You are India's global ambassadors in the making: Adani to students

HE TOLD STUDENTS THEY ARE WINGS THAT WILL LIFT INDIA

AHMEDABAD

THE Adani Group Chairman, Gautam Adani, on Monday, told students that India, he sees now is alive with runways and "you are India's global ambassadors in the making".

Addressing an event at the Adani International School here, Gautam Adani told the students they are the wings that will lift India.

"You are part of a generation that has more potential than any generation that has come before it. You will do both take India to the world and bring the world to India. And, my young friends, in this new India, education is your greatest foundation to differentiate," the Adani Group Chair-man noted.

Sharing his own early edu-

cation days, he said, "When I started my journey, I did not have a roadmap, resources or connections."

"All I had was a dream -a dream to build something
meaningful, something that
could contrib-ute to boosting
my own confidence. I would
dream of this every single
day. And as I look back -- I
can say that dreams are not
the privilege of the rich. They
are the reward of those who
dare to believe and work tirelessly," Gautam Adani told
students.

While the Adani Group is

today India's fastest-growing conglomerate and has set the pace to create more new businesses than any other business house in the country, "our journey is not just about creating businesses", he emphasised.

"Every decision we made, every risk we took, was driven by one goal: how can we create some-thing that serves the greater good? It has been about having the courage to give wings to our dreams and the tenacity to fly higher and faster than anybody else. It is about setting a bench-mark not to measure against others but to measure ourselves against our own capabilities," Gau-tam Adani stressed.

He advised parents to equip their children with resilience, empathy and the ability to serve others.

Gautam Adani has an inspiring story to tell!

FPJ News Service

Industrialsit Gautam Adani, a college dropout who built a multi-billion dollar unique business empire spanning ports to energy has an inspir ing story to tell.

Adani, the world's 19th richest person with a wealth of USD 76 billion on Monday revealed that he made a commission of Rs 10,000 from his first trade at the age of 19 in 1981. Adani was speaking at the Adani International School in Ahmedabad on Monday.

Born in Ahmedabad, Adani, 62, moved to Mumbai at the age of 16 and joined a diamond assortment company. He quickly picked up trade and in about three years, started his own diamond trading brokerage in Mumbai's Zaveri Bazar.

He soon returned to Gujarat to help his elder brother Mahasukhbhai run a small-scale PVC film factory the family had acquired in Ahmedabad. In 1988, he set up a commodities trading ven-ture under Adani Exports and listed it on the bourses in 1994. The firm is now called Adani Enterprises. Adani started operating a port at Mundra on the Gujarat coast a decade later. He grew the business to become India's largest port operator. There was no looking back after that. He rapidly expanded his business empire into power generation, min-ing, edible oil, gas distribution, and renewable energy. His business interests expanded into airports, cement, and, more recently, media. He gave students three guid-

ing principles, dream relent-lessly, lean relentlessly, and build relentlessly.

"Sixteen years of age-buy-ing a train ticket at the Ahmedabad railway station and boarding the Gujarat mail to Mumbai with nothing much in my pocket had made me both excited and nervous.

"A question I often get is if I have any regrets that I did not go to college. Reflecting on my life and the different turns it took, I now do believe that I would have benefitted if I had finished college," he recalled.

He said while his early experiences made him wise, he

experiences made nim wise, ne now realises that formal educa-tion rapidly expands one's knowledge. To acquire wis-dom, one must experience life, but to acquire knowledge, one must study. These are comple-mentary. And although I will never really know, I do reflect at times that the expansion in my abilities may have been faster

He told students that the walls of any classroom should not define the limits of their dreams. "Let this classroom be the launchpad for your aspir-ations. Don't just absorb the knowledge, let it ignite your imagination and drive your ambitions," he added.

The first is about not limit-ing oneself to small ambitions, the second is about the future belonging to those who are willing to learn, and the third principle is about building something larger than oneself.

"Create businesses that solve the world's challenges. Lead with integrity and com-passion. Innovate in ways that inspire the next generation. Push the boundaries of what you think is possible. I want to see 100 Gautam Adanis emerge from here. But not just to follow my path. I want you to build your own," he added.

सपने अमीरों का विशेषाधिकार नहीं हैं. वे उन लोगों का पुरस्कार हैं जो विश्वास करने और अथक परिश्रम करने का साहस करते हैं। अडाणी समूह के चेयरमैन गौतम अडाणी ने यह बात अहमदाबाद में अडाणी इंटरनेशनल स्कूल में अपने संबोधन में कही। छात्रों, अभिभावकों और शिक्षकों से बात करते हुए उन्होंने अशेष पेज 5 पर

अदाणी बताते हैं, हीरा कंपनी में नौकरी के दौरान जल्द अपना कारोबार शुरू करने का मन बनाया और तीन वर्ष में मुंबई के झावेरी बाजार में खुद का डायमंड ट्रेडिंग ब्रोकरेज शुरू कर दिया। 1981 में गुजरात लौट आए और बड़े भाई महासुखभाई की मदद करने लगे, जिन्होंने अहमदाबाद में एक छोटी पीवीसी फिल्म फैक्टरी खरीदी थी। 1988 में अदाणी एक्सपोर्ट्स नाम से कमोडिटी ट्रेडिंग वेंचर की स्थापना की और 1994 में इसे सूचीबद्ध कराया। अब इस कंपनी का नाम अदाणी एंटरप्राइजेज है।
