Adani's Haifa Port Unaffected by Iranian Missile Strikes, Ops Normal: Sources

Jerusalem: Gautam Adani-led group's Haifa port in Israel was unharmed by the Iranian ballistic missile attack, with cargo operations progressing unhampered, sources said.

Late on Saturday night, Iran targeted Israel's Haifa port and a nearby oil refinery in response to Tel Aviv's attack on Iranian nuclear and other targets earlier this week.

Sharpnells fell in the chemical terminal at the port and some other projectiles fell at the oil refinery, two sources aware of the matter said. They claimed there were no injuries.

Adani's port, however, was not

File photo of Haifa Port

impacted by the strike. A piece of interceptor shrapnel was also found at the Kishan West (Haifa port) but there were no injuries, they said.

Cargo operations at the Adani-operated port were unhampered. "There are eight ships in the port

now, cargo operations are normal," a source said.

The Iranian ballistic missile attack did not inflict any damage to the port or its operations, the sources claimed.

Adani group did not immediately offer any comments on the issue. Israel government authorities could not be immediately reached for comments.

Haifa port serves as a crucial maritime hub, handling over 30% of Israel's imports. It is owned by Adani Ports, which controls a 70% share. The missiles may have caused damage to a major oil refinery close to the port but there was no official comment on the impact on it. —PTI

Adani Haifa port unscathed by Iran's strikes

PRESS TRUST OF INDIA
Jerusalem, 15 June

Billionaire Gautam Adani-led group's Haifa port in Israel was unharmed by the Iranian ballistic missile attack, with cargo operations progressing unhampered, sources said.

On Saturday night, Iran targeted Israel's Haifa port and a nearby oil refinery in response to Tel Aviv's attack on Iranian nuclear and other targets earlier this week.

Sharpnells fell in the chemical terminal at the port and some other projectiles fell at the oil refinery, two sources said. They claimed there were no injuries. Adani's port, however, was not impacted by the strike.

A piece of interceptor shrapnel was also found at the Kishan West (Haifa port) but there were no injuries. Cargo operations at the Adani-operated port were unhampered. "There are eight ships in the port now, cargo operations are normal," a source said.

The Iranian ballistic mis-

sile attack did not inflict any damage to the port or its operations, the sources claimed.

Haifa port is totally functioning normally, sources said, adding 8 ships were handling cargo as on Sunday. The port has around 700 employees. It handles different type of cargo, including containers, bulk, breakbulk, cement and general cargo.

Sources said the port is closely coordinating with the ministry of transport in Israel and continue to operate normally with full compliance of security and other requirements of the Israeli government. The Chinese port (which is next to Haifa) is also functioning, sources said.

Haifa port serves as a crucial maritime hub, handling over 30 per cent of Israel's imports. It is owned by Adani Ports, which controls a 70 per cent share.

The missiles may have caused damage to a major oil refinery close to the port but there was no official comment on the impact on it.

Haifa Port headache for Adanis

RAGHAVENDRA KAMATH
Mumbai, June 15

IRAN'S BALLISTIC MISSILE attack on Israel's Haifa Port and a nearby oil refinery late on Saturday night could create a massive headache for Adani Group's operations in West Asia.

Adani Ports & Special Economic Zone (APSEZ) holds a 70% stake in Haifa Port, which it acquired in 2023 for \$1.2 billion. Though cargo operations have not been impacted yet, the continued instability is a major cause of concern for the Haifa Port which serves as a crucial mar-

WHAT'S AT STAKE

■ Adani Ports & SEZ holds a **70%** stake in Haifa Port

■ It acquired it in 2023 for **\$1.2 bn** in partnership with Gadot Group of Israel

■ The port contributes 3% of APSEZ's total annual cargo volumes

itime hub, handling over 30% of Israel's imports. The port contributes 3% of APSEZ's total annual cargo volumes and about 5% of revenue. APSEZ handles a total cargo of

10.57 million tonne.

In Q4FY25, the company said it has set up a senior leadership team at the site and signed a union agreement in April 2025. The agreement will

lead to significantly higher productivity and efficiency at the port, the company said, adding that during FY25, Haifa Port's earnings before interest, taxes, depreciation and amortisation (Ebitda) increased by 36% year-on-year.

A query sent to Adani Group seeking its perspective did not elicit any response.

Adani Group is also involved in multiple projects in Israel. The group, however, had put its \$10 billion semiconductor joint venture with Israel's Tower Semiconductor on hold.

Continued on Page 12

Haifa Port headache for Adanis

ADANI'S ISRAEL CONNECTIONS also extend to defence manufacturing.

In 2018, Adani Enterprises partnered with Israeli defence major Elbit Systems to launch Adani Elbit Advanced Systems India. Based in Hyderabad, the joint venture manufactures Hermes 900 drones, the same unmanned aerial vehicles used by the Israel Defense Forces (IDF).

With the current tension, Adani's joint venture with Elbit could see more demand for military drones and weapons, experts said.

Adani Ports and SEZ (APSEZ) shares lost 2.71% on Friday and Adani Enterprises went down 1.48% to ₹2,506 apiece. APSEZ shares have lost 4.5% in the last one week and Adani Enterprises stock has shed 1.12% during the period.

Israel, Iran trade blows for third day; no sign of let-up

Agencies

Israel and Iran continued intense bombardment of one another for a third day, with growing international concern the conflict will spread across one of the world's key oil-producing regions.

On Sunday, Israel reported a new wave of missile attacks from Iran, just hours after the previous one while it was carrying out simultaneous strikes on Teheran. Since Friday, 13 people have been killed in Israel by Iranian strikes and 380 injured, Israel's emergency services said. At least 80 people in Iran have been killed, according to the government.

Israel's Defence Minister Israel Katz said his country's targets now include the "regime in Tehran".

The United Nations' atomic watchdog, meanwhile, reported that multiple strikes on Iran's uranium-conversion facility at Isfahan, south of Teheran, resulted in serious damage.

On Sunday, Iran targeted Israel's infrastructure and energy facilities around Haifa, according to state media. Israel advised its residents to remain in bomb shelters for a brief period, while forces tried to intercept the projectiles.

Prime Minister Benjamin Netanyahu said his military would "strike at every site and every target of the Ayatollah regime," while Iran's Supreme Leader Ayatollah Ali Khamenei has said Israel will "pay a very heavy price".

NUCLEAR TALKS OFF

Iran cancelled its next round of nuclear talks with the US scheduled for Oman on Sunday. US President Donald Trump, who is seeking an accord that would curb Iran's nuclear activities in return for sanctions relief, said on social media that "this war in Israel-Iran should end."

On Sunday morning, Trump reiterated that the US wasn't involved in Israel's attacks, and said he could still

People stand near debris after missiles fired from Iran impacted a residential building, in Tamra, northern Israel. REUTERS

get a nuclear deal with Iran. He's set to meet other leaders of the Group of Seven major economies in Canada and the conflict will be at the forefront of their talks. Israel is calling on Washington and European nations to help it attack Iran, arguing that is what's needed to stop Tehran developing a nuclear weapon.

Trump, who has warned Iran to agree on a nuclear deal "before it is too late," has not yet indicated if the US will join Israel in striking Iran.

Middle Eastern leaders and Russian President Vladimir Putin are voicing increasing concern that the conflict could spiral out of control and spread to other parts of the region. They have urged both sides to calm the situation quickly.

FLIGHTS CANCELLED

Israel's El Al Airlines has cancelled flights to and from many European cities as well as Tokyo and Moscow until June 23 owing to the conflict between Israel and Iran, it said on Sunday.

Meanwhile, Etihad Airways has cancelled flights between Abu Dhabi and Tel Aviv until June 22, it said on Sunday.

ADANI PORT SAFE

Gautam Adani-led group's Haifa port in Israel was unharmed by the Iranian ballistic missile attack, with cargo operations progressing unhindered, added two sources.

OPERATIONS NORMAL

Adani's Haifa port unaffected by Iranian missile strikes: sources

JERUSALEM: Indian billionaire Gautam Adani-led group's Haifa port in Israel was unharmed by the Iranian ballistic missile attack, with cargo operations progressing unhampered, sources said.

Late on Saturday night, Iran targeted Israel's Haifa port and a nearby oil refinery in response to Tel Aviv's attack on Iranian nuclear and other targets earlier this week.

Shrapnel fell in the chemical terminal at the port and some other projectiles fell at the oil refinery, two sources aware of the matter said.

They claimed there were no injuries.

Adani's port, however, was not impacted by the strike.

A piece of interceptor shrapnel was also found at the Kishan West (Haifa port) but there were no injuries, they said.

Cargo operations at the Adani-operated port were unhampered. "There are eight ships in the port now, cargo operations are normal," a source said.

Cargo operations at the Adani-operated port were unhampered. "There are eight ships in the port now, cargo operations are normal," a source said

The Iranian ballistic missile attack did not inflict any damage to the port or its operations, the sources claimed.

Adani group did not immediately offer any comments on the issue. Israel government authorities could not be immediately reached for comments.

Haifa port is totally functioning normally, sources said, adding 8 ships were handling

cargo as on Sunday.

The port has approximately 700 employees. It handles different type of cargo, including containers, bulk, breakbulk, cement and general cargo.

Key Points

- » Iran targeted Israel's Haifa port and a nearby oil refinery in response to Tel Aviv's attack on Iranian nuclear and other targets
- » Shrapnel fell in the chemical terminal at the port and some other projectiles fell at the oil refinery, two sources aware of matter said
- » Adani's port, however, was not impacted by the strike

requirements of the Israeli government.

The Chinese port (which is next to Haifa) is also functioning normally, sources said.

Haifa port serves as a crucial maritime hub, handling over 30 per cent of Israel's imports. It is owned by Adani Ports, which controls a 70 per cent share.

The missiles may have

caused damage to a major oil refinery close to the port but there was no official comment on the impact on it.

Haifa is less than 3 per cent of the volume handled by Adani Ports and SEZ and contributed less than 2 per cent to the profits.

Haifa handles a total cargo of 10-11 million tonnes annually, while APSEZ annual volumes are upwards of 450 million tonnes.

Israel attacked Iran early Friday targeting its nuclear, missile and military infrastructure. Iran later launched retaliatory strikes on Israel. The two countries traded strikes for a third day on Sunday as the Middle East region braced for a protracted conflict.

Iran said Israel struck two oil refineries, raising the prospect of a broader assault on Iran's heavily sanctioned energy industry that could affect global markets.

Some Iranian missiles evaded Israeli air defences to strike buildings in the heart of the country.

WEST ASIA CONFLICT | Germany, France, UK offer Tehran urgent nuclear talks to ease tensions between Iran and Israel

Russia could emerge as key peace broker

AP

MOSCOW

Russia has maintained a delicate balancing act in the Middle East for decades, trying to navigate its warm relations with Israel even as it has developed strong economic and military ties with Iran.

Israel's military strikes this weekend on Iranian nuclear and military facilities, killing top generals and scientists, and Tehran's response with drones and missiles, put Moscow in an awkward position, requiring fine diplomatic skills to preserve ties with both parties. But it also could open opportunities for Russia to possibly become a power broker to help end the confrontation.

Russian President Vladimir Putin spoke to both Israel Prime Minister Benjamin Netanyahu and Iranian President Masoud Pezeshkian, offering to help de-escalate the conflict.

In his call with Pezeshkian, Putin condemned the Israeli strikes and offered his condolences. He noted that Russia has put forward specific initiatives aimed at resolving the situation around the Iranian nuclear programme.

Germany, France, UK offer Iran urgent nuclear talks

Germany, France and Britain are ready to hold immediate talks with Iran over Tehran's nuclear pro-

Don't panic, exercise caution, Tehran mission tells Indians

Indians in Iran were on Sunday asked not to panic, exercise due caution and maintain contact with Indian Embassy in Tehran via its social media accounts. The Indian Embassy asked all Indian nationals and Persons of Indian Origin to remain vigilant, avoid all unnecessary movements, follow embassy's social media accounts and observe safety protocols. Meanwhile, all Indians in Israel are safe and the embassy is constantly monitoring the situation and the safety of its nationals, the Indian mission said on Sunday.

STORM OF STRIFES

A long history of hostilities between Israel and Iran

1979 Shah of Iran flees. Ayatollah Khomeini returns to Tehran. New regime identifies Israel as a major enemy.

2010 Iran's nuclear programme targeted. The Stuxnet computer virus, which destroyed centrifuges, is believed to be a US-Israeli creation.

2018 Israel's PM Netanyahu says Iran covered up its nuclear programme before signing a deal with world powers in 2015. US withdraws from the deal.

2020 Blast at Iran's Natanz nuclear enrichment facility. Iran blames Israel.

2020 Iran accuses Israel of using "electronic devices" to remotely kill Mohsen Fakhrizadeh, the scientist who founded Iran's nuclear programme.

2021 Natanz facility attacked. Iran blames Israel.

2022 Iran accuses Israel of poisoning two nuclear scientists.

2023 Iran-backed Hamas militants from Gaza Strip storm into Israel, killing 1,200 people and taking 250 hostage.

2024 Israeli airstrike on Iran's consulate in Damascus, Syria, kills 16, including two Iranian generals.

2024 Iran launches retaliatory missile and drone attack.

2024 Israeli airstrikes kill Hamas leaders Ismail Haniyeh and Yahya Sinwar, and Hezbollah's Hassan Nasrallah.

2025 Israel attacks Iran's nuclear and military facilities, kills top generals and scientists. Iran fights back.

gramme in an effort to de-escalate the situation in the Middle East, German Foreign Minister Johann Wadephul said.

Wadephul, who is on a visit to the Middle East, said he

was trying to contribute towards a de-escalation of the conflict between Israel and Iran, noting that Tehran had previously failed to take the opportunity of constructive talks.

Haifa port unaffected

Gautam Adani-led group's Haifa port in Israel was unharmed by the Iranian ballistic missile attack, with cargo operations progressing unhampered, sources said.

Iran envoy: If Israeli attacks stop, our responses will stop

Iran's top diplomat said on Sunday that if Israeli attacks on his country stop, "our responses will also stop." Foreign Minister Abbas Araghchi made the comment before diplomats in Tehran, his first public appearance since the Israeli strikes began on Friday. "If the aggression stops, our responses will also stop," Araghchi said.

There was no immediate reaction from Israel, which had been continuing strikes Sunday across Iran.

ईरानी मिसाइल हमलों से अदाणी का हाइफा बंदरगाह अप्रभावित

जेरुशलम ■ एजेंसियां/डेस्क

इजराइल में अदाणी समूह के हाइफा बंदरगाह को ईरानी बैलिस्टिक मिसाइल हमले से कोई नुकसान नहीं हुआ, और परिचालन सामान्य रूप से चल रहा है। सूत्रों ने यह जानकारी दी।

इस सप्ताह की शुरुआत में ईरान के परमाणु और अन्य लक्ष्यों पर तेल अवीव के हमले के जवाब में शनिवार की देर रात ईरान ने इजराइल के हाइफा बंदरगाह और पास की एक तेल रिफाइनरी को निशाना बनाया।

इस मामले से अवगत दो सूत्रों ने कहा कि बंदरगाह पर रासायनिक टर्मिनल में शार्पनेल गिरे और कुछ अन्य प्रक्षेपास्त्र तेल रिफाइनरी में गिरे। उन्होंने दावा किया कि कोई हताहत नहीं हुआ। हालांकि, हमले से अदाणी का बंदरगाह प्रभावित नहीं हुआ।

एक सूत्र ने कहा, "बंदरगाह में अभी आठ जहाज हैं, माल ढुलाई सामान्य है।" सूत्रों ने दावा किया कि ईरानी बैलिस्टिक मिसाइल हमले से बंदरगाह या इसके संचालन को कोई नुकसान नहीं पहुंचा है। अदाणी समूह ने इस मुद्दे पर तुरंत कोई टिप्पणी नहीं की।

उन्होंने बताया कि किशन वेस्ट (हाइफा बंदरगाह) में इंटरसेप्टर छर्रे का एक टुकड़ा भी मिला, लेकिन कोई हताहत नहीं हुआ।

सूत्रों ने कहा कि हाइफा बंदरगाह पूरी तरह से सामान्य रूप से काम कर रहा है।

उन्होंने कहा कि रविवार को आठ जहाज माल संभाल रहे थे। बंदरगाह में लगभग 700 कर्मचारी हैं। उन्होंने कहा कि बंदरगाह इजराइल में परिवहन मंत्रालय के साथ मिलकर काम कर रहा है और इजराइल सरकार की सुरक्षा तथा अन्य आवश्यकताओं का पूरी तरह अनुपालन कर रहा है। सूत्रों ने कहा कि चीनी बंदरगाह (जो हाइफा के बगल में है) भी सामान्य रूप से काम कर रहा है। टिप्पणी के लिए इजराइल सरकार के अधिकारियों से तुरंत संपर्क नहीं किया जा सका। हाइफा बंदरगाह एक महत्वपूर्ण समुद्री केंद्र के रूप में कार्य करता है, जो इजराइल के आयात का 30 प्रतिशत से अधिक संभालता है। इसका स्वामित्व अदाणी पोर्ट्स के पास है, जो 70 प्रतिशत हिस्सेदारी को नियंत्रित करता है।

अदानी का हाइफा बंदरगाह अप्रभावित

यरुशलम, एजेंसी। इजरायल में भारतीय कारोबारी गौतम अदानी का हाइफा बंदरगाह ईरानी हमलों से अप्रभावित रहा और सामान्य रूप से काम कर रहा है। यहां आवश्यक सुरक्षा निर्देशों का पालन किया जा रहा है।
बता दें कि इस बंदरगाह के पास एक तेल रिफाइनरी पर शनिवार देर रात ईरान ने मिसाइल हमला किया था। सूत्रों की माने तो बंदरगाह के टर्मिनल पर

मिसाइल के अवशेष गिरे, हालांकि कोई हताहत नहीं हुआ और किसी तरह का नुकसान नहीं पहुंचा। बंदरगाह, इजरायल के परिवहन मंत्रालय के साथ मिलकर काम कर रहा है। वर्तमान में यहां आठ पोत और 700 कर्मचारी हैं, माल ढुलाई सामान्य रूप से जारी है। सूत्रों ने कहा कि चीनी बंदरगाह (जो हाइफा के बगल में है) भी सामान्य रूप से काम कर रहा है।

ইরান-ইসরায়েল সংঘাতে বিপাকে আদানি

পর্যবেক্ষক : ইরান ও ইসরায়েলের মধ্যকার সামরিক উত্তেজনা বেড়ে যাওয়ায় ধনকুবের গৌতম আদানির বহু বিলিয়ন ডলারের বিনিয়োগ বড় ঝুঁকিতে পড়েছে। বিশেষ করে ইসরায়েলের হাইফা বন্দর এবং প্রতিরক্ষা ও প্রযুক্তি খাতে আদানি গ্রুপের অংশগ্রহণ এই সংঘাতের সরাসরি প্রভাবের আওতায় এসেছে।

হাইফা বন্দর : ২০২৩ সালে আদানি পোর্টস ১ দশমিক ২ বিলিয়ন (১২০ কোটি) ডলারে ইসরায়েলের

গ্যাদত গ্রুপের সঙ্গে যৌথভাবে হাইফা বন্দরের ৭০ শতাংশ মালিকানা নেয়। বন্দরটি আদানি পোর্টসের বাৎসরিক কার্গোর প্রায় তিন শতাংশ বহন করে এবং ইসরায়েলের আমদানি-রপ্তানিতে কৌশলগতভাবে গুরুত্বপূর্ণ। তবে ইসরায়েল-ইরান যুদ্ধ শুরু হওয়ার পর এই বন্দর ঝুঁকির মুখে পড়েছে। পুরো অঞ্চলে উত্তেজনা বাড়ায় ভূমধ্যসাগরীয় বাণিজ্যপথে বিঘ্ন ঘটতে পারে। এর ফলে পণ্য পরিবহন বিলম্বিত হতে পারে এবং শিপিং রুট পরিবর্তনের প্রয়োজন হতে পারে।

প্রতিরক্ষা খাতে আদানি-এলবিট অংশীদারত্ব : আদানি এন্টারপ্রাইজ ২০১৮ সালে ইসরায়েলি প্রতিরক্ষা প্রতিষ্ঠান এলবিট সিস্টেমসের সঙ্গে যৌথভাবে হায়দরাবাদে ড্রোন কারখানা স্থাপন করে। এই

কারখানায় তৈরি হার্মিস ৯০০ ড্রোন বর্তমানে ইসরায়েলি সেনাবাহিনীর (আইডিএফ) একটি প্রধান অস্ত্র। এটি ইসরায়েলের বাইরে একমাত্র নির্মাণকেন্দ্র। যুদ্ধ বেড়ে গেলে এই ড্রোনের চাহিদা বাড়ার সম্ভাবনা থাকলেও এতে আদানি গ্রুপকে নতুন রাজনৈতিক ও নৈতিক প্রশ্নের মুখোমুখি হতে পারে।

সেমিকন্ডাক্টর প্রকল্প স্থগিত : আদানি গ্রুপ ইসরায়েলের টাওয়ার সেমিকন্ডাক্টরের সঙ্গে যৌথভাবে ১০ বিলিয়ন (এক হাজার কোটি) ডলারের একটি সেমিকন্ডাক্টর প্রকল্পের পরিকল্পনা করেছিল। তবে এপ্রিল মাসে রয়টার্সের এক প্রতিবেদনে জানানো হয়, প্রকল্পটি আপাতত স্থগিত রয়েছে। বলা হচ্ছে, এর পেছনে বাজারের অনিশ্চয়তা ও ভূরাজনৈতিক অস্থিরতা কাজ করছে।

বিনিয়োগ ঝুঁকি ও বাজার প্রতিক্রিয়া : যদিও হাইফা বন্দর আদানি পোর্টসের জন্য বড় রাজস্ব উৎস নয়, তবু এর কৌশলগত গুরুত্ব বিশাল। যুদ্ধের ঝুঁকিতে এই স্থাপনার ভবিষ্যৎ নিয়ে বিনিয়োগকারীদের মধ্যে উদ্বেগ দেখা দিয়েছে। এরই মধ্যে বাজারে এর প্রভাব পড়তে শুরু করেছে। আদানি পোর্টসের শেয়ারের দর প্রায় ৩ দশমিক ২ শতাংশ এবং আদানি এন্টারপ্রাইজের শেয়ারের দর ২ দশমিক ৮ শতাংশ কমে গেছে।

ইরানের নিশানায় কেন ইসরায়েলের হাইফা শহর

তেল আবিব, ১৫ জুন : ইসরায়েলের উত্তরাঞ্চলীয় শহর হাইফা। শহরটি নিশানা করে গতকাল শনিবার ইরানের ক্ষেপণাস্ত্র ছোড়ার খবর ওয়াশিংটন পোস্টসহ বিভিন্ন আন্তর্জাতিক গণমাধ্যমে এসেছে। খবরে হাইফায় বিস্ফোরণের শব্দ শুনে পাওয়ার তথ্যও জানানো হয়। খবরে আরও বলা হয়, হাইফার উত্তরের কিছু শহরেও গতকাল ইরানি ক্ষেপণাস্ত্র আঘাত হেনেছে বলে মনে করা হচ্ছে। ইসরায়েল-ইরানের মধ্যে পাল্টাপাল্টি হামলা চলছে। বদলা হিসেবে হাইফাসহ ইসরায়েল বিভিন্ন এলাকায় ক্ষেপণাস্ত্র-ড্রোন হামলা চালানোর কথা জানিয়েছে ইরান। হাইফায় ইরানের হামলা নিয়ে নানা ধরনের তথ্য পাওয়া যাচ্ছে। ইরানের রাষ্ট্রীয় টেলিভিশনে দাবি করা হয়, গতকাল ১০০টির বেশি ক্ষেপণাস্ত্র ইসরায়েলের দিকে ছোড়া হয়, যার লক্ষ্য ছিল হাইফা ও তেল আবিব।

চ্যানেল ১২, টাইমস অব ইসরায়েলসহ ইসরায়েলি গণমাধ্যমে হাইফায় বিস্ফোরণ, বড় ধরনের অগ্নিকাণ্ডের খবর দিয়ে বলা হয়েছে, এগুলো ক্ষেপণাস্ত্র হামলার প্রভাব। অন্যদিকে বিবিসি প্রথমে বলেছিল, হাইফায় ইরানি ক্ষেপণাস্ত্র আঘাত হেনেছে।

ইসরায়েলের হাইফা বন্দর।

ফাইল ফটো: রয়টার্স

সেখানে পাঁচজন আহত হওয়ার খবর পাওয়া গেছে। পরে আবার বিবিসি বলে, হাইফায় ইরানের ক্ষেপণাস্ত্রের আঘাত হানার খবরটি ঠিক নয়।

হাইফা ইসরায়েলের তৃতীয় বৃহত্তম শহর। কিন্তু ইসরায়েলের উত্তরাঞ্চলের উপকূলীয় এ শহরটি কেন গুরুত্বপূর্ণ, কেনইবা ইরানের লক্ষ্যবস্তু হাইফা? ওয়াশিংটন পোস্ট জানিয়েছে, হাইফায় ইসরায়েলের একটি গুরুত্বপূর্ণ নৌঘাটি আছে। এ ছাড়া এখানে বেশ কিছু তেল শোধনাগার ও বহু রাসায়নিক কারখানা আছে।

নিউইয়র্ক টাইমসের প্রতিবেদনে বলা হয়, ইসরায়েলের সবচেয়ে বড় তেল শোধনাগার হাইফা এলাকায়

অবস্থিত। হাইফা শতাব্দীর পর শতাব্দী ধরে একটি বন্দর হিসেবে ব্যবহৃত হয়ে আসছে বলে বার্তা সংস্থা রয়টার্সের প্রতিবেদনে উল্লেখ করা হয়। এতে বলা হয়, হাইফা ইসরায়েলের প্রধান গভীর সমুদ্রবন্দর। ইসরায়েলের সামুদ্রিক বাণিজ্যের একটি বড় অংশ এখান থেকে পরিচালিত হয়। ইসরায়েলের মোট পণ্য পরিবহনের প্রায় অর্ধেকই এই বন্দর দিয়ে পরিবাহিত হয়। বাণিজ্যিক কার্যক্রম নির্বিঘ্ন রাখতে হাইফায় আয়রন ডোম স্থাপনসহ নানা প্রতিরক্ষামূলক ব্যবস্থা ইসরায়েল গ্রহণ করে রেখেছে বলে জানায় রয়টার্স। ইন্ডিয়ান এক্সপ্রেসের প্রতিবেদনে বলা হয়, হাইফায় অবস্থিত নৌঘাটি, তেল

শোধনাগার ও রাসায়নিক কারখানাগুলো তেল আবিবের জন্য অত্যন্ত গুরুত্বপূর্ণ হিসেবে বিবেচিত। হাইফায় ইরানি হামলা প্রত্যাশিত ছিল বলে উল্লেখ করেছে আল-জাজিরা। কারণ হিসেবে বলা হয়, এই শহরে গুরুত্বপূর্ণ গ্যাস অবকাঠামো রয়েছে। আল-জাজিরার প্রতিবেদনে বলা হয়, বিশেষ করে হাইফায় ইরানের হামলা এই ইঙ্গিত দেয় যে তেহরান তার অঙ্গীকার অনুযায়ী পাল্টা জবাব দিচ্ছে। কারণ, তেহরান বলেছিল, ইসরায়েল যদি ইরানের বেসামরিক অবকাঠামো বা জ্বালানি স্থাপনায় হামলা চালায়, তাহলে তারাও ঠিক একই রকম জবাব দেবে।
