US SEC Seeks Law Min Help to Serve Legal Notices to Adanis

ALLEGED SECURITIES FRAUD & BRIBERY CASE Indian govt's role is largely procedural, say lawyers

Forum Gandhi & Maulik Vyas

Mumbai: The US Securities and Exchange Commission (SEC) has asked India's Ministry of Law and Justice to help serve legal notices to industrialist Gautam Adani and his nephew Sagar in connection with its probe into alleged securities fraud and a \$265 million bribery scheme.

The SEC made the request by invoking the Hague Service Convention, which facilitates legal cooperation in cross-border cases.

According to documents seen by ET, the SEC stated in a letter that both individuals "are located in India, and the SEC's efforts to serve them there are ongoing, including through a request for assistance to the Indian authorities".

The US agency has sent 'Notices of Lawsuit and Requests for Waiver of Service of Summons' to the Adani Group chairman, his nephew and their legal representatives.

The Adani Group did not respond to ET's queries.

US agency invokes the Hague Service Convention

Adani Group has several options: cooperate, contest the allegations, or seek a settlement

Legal experts said this is a procedural step under the Hague Service Convention to ensure compliance with international law. "India's role is to process the request through its designated central authority, which verifies compliance before serving the documents," said Nilesh Tribuvann, managing partner at White & Brief - Advocates. "The Indian government can assess the request's validity but plays only a procedural role."

Burgeon Law senior partner Ke-

tan Mukhija said the Adani Group has several options: cooperate, contest the allegations, or seek a settlement, depending on the charges.

The SEC's probe is related to securities fraud allegations linked to a 2021 bond offering. The agency has also linked the Adani case to its ongoing probe under the Foreign Corrupt Practices Act (FCPA) against former Azure Power executives Ranjit Gupta and Rupesh Agarwal, who are accused of bribery to secu-

re government contracts in India.

Adani Green Energy Ltd clarified in November that Sagar and Gautam Adani, as well as its chief executive Vneet S Jaain were not charged under the FCPA or bribery-related violations. They face charges of securities fraud conspiracy, wire fraud conspiracy and securities fraud, including allegations tied to the bond offering.

A US court has consolidated civil and criminal cases against the three executives. "The next steps will depend on whether the Adanis contest the service or engage with the US legal system," said Tribuvann.

The Adani Group has appointed Kirkland & Ellis and Quinn Emanuel Urquhart & Sullivan LLP to represent it in the case, people in the know told ET.

The SEC is also probing Canadian institutional investor CDPQ's executives Cyril Cabanes, Saurabh Agarwal and Deepak Malhotra for allegedly destroying evidence and withholding key information in the bribery case.

The Securities and Exchange Commission (SEC) has sought the Indian government's assistance in the US market regulator's investigation of billionaire Gautam Adani, his nephew Sagar and their role in allegedly paying more than \$250 million in bribes to Indian government officials between 2020 and 2024 to obtain lucrative solar-energy contracts.

The SEC told a New York district court on Tuesday that as the Adanis are based out of India, the regulator had sought help from India's law ministry to serve its complaint to the Ahmedabad-based business tycoon.

"Defendants are located in India, and the SEC's efforts to serve them there are ongoing, including through a request for assistance to the Indian authorities to effect service under the Hague Service Convention for Service Abroad of Judicial and Extrajudicial Documents in Civil or Commercial Matters," SEC's counsel Christopher M. Colorado wrote in a letter, dated 18 January.

"Additionally, under Article 5(a) of the Hague Service Convention, the SEC has requested assistance from India's ministry of law and justice, the Central Authority for India under the Hague Service Convention," said Colorado in his letter to the judge.

Emails sent to the Adani group and India's ministry of law and justice seeking comment went unanswered.

a criminal investigation, while the SEC is pursuing a civil investigation against Gautam Adani, Sagar Adani and Adani Green Energy chief executive Vneet Jaain.

The SEC's case is that Adani broke the US Securities Act when Adani Green raised money from American investors as it did not disclose a justice department probe into allegations of bribes paid by the company's directors to unnamed Indian officials between 2020 and 2024.

The Indian conglomerate has denied the allegations by the DoJ and the SEC, describing the allegations against its directors as "baseless."

"All possible legal recourse will be sought," said a spokesperson for the Adani group in the past. "The Adani Group has always upheld and is steadfastly committed to maintaining the highest standards of governance, transparency and regulatory compliance across all jurisdictions of its operations. We assure our stakeholders, partners and employees that we are a law-abiding organisation fully compliant with all laws."

Since being charged by the DoJ and the SEC in November, the Adani group, comprised of 11 public companies, has faced new challenges to its global ambitions. Kenya has cancelled Adani's proposed deals worth \$2.6 billion, which included expanding an airport and investing in electricity. French oil giant TotalEnergies, which has invested \$3.85 billion in Adani group companies since 2019, decided not to make new investments in the group until the allegations are clarified.

In December, Adani chose to opt out of a \$500 million loan with the US International Development Finance Corporation to finance a port terminal project in Colombo, saying it would fund the project internally.

THE US SECURITIES and Exchange Commission has asked the government for help in its investigation of Adani Group founder Gautam Adani and his nephew over alleged securities fraud and a \$265-million bribery scheme, a court filing showed on Tuesday.

The regulator told a New York district court it was making efforts to serve its complaint on the founder and his nephew, Sagar Adani, and was seeking help from India's law ministry to do so.

Last week, Prime Minister Narendra Modi said he did not discuss the Adani case with US President Donald Trump during his visit to Washington, describing it to reporters as an individual issue never discussed by leaders.

Opposition Congress party has called for Adani's arrest and accused Modi of shielding him or favouring him in deals in the past. While Bharatiya Janata Party (BJP) and Adani have denied the charges.

Last year, federal prosecutors in Brooklyn unsealed an indictment accusing Adani of bribing Indian officials to convince them to buy electricity produced by Adani Green Energy, a subsidiary of his Adani Group. He then misled US investors by providing reassuring information about the company's anti-graft practices, it added.

Adani Group has called the accusations "baseless" and vowed to seek "all possible legal recourse".

THE US Securities and Exchange Commission (SEC) has told a federal judge here that its efforts to serve its complaint on Gautam Adani and Sagar Adani in the alleged bribery scheme are 'ongoing', including through a request for assistance to the Indian authorities. The SEC submitted a status update

Tuesday to Judge Nicholas Garaufis at the United States District Court, Eastern District of New York regarding its efforts to serve its complaint on Gautam Adani and Sagar Adani. The SEC said that "both Gautam Adani and Sagar Adani are located in India, and the SEC's efforts to serve them there are ongoing, including through a request for assistance to

SEC said that its complaint dated Nov 20, 2024, alleges that Gautam Adani and Sagar Adani violated the antifraud provisions of the federal securities laws by knowingly or recklessly making false and misleading representations concerning Adani Green Energy Ltd in connection with a Sept 2021 debt offering by Adani Green

ties laws by "knowingly or recklessly making false and misleading representations concerning Adani Green Energy Ltd in connection

with a September 2021 debt offering by Adani Green. It said that because the "defendants are located in a foreign country, Rule 4(f) of the Federal Rules of Civil Procedure (FRCP) governs service of the Summons and Complaint. FRCP 4(f) contains no set time limit for service, and the SEC may serve Defendants "by any internationally agreed means of service that is reasonably calculated to give notice,"... such as the Hague Service Convention."

The SEC update, submitted by its Counsel Christopher Colorado, cited a case which notes that service via the Hague Service Convention is one permissible means of serving defendants located in India.

अदाणी धोखाधड़ी मामले की जांच में भारत की मदद चाहता है अमेरिकी नियामक

रॉयटर्स

नई दिल्ली, 19 फरवरी

अमेरिकी प्रतिभूति और विनियम आयोग ने अदाणी समूह के संस्थापक गौतम अदाणी और उनके भतीजे के खिलाफ कथित प्रतिभूति धोखाधड़ी और 26.5 करोड़ डॉलर की रिश्वत योजना की जांच में भारतीय अधिकारियों से मदद मांगी है। मंगलवार को अदालत में दाखिल एक विवरण में यह जानकारी दी गई है।

इस विवरण में कहा गया है कि एसईसी ने हेग सेवा संधि के तहत सहायता मांगी है। अदाणी समूह और भारत के कानून मंत्रालय ने इस बारे में रॉयटर्स के सवाल का कोई जवाब नहीं दिया।

पिछले सप्ताह प्रधानमंत्री नरेन्द्र मोदी ने कहा था कि उन्होंने वॉशिंगटन यात्रा के दौरान अमेरिकी राष्ट्रपति डॉनल्ड ट्रंप के साथ अदाणी मामले पर चर्चा नहीं की। उन्होंने पत्रकारों से बातचीत में इसे एक निजी मामला बताया था, जिस पर कभी नेताओं के बीच चर्चा नहीं होती।

भारत में विपक्ष कांग्रेस पार्टी ने अदाणी की गिरफ्तारी की मांग की है और मोदी पर उन्हें बचाने या अतीत में सौदों में उनका पक्ष लेने का आरोप लगाया है। मोदी की पार्टी और अदाणी ने आरोपों से इनकार किया है।

पिछले वर्ष ब्रुकलिन में संघीय अभियोजकों ने एक अभियोग पत्र जारी किया था जिसमें अदाणी पर भारतीय अधिकारियों को रिश्वत देकर उन्हें अदाणी समूह की सहायक कंपनी अदाणी ग्रीन एनर्जी द्वारा उत्पादित बिजली खरीदने के लिए तैयार करने का आरोप लगाया गया था।

इसके बाद उन्होंने कंपनी की भ्रष्टाचार विरोधी नीति के बारे में आश्वासन देने वाली जानकारी देकर अमेरिकी निवेशकों को गुमराह किया। अदाणी समूह ने इन आरोपों को निराधार बताया है और हरसंभव कानूनी उपाय अपनाने की प्रतिज्ञा की है।

जनवरी में अदाणी ग्रीन ने कहा था कि उसने अमेरिकी अभियोग की समीक्षा के लिए स्वतंत्र कानूनी फर्मों को नियुक्त किया है।

US SEC seeks Law Ministry's help to serve complaint against Adanis

GEORGE MATHEW
MUMBAI, FEBRUARY 19

THE US Securities and Exchange Commission (SEC) has sought assistance from India's Ministry of Law and Justice regarding a complaint against Gautam Adani and his nephew Sagar Adani in the alleged violation of securities laws. The SEC had accused the Adanis' for "recklessly making false and misleading representations" concerning Adani Green Energy's debt offering.

The SEC submitted a status update on Tuesday to Judge Nicholas Garaufis at the US District Court, Eastern District of New York regarding its efforts to serve its complaint on Gautam Adani and Sagar Adani (defendants).

The SEC had filed a complaint on November 20, 2024, alleging that the Adanis "violated the antifraud provisions of the federal securities laws by knowingly or recklessly making false and misleading representations concerning Adani Green Energy Ltd in connection with a September 2021 debt offering by Adani Green".

The Adani group withdrew the \$600 million bond offering after the US Department of Justice indicted group chairman Gautam Adani and six related entities of al-

File

leged bribery charges. US prosecutors in New York had charged Gautam S Adani, his nephew Sagar Adani, and six others for allegedly offering US \$265 million in bribes to Indian government officials to secure lucrative solar energy supply contracts. The indictment, filed on November 21, 2024, alleged schemes to pay over \$250 million in bribes, lie to investors and banks, and obstruct justice.

"In a related criminal case arising from many of the same alleged facts, the US Attorney for the Eastern District of New York charged defendants (Gautam Adani and his nephew Sagar Adani) with, among other things, conspiracy and securities fraud," SEC said.

The Adani group did not respond to a mail from *The Indian Express* regarding the latest SEC move. When contacted, the spokesperson declined to comment.

SEC submitted a status update to Judge Nicholas Garaufis at the US District Court, Eastern District of New York on efforts to serve its complaint on Gautam Adani & Sagar Adani (defendants)

As defendants (Adanis) are located in a foreign country, Rule 4(f) of the Federal Rules of Civil Procedure (FRCP) governs service of the summons and complaint, SEC said. Since the filing of its complaint, SEC staff has been working to serve the Adanis (defendants) in accordance with FRCP 4(f). "SEC staff has contacted defendants or their counsel (to the extent SEC staff is aware of such counsel) and has sent them notices of lawsuit and requests for waiver of service of summons, including copies of the complaint," SEC said.

"Additionally, under Article 5(a) of the Hague Service Convention, the SEC has requested assistance from India's Ministry of Law and Justice, the central authority for India under the Hague Service Convention. That process is ongoing, and the SEC will continue its efforts to serve defendants," SEC said.

"Adani and other defendants also defrauded investors by raising capital on the basis of false statements about bribery and corruption, while still other defendants allegedly attempted to conceal the bribery conspiracy by obstructing the government's investigation," a press release quoting James E Dennehy, Assistant Director in Charge, Federal Bureau of Investigation, New York Field Office (FBI) had said.

US President Donald Trump had signed an executive order last week, directing the US Justice Department to halt prosecuting Americans accused of bribing foreign government officials to win overseas business. While the order is meant to provide relief to US citizens, it will likely come as a breather for key executives of the Adani Group currently facing bribery charges in a US court.

Meanwhile, according to a *PTI* report, the Congress on Wednesday said Prime Minister Narendra Modi has already declared the Adani issue to be a personal matter and asked whether he would oblige the US SEC request in the ongoing probe against the business group.

"The PM has already declared the Modani issue to be a personal matter. Will he oblige the SEC?" Congress general secretary in-charge communications Jairam Ramesh said on X.

US SEC seeks India's help to probe Adani case

ENS ECONOMIC BUREAU @ New Delhi

THE US market regulator - Securities and Exchange Commission (SEC) - is seeking Government of India's assistance in its investigation of Adani Group chairman Gautam Adani and his nephew Sagar Adani over alleged securities fraud. On February 18, the SEC told a New York district court that it is making efforts to serve its complaint and is seeking help from India's law ministry for the same.

"Defendants are located in India and the SEC's efforts to serve them there are ongoing, including through a request for assistance to the Indian authorities to effect service under the Hague Service Convention for Service Abroad of Judicial and Extrajudicial Documents in Civil or Commercial Matters," SEC stated in a letter dated February 18.

"Additionally, under Article 5(a) of the Hague Service Convention, the SEC has requested assistance from India's Ministry of Law and Justice, the Central Authority for India under the Hague Service Convention. That process is ongoing, and the SEC will continue its efforts to serve defendants in India by the methods prescribed by FRCP 4(f) - including under the Hague Service Convention—and will keep the court apprised of its progress," stated the letter filed to a Judge.

Adani Group previously denied the bribery allegations and called them baseless. The group said they have always upheld and are steadfastly committed to maintaining the highest standards of governance, transparency and regulatory compliance across all jurisdictions of its operations.

In November 2024, the US Department of Justice announced the indictment of Adani Group chairman Gautam Adani and seven other individuals. The indictment alleges that between 2020 and 2024 the accused conspired to pay over \$250 million in bribes to Indian government officials to secure solar energy supply contracts. These contracts were expected to generate post-tax profits exceeding \$2 billion over 20-year period. The SEC charged Gautam Adani, Sagar and Cyril Cabanes, an executive of Azure Power Global, for conduct arising out of a massive bribery scheme.

Will govt. respond to U.S. request in Adani matter, asks Congress

The Hindu Bureau

NEW DELHI

The Congress on Wednesday asked whether the Narendra Modi government would respond to the U.S. Securities and Exchanges Commission's request in the ongoing probe against the Adani Group since the Prime Minister had already declared the Adani issue to be a "personal matter".

The comment came after the SEC told a federal judge in New York that its efforts to serve its complaint on industrialist Gautam Adani and Sagar Adani in the alleged bribery scheme are "ongoing" and that it has sent a request for assistance to the Indian authorities.

"The Prime Minister has already declared the Adani issue to be a personal matter. Will he oblige the SEC," asked Congress lead-

er Jairam Ramesh.

In a separate post on X, Mr. Ramesh said the talk of reciprocal tariffs by U.S. President Donald Trump was calling into question a consumption tax such as GST. He wondered whether his "good friend in New Delhi" would stand up to it when national sovereignty was at stake.

Call for GST 2.0

"The Congress has long been calling for a GST 2.0 that will make GST a truly Good and Simple Tax, as it was intended to be. It has called for the barest minimum of rates and vastly reformed compliance rules," Mr. Ramesh said.

"Now President Trump is threatening the very existence of GST. Now all this talk of reciprocal tariffs by the U.S. President is calling into question a consumption tax like GST," he said.

Bribery, fraud charges: U.S. SEC set to 'serve complaint' on Adanis

Lalatendu Mishra
MUMBAI

Despite U.S. President Donald Trump's executive order to hit the pause button on the foreign anti-bribery law – a move viewed as a big relief for Indian billionaire and top industrialist Gautam Adani – the U.S. Securities and Exchange Commission (SEC) has now written to Indian authorities to serve a complaint on the Adani Group founder and his nephew Sagar Adani for their alleged involvement in securities fraud and a \$265 million bribery scheme, according to a court filing.

The SEC told a New York district court on Tuesday that it was taking steps to

serve its complaint to both the Adanis, defendants in the case, and that it has sought the help of India's Union Ministry of Law and Justice in this regard.

Assistance request

"Defendants are located in India and the SEC's efforts to serve them there are ongoing, including a request for assistance to Indian authorities to effect service under the Hague Service Convention for Service Abroad of Judicial and Extrajudicial documents in Civil and Commercial matters," the SEC filing said.

In November 2024, the SEC had filed a complaint alleging that the defendants violated the anti-fraud provisions of the fed-

eral securities law "by knowingly or recklessly making false and misleading representations concerning Adani Green Energy Ltd in connection with a September 2021 debt offering by Adani Green".

Criminal case

In a related criminal case arising from the same alleged facts, the United States Attorney of the Eastern District of New York has charged the defendants with, among other things, conspiracy and securities fraud, the SEC filing said.

U.S. SEC set to 'serve complaint' on Adanis

Because the defendants are located in a foreign country, outside the United States, there is no time limit to serve the summons and complaints as per Rule 4(f) of the Federal Rules of Civil Procedure, the SEC said.

The U.S. regulator said it has requested assistance from India's law and justice department, and the process is ongoing. "SEC will continue its efforts to serve Defendants," it reiterated.

Earlier this month, Mr. Trump signed an executive order pausing the Foreign Corrupt Practices Act of 1977 for a period of at least 180 days, until the new U.S. Attorney General completes a review of the legislation.

Given the SEC's fresh filing with the court, it now appears that the executive order did not have retrospective effect. Thus, the SEC probe into the Adanis seems likely to continue unless and until the law is amended.

People familiar with the development said that the Indian authorities will take their time to act or even ask for concrete proof from the SEC before serving the U.S. regulator's complaints to the Adanis, and this is likely to be a long drawn out process.

After meeting with Mr. Trump on his trip to Washington last month, Prime Minister Narendra Modi told journalists that the two leaders did not discuss the Adani case as it was an "individual issue".

Adani group stocks came under selling pressure in the markets on Tuesday and became a trading opportunity for big traders. While Adani Enterprises lost 2%, Adani Green Energy fell nearly 4%, Adani Power dipped 0.5%, Adani Energy Solutions dropped 1%, and Adani Ports was down 0.3% on the BSE.

Efforts to serve complaint on Gautam Adani, Sagar Adani ongoing: SEC

PTI ■ NEW YORK

The United States (US) Securities and Exchange Commission (SEC) has told a federal judge here that its efforts to serve its complaint on Gautam Adani and Sagar Adani in the alleged bribery scheme are "ongoing", including through a request for assistance to the Indian authorities.

The SEC submitted a status update Tuesday to Judge Nicholas Garaufis at the United States District Court, Eastern District of New York regarding its efforts to serve its complaint on Gautam Adani and Sagar Adani.

The SEC said that both Gautam Adani and Sagar Adani "are located in India, and the SEC's efforts to serve them there are ongoing, including through a request for assistance to the Indian authorities to effect service under the Hague Service Convention for Service Abroad of Judicial and Extrajudicial Documents in Civil or Commercial Matters."

The SEC said that its complaint dated November 20 last year

alleges that Gautam Adani and Sagar Adani violated the antifraud provisions of the federal securities laws by "knowingly or recklessly making false and misleading representations concerning Adani Green Energy Ltd in connection with a September 2021 debt offering by Adani Green.

It said that because the "defendants are located in a foreign country, Rule 4(f) of the Federal Rules of Civil Procedure (FRCP) governs service of the Summons and Complaint. FRCP 4(f) contains no set time limit for service, and the SEC may serve Defendants 'by any internationally agreed means of service that is reasonably calculated to give notice', such as the Hague Service Convention."

The SEC update, submitted by its Counsel Christopher Colorado, cited a case which notes that service via the Hague Service Convention is one permissible means of serving defendants located in India.

"Since the filing of its Complaint, SEC staff has been

working to serve Defendants in accordance with FRCP 4(f). SEC staff has contacted Defendants or their counsel (to the extent SEC staff is aware of such counsel) and has sent them Notices of Lawsuit and Requests for Waiver of Service of Summons, including copies of the Complaint.

"Additionally, under Article 5(a) of the Hague Service Convention, the SEC has requested assistance from India's Ministry of Law and Justice, the Central Authority for India under the Hague Service Convention."

"That process is ongoing, and the SEC will continue its efforts to serve Defendants in India by the methods prescribed by FRCP 4(f)-including under the Hague Service Convention-and will keep the Court apprised of its progress," the SEC said.

In November last year, the Securities and Exchange Commission had charged Gautam Adani, Sagar Adani and Cyril Cabanes, an executive of Azure Power Global Ltd., for conduct arising out of a massive bribery scheme.

US SEC seeks India help in Adani bribery probe

NEW DELHI, FEBRUARY 19

The US Securities and Exchange Commission has asked Indian authorities for help in its investigation of Adani Group founder Gautam Adani and his nephew over alleged securities fraud and a \$265-million bribery scheme, a court filing showed on Tuesday.

The regulator told a New York district court it was making efforts to serve its complaint on the founder and his nephew, Sagar Adani, and was

seeking help from India's law ministry to do so.

Neither individual is in the US custody, and both are now in India. "The SEC has requested assistance ... under the Hague service convention," it said in the court filing.

Adani Group and India's law ministry did not immediately respond to a Reuters request for comment. The Congress has called for Adani's arrest and accused PM Narendra Modi of shielding him. — Reuters

Will he oblige US SEC? Cong targets Modi in Adani case

NEW DELHI, FEB. 19

The Congress on Wednesday said Prime Minister Narendra Modi has already declared the Adani issue to be a personal matter and asked whether he would oblige the US Securities and Exchange Commission's (SEC) request in the ongoing probe against the business group.

The Opposition party's assertion comes after the SEC told a federal judge in New York that its efforts to serve its complaint on Gautam Adani and Sagar Adani in the alleged bribery scheme are "ongoing". This included a request for assistance from the Indian authorities.

The Leader of the Opposition in the Lok Sabha Rahul Gandhi, in a post on X, said, "If you ask questions in the country, there is silence. If you ask abroad, it is a personal matter! Even in America, Modi covered up Adani's corruption!"

"When filling a friend's pocket is 'nation building' for Modi, then bribery and looting the country's wealth becomes a 'personal matter'," he added.

Congress general secretary in-charge communications Jairam Ramesh said the SEC has just informed a New York district court that it has sought the assistance of the Modi government to serve complaints on the violations of US laws by Gautam Adani and some of his colleagues.

रिश्वत मामले में अडाणी को नोटिस जारी करने के प्रयास

■ अमेरिकी प्रतिभूति बाजार नियामक ने संघीय अदालत को दी जानकारी

न्यूयार्क (भाषा) ।

अमेरिकी प्रतिभूति एवं विनियम आयोग (एसईसी) ने यहां एक संघीय न्यायाधीश को बताया कि कथित रिश्वतखोरी मामले में गौतम अडाणी और सागर अडाणी के खिलाफ शिकायत संबंधी नोटिस पहुंचाने के उसके प्रयास 'जारी' हैं। इसके लिए भारतीय अधिकारियों से भी सहायता का अनुरोध किया गया है।

एसईसी ने भारतीय उद्योगपति गौतम अडाणी और सागर अडाणी को अपनी शिकायत के संबंध में नोटिस पहुंचाने के अपने प्रयासों के संबंध में न्यूयार्क के पूर्वी जिले के 'यूनाइटेड स्टेट्स डिस्ट्रिक्ट कोर्ट' के न्यायाधीश निकोलस ग्राँफिस के समक्ष मंगलवार को एक स्थिति रिपोर्ट पेश की। एसईसी ने कहा कि गौतम अडाणी और सागर अडाणी दोनों 'भारत में बसे हैं, और उन्हें शिकायत का नोटिस जारी करने के लिए एसईसी के प्रयास जारी हैं। इसके लिए भारतीय अधिकारियों से दीवानी या वाणिज्यिक मामलों में न्यायिक तथा न्यायेतर दस्तावेजों की विदेश में सेवा के लिए 'हेग सर्विस कन्वेंशन' के तहत मदद का अनुरोध भी किया गया है।'

एसईसी ने कहा कि पिछले वर्ष 20 नवंबर की उसकी शिकायत में आरोप लगाया गया था कि गौतम और सागर ने 'अडाणी ग्रीन' द्वारा सितंबर 2021 की ऋण पेशकश के संबंध में अडाणी ग्रीन एनर्जी लिमिटेड के बारे में जानबूझकर या लापरवाही से गलत तथा भ्रामक बयान देकर संघीय प्रतिभूति कानूनों के धोखाधड़ी विरोधी प्रावधानों का उल्लंघन किया। इसने कहा कि चूंकि प्रतिवादी विदेश में रहते हैं, इसलिए संघीय दीवानी प्रक्रिया नियम (एफआरसीपी) का नियम

4(एफ) समन तथा शिकायत जारी करने की प्रक्रिया को नियंत्रित करता है।' एफआरसीपी 4(एफ) में सेवा के लिए कोई निर्धारित समय सीमा नहीं है और एसईसी प्रतिवादियों को 'अंतरराष्ट्रीय रूप से सहमत किसी भी सेवा के जरिये कानूनी दस्तावेज दे सकता है।'

प्रतिभूति एवं विनियम आयोग ने पिछले वर्ष नवंबर में गौतम, सागर और एड्योर पावर ग्लोबल लिमिटेड के कार्यकारी अधिकारी सिरिल कैबनेस पर व्यापक स्तर पर रिश्वतखोरी की योजना की साजिश रचने का आरोप लगाया था। इसके साथ ही न्यूयार्क के पूर्वी

जिले के अमेरिकी अर्टोनी कार्यालय ने गौतम तथा सागर अडाणी और कैबनेस के अलावा अडाणी ग्रीन और एड्योर पावर से जुड़े अन्य लोगों के खिलाफ आपराधिक आरोप लगाए थे। अडाणी पर अमेरिकी न्याय मंत्रालय द्वारा अनुकूल सौर ऊर्जा टेके हासिल करने के बदले भारतीय अधिकारियों को 25 करोड़ अमेरिकी

डालर की रिश्वत देने की कथित साजिश में उनकी भूमिका के लिए अभियोग लगाया जा रहा है।

अडाणी समूह ने हालांकि न्याय मंत्रालय और एसईसी द्वारा लगाए गए आरोपों को "निराधार" करार दिया और इनका खंडन किया है। अडाणी समूह के प्रवक्ता ने बयान में कहा, 'अमेरिकी न्याय मंत्रालय और अमेरिकी प्रतिभूति एवं विनियम आयोग द्वारा अडाणी ग्रीन के निदेशकों के खिलाफ लगाए गए आरोप निराधार हैं और उनका खंडन किया जाता है।' प्रवक्ता ने अमेरिकी न्याय मंत्रालय के एक बयान का हवाला देते हुए कहा कि अभियोग में लगाए गए आरोप तब तक केवल आरोप हैं और जब तक कि वे दोषी साबित न हो जाएं।' समूह ने कहा कि वह सभी संभव कानूनी विकल्प तलाश सकता है।

रोजगार सृजन के बजाय देश का ध्यान भटकाने में जुटी सरकार : कांग्रेस

नई दिल्ली (एसएनबी)। कांग्रेस ने बुधवार को आरोप लगाया कि लाखों युवा विदेश में रोजगार ढूँढ़ने को मजबूर हैं, लेकिन मोदी सरकार रोजगार सृजन के बजाय लगातार देश का ध्यान भटकाने में जुटी है।

पार्टी महासचिव जयराम रमेश ने एक मीडिया रिपोर्ट का हवाला दिया जिसमें दावा किया गया है कि देश में 5.7 प्रतिशत से अधिक स्नातक युवा बेरोजगार हैं। उन्होंने 'एक्स' पर पोस्ट किया, आज युवा बेरोजगारी से हताश और निराश हैं। हालात इतने खराब हैं कि लाखों युवा विदेशों में जाकर रोजगार ढूँढ़ने को मजबूर हैं, लेकिन मोदी सरकार रोजगार सृजन की बजाय लगातार देश का ध्यान भटकाने में जुटी रहती है। उन्होंने कहा, रिपोर्ट के भयावह आंकड़ों से पता चलता है कि भारत में 57.4 प्रतिशत स्नातक बेरोजगार हैं, क्योंकि डिग्री और कौशल में अंतर मानते हुए निजी कंपनियां व उद्योग उन्हें रोजगार योग्य नहीं मान रहे। कांग्रेस महासचिव का कहना था, मोदी सरकार का पूरा ध्यान अपने कुछ चुनिंदा मित्रों को फायदा पहुंचाने में है, जिस कारण भारत में आधे से ज्यादा युवा नौकरी पाने में नाकाम रहते हैं।

क्या अदानी मामले में अमेरिकी संस्था की मदद करेगी सरकार : कांग्रेस महासचिव ने कहा, क्या प्रधानमंत्री नरेन्द्र मोदी के नेतृत्व वाली सरकार अदानी समूह से जुड़े मामले में अमेरिकी प्रतिभूति एवं विनिमय आयोग (एसईसी) की सहायता करेगी? एसईसी ने अमेरिका की एक संघीय न्यायाधीश को बताया है कि कथित रिश्तखोरी मामले में गौतम अदानी और सागर अदानी के खिलाफ शिकायत संबंधी नोटिस पहुंचाने के उसके प्रयास जारी हैं। इसके लिए भारतीय अधिकारियों से भी सहायता का अनुरोध किया गया है। कांग्रेस महासचिव ने एक्स पर पोस्ट किया, एसईसी ने अभी-अभी न्यूयार्क जिला न्यायालय को सूचित किया है कि उसने गौतम अदानी और उनके कुछ सहयोगियों द्वारा अमेरिकी कानूनों के उल्लंघन के मामले में शिकायत दर्ज कराने के लिए मोदी सरकार से सहायता की मांग की है।

‘अदाणी के खिलाफ शिकायत की तामील के लिए प्रयास जारी’

न्यूयार्क, प्रेटर: अमेरिकी प्रतिभूति और विनिमय आयोग (एसईसी) ने यहां एक फेडरल जज को बताया है कि कथित रिश्वतखोरी योजना में गौतम अदाणी और सागर अदाणी के खिलाफ शिकायत की तामील के लिए उसके प्रयास जारी हैं। इसमें भारतीय अधिकारियों को सहायता के लिए अनुरोध करना भी शामिल है। एसईसी ने मंगलवार को न्यूयार्क के पूर्वी जिलान्तर्गत डिस्ट्रिक्ट कोर्ट के जज निकोलस गरोफिस को इस प्रसंग में ताजा स्थिति से अवगत कराया।

एसईसी ने कहा कि गौतम अदाणी और सागर अदाणी दोनों भारत में हैं और वहां उनके

खिलाफ शिकायत की तामील के लिए उसके प्रयास जारी हैं। इसमें सिविल या वाणिज्यिक मामलों में हेग सेवा कन्वेंशन के तहत भारतीय अधिकारियों को सहायता के लिए अनुरोध करना भी शामिल है।

कांग्रेस ने किया सवाल, क्या एसईसी की बात मानेंगे मोदी: कांग्रेस के वरिष्ठ नेता जयराम रमेश ने चुटकी लेते हुए एक्स पर कहा कि प्रधानमंत्री नरेन्द्र मोदी पहले ही अदाणी मुद्दे को निजी मामला घोषित कर चुके हैं। उन्होंने सवाल किया कि क्या वह इस कारोबारी समूह के खिलाफ चल रही जांच में अमेरिकी प्रतिभूति एवं विनिमय आयोग (एसईसी) के अनुरोध को मानेंगे।

गौतम अडानी पर मुकद्दमा चलाने के लिए अमरीका ने भारत से मांगी मदद

वाशिंगटन, 19 फरवरी (वार्ता): अमरीकी प्रतिभूति और विनिमय आयोग (एस.ई.सी.) ने कथित प्रतिभूति धोखाधड़ी की जांच के सिलसिले में अडानी समूह के संस्थापक गौतम अडानी और उनके भतीजे के खिलाफ भारतीय अधिकारियों से सहयोग की मांग की है।

अमरीकी एस.ई.सी. ने न्यूयॉर्क जिला अदालत को बताया कि प्रतिवादी भारत में हैं और उन तक कानूनी नोटिस पहुंचाने के लिए प्रयास जारी हैं। इस प्रक्रिया में हेग सेवा सम्मेलन के तहत भारतीय अधिकारियों से सहायता लेने की

योजना भी शामिल है, जिससे सिविल और वाणिज्यिक मामलों से जुड़े दस्तावेजों की कानूनी सेवा संभव हो सके।

एस.ई.सी. ने नवम्बर 2024 में अपनी शिकायत दायर की थी, जिसमें आरोप लगाया गया था कि अडानी ग्रीन एनर्जी लिमिटेड से जुड़े एक वित्तीय लेन-देन के दौरान सितम्बर 2021 की ऋण पेशकश के संदर्भ में प्रतिवादियों ने जानबूझकर या लापरवाही से भ्रामक जानकारी प्रस्तुत की। यह संघीय प्रतिभूति कानूनों के धोखाधड़ी विरोधी प्रावधानों का उल्लंघन है।

कानूनी प्रक्रिया रिश्वतखोरी मामले में मुकद्दमा चलाने के लिए नोटिस देने की कोशिश...

अडानी केस में अमेरिका ने भारत से मदद मांगी

पंजाब केसरी/नई दिल्ली

अमेरिका ने गौतम अडानी और उनके भतीजे सागर अडानी सहित ग्रुप के कई टॉप अधिकारियों के खिलाफ मुकद्दमा चलाने के लिए भारत से मदद मांगी है। रॉयटर्स की एक रिपोर्ट के अनुसार अमेरिका की एजेंसी एसईसी ने भारत के कानून मंत्रालय से मदद मांगी है। यह मामला शेयरों में कथित हेराफेरी और 26.5 करोड़ डॉलर की घूसखोरी से जुड़ा है।

अमेरिका का एसईसी अडानी ग्रुप को जाँच कर रहा है। एसईसी ने न्यूयॉर्क की एक अदालत को बताया कि गौतम और सागर अडानी को कोर्ट का नोटिस देने की कोशिश जारी है। दोनों भारत में रहते हैं। पिछले साल ब्रुकलिन में फेडरल

प्रॉसिक्यूटर्स ने अडानी और ग्रुप के कई अधिकारियों पर भारतीय अधिकारियों को रिश्वत देने का आरोप लगाया था। यह रिश्वत अडानी ग्रीन एनर्जी से बिजली खरीदने के लिए दी गई थी। आरोप यह भी था कि अडानी ने अमेरिकी निवेशकों को गुमराह किया। उन्होंने कंपनी के भ्रष्टाचार विरोधी उपायों के बारे में गलत जानकारी दी।

झूठ बोलकर पैसा जुटाने का आरोप

घोखाघड़ी का यह मामला अडानी ग्रुप की कंपनी अडानी ग्रीन एनर्जी लिमिटेड और एक अन्य फर्म से जुड़ा हुआ था। आरोप था कि अडानी और बाकी लोगों ने अमेरिकी इन्वेस्टर्स और बैंकों से झूठ बोलकर पैसा इकट्ठा किया। फिर प्रोजेक्ट हासिल करने के लिए सरकारी अधिकारियों को 250 मिलियन डॉलर यानी करीब 2,029 करोड़ रुपये रिश्वत देने की योजना बनाई।

अडानी ग्रुप के सभी शेयर लुढ़के

अडानी ग्रुप के अधिकतर शेयरों में आज 19 फरवरी को गिरावट देखने को मिली। दोपहर के कारोबार के दौरान ग्रुप की सभी 10 कंपनियों के शेयर लाल निशान में थे। यह गिरावट इस खबर के बाद आई कि अमेरिका ने अडानी मामले में भारत सरकार से मदद मांगी है। इस रिपोर्ट के आज सबसे अधिक गिरावट दाणी ग्रीन एनर्जी के शेयरों में देखने को मिली। बाजार बंद होने पर यह 3.20 फीसदी गिरकर 869.80 रुपये के भाव पर कारोबार कर रहा था वहीं ग्रुप की सबसे मुख्य कंपनी, अडानी एंटरप्राइजेज के शेयर 1.55 प्रतिशत गिरकर 2,185.00 रुपये पर कारोबार कर रहे थे।

गौतम और सागर अदाणी को नोटिस पहुंचाने का प्रयास जारी

न्यूयार्क, 19 फरवरी (भाषा)।

अमेरिकी प्रतिभूति एवं विनिमय आयोग (एसइसी) ने यहां एक संघीय न्यायाधीश को बताया कि कथित रिश्वतखोरी मामले में गौतम अदाणी और सागर अदाणी के खिलाफ शिकायत संबंधी नोटिस पहुंचाने के उसके प्रयास जारी हैं। इसके लिए भारतीय अधिकारियों से भी सहायता का अनुरोध किया गया है।

एसइसी ने भारतीय उद्योगपति गौतम अदाणी और सागर अदाणी को अपनी शिकायत के संबंध में नोटिस पहुंचाने के अपने प्रयासों के संबंध में न्यूयार्क के पूर्वी जिले के 'यूनाइटेड स्टेट्स डिस्ट्रिक्ट कोर्ट' के न्यायाधीश निकोलस गरौफिस के समक्ष मंगलवार को एक स्थिति रपट पेश की।

एसइसी ने कहा कि गौतम अदाणी और सागर अदाणी दोनों भारत में बसे हैं, और उन्हें शिकायत का नोटिस जारी करने के लिए एसइसी के प्रयास जारी हैं। इसके लिए भारतीय अधिकारियों से दीवानी या वाणिज्यिक मामलों में न्यायिक तथा न्यायेतर दस्तावेजों की विदेश में सेवा के लिए

अमेरिकी प्रतिभूति एवं विनिमय आयोग ने एक संघीय न्यायाधीश को सुनवाई के दौरान दी जानकारी।

'हेग सर्विस कन्वेंशन' के तहत मदद का अनुरोध भी किया गया है। एसइसी ने कहा कि पिछले वर्ष 20 नवंबर की उसकी शिकायत में आरोप लगाया गया था कि गौतम अदाणी और सागर अदाणी ने 'अदाणी ग्रीन' द्वारा सितंबर 2021 की ऋण पेशकश के संबंध में अदाणी ग्रीन एनर्जी लिमिटेड के बारे में जानबूझकर या लापरवाही से गलत तथा भ्रामक बयान देकर संघीय प्रतिभूति कानूनों के धोखाधड़ी विरोधी प्रावधानों का उल्लंघन किया।

इसने कहा कि चूंकि 'प्रतिवादी विदेश में रहते हैं', इसलिए संघीय दीवानी प्रक्रिया नियम (एफआरसीपी) का नियम 4 (एफ) समन तथा शिकायत जारी करने की प्रक्रिया को नियंत्रित करता है।
