walk through our airports. Thank you my passengers. Thank you my colleagues at AAHL," he added.

ACI's Airport Customer Experience Accreditation program builds airports' long-term capacity to enhance customer experience management.

According to the ACI, this is the only accreditation program in the airport industry to provide a 360-degree view of customer experience management.

Mumbai Airport becomes first Indian airport to attain ACI Level 5 accreditation

MUMBAI: Chhatrapati Shivaji Maharaj International Airport (CSMIA) has achieved a significant milestone, becoming the first Indian airport to receive Level 5 accreditation from the Airports Council International (ACI) under its Airport Customer Experience Accreditation Programme. This places CSMIA among an elite group of just three airports worldwide to reach this pinnacle of recognition.

The accreditation reflects the airport's commitment to enhancing passenger satisfaction and operational excellence. Jeet Adani, Director of Adani Airport Holdings Lim-

ited (AAHL), described the recognition as a testament to CSMIA's dedication to transforming airport experiences through innovative and customer-centric practices.

CSMIA's approach combines cutting-edge design thinking and a data-driven focus to continually improve services. By actively gathering customer feedback and analysing satisfaction scores, the airport has successfully addressed passenger needs and pain points. Key advancements include increasing e-gates at Terminal 2 from 24 to 68 — the highest for any Indian airport — and introducing the "aviio" app to streamline collaboration among stakeholders.

Passengers using the Digi-Yatra and non-DigiYatra platforms have benefited from smoother journeys and reduced waiting times, thanks to these innovations. The airport's distinctive features include the reintroduction of the "Pawfect" programme, with comfort dogs stationed at Terminal 2, offering travellers a unique and heartwarming experience.

CSMIA's achievements extend beyond operations, reflecting a broader ambition to create a sustainable and world-class travel hub. Managed by Adani Airport Holdings, CSMIA aims to develop as India's largest aerotropolis, blending aviation with commercial and residential infrastructure to support urban growth.

As it sets new benchmarks for airport management, CSMIA continues to redefine passenger experiences, cementing its status as a global leader in the aviation sector. Mumbai's CSMIA 1st airport in India to attain Level 5 accreditation from ACI: Gautam Adani

AHMEDABAD, JANUARY 8

The Chhatrapati Shivaji Maharaj International Airport (CSMIA) has become the first airport in India to have received the prestigious Level 5 accreditation from the globally acclaimed Airports Council International (ACI), Adani Group Chairman Gautam Adani said on Wednesday.

Gautam Adani stated that CSMIA, managed by Adani Airport Holdings Ltd (AAHL), is not only the first airport in India but also the third in the world to attain Level 5 accreditation from ACI for 'Customer Experience'.

"There is no greater manifestation of business success than a company's ability to serve its customers. Every moment, it is this guiding principle that I urge all members of Adani Airports to dedicate their hours to," Gautam Adani said in a post on social media platform X.

"And there can be no greater feeling of gratitude than to have our @ CSMIA_Official receive @ACIWorld's prestigious Level 5 Accreditation for Customer Experience. Not only are we the first airport in India but also only the third in the world to do so," the Adani Group Chairman informed.

He further said, "It is my promise on behalf of AAHL to keep serving all our passengers who walk through our airports."

"Thank you my passengers. Thank you my colleagues at AAHL," said Gautam Adani.

Meanwhile, CSMIA maintained its growth momentum in November 2024, recording as many as 4.77 million passengers during the month and a double-digit surge in cargo operations. The passenger traffic at the airport comprised 3.4 million domestic and 1.37 million international travellers.

During the month, the Mumbai International Airport handled 27,200 Air Traffic Movements (ATMs) -- 9,696 domestic ATMs, including freighters; and 7,504 international ATMs, including cargo freighters. IANS

मुंबई विमानतळाला पाचव्या श्रेणीचे मानांकन

लोकसत्ता प्रतिनिधी

मुंबई: छत्रपती शिवाजी महाराज आंतरराष्ट्रीय विमानतळाला (सीएसएमआयए) 'विमानतळ आंतरराष्ट्रीय परिषदे'कडून (एसीआय) पाचव्या श्रेणीचे मानांकन मिळाले आहे. 'एसीआय'च्या विमानतळ ग्राहक अनुभव मान्यता कार्यक्रमातील हा सर्वोच्च स्तर आहे. हा उल्लेखनीय टप्पा गाठणारे 'सीएसएमआयए' हे भारतातील पहिले आणि जगातील तिसरे विमानतळ ठरले आहे.

या विमानतळाने प्रवासीभिमुख सेवा देण्यावर भर दिला आहे. एक पाऊल पुढे जात 'डिजिटल गेटवे प्रोग्रॅम'ने डिजियात्रा व नॉन-डिजियात्रा सुरू केली. टर्मिनल २ प्रवेशद्वारावरील ई-गेटची संख्या २४ वरून ६८ पर्यंत वाढवण्यात आली. भारतातील कोणत्याही विमानतळावर एवढ्या संख्येने ई-गेट नाहीत. नुकताच टर्मिनल २ वर

९ आकर्षक श्वान ठेवण्यात आले आहेत. तसेच 'एव्हीओ' ॲपद्वारे डिजिटल उपक्रम सुरू केल्याने मुंबई विमानतळाला पाचव्या श्रेणीचे मानांकन मिळण्यास मदत झाली. या श्रेणीमुळे मुंबई विमानतळाचा समावेश जगातील आघाडीच्या विमानतळांमध्ये झाला आहे.
