Adani Realty, the real estate arm of the diversified Adani Group, has been honoured with the prestigious Grohe Hurun India Visionary Real Estate Brand of the Year Award at the Real Estate Leaders' Conclave 2025, held here in the national capital, a company statement said Friday.

The award recognises Adani Realty's exceptional growth, forward-thinking approach, and commitment to shaping the future of Indian real estate through innovation, sustainability, quality, and customer-centric development.

"This recognition is a reflection of our unwavering focus on building world-class developments and our belief in transformative

growth led by purpose and precision," said a spokesperson from Adani Realty.

Adani Realty's journey began in 2010 with the launch of Shantigram -- a 600-acre integrated township in Ahmedabad. Since then, the company has steadily expanded across asset classes including residential, commercial, and social infrastructure, with a presence in high-growth urban centres such as Mumbai, Pune, Gurugram, and Ahmedabad.

Today, the company boasts 24 million square feet of completed development, with over 7000 families residing across projects delivered by Adani Realty.

In 2024, it was valued at Rs 56,500 crore, topping the Grohe-Hurun India Real Estate 100 list as the highest-valued unlisted real estate firm in the country.
