Adani Energy Bags ₹25,000 Cr Order

Our Bureau

Mumbai: Adani Energy Solutions on Tuesday said it has won its largest order yet, worth ₹25,000 crore, for the Bhadla-Fatehpur HVDC (high voltage direct current) project. With this, the Adani group company's order book stands at ₹54,761 crore.

Adani Energy Solutions Ltd (AESL) will commission the order in about four and a half years, on a build, own, operate and transfer basis. The order will help increase the company's transmission network to 25,778 ckm and 84,186 MVA transformation capacity.

The company won the project under the tariff-based competitive bidding mechanism. The project will evacuate 6 GW of renewable energy from various zones in Rajasthan beyond Bhadla-III to demand centres in northern India and to the national grid.

The announcement, made during market hours, led to a surge in the company's shares. However, Adani Energy Solutions shares ended the session 0.3% lower at

₹813.35 apiece on the NSE on Tuesday, in line with the weakness in the broader market.

"By enabling efficient evacuation of renewable energy from some of the most inhospitable regions of the country and connecting them to the national grid, AESL is playing its role in India's decarbonization journey," chief executive officer Kandarp Patel was quoted in a company statement.

The Bhadla-Fatehpur project is the third for Adani Energy Solutions after the Mundra-Mahendragarh Project and the Aarey-Kudus Project, which is currently under implementation. Adani Energy Solutions has also acquired 100% stake in Rajasthan Part I Power Transmission Limited, a transmission service provider.

FE BUREAU

Mumbai, January 21

ADANI ENERGY SOLUTIONS (AESL), the transmission and distribution arm of the Adani Group, announced on Tuesday that it has secured the ₹25,000 crore Bhadla (Rajasthan)–Fatehpur (Uttar Pradesh) HVDC (high voltage direct current) project.

This marks AESL's largest project win till date, boosting its order book under execution to ₹54,761 crore. The company's transmission network now spans 25,778 circuit kilometers (ckm) with a transformation capacity of 84,186 MVA.

The project was awarded under the tariff-based competitive bidding (TBCB) mechanism, with REC Power Development & Consultancy (RECPDCL) serving as the bid process coordinator. The special purpose vehicle for

The Bhadla–Fatehpur high voltage direct current project boosts the company's order book under execution to ₹54,761 crore

the project was formally transferred to AESL on January 20.

Called "Transmission system for evacuation of power from REZ in Rajasthan (20 GW) under Phase-III Part I", the project includes establishment of 6,000

MW HVDC system between Bhadla to Fatehpur (~2,400 ckm) along with 7500 MVA transmission capacity.

The project will enable the evacuation of 6 GW of renewable energy from Rajasthan's Renewable Energy Zones (REZs) beyond Bhadla-III to demand centers in North India and the national grid. AESL is expected to deliver the project within 4.5 years.

"By enabling efficient evacuation of renewable energy from some of the most inhospitable regions of the country and connecting them to the national grid, AESL is playing its role in India's decarbonisation journey. We will be deploying the latest technology and practices to deliver the project on time and with minimal environmental impact," said Kandarp Patel, CEO, AESL.

NEW DELHI

The company aims to deliver project in 4.5 years

ADANI Energy Solutions Ltd (AESL) on Tuesday announced securing Bhadla-Fatehpur HVDC Project worth Rs25,000 crore, which is the largest transmission order ever won by the Adani Group entity.

With the latest win, its order book now stands at Rs54,761 crore, AESL said in an exchange filing. The project will evacuate 6 GW of renewable energy from Rajasthan to demand centres in the north. "AESL has won the prestigious Rs25,000 crore Bhadla (Rajasthan)- Fatehpur (Uttar Pradesh) HVDC (High Voltage Direct Current) order," the filing said.

The company said it is the largest order win till date, taking AESL's under-execution order book to Rs54,761 crore and transmission network to 25,778 km and 84,186 MVA transformation capacity.

The company aims to de-

liver the project in 4.5 years. AESL won the project under Tariff Based Competitive Bidding (TBCB) mechanism and REC Power Development & Consultancy Ltd (REC-PDCL) was the bid process coordinator.

The project SPV got formally transferred to AESL on January 20, 2025. The project includes establishment of a 6,000-MW HVDC system between Bhadla and Fatehpur (2,400 ckm) along with 7,500 MVA transmission capacity. The project will help evacuate 6 GW renewable energy from various REZs in Rajasthan beyond Bhadla-III to demand centres of north India and to the national grid. "By enabling efficient evacuation of renewable energy from some of the most inhospitable regions of the country and connecting them to the national grid,

AESL is playing its role in India's decarbonisation journey.

We will be deploying latest technology and practices to deliver the project in time and with minimal environmental impact," said Kandarp Patel, CEO, AESL. AESL is the only player in the private sector to own an HVDC asset, which is preferred for long-distance power transmission. The Bhadla-Fatehpur project is AESL's third HVDC project after the delivered Mundra-Mahendragarh Project and the under-implementation Aarey-Kudus Project (being executed by subsidiary AEML). AESL, part of the Adani portfolio, is a multidimensional organisation with presence in various facets of the energy domain, namely power transmission, distribution, smart metering, and cooling solutions.

Jefferies sees 67% growth potential in Adani Energy scrip

The brokerage has kept its target price at ₹1,300

NEW DELHI

GLOBAL brokerage Jefferies has maintained its 'buy' rating on the stock of Adani Energy Solutions, saying the company's growth story remains intact. The brokerage has kept its target price for the stock at Rs1,300, implying a 67 per cent upside.

"It is a 50 per cent premium to our implied 10 times target EV/EBITDA multiple for Power Grid given the much higher growth in Adani Energy as against Power Grid's 6-7 per cent profit after tax compounded annual growth rate in FY24-27," said the brokerage. Adani Energy Solutions, in its Q3 update, highlighted that it maintained robust system availability at 99.7 per cent. "Company added 225 circuit kilometres (ckm) in its transmission network taking the total to 26,485 ckm. Two new projects have boosted the project pipeline to Rs 547 billion from Rs 170 billion at the start of FY25. Smart metering is a new high-growth area. Capital management program focus is on reducing volatility in interest costs through long-tenure bonds. Buy," said Jefferies in its note.

The Adani Group company won two transmission bids in Q3, both in Rajasthan,

Adani Energy Solutions, in its Q3 update, highlighted that it maintained robust system availability at 99.7%. Company added 225 circuit kilometres (ckm) in its transmission network taking the total to 26,485 ckm

related to the renewable energy park. The company has a market share of 24 per cent in competitive bids, which is up from 17 per cent given the recent win.

The brokerage said: "Management indicated a robust pipeline in near-term tendering at Rs 590 billion, up 55 per cent YoY on its recent Q2 call. We believe AESL should see 16 per cent revenue CAGR and 62 per cent PAT CAGR in FY24-27E, driven by locked-in growth in both transmission and distribution business."

Recently, Tamil Nadu scrapped an 8.2million meter bid stating that while Adani Energy Solutions is the lowest bidder, they believe the bid price is fairly high. "This does not impact AESL's current under-execution projects as they are not a part of the 22.8 mn," the brokerage said.

Adani Energy Solutions bags ₹25,000cr HVDC project

TIMES NEWS NETWORK

Ahmedabad: Adani Energy Solutions Limited (AESL) secured a major Rs 25,000 crore High Voltage Direct Current (HVDC) project connecting Bhadla in Rajasthan and Fatehpur in Uttar Pradesh. The project was awarded through tariff-based competitive bidding.

Dubbed the 'Transmission system for evacuation of power from REZ in Rajasthan (20 GW) under Phase-III Part I', the initiative involves establishing a 6,000 MW HVDC system spanning approximately 2,400 circuit kilometres (ckm). It also includes 7,500 MVA transmission capacity, facilitating the evacuation of 6 GW renewable energy from Rajasthan's renewable energy zones (REZs) to north India and the national grid. AESL plans to complete the project in 4.5 years.

With this order, AESL's execution order book rises to Rs 54,761 crore, bolstering its transmission network to 25,778 ckm and 84,186 MVA transformation capacity.

"By enabling efficient evacuation of renewable energy from some of the most inhospitable regions of the country and connecting them to the national grid, AESL is playing its role in India's decarbonisation journey. We will deploy the latest technology and practices to deliver the project on time and with minimal environmental impact," said Kandarp Patel, CEO, AESL.

AESL remains the sole private player in India owning an HVDC asset, a preferred technology for long-distance power transmission.

AESL order book rises to ₹54,700 cr

Press Trust of India

feedback@livemint.com

NEW DELHI: Adani Energy Solutions Ltd, India's largest electricity transmission and distribution company, has won two new transmission projects, helping swell its order book to ₹54,700 crore -- more than three times of the work order it had at the start of current fiscal in April 2024.

In October-December 2024 -- the third quarter of the fiscal year April 2024 to March 2025 (FY25), won two new transmission projects worth ₹28,455 crore in Rajasthan, related to the

renewable energy park, Jefferies said in a report.

The orders include the ₹25,000-crore Bhadla-Fatehpur HVDC project, which is AESL's largest order win till date.

These order wins have pushed up the company's market share in TBCB (tariff-based competitive bidding) orders to 24%, from 17% in the second quarter.

AESL's current order book now stands at ₹54,700 crore, as compared to ₹17,000 crore in the beginning of the current financial year. This is the highest order book amongst all private sector transmission companies.

During the quarter, the company commissioned one transmission line, adding over 1000 circuit kilometers to its network, which stands at 26,485 cKM and 84,286 MVA of transformation capacity. As of December 2023, these were 20,422 cKM and 54,661 MVA. In distribution, the company supplies power to over 3 million customers in Mumbai metropolitan and Mundra SEZ regions. During the quarter, Mumbai market saw a 3% year-on-year increase in power sale to 2.57 billion units, while the Mundra market saw a 30% rise to 236 million units.

AESL gets ₹25,000-cr Bhadla-Fatehpur transmission project

PTI

NEW DELHI

Adani Energy Solutions Ltd (AESL) on Tuesday announced securing Bhadla-Fatehpur HVDC Project worth Rs 25,000 crore, which is the largest transmission order ever won by the Adani Group entity.

With the latest win, its order book now stands at Rs 54,761 crore, AESL said in an exchange filing.

The project will evacuate 6 GW of renewable energy from Rajasthan to demand centres in the north.

"AESL has won the prestigious Rs 25,000 crore Bhadla (Rajasthan)- Fatehpur (Uttar Pradesh) HVDC (High Voltage Direct Current) order," the filing said.

The company said it is the largest order win till date, taking AESL's under-execution order book to Rs 54,761 crore and transmission network to 25,778 ckm and 84,186 MVA

transformation capacity.

The company aims to deliver the project in 4.5 years.

AESL won the project under Tariff Based Competitive Bidding (TBCB) mechanism and REC Power Development & Consultancy Ltd (RECPDCL) was the bid process coordinator.

The project SPV got formally transferred to AESL on January 20, 2025.

The project includes establishment of a 6,000-MW HVDC system between Bhadla and Fatehpur (2,400 ckm) along with 7,500 MVA transmission capacity.

RECPDCL hands over SPV for Rajasthan Power Transmission to Adani Energy Solutions Ltd

REC Power Development and Consultancy Limited (RECPDCL), a wholly owned subsidiary of REC Limited, the Maharatna CPSU under the aegis of Ministry of Power, has handed over the project specific SPV (Special Purpose Vehicle) of HVDC Transmission Project under TBCB route viz, Rajasthan Part I Power Transmission Limited to Adani Energy Solutions Limited on January 20, 2025 at Gurugram. Adani Energy Solutions Limited (AESL) emerged as the Transmission Service Provider (TSP) through Tariff-Based Competitive Bidding (TBCB) process conducted by RECPDCL, the Bid Process Coordinator, for development of the transmission project on Build, Own, Operate & Transfer (BOOT) basis. This is the first HVDC transmission project, whereby the project is awarded to a private sector developer through TBCB route. The scheme covers establishment of 2 Nos. HVDC terminal stations of 6000 MW at Bhadla (Rajasthan) and Fatehpur (UP), + 800 kV HVDC line (Hexa Lapwing) from Bhadla to Fatehpur (955 km) along with associated works. Estimated cost of the project is around ₹ 22,700 crore.

Adani Energy Solutions wins its largest-ever ₹25,000 cr Bhadla-Fatehpur HVDC project

AHMEDABAD, JAN 21

ADANI Energy Solutions Ltd (AESL) on Tuesday said it has won a Rs 25,000 crore Bhadla (Rajasthan)-Fatehpur (Uttar Pradesh) high voltage direct current (HVDC) order, its largest-ever order win to date.

his prestigious win takes AESL's under-execution order book to Rs 54,761 crore and transmission network to 25,778 circuit kilometres (ckm) and 84,186 megavolt-amperes (MVA) transformation capacity.

"By enabling efficient evacuation of renewable energy from some of the most inhospitable regions of the country and con-

necting them to the national grid, AESL is playing its role in India's decarbonisation journey," said Kandarp Patel, CEO, AESL.

"We will be deploying the latest technology and practices to deliver the project in time and with minimal environmental impact," Patel added.

AESL, India's largest private transmission and distribution company and part of the globally diversified Adani portfolio, won the project under the tariff-based competitive bidding (TBCB) mecha-

nism and REC Power Development & Consultancy Ltd (RECPD-CL) was the bid process coordinator.

The project SPV was formally transferred to AESL on January 20, 2025.

Called "Transmission system for evacuation of power from REZ in Rajasthan (20 GW) under Phase-III Part I", the project includes the establishment of a 6,000 MW HVDC system between Bhadla to Fatehpur (2,400 ckm) along with 7,500 MVA transmission capacity.

According to the com-

pany, the project will help evacuate 6 GW of renewable energy from various REZs in Rajasthan beyond Bhadla-III to the demand centres in North India and the national grid. AESL will deliver the project in 4.5 years.

AESL is the only player in the private sector to own an HVDC asset, which is preferred for long-distance power transmission.

The Bhadla-Fatehpur project is AESL's third HVDC project, after the delivered Mundra Mahendragarh project and the under-implementation Aarey-Kudus Project (being done by subsidiary AEML).

Adani Energy Solutions secures Rs 25,000 cr HVDC project

TDG NETWORK
AHMEDABAD

Adani Energy Solutions Ltd (AESL), India's largest private transmission and distribution company, has achieved a milestone by winning its largest-ever order worth approximately Rs25,000 crore. The project involves the development of a High Voltage Direct Current (HVDC) transmission system connecting Bhadla in Rajasthan to Fatehpur in Uttar Pradesh, aimed at evacuating 6 GW of renewable energy (RE).

This order win brings AESL's total order book to Rs54,761 crore and expands its transmission network to 25,778 circuit kilometers (ckm) with a

transformation capacity of 84,186 MVA.

The project, known as the "Transmission System for Evacuation of Power from REZ in Rajasthan (20 GW) under Phase-III Part I," involves establishing a 6,000 MW HVDC system across 2,400 ckm and 7,500 MVA of transmission capacity. Once operational, it will evacuate renewable energy from Rajasthan's REZs beyond Bhadla-III to demand centers in northern India and integrate it with the national grid. AESL secured the project under the Tariff-Based Competitive Bidding (TBCB) mechanism, with REC Power Development & Consultancy Ltd (RECPDCL) as the bid process coordinator.

Adani Energy Solutions Ltd order book swells to Rs 54,700 crore

NEW DELHI, Jan 19 (PTI)

ADANI Energy Solutions Ltd, India's largest electricity transmission and distribution company, has won two new transmission projects, helping swell its order book to Rs 54,700 crore -- more than three times of the work order it had at the start of current fiscal in April 2024.

In October-December 2024 -- the third quarter of the fiscal year April 2024 to March 2025 (FY25), won two new transmission projects worth Rs 28,455 crore in Rajasthan, related to the renewable energy park, Jefferies said in a report. The orders include 25,000-crore Bhadla-Fatehpur HVDC project, which is AESL's largest order win till date.

These order wins have pushed up the company's market share in TBCB (tariff-based competitive bidding) orders to 24 per cent, from 17 per cent in the second quarter. AESL's current order

book now stands at Rs 54,700 crore, as compared to Rs 17,000 crore in the beginning of the current financial year. This is the highest order book amongst all private sector transmission companies. During the quarter, the company commissioned one transmission line, adding over 1000 circuit kilometers to its network, which stands at 26,485 cKM and 84,286 MVA of transformation capacity. As of December 2023, these were 20,422 cKM and 54,661 MVA. In distribution, it supplies power to over 3 million customers in Mumbai metropolitan and Mundra SEZ regions. During the quarter, Mumbai market saw a 3 per cent year-on-year increase in power sale to 2.57 billion units, while the Mundra market saw a 30 per cent rise to 236 mn units. It has applied for a parallel distribution license in Navi Mumbai, Kutch, and Ghaziabad-Jewar-Bulandshahr area.

અદાણી એનર્જીની ગ્રોથ સ્ટોરી જારી રહેશે, જેફરીઝનું 'BUY' રેટિંગ

મુંબઈ, મંગળવાર

અદાણી ગ્રુપની કંપની અદાણી એનર્જી સોલ્યુશન્સનું ગ્રીજી ક્વાર્ટર અપડેટ જાહેર થયા બાદ બ્રોકરેજ હાઉસનો કંપની પર વિશ્વાસ વધ્યો છે. જેફરીઝે કંપની પર 'BUY' રેટિંગ જાળવી રાખ્યું છે. બ્રોકરેજ દ્વારા AESL માટે લક્ષ્ય ભાવ ૬૭% ના વધારા સાથે રૂ. ૧,૩૦૦ નક્કી કરવામાં આવ્યો છે. જેફરીઝ માને છે કે કંપનીના ટ્રાન્સમિશન નેટવર્ક, પ્રોજેક્ટ પાર્ટપલાર્ટન અને તેના મૂડી વ્યવસ્થાપન કાર્યક્રમને કારણે તેની વૃદ્ધિની યાત્રા અવિરત રહેશે.

જેફરીઝે તેની નોંધમાં લખ્યું છે કે, કંપનીએ ૯૯.૭% મજબૂત સિસ્ટમ ઉપલબ્ધતા જાળવી રાખી છે અને તેના ટ્રાન્સમિશન નેટવર્કમાં ૨૨૫ સર્કિટ કિલોમીટરનો ઉમેરો થયો છે. જેનાથી તેનું કુલ સર્કિટ નેટવર્ક વર્ષીને ૨૬,૪૮૫ સર્કિટ કિલોમીટર થઈ ગયું છે. દેશની સૌથી મોટી ખાનગી ટ્રાન્સમિશન કંપની AESL એનર્જી ડોમેનના વિવિધ પાસાઓમાં હાજરી ધરાવતી મહત્વગ્રામ્ય મેન્શનલ સંસ્થા છે.

સરકાર ૨૦૨૬ સુધીમાં ૨૫ કરોડ સ્માર્ટ મીટર સ્થાપિત કરવાનું લક્ષ્યક ધરાવે છે. જેફરીઝનું માનવું છે કે, સ્માર્ટ મીટરિંગ કંપની માટે એક નવું ઉચ્ચ વિકાસ સેક્ટર છે. કંપનીએ તેના બે નવા પ્રોજેક્ટ્સ સાથે પ્રોજેક્ટ પાર્ટપલાર્ટનને વધુ મજબૂત બનાવી છે. બ્રોકરેજના જણાવ્યા મુજબ 'મૂડી વ્યવસ્થાપન કાર્યક્રમનું ધ્યાન લાંબા ગાળાના ભોંડ દ્વારા વ્યાજ ખર્ચમાં વધઘટ ઘટાડવાનું છે.' AESL ઉર્જા લેન્ડસ્કેપમાં સૌથી વિશ્વસનીય, સસ્તું અને ટકાઉ પરિવર્તન લાવવા ઉત્તરેક છે. બ્રોકરેજ દ્વારા અદાણી એનર્જી સોલ્યુશન્સનો ટાર્ગેટ ભાવ રૂ. ૧,૩૦૦ નક્કી કરવામાં આવ્યો છે, જેમાં ૬૭% નો વધારો થશે. પાવર ગ્રીડના ૬-૭% PAT CAGR ની તુલનામાં FY24-27 દરમિયાન અદાણી એનર્જીની વૃદ્ધિ ઘણી વધારે છે. તે જોતાં, પાવર ગ્રીડ માટે ૧૦૮ લક્ષ્ય EV/EBITDA મલ્ટિપલ કરતાં આ ૫૦% પ્રીમિયમ છે. બ્રોકરેજના મતે કોમોડિટીના ભાવ પર અસર મર્યાદિત કરવા માટે વિકેતા વ્યવસ્થા કંપની માટે સકારાત્મક છે. બીજી બાજુ વ્યાજ દર જાળવવામાં અસમર્થતા શેર માટે જોખમ ઊભું કરશે અને તેના સ્પર્ધકો સામે બજાર હિસ્સો ગુમાવશે.

अदाणी एनर्जी के पास कुल ऑर्डर बढ़कर 54,700 करोड़ रुपए पर

नई दिल्ली, एजेंसी . भारत की सबसे बड़ी बिजली पारेषण और वितरण कंपनी अदाणी एनर्जी सॉल्यूशंस लिमिटेड (ईएएसएल) ने दो नई पारेषण परियोजनाएं हासिल की हैं। इसके साथ ही कंपनी की ऑर्डर बुक बढ़कर 54,700 करोड़ रुपए हो गई है। यह चालू वित्त वर्ष (2024-25) की शुरुआत में मिले ऑर्डर से तीन गुना से भी अधिक है। निवेश बैंकिंग कंपनी जेफरीज ने एक रिपोर्ट में कहा कि अदाणी एनर्जी ने अक्टूबर-दिसंबर तिमाही में, राजस्थान में अक्षय ऊर्जा पार्क से संबंधित 28,455 करोड़ रुपए की दो नई पारेषण परियोजनाएं हासिल की। इनमें 25,000 करोड़ रुपए की भादला-फतेहपुर एचवीडीसी परियोजना शामिल है, जो ईएएसएल का अबतक का सबसे बड़ा ऑर्डर है। इन ऑर्डर ने टीवीसीबी (शुल्क-आधारित प्रतिस्पर्धी बोली) में कंपनी की बाजार हिस्सेदारी को दूसरी तिमाही के 17 प्रतिशत से बढ़ाकर 24 प्रतिशत कर दिया है। ईएएसएल की मौजूदा ऑर्डर बुक अब 54,700 करोड़ रुपए की है, जबकि चालू वित्त वर्ष की शुरुआत में यह 17,000 करोड़ रुपए थी। यह सभी निजी क्षेत्र की पारेषण कंपनियों में सबसे ज्यादा ऑर्डर बुक है। तिमाही के दौरान, कंपनी ने एक पारेषण लाइन चालू की, जिससे इसके नेटवर्क में 1,000 से ज्यादा सर्किट किलोमीटर जुड़ गए।
