LARGE MEDICAL CAMPUSES COMING UP IN AHMEDABAD & MUMBAI

Adani plans to build AI-first healthcare ecosystem

PRESS TRUST OF INDIA
Mumbai, July 11

ADANI GROUP CHAIRMAN

Gautam Adani on Friday revealed plans to build an AI-first, multidisciplinary healthcare ecosystem that integrates affordability, scalability, and global best practices, as he shared his vision for transforming healthcare in India.

Speaking at the 5th Annual Conference of the Society for Minimally Invasive Spine Surgery -Asia Pacific (SMISS-AP) here, he called for a complete system-wide redesign to meet the needs of the future.

Adani, who heads ports-to-energy conglomerate, said three years ago, on his 60th birthday, his family pledged ₹60,000 crore towards healthcare, education, and skill development.

"We did not enter healthcare because it lacked momentum. We entered because the momentum was not enough," he said.

"The pace of change was out of step with the urgency of

future demands. As the landscape unfolded, one truth stood out — healthcare does not need incremental upgrades. It needs a system-wide redesign. Not an evolution but a revolution rooted in intelligence as well as empathy."

Referring to the previously announced Adani Healthcare Temples — large, 1,000-bed integrated medical campuses to be established first in Ahmedabad and Mumbai —

Adani said they would be "world-class, affordable, AI-first healthcare ecosystems" and would comprise "modular, scalable infrastructure of the kind that can expand rapidly in the face of pandemics or emergencies."

He added that these campuses would serve as centres of excellence for clinical care, research and academic training, guided by the Mayo Clinic's global expertise in

design, medical infrastructure and innovation.

"We are here to build India's healthcare for tomorrow and a system that is integrated, intelligent, inclusive and inspired," he said.

Adani also called upon medical entrepreneurs to explore bold new frontiers — from AI-powered spinal diagnostics to rural surgical units and global centres for robotic spinal care.

Adani Group gets into \$100-bn capex mission

Energy, infra, logistics top the 5-year investment plan

Looking Beyond Limits

- Made Mundra port, a mere salt export jetty, as India's largest multi-cargo port
- Plans include petrochemicals, copper smelters, solar accessories
- Mundra port experience puts Adani Group ahead of competitors
- Built world's 2nd largest solar power co
- Building world's largest single-site hybrid renewable park of 30GW over 500 sqkm
- Its airport biz covers 25% of India's passengers
- And 38% of nation's air cargo, 30% sea-borne cargo

MUMBAI

GAUTAM Adani, Chairman, Adani Group, on Friday announced that the conglomerate is preparing for a capital expenditure investment of nearly \$100 billion over the next five years.

"The scale and pace of this commitment is unprecedented in India's private sector history as we do our part for strengthening the very spine of India's rise

Gautam Adani, chairman, Adani Group, participating in the 5th annual conference of the Society for Minimally Invasive Spine Surgery-Asia Pacific (SMISS-AP), in Mumbai on Friday

“As we continue expanding our portfolio, we remain committed to supporting India's vision of 'Electricity for All' by delivering reliable, affordable base-load power that fuels the country's sustainable growth

– SB Khyalia, CEO, Adani Power Ltd

that must carry 1.4 billion dreams,” Gautam Adani remarked.

Addressing a conference of top doctors here, Gautam Adani said these investments are manifestations of the Adani Group's 'belief in the future of India' comprising energy grids, logistics arteries and the country's

industrial backbone. He was addressing the 5th Annual Conference of the Society for Minimally Invasive Spine Surgery-Asia Pacific (SMISS-AP), in Mumbai.

Gautam Adani narrated the Group's success story of building the Mundra port from a mere salt export jetty to India's largest multi-cargo port.

"Mundra is the manifestation of a belief made real. It is a reminder that when vision dares, destiny bends as it is now India's largest multi-cargo port, the world's largest private single-site thermal power plant, India's first HVDC transmission line, India's largest integrated solar and wind manufacturing hub and a cluster of vital industries that include petrochemicals,

copper smelters, solar accessories and much more yet to come," the Adani Group Chairman pointed out.

He said that after the US partner backed out of the Mundra salt export jetty at the outset, his company went ahead and built it on its own with no construction experience in the marsh-land.

Around this time in 1995-96, Gujarat pioneered a public-private partnership policy for port development, aiming to tap private sector capabilities and the Adani Group 'dived right in.'

The Mundra Port commenced operations in October 1998 with its first berth, thereby marking India's first private port launch. A few years later, the SEZ policy was announced.

"Once again, we moved fast. While others saw barren land, we saw 40,000 acres of possibility," Gautam Adani remarked.

He said the Mundra port experience gave the company courage to look beyond limits, "it gave us the belief that barren salt lands could be converted to world-class infrastructure, and it gave us the conviction that if we could make it happen once, we could do it again bigger, faster and bolder."

Adani urges entrepreneurs to build AI-powered spinal diagnostic platform

MUMBAI

LOWER back pain is a national crisis that can affect the country's productivity, said Adani Group Chairman Gautam Adani on Friday, urging entrepreneurs to build India's first AI-powered spinal diagnostic platform.

He was addressing the 5th Annual Conference of the Society for Minimally Invasive Spine Surgery-Asia Pacific (SMISS-AP), in Mumbai.

The Adani Group Chairman expressed shock over lower back pain becoming a leading cause of disability in the country and noted how it can destroy the dreams of the nation.

"I was shocked to learn that low back pain is now a leading cause of disability in India, ahead of conditions like diabetes and heart disease. India is facing a spinal epidemic, a silent crisis far more widespread than global averages. Nearly 1 in 2 adult Indians experience low back pain every year," Gautam Adani told the gathering.

"This is not merely a health issue. It is a national crisis measured not just in

He was addressing 5th Annual Conference of the Society for Minimally Invasive Spine Surgery

pain, but in lost productivity, mounting healthcare costs, and destroyed dreams," the Adani Group Chairman added.

The billionaire industrialist called for "entrepreneurial imagination" to develop AI-based and low-cost treatments to heal the spine that can help "carry the full weight of national ambition".

"I would urge you to consider that one of you build India's first AI-powered spinal diagnostic platform that detects degeneration long before disability," said the Adani Group Chairman.

"The spine you save today may belong to the engineer who designs tomorrow's bridges, the farmer who feeds our cities, the scientist who invents our next vaccine, or the entrepreneur who builds our next billion-dollar com-

pany," Gautam Adani added.

The industrialist also urged entrepreneurs to "reimagine rural surgery" and create "low-cost, high-impact mobile operating theatres that bring hope to villages".

Further, the Adani Group Chairman called for pioneering a spinal hospital that can become "a global centre for robotic surgery, regenerative medicine, and next-gen bio-integrated implants".

Gautam Adani also pledged the support of his company to keep up the "momentum for healthcare" in the country. "The Adani Group stands ready to walk with you and we have already embarked on our journey. Three years ago, on my 60th birthday, my family pledged Rs 60,000 crore towards healthcare, education, and skill development," he noted.

Gautam Adani stated that Adani Group will build "a system that evolves with science, responds to shifting needs, and harnesses the full power of AI without losing sight of the human at the centre".

Adani group to enter healthcare, plans 2 hospitals with 1,000 beds

Mumbai: Billionaire Gautam Adani is set to expand his business empire into the healthcare sector, with plans to establish 1,000-bed hospitals in both Mumbai and Ahmedabad. The initiative will be financed through the Adani family's earlier commitment of Rs 60,000 crore dedicated to healthcare, education, and skill development.

The Adani Group's healthcare push will be anchored by the creation of "Adani Healthcare Temples"—At-first, 1,000-bed integrated hospitals beginning with Mumbai and Ahmedabad, Adani said while addressing the annual conference of the Society of for Minimally Invasive Spine Surgery-Asia Pacific in Mumbai.

"We are investing in modular, scalable infrastructure, of the kind that can expand rapidly in the face of pandemics or emergencies. We are championing the creation of large, world-class healthcare institutes that bring together innovation, patient care, and applied learning under one roof," Adani said. **ENS**

Adani group emerges as highest bidder to acquire Jaiprakash Associates

STATESMAN NEWS SERVICE

NEW DELHI, 11 JULY

The Adani group has emerged as the highest bidder in the race to acquire engineering and construction firm Jaiprakash Associates (Jaypee group), which is currently undergoing insolvency proceedings.

As per the reports, Adani's bid stands at Rs 12 billion (US\$1.4bn), is said to be one of six companies bidding, including Dalmia Bharat. Jaiprakash Associates has a diverse portfolio including four inactive cement manufacturing facilities in Uttar Pradesh and Madhya Pradesh.

As the flagship company of the Jaypee group, Jaiprakash Associates was one of the leading cement manufac-

turers with an installed capacity of around 28Mta.

It is also engaged in the construction business in the fields of civil engineering, design and construction of hydropower and river valley projects.

In a separate development, the Adani Group Chairman Gautam Adani also announced that the conglomerate is preparing for a capital expenditure of nearly \$100 billion over the next five years — a commitment

he described as unprecedented in India's private sector history.

While speaking at the 5th Annual Conference of the Society for Minimally Invasive Spine Surgery – Asia Pacific (SMISS-AP), Adani said: "It is with this conviction that we are preparing for our capital expenditures investment of nearly \$100 billion over the next five years."

"The scale and pace of this investment and its commitment [is] unprecedented in India's private sector history. As we do our part for strengthening the very spine of India's rise, a spine that must be unbreakable, a spine that must carry 1.4 billion dreams, a spine that tells the world that India's rise is inevitable," he added.

Back pain a silent epidemic: Adani

Amit Srivastava

MUMBAI

Lower back pain has emerged as the leading cause of disability in India — a silent crisis affecting millions

— warned Adani Group Chairman **Gautam Adani** while addressing the 5th Annual Conference of the Society for Minimally Invasive Spine Surgery Asia Pacific (SMISS-AP) in Mumbai.

Calling it a “spinal epidemic,” Adani said, “This is not merely a health issue, but an inter-

national crisis. Nearly one in two adult Indians experiences low back pain every year. It results in massive loss of productivity and mounting healthcare costs. It can destroy the dreams of a nation.”

Speaking before a gathering of leading spine, orthopedic, and neurosurgeons from across Asia, Adani praised the dedication of the medical community in addressing this growing health challenge.

► **Contd on** | [nation](#)

‘AI-first Healthcare Temples’

Gautam Adani on Friday announced the launch of cutting-edge “AI-first Healthcare Temples” in Ahmedabad and Mumbai. These facilities will be 1,000-bed integrated campuses aimed at delivering affordable, world-class healthcare. He said, it was a tie-up with Mayo Clinic in “design, implementation, and global benchmarking.” He also said the group was preparing for a capital investment of nearly \$100 billion over 5 years.

Back pain a silent...

"Doctors are a symbol of hope," he said. "You represent hope for patients and for society."

He called for "entrepreneurial imagination" to drive the development of affordable, AI-based treatments for spinal disorders. "I urge one of you to build India's first AI-powered spinal diagnostic platform — one that can detect degeneration long before disability sets in," Adani said.

Quoting the iconic film Munna Bhai MBBS, he added, "Healing is not just about medicine — it's about humanity. Jadoo ki jhappi and a surgeon's scalpel both carry the same essence: humanity."

Adani likened the work of spine surgeons to the qualities needed in leadership. "The spine you mend is the ultimate architecture of resilience. Just as the body needs a strong spine, so do institutions — they need leaders with self-belief," he said.

He also stressed the need to strengthen India's health infrastructure and embrace innovation in medical technology. "Dreams are not what you see in sleep; dreams are what keep you awake," he said, urging closer partnerships between the medical community and private sector.

Reaffirming his commitment to healthcare, Adani said, "The Adani Group stands ready to walk with you. Three years ago, on my 60th birthday, my family pledged Rs 60,000 crore towards healthcare, education, and skill development. We are already on that journey."

The Society for Minimally Invasive Spine Surgery (SMISS) is an international community of surgeons dedicated to advancing techniques that reduce tissue damage and recovery time. Its annual conference brings together experts from across the globe to share innovations, training, and research in the field.

Adani Group to invest \$100 billion over next five years: Gautam Adani

MUMBAI, JULY 11

GAUTAM Adani, Chairman of the Adani Group, on Friday announced that the conglomerate is preparing for a capital expenditure investment of nearly \$100 billion over the next five years.

"The scale and pace of this commitment is unprecedented in India's private sector history as we do our part for strengthening the very spine of India's rise that must carry 1.4 billion dreams," Gautam Adani remarked.

Addressing a conference of top doctors here, Gautam Adani said these investments are manifestations of the Adani Group's "belief in the future of India" comprising energy grids, logistics arteries and the country's

अदाणी समूह देश में विश्व-स्तरीय, किफायती स्वास्थ्य परिवेश बनाएगा: अदाणी

मुंबई, (भाषा)। अदाणी समूह के चेयरमैन गौतम अदाणी ने शुक्रवार को स्वास्थ्य देखभाल में आमूलचूल बदलाव लाने की रूपरेखा पेश की। उन्होंने कहा कि देश में कृत्रिम मेधा (एआई) पर केंद्रित एक किफायती, विश्व-स्तरीय स्वास्थ्य देखभाल परिवेश तैयार करने की योजना है। अदाणी ने यहां सोसाइटी फॉर मिनिमली इन्वेजिव स्याइन सर्जरी- एशिया प्रशांत के पांचवें वार्षिक सम्मेलन को संबोधित करते हुए कहा कि भविष्य की जरूरतों को पूरा करने के लिए पूरी स्वास्थ्य सेवा प्रणाली को नया स्वरूप देने की जरूरत है।

विविध कारोबारों में सक्रिय समूह के प्रमुख ने कहा कि तीन साल पहले उनके 60वें जन्मदिन पर उनके परिवार ने स्वास्थ्य सेवा, शिक्षा और कौशल विकास के लिए 60,000 करोड़ रुपये देने का संकल्प लिया था। अदाणी ने कहा, 'हमने स्वास्थ्य सेवा में इसलिए कदम रखा कि इसकी रफ्तार पर्याप्त नहीं थी...। उन्होंने कहा, बदलाव की रफ्तार तात्कालिकता के साथ भविष्य की मांगों का तालमेल नहीं बिठा पा रही थी। जल्द ही यह सच सामने आया कि स्वास्थ्य सेवा को क्रमिक सुधार की नहीं, बल्कि समूची प्रणाली को नए सिरे से तैयार करने की जरूरत है।

विकास की नहीं, बल्कि बुद्धिमत्ता और सहानुभूति में निहित एक क्रांति की जरूरत है। अदाणी ने पहले घोषित किए जा चुके अदाणी हेल्थकेयर मंदिरों का जिक्र करते हुए कहा कि अहमदाबाद और मुंबई में स्थापित होने वाले 1,000 बिस्तरों वाले ये एकीकृत चिकित्सा परिसर विश्व स्तरीय, किफायती, एआई-प्रधान स्वास्थ्य सेवा परिवेश होंगे। यहां पर ऐसी अवसंरचना होगी कि महामारी या आपात स्थिति में तेजी से उसका विस्तार किया जा सकेगा।

उन्होंने कहा कि ये परिसर क्लिनिकल देखभाल, अनुसंधान और अकादमिक प्रशिक्षण के लिए उत्कृष्टता केंद्र के रूप में काम करेंगे, जो मेयो क्लिनिक की वैश्विक विशेषज्ञता से निर्देशित होंगे। अदाणी ने भविष्य के लिए तैयार स्वास्थ्य सेवा प्रणाली को पांच मुख्य सिद्धांतों पर आधारित बनाने का दृष्टिकोण पेश किया। इन सिद्धांतों में पारंपरिक सीमाओं को तोड़ने वाली एकीकृत देखभाल, मॉड्यूलर और बढ़ाई जा सकने लायक अवसंरचना, रोबोटिक्स और एआई पर केंद्रित शिक्षा, नर्सिंग एवं पैरामेडिकल प्रशिक्षण में मजबूत निवेश और मरीजों को प्राथमिकता देने वाला बीमा मॉडल शामिल है।

अदाणी समूह देश में किफायती स्वास्थ्य परिवेश बनाएगा

नई दिल्ली (भाषा)।

अदाणी समूह के चेयरमैन गौतम अदाणी ने शुक्रवार को स्वास्थ्य देखभाल में आमूलचूल बदलाव लाने की रूपरेखा पेश की। उन्होंने कहा कि देश में कृत्रिम मेधा (एआई) पर केंद्रित एक किफायती, विश्व-स्तरीय स्वास्थ्य देखभाल परिवेश तैयार करने की योजना है।

अदाणी ने यहां 'सोसाइटी फॉर मिनिमली इन्वेजिव स्पाइन सर्जरी- एशिया प्रशांत' के पांचवें वार्षिक सम्मेलन को संबोधित करते हुए कहा कि भविष्य की जरूरतों को पूरा करने के लिए पूरी स्वास्थ्य सेवा प्रणाली को नया स्वरूप देने की जरूरत है। विविध कारोबारों में सक्रिय समूह के प्रमुख ने कहा कि तीन साल पहले उनके 60वें जन्मदिन पर उनके परिवार ने स्वास्थ्य सेवा, शिक्षा और कौशल विकास के लिए 60,000 करोड़ रुपये देने का संकल्प लिया था। अदाणी ने कहा, 'हमने स्वास्थ्य सेवा में इसलिए कदम रखा कि इसकी रफ्तार पर्याप्त नहीं थी...।'

अहमदाबाद और मुंबई में स्थापित होने वाले 1,000 विस्तरों के 'अदाणी हेल्थकेयर मंदिर' एकीकृत चिकित्सा परिसर 'विश्व स्तरीय, किफायती, एआई-प्रधान स्वास्थ्य सेवा परिवेश होंगे : गौतम अदाणी

उन्होंने कहा, 'बदलाव की रफ्तार तात्कालिकता के साथ भविष्य की मांगों का तालमेल नहीं बिठा पा रही थी। जल्द ही यह सच

सामने आया कि स्वास्थ्य सेवा को क्रमिक सुधार की नहीं, बल्कि समूची प्रणाली को नए सिरे से तैयार करने की जरूरत है। विकास की नहीं, बल्कि बुद्धिमत्ता और सहानुभूति में निहित एक क्रांति की जरूरत है।' अदाणी ने पहले घोषित किए जा चुके 'अदाणी हेल्थकेयर मंदिरों' का जिक्र करते हुए कहा कि अहमदाबाद और मुंबई में स्थापित होने वाले 1,000 विस्तरों वाले ये एकीकृत चिकित्सा परिसर 'विश्व स्तरीय, किफायती, एआई-प्रधान स्वास्थ्य सेवा परिवेश' होंगे। यहां पर ऐसी अवसंरचना होगी कि महमारी या आपात स्थिति में तेजी से उसका विस्तार किया जा सकेगा।

उन्होंने कहा कि ये परिसर क्लिनिकल देखभाल, अनुसंधान और अकादमिक प्रशिक्षण के लिए उत्कृष्टता केंद्र के रूप में काम करेंगे, जो मेयो क्लिनिक की वैश्विक विशेषज्ञता से निर्देशित होंगे। अदाणी ने भविष्य के लिए तैयार स्वास्थ्य सेवा प्रणाली को पांच मुख्य सिद्धांतों पर आधारित बनाने का दृष्टिकोण पेश किया।

गौतम अदानींची वैद्यकीय क्षेत्रात एंट्री

साठ हजार कोटींची गुंतवणूक; मुंबई, अहमदाबादमध्ये 'हेल्थकेअर टेम्पल्स'

● एआय तंत्रज्ञानासह
रुग्णालयांची उभारणी

● 'मोबाईल ऑपरेशन
थिएटर्स' योजना

मुंबई : वृत्तसंस्था

उद्योगपती गौतम अदानी यांनी शुक्रवारी आरोग्य क्षेत्रातील एका मोठ्या प्रकल्पाची घोषणा केली असून, त्यांनी आपल्या उद्योग समूहातर्फे तब्बल साठ हजार कोटी रुपयांची गुंतवणूक करण्याचे जाहीर केले आहे. हा प्रकल्प केवळ एक वैद्यकीय सेवा केंद्र न राहता, तो उद्यमशील क्रांती घडवणारा उपक्रम ठरेल, असे अदानी यांनी स्पष्ट केले.

या गुंतवणुकीअंतर्गत 'अदानी हेल्थकेअर टेम्पल्स' या नावाने १,००० खाटांची एकात्मिक रुग्णालये उभारण्यात येणार आहेत. प्रारंभी मुंबई आणि अहमदाबाद येथे हे रुग्णालय प्रकल्प साकारले जातील. या रुग्णालयांचे डिझाईन जगप्रसिद्ध अमेरिकन मेयो क्लिनिक यांच्या सहकायाने तयार करण्यात येणार आहे.

या हॉस्पिटलमध्ये केवळ उपचारच नव्हे, तर वैद्यकीय शिक्षण, संशोधन आणि तंत्रज्ञानाचा समन्वय साधून जागतिक दर्जाचे मॉडेल तयार केले जाणार आहे. या संस्थांमध्ये

भारताचा 'कणा' ताठ हवा : गौतम अदानी

गौतम अदानी

मुंबईतील आघाडीच्या शल्यचिकित्सासमोर भाषण करताना अदानी म्हणाले, भारताला आता आरोग्याच्या क्षेत्रात उत्क्रांती नव्हे, तर क्रांतीची गरज आहे. आरोग्य क्षेत्र पुरेसे पुढे गेलेले नाही; म्हणून आम्ही पुढे येत आहोत. ते पुढे म्हणाले की, पाठदुखी ही भारतातील अपंगत्वाचे प्रमुख कारण आहे. जर आपले नागरिक उभे राहू शकले नाहीत, तर भारत उभा कसा राहील? गौतम अदानी यांनी या उपक्रमाला भारताच्या उभारणीसाठी आवश्यक 'कणा' उभारणी, असे संबोधले आहे. हे पाऊल त्यांच्या १ लाख कोटी रुपयांच्या पुढील ५ वर्षांतील गुंतवणूक योजनेचा एक भाग आहे, ज्यातून ते ऊर्जा, पायाभूत सुविधा यांच्यापलीकडे जाऊन सामाजिक परिणाम करणाऱ्या क्षेत्रात आपला ठसा उमटवू इच्छित आहेत.

कृत्रिम बुद्धिमत्ता (एआय), नावीन्यपूर्ण शस्त्रक्रिया प्रणाली, ग्रामीण मोबाईल थिएटर्स आणि स्केलेबल आरोग्य सुविधा असतील.

सामाजिक बांधिलकी दीर्घकालीन विकास

ही संपूर्ण योजना अदानी समूहाच्या आधीच्या साठ हजार

कोटींच्या सामाजिक बांधिलकीच्या घोषणेचा भाग आहे, जी आरोग्य, शिक्षण व कौशल्य विकासासाठी वापरण्यात येणार आहे. या प्रकल्पांचा उद्देश सध्याच्या संस्थांशी स्पर्धा करणे नसून, प्रणालीतील कमतरता भरून काढणे, असे अदानी यांनी स्पष्ट केले.
