ADANI GROUP: POWER
PROJECT IN SRI LANKA
NOT CANCELLED

Adani Group's power purchase deal with the Sri Lankan government is intact, the conglomerate said on Friday, after news agency AFP reported it had been revoked, citing a government official and a document. The group said the tariffs for the project were being re-evaluated as part of a standard process.

10 ▶

Lanka power project not cancelled: Adani group

BS REPORTER

New Delhi, 24 January

The Adani group on Friday denied the cancellation of Adani Green Energy (AGEL)'s wind power project in Sri Lanka. The group said the tariffs for the project are being revaluated as part of a standard process.

Earlier in the day, AFP reported that Sri Lanka opened a probe into the group's local projects, after US authorities had indicted Gautam Adani and other group executives in November 2024 on bribery and other charges, all of which the conglomerate has denied.

While Sri Lankan President Anura Kumara Dissanayake's Cabinet has revoked the 20-year power purchase deal signed in May 2024, it has not cancelled the project and has appointed a committee to review it, the AFP reported, citing an official document and a Lankan energy ministry official.

Sri Lanka's Ministry of Power and Energy declined to comment. But two ministry sources told Reuters they were still reviewing the project and the power purchase deal had not been revoked.

However, a spokesperson for the Adani group termed the reports misleading. "Reports that Adani's 484 megawatt (Mw) wind power projects in Mannar and Pooneryn have been cancelled are false and misleading," the spokesperson said in a media statement.

The statement said: "We categorically state that the project has not been cancelled... The Sri Lankan Cabinet's decision of January 2 to reevaluate the tariff approved in May 2024 is part of a standard review process, particularly with a new government, to ensure that the terms align with their current priorities and energy policies."

TARIFF REVIEW PART OF STANDARD PROCESS: GROUP

Lanka project not cancelled: Adani

FE BUREAU

Mumbai, January 24

THE ADANI GROUP on Friday said the Sri Lankan government is reviewing the tariffs agreed upon under a power purchase agreement (PPA) for its wind power projects, but said this was part of a "standard review process".

Reports that Adani Group's 484 megawatt (MW) wind power projects in Sri Lanka's northern Mannar and Pooneryn districts have been cancelled are false and misleading, a spokesperson for the group said.

Sri Lanka Cabinet's decision on January 2 to reevaluate the tariff approved in May 2024 is part of a "standard review process", particularly with a new government, to ensure that the terms align with their current priorities and energy policies, the group said, adding Adani remains committed to investing \$1 billion in Sri Lanka's green energy sector.

The country suffered from crippling power blackouts and fuel shortages during an economic crisis in 2022. It has been trying to fast-track renewable energy projects to hedge against surges in imported fuel costs.

Daily FT, Sri Lanka's leading business newspaper, reported that the Cabinet, led by President Anura Kumara Dis-sanayake, reversed the decision to give a contract for building wind power plants in Mannar and Pooneryn to Adani Green Energy SL. This decision, made in June last year and sanctioned by Dis-sanayake's predecessor,

EMBROILED IN CONTROVERSY

■ Adani confirms Sri Lanka is reviewing wind tariffs

■ The review follows Sri Lanka's new energy policies

■ Adani remains committed to \$1 bn investment in green energy

■ Sri Lanka faced power blackouts, fuel shortages in 2022

■ Renewable energy is vital for reducing fuel dependence

■ Sri Lanka's Cabinet re-evaluated Adani's wind project

■ The 484 MW project was approved in June 2024

■ Tariffs were ₹24.78/kWh, lower than ₹39.02/kWh

■ Dis-sanayake pledged to cancel the deal and invite tenders

Ranil Wickremesinghe, involved a 484 MW wind power project. At the time, Sri Lankan power & energy minister Kanchana Wijesekera took to X to announce that the tariff under the agreement would be ₹24.78 per kWh, as compared to the average cost of energy in Sri Lanka at that time of ₹39.02 per kWh.

During his election cam-

paign, the current President promised to cancel the deal and invite international tenders to develop wind power in Sri Lanka. Following through on this promise, the Cabinet decided on December 30 to revoke the previous cabinet decision made in May 2024, which had approved the Adani Green Energy project.

श्रीलंका परियोजना बरकरार

अदाणी ग्रीन एनर्जी की पवन ऊर्जा परियोजना रद्द किए जाने की खबरों निराधार : अदाणी समूह

■ ऐसी खबरें सामने आई थीं कि मन्नार और पूनरिण में अदाणी की 484 मेगावाट क्षमता की पवन विद्युत परियोजनाएं रद्द कर दी गई हैं। ये खबरें झूटी और निराधार हैं: अदाणी समूह

■ अदाणी समूह का कहना है कि वह श्रीलंका के हरित ऊर्जा क्षेत्र में 1 अरब डॉलर निवेश करने, अक्षय ऊर्जा और आर्थिक विकास को बढ़ावा देने के लिए प्रतिबद्ध बना हुआ है

■ अदाणी समूह जॉन कील्स और श्रीलंका पोर्ट अथॉरिटी के साथ साझेदारी में कोलंबो में एक कंटेनर टर्मिनल भी बना रहा है

बीएस संवाददाता
मुंबई, 24 जनवरी

अदाणी समूह ने श्रीलंका में अदाणी ग्रीन एनर्जी की पवन ऊर्जा परियोजना को रद्द किए जाने की खबरों का खंडन किया है। समूह ने शुक्रवार को कहा कि परियोजना के

लिए दरों का मानक प्रक्रिया के तहत पुनः मूल्यांकन किया जा रहा है।

एफपी ने श्रीलंका के ऊर्जा मंत्रालय के सूत्रों का हवाला देते हुए बताया था कि द्वीप देश ने भ्रष्टाचार के आरोपों के कारण अदाणी समूह के साथ बिजली खरीद समझौते को रद्द कर दिया है।

हालांकि अदाणी समूह के एक अधिकारी ने इन खबरों को निराधार करार दिया है। अधिकारी ने शुक्रवार

को मीडिया को भेजे एक बयान में कहा, 'ऐसी खबरें सामने आई थीं कि मन्नार और पूनरिण में अदाणी की 484 मेगावाट क्षमता की पवन विद्युत परियोजनाएं रद्द कर दी गई हैं। ये खबरें झूटी और निराधार हैं।'

बयान में कहा गया, 'हम स्पष्ट रूप से कह रहे हैं कि परियोजना को रद्द नहीं किया गया है।' उन्होंने कहा, 'मई 2024 में स्वीकृत टैरिफ का पुनर्मूल्यांकन करने के लिए 2 जनवरी को श्रीलंकाई कैबिनेट का निर्णय एक मानक समीक्षा प्रक्रिया का

हिस्सा है (विशेष रूप से एक नई सरकार के साथ)।' समूह के बयान में कहा गया है, 'अदाणी समूह श्रीलंका के हरित ऊर्जा क्षेत्र में 1 अरब डॉलर निवेश करने, अक्षय ऊर्जा और आर्थिक विकास को बढ़ावा देने के लिए प्रतिबद्ध बना हुआ है।' अदाणी समूह जॉन कील्स और श्रीलंका पोर्ट अथॉरिटी के साथ साझेदारी में कोलंबो में एक कंटेनर टर्मिनल भी बना रहा है। यह पहली बार नहीं है जब यह परियोजना सुर्खियों में आई है। वर्ष 2022 में, बिना किसी निविदा प्रक्रिया के

अदाणी ग्रीन एनर्जी को पवन ऊर्जा परियोजनाएं दिए जाने पर श्रीलंका में राजनीतिक विवाद पैदा हुआ था। उसके एक साल बाद, सितंबर 2023 में श्रीलंका के विद्युत एवं ऊर्जा मंत्रालय ने अदाणी ग्रीन एनर्जी लिमिटेड (एजीईएल) को दी गई पवन ऊर्जा परियोजनाओं को श्रीलंका और भारत के बीच 'सरकार-से-सरकार' सौदे के रूप में वर्गीकृत करने के लिए कैबिनेट स्तर का ज्ञापन पेश किया था।

Sri Lanka power purchase deal intact, says Adani

New Delhi: Adani Group's power purchase deal with the Sri Lankan government is intact, the company said on Friday, after the AFP news agency reported it had been revoked, citing a government official and a document.

Sri Lanka has been reviewing the group's local projects after U.S. authorities in November accused billionaire founder Gautam Adani and other executives of being part of a scheme to pay bribes to secure Indian power supply contracts. Adani has denied the allegations. It also denied the AFP report its 20-year deal power purchase agree-

ment (PPA) signed in May 2024 had been revoked.

"Reports that Adani's 484 MW wind power projects in Mannar and Pooneryn have been cancelled are false and misleading. We categorically state that the PPA has not been revoked," Adani's spokesperson said in a statement.

Sri Lanka's Power and Energy Ministry declined to comment.

Two ministry sources told Reuters, on condition of anonymity, they were still reviewing the project and the power purchase deal had not been revoked.

Sri Lanka revokes power purchase deal with Adani

'A committee has been appointed to review the entire project'

COLOMBO, AFP

Sri Lanka has revoked a power purchase agreement with Indian conglomerate Adani Group following allegations of corruption, energy ministry sources in Colombo said on Friday.

President Anura Kumara Disسانayake's administration opened probes into the company's local projects after billionaire founder Gautam Adani was charged with bribery in the United States late last year.

The administration of his predecessor had agreed in May 2024 to buy electricity at US\$0.0826 per kilowatt from an Adani wind power complex yet to be built in the island nation's northwest.

But a top energy ministry official said Disسانayake's cabinet decided this month not to proceed with the deal.

"The government has revoked the power purchase agreement, but the project is not cancelled. A committee has been appointed to review the entire project," the source told AFP on condition of anonymity.

Several activists had challenged the agreement, arguing that smaller renewable projects were selling electricity at

two-thirds the price of Adani.

The proposed construction of Adani's 484-megawatt wind power plant in the Mannar and Pooneryn coastal areas is facing a separate Supreme Court challenge over environmental concerns.

An official document seen by AFP on Friday confirmed that Sri Lanka's cabinet this month decided to appoint a panel to "re-evaluate" the project's construction.

It also confirmed the withdrawal from the power purchase agreement, which the current ruling party had

strongly criticised while in opposition.

Adani confirmed in a statement that Sri Lanka's cabinet had decided to "re-evaluate the tariffs approved in May 2024".

It described Colombo's decision to revoke the power purchase agreement as a "part of a standard review process, particularly with a new government, to ensure that the terms align with their current priorities and energy policies".

Shares in Adani Enterprises, the conglomerate's main listed unit, fell nearly 3% during Friday trade in Mumbai.

Cloud over Adani Lanka project

**OUR SPECIAL
CORRESPONDENT**

Mumbai: The Adani group's wind power projects in Sri Lanka are in a state of flux with the coming to power of a new government in the island nation.

Adani on Friday said the projects were intact after reports claimed they have been revoked by the Anura Kumara Disسانaya-led government.

Earlier, a report in the Daily FT said the Lanka cabinet led by Disسانaya has annulled the decision made by the previous Ranil Wickremesinghe-government in June to award two wind power plants to Adani Green Energy SL Ltd, an arm of Adani Green Energy Ltd.

The projects at Mannar and Pooneryn with the capacity of 484mw were reportedly challenged on various grounds, including the arbitrary and excessive price of US cents 8.26 per kilowatt hour

TARIFF STORM

- Uncertainty surrounded two wind power projects
- Adani price reportedly higher than local players
- Questions raised over environment assessment report
- Adani group has denied the allegations

even as local bidders were offering prices which were as low as 4.88 cents.

Further, environmental organisations, including the Wildlife and Nature Protection Society and Environmental Foundation Ltd, were against the project alleging deficiencies in Environmental Impact Assessment. They had also cited that Mannar is an important habitat for migratory birds.

Similarly, an AFP report said the island nation has

cancelled a power purchase agreement (PPA) with the conglomerate after the allegations of bribery made by US authorities in November.

The report quoting an unnamed senior official from the energy ministry said the government has revoked PPA but the project is not cancelled and that a committee has been appointed to review the project.

On November 20, the US Securities and Exchange Commission (SEC) had charged Gautam Adani, chairman of the Adani group, his nephew Sagar and Cyril Cabanes, an executive of Azure Power Global Ltd, for "conduct arising out of a massive bribery scheme".

According to the SEC's allegations, the bribery scheme was orchestrated to enable the two renewable energy companies to capitalise on a multi-billion-dollar solar energy project that the companies had been awarded by the Indian government.

Reports about the can-

cellation of the Sri Lankan wind power projects led to the shares of AGEL ending in the red on the bourses. It settled at ₹1,011.95 on the BSE, a drop of 0.99 per cent over the last close.

Reacting to the reports, a spokesperson from the Adani group said they were false and misleading. The group pointed out the Sri Lankan government was only revaluating the tariff as part of a standard review process.

"We categorically state that the project has not been cancelled. The Sri Lankan cabinet's decision of January 2, 2025 to re-evaluate the tariff approved in May 2024 is part of a standard review process, particularly with a new government, to ensure that the terms align with their current priorities and energy policies," the group said.

"Adani remains committed to investing \$1 billion in Sri Lanka's green energy sector, driving renewable energy and economic growth," it added.

Adanis deny revocation of power purchase deal by SL

Clarification comes amid reports that SL govt revoked power project

ENS ECONOMIC BUREAU @New Delhi

THE Adani group has refuted reports that the Sri Lankan government has cancelled the 484 MW wind power projects in Mannar and Pooneryn.

As per local media reports, Sri Lanka's Cabinet, led by President Anura Kumara Disanayake, has decided to revoke the power purchase agreement with the Group. Report citing officials from Sri Lanka's Ministry of Energy said the government has cancelled the deal and established a panel to review the entire project.

An Adani Group spokesperson said the project has not been cancelled and the government's decision to review the process is part of a "standard review process." It said the company remains committed to investing \$1 billion in Sri Lanka's green energy sector, driving renewable energy and economic growth.

The decision to cancel the pact comes amid ongoing bribery probe by the US authorities against Adani Group. On 19 November 2024, the group faced charges in the US for allegedly making bribe payments and concealing transactions from US investors. The group has dismissed these allegations as baseless. The government, under then President Ranil Wick-

Rate set by Group much higher than local bidders

Local reports indicate that the Adani wind power faced opposition within Sri Lanka, mainly due to concerns over pricing of the agreement. The rate set by the Group was much higher than what local bidders had offered, fueling criticism of the deal. Adani Group had planned to build a 484 MW wind power plant in coastal areas of Mannar and Pooneryn.

remesinghe, in May 2024 signed a pact with the Group to procure electricity at a rate of \$0.0826 per kWh.

The Group had planned to build a 484 MW wind power plant in coastal areas of Mannar and Pooneryn. Local reports say the project faced major opposition in Sri Lanka due to concerns over pricing. The rate set by the Group was much higher than what local bidders had offered, fuelling criticism of the deal. Environmental groups, including Wildlife and Nature Protection Society and Environmental Foundation, voiced strong objections, citing

concerns over potential harm to migratory birds and an inadequate Environmental Impact Assessment (EIA). Local communities, led by Bishop of Mannar, protested, warning that the project could disrupt local industries and threaten livelihoods. President Disanayake had pledged during his election campaign to cancel the deal, promising to invite global tenders for wind power development in Sri Lanka. Though the original pact was under review by the SL Supreme Court, with a hearing scheduled for March 2025, revocation removes the matter from judicial review.

Adani Group denies cancellation of wind power projects in Sri Lanka's Mannar and Pooneryn

ANI

NEW DELHI

Reports that Adani Group's 484 megawatts (MW) wind power projects in Sri Lanka's northern Mannar and Pooneryn districts have been cancelled are false and misleading, an Adani Group spokesperson said Friday.

"We categorically state that the project has not been cancelled," the spokesperson said in a brief statement.

The Sri Lankan Cabinet's decision of January 2, 2025 to

reevaluate the tariff approved in May 2024 is part of a standard review process, particularly with a new government, to ensure that the terms align with their current priorities and energy policies, the spo-

kesperson asserted.

The spokesperson further affirmed that Adani Group remains committed to investing USD 1 billion in Sri Lanka's green energy sector.

Meanwhile, Adani group has appointed independent law firms to review the US indictment against its founder chairman Gautam Adani, his nephew and another key executive in a USD 265 million bribery case, according to a stock exchange filing by a group firm.

Adani Green Energy Ltd

(AGEL), which is said to have benefited from getting renewable energy supply contracts in lieu of payment of the bribe to unnamed Indian officials, in the filing, asserted that it was in "compliance with applicable laws and regulations".

"The company, in discussion with Adani group management, has appointed independent law firms to perform independent review" in the US indictment matter, AGEL said in notes to the third quarter earnings statement.

श्रीलंका के पवन ऊर्जा प्रोजेक्ट रद्द करने की बात भ्रामक: अदाणी ग्रुप

एजेंसी | अहमदाबाद

अदाणी समूह के प्रवक्ता ने शुक्रवार को कहा कि श्रीलंका के उत्तरी मन्नार और पूनरीण जिलों में अडानी समूह की 484 मेगावाट पवन ऊर्जा परियोजनाओं को रद्द किए जाने की खबरें झूठी और भ्रामक हैं। प्रवक्ता ने एक बयान में कहा कि हम स्पष्ट रूप से कहते हैं कि परियोजना को रद्द नहीं किया गया है। प्रवक्ता ने कहा कि मई 2024 में स्वीकृत टैरिफ का पुनर्मूल्यांकन करने के लिए 2 जनवरी, 2025 को श्रीलंकाई कैबिनेट का निर्णय एक मानक समीक्षा प्रक्रिया का हिस्सा है, विशेष रूप से एक नई सरकार के साथ, यह सुनिश्चित करने के लिए कि शर्तें उनकी वर्तमान प्राथमिकताओं और ऊर्जा नीतियों के अनुरूप हैं। अदाणी समूह श्रीलंका के हरित ऊर्जा क्षेत्र में 1 अरब अमेरिकी डॉलर के निवेश के लिए प्रतिबद्ध है।

● അദാനിക്ക് വീണ്ടും തിരിച്ചടി വൈദ്യുതി കരാറിൽനിന്ന് ശ്രീലങ്ക പിന്മാറി

മുംബൈ: ഗൗതം അദാനി നയിക്കുന്ന അദാനി ഗ്രൂപ്പിന് വീണ്ടും തിരിച്ചടി. അദാനി ഗ്രൂപ്പിൽനിന്ന് വൈദ്യുതി വാങ്ങുന്ന പദ്ധതി ശ്രീലങ്കൻ സർക്കാർ ഉപേക്ഷിച്ചു. ലങ്കൻ ഊർജ മന്ത്രാലയത്തെ ഉദ്ധരിച്ച് വാർത്താ ഏജൻസികളാണ് ഇക്കാര്യം റിപ്പോർട്ട് ചെയ്തത്.

കഴിഞ്ഞവർഷം യു.എസ് സെക്യൂരിറ്റിസ് ആൻഡ് എക്സ്ചേഞ്ച് കമ്മീഷനും (എസ്.ഇ.സി) നികുതിവകുപ്പും അദാനി ഗ്രൂപ്പ് മേധാവി ഗൗതം അദാനിയടക്കമുള്ളവർക്കെതിരെ കൈക്കൂലി ആരോപണം ഉന്നയിച്ചിരുന്നു. ഇതിന്റെ പശ്ചാത്തലത്തിൽ, അദാനി ഗ്രൂപ്പിന്റെ ലങ്കയിലെ പദ്ധതികൾ പുനഃപരിശോധിക്കുമെന്നു പ്രസിഡന്റ് അനൂര കുമാര ദിസനായകെയുടെ സർക്കാർ വ്യക്തമാക്കിയിരുന്നു. ആരോപണങ്ങൾ അടിസ്ഥാനരഹിതമാണെന്നായിരുന്നു അദാനി ഗ്രൂപ്പ് നിലപാട്.

20 വർഷത്തെ കരാർ അടിസ്ഥാനത്തിൽ, 484 മെഗാവാട്ട് വൈദ്യുതി ഉൽപ്പാദനശേഷിയുള്ള കാറ്റാടിപ്പാടം പദ്ധതിയാണ് വടക്കുപടിഞ്ഞാറൻ ശ്രീലങ്കയിൽ അദാനി ഗ്രൂപ്പിന് കീഴിലെ അദാനി ഗ്രീൻ എനർജി സ്ഥാപിക്കുന്നത്. ഏകദേശം 3,800 കോടി രൂപയാണ് നിക്ഷേപം. ശ്രീലങ്കയ്ക്ക് കുറഞ്ഞവിലയ്ക്ക് വൈദ്യുതി ലഭ്യമാക്കുന്ന പദ്ധതിയാണിത്. കിലോവാട്ടിന് വെറും 0.0826 ഡോളർ മാത്രമാണ് നിരക്ക്.

പാരിസ്ഥിതിക പ്രശ്നങ്ങളുണ്ടാ

കുമ്മന് ചുണ്ടിക്കാട്ടി കാറ്റാടിപ്പാടം പദ്ധതിക്കെതിരെ നേരത്തേ ജനരോഷം ഉയർന്നിരുന്നു. എന്നാൽ, പരിസ്ഥിതിക്ക് ദോഷം ചെയ്യാത്ത വിധത്തിലാണ് പദ്ധതിയെന്ന് അദാനി ഗ്രൂപ്പ് വ്യക്തമാക്കിയിരുന്നു.

അതേസമയം, അദാനിയിൽ നിന്ന് വൈദ്യുതി വാങ്ങാനുള്ള തീരുമാനം മാത്രമാണ് ഉപേക്ഷിച്ചതെന്നും കാറ്റാടിപ്പാടം പദ്ധതിയുമായി മുന്നോട്ടു പോകുന്നതിന് തടസമില്ലെന്നുമാണ് സൂചനകൾ. വിഷയത്തിൽ അദാനി ഗ്രൂപ്പ് ഇതുവരെ പ്രതികരിച്ചിട്ടില്ല. ശ്രീലങ്കൻ തലസ്ഥാനമായ കൊളംബോയിലെ സുപ്രധാന തുറമുഖത്ത് അദാനി പോർട്ട്സ് രാജ്യാന്തര കണ്ടെയ്നർ ടെർമിനലും സജ്ജമാക്കുന്നുണ്ട്. 2022 ലെ സാമ്പത്തിക തകർച്ചയ്ക്കുശേഷം ശ്രീലങ്കയിൽ നിക്ഷേപത്തിനൊരുങ്ങിയ ആദ്യത്തെ വിദേശ

നിക്ഷേപകരായിരുന്നു അദാനി ഗ്രൂപ്പ്.

അയൽരാജ്യമായ ബംഗ്ലാദേശിന് വൈദ്യുതി നൽകാനായി ഡാർബണ്ഡിലെ ഗോൾഡായിൽ 1,600 മെഗാവാട്ടിന്റെ വൈദ്യുതോൽപ്പാദന പ്ലാന്റ് അദാനി ഗ്രൂപ്പിന് കീഴിലെ അദാനി പവർ സ്ഥാപിച്ചിരുന്നു. പൂർണ്ണമായും ബംഗ്ലാദേശിന് വൈദ്യുതി ലഭ്യമാക്കുകയാണ് പ്ലാന്റിന്റെ ലക്ഷ്യം.

യു.എസിന്റെ ആരോപണങ്ങൾക്ക് പിന്നാലെ അദാനിയുടെ വൈദ്യുതിയോട് ബംഗ്ലാദേശും മുഖംതിരിച്ചിട്ടുണ്ട്. മാത്രമല്ല, പ്ലാന്റിൽ നിന്ന് 800 മെഗാവാട്ട് വൈദ്യുതിയാണ് ബംഗ്ലാദേശ് വാങ്ങുന്നത്. ബാക്കി 800 മെഗാവാട്ട് എന്തുചെയ്യുമെന്നതും ചോദ്യചിഹ്നമാണ്. അദാനിയിൽനിന്ന് വൈദ്യുതി വാങ്ങിയ ഇനത്തിൽ 90 കോടി ഡോളറോളം ബംഗ്ലാദേശ് കുടിശികയും വരുത്തിയിരുന്നു. ഇതു ഘട്ടംഘട്ടമായി വീട്ടുമെന്നാണ് ബംഗ്ലാദേശ് പറയുന്നത്.

അതിനിടെ, വൈദ്യുതി വാങ്ങൽ കരാറിൽനിന്ന് പിൻവാങ്ങിയ ശ്രീലങ്കയുടെ തീരുമാനത്തിന്റെ പശ്ചാത്തലത്തിൽ അദാനി ഗ്രീൻ എനർജി ഓഫീസ് തിരിച്ചടി നേരിട്ടു. എൻ.എസ്.ഇയിൽ 2.06% താഴ്ന്ന് 1,009 രൂപയാണ് വ്യാപാരാന്ത്യ വില. അദാനി എന്റർപ്രൈസസ് ഉൾപ്പെടെ മറ്റ് പ്രമുഖ അദാനി ഗ്രൂപ്പ് കമ്പനികളുടെ ഓഹരികളും 1-3% നഷ്ടം നേരിട്ടു.

नहीं रद्द हुआ श्रीलंका में विंड पावर प्रोजेक्ट : अडानी ग्रुप

नई दिल्ली, 24 जनवरी (एजेंसी): श्रीलंका में अडानी ग्रुप का विंड पावर प्रोजेक्ट कैंसिल (रद्द) नहीं किया गया है। कंपनी के एक प्रवक्ता ने इसकी जानकारी दी। बताते चलें कि कुछ मीडिया रिपोर्ट्स में यह दावा किया गया था कि श्रीलंका में अडानी ग्रुप का विंड पावर प्रोजेक्ट कैंसिल कर दिया गया है।

अडानी ग्रुप ने श्रीलंका के उत्तरी मन्नार और पूनरीन जिलों में 484 मैगावाट के विंड पावर प्रोजेक्ट्स को कैंसिल करने की खबरों को झूठा और भ्रामक बताया है।

अडानी ग्रुप के प्रवक्ता ने कहा कि मई 2024 में अप्रूव हुए टैरिफ का पुनर्मूल्यांकन करने के लिए 2 जनवरी को श्रीलंका के कैबिनेट का फैसला एक स्टैंडर्ड रीव्यू प्रोसेस का हिस्सा है, खासतौर पर एक नई सरकार के साथ, ताकि यह सुनिश्चित किया जा सके कि कंपनी की

शर्तें उनकी मौजूदा प्राथमिकताओं और एनर्जी पॉलिसी से अलग न हों। ग्रुप के प्रवक्ता ने आगे कहा कि अडानी ग्रुप श्रीलंका के ग्रीन एनर्जी सैक्टर में 1 बिलियन डॉलर का निवेश करने के लिए प्रतिबद्ध है।

श्रीलंका के अखबार में छापी गई थी प्रोजेक्ट रद्द करने की खबर

इससे पहले श्रीलंका के एक प्रमुख बिजनेस अखबार डेली एफटी ने इस मामले में खबर छापी थी। अखबार में कहा गया था कि श्रीलंका के राष्ट्रपति अनुरा कुमार दिसानायके के नेतृत्व में मंत्रिमंडल ने मन्नार और पूनरीन में विंड पावर प्लांट्स बनाने का ठेका अडानी ग्रीन एनर्जी एसएल लिमिटेड को देने के फैसले को रद्द कर दिया है। यह फैसला पिछले साल चुनाव से पहले लिया गया था और दिसानायके से पहले श्रीलंका के राष्ट्रपति रानिल विक्रमसिंघे ने इसे मंजूरी दी थी।

ਨਹੀਂ ਰੱਦ ਹੋਇਆ ਸ਼੍ਰੀਲੰਕਾ 'ਚ ਪੈਣ ਉਰਜਾ ਪ੍ਰਾਜੈਕਟ : ਅਡਾਣੀ ਗਰੁੱਪ

ਨਵੀਂ ਦਿੱਲੀ, 24 ਜਨਵਰੀ (ਇੰਟ.)-ਸ਼੍ਰੀਲੰਕਾ 'ਚ ਅਡਾਣੀ ਗਰੁੱਪ ਦਾ ਪੈਣ ਉਰਜਾ ਪ੍ਰਾਜੈਕਟ ਰੱਦ ਨਹੀਂ ਕੀਤਾ ਗਿਆ ਹੈ। ਕੰਪਨੀ ਦੇ ਇਕ ਬੁਲਾਰੇ ਨੇ ਇਸ ਦੀ ਜਾਣਕਾਰੀ ਦਿੱਤੀ। ਦੱਸਣਯੋਗ ਹੈ ਕਿ ਕੁਝ ਮੀਡੀਆ ਰਿਪੋਰਟਾਂ 'ਚ ਇਹ ਦਾਅਵਾ ਕੀਤਾ ਗਿਆ ਸੀ ਕਿ ਸ਼੍ਰੀਲੰਕਾ 'ਚ ਅਡਾਣੀ ਗਰੁੱਪ ਦਾ ਪੈਣ ਉਰਜਾ ਪ੍ਰਾਜੈਕਟ ਰੱਦ ਕਰ ਦਿੱਤਾ ਗਿਆ ਹੈ।

ਅਡਾਣੀ ਗਰੁੱਪ ਨੇ ਸ਼੍ਰੀਲੰਕਾ ਦੇ ਉੱਤਰੀ ਮੰਨਾਰ ਅਤੇ ਪੂਨਰੀਨ ਜ਼ਿਲਿਆਂ 'ਚ 484 ਮੈਗਾਵਾਟ ਦੇ ਪੈਣ ਉਰਜਾ ਪ੍ਰਾਜੈਕਟਾਂ ਨੂੰ ਰੱਦ ਕਰਨ ਦੀਆਂ ਖਬਰਾਂ ਨੂੰ ਝੂਠਾ ਅਤੇ ਭੁਲੇਖਾ ਪਾਉਂਦਾ ਦੱਸਿਆ ਹੈ।

ਅਡਾਣੀ ਗਰੁੱਪ ਦੇ ਬੁਲਾਰੇ ਨੇ ਕਿਹਾ ਕਿ ਮਈ 2024 'ਚ ਮਨਜ਼ੂਰ ਹੋਈਆਂ ਦਰਾਂ ਦਾ ਮੁੜ-ਮੁਲਾਂਕਣ ਕਰਨ ਲਈ 2 ਜਨਵਰੀ ਨੂੰ ਸ਼੍ਰੀਲੰਕਾ ਦੇ ਮੰਤਰੀ ਮੰਡਲ ਦਾ ਫੈਸਲਾ ਇਕ ਮਿਆਰੀ ਸਮੀਖਿਆ ਪ੍ਰਕਿਰਿਆ ਦਾ ਹਿੱਸਾ ਹੈ, ਖਾਸ

ਤੌਰ 'ਤੇ ਇਕ ਨਵੀਂ ਸਰਕਾਰ ਨਾਲ, ਤਾਂ ਜੋ ਇਹ ਯਕੀਨੀ ਬਣਾਇਆ ਜਾ ਸਕੇ ਕਿ ਕੰਪਨੀ ਦੀਆਂ ਸ਼ਰਤਾਂ ਉਨ੍ਹਾਂ ਦੀਆਂ ਮੌਜੂਦਾ ਤਰਜੀਹਾਂ ਅਤੇ ਉਰਜਾ ਨੀਤੀ ਨਾਲੋਂ ਵੱਖ ਨਾ ਹੋਣ। ਗਰੁੱਪ ਦੇ ਬੁਲਾਰੇ ਨੇ ਅੱਗੇ ਕਿਹਾ ਕਿ ਅਡਾਣੀ ਗਰੁੱਪ ਸ਼੍ਰੀਲੰਕਾ ਦੇ ਗ੍ਰੀਨ ਐਨਰਜੀ ਸੈਕਟਰ 'ਚ 1 ਬਿਲੀਅਨ ਡਾਲਰ ਦਾ ਨਿਵੇਸ਼ ਕਰਨ ਲਈ ਵਚਨਬੱਧ ਹੈ।

ਸ਼੍ਰੀਲੰਕਾ ਦੀ ਅਖਬਾਰ 'ਚ ਛਾਪੀ ਗਈ ਸੀ ਪ੍ਰਾਜੈਕਟ ਰੱਦ ਕਰਨ ਦੀ ਖਬਰ

ਇਸ ਤੋਂ ਪਹਿਲਾਂ ਸ਼੍ਰੀਲੰਕਾ ਦੀ ਇਕ ਪ੍ਰਮੁੱਖ ਬਿਜਲੀ ਅਖਬਾਰ ਡੇਲੀ ਐੱਫ. ਟੀ. ਨੇ ਇਸ ਮਾਮਲੇ 'ਚ ਖਬਰ ਛਾਪੀ ਸੀ। ਅਖਬਾਰ 'ਚ ਕਿਹਾ ਗਿਆ ਸੀ ਕਿ ਸ਼੍ਰੀਲੰਕਾ ਦੇ ਰਾਸ਼ਟਰਪਤੀ ਅਨੁਰਾ ਕੁਮਾਰ ਦਿਸਾਨਾਇਕੇ ਦੀ ਅਗਵਾਈ 'ਚ ਮੰਤਰੀ ਮੰਡਲ ਨੇ ਮੰਨਾਰ ਅਤੇ ਪੂਨਰੀਨ 'ਚ ਪੈਣ ਉਰਜਾ ਪਲਾਂਟ ਬਣਾਉਣ ਦਾ ਠੇਕਾ ਅਡਾਣੀ ਗ੍ਰੀਨ ਐਨਰਜੀ ਐੱਸ. ਐੱਲ. ਲਿਮਟਿਡ ਨੂੰ ਦੇਣ ਦੇ ਫੈਸਲੇ ਨੂੰ ਰੱਦ ਕਰ ਦਿੱਤਾ ਹੈ। ਇਹ ਫੈਸਲਾ ਪਿਛਲੇ ਸਾਲ ਚੋਣਾਂ ਤੋਂ ਪਹਿਲਾਂ ਲਿਆ ਗਿਆ ਸੀ ਅਤੇ ਦਿਸਾਨਾਇਕੇ ਤੋਂ ਪਹਿਲਾਂ ਸ਼੍ਰੀਲੰਕਾ ਦੇ ਰਾਸ਼ਟਰਪਤੀ ਰਾਨਿਲ ਵਿਕਰਮਸਿੰਘੇ ਨੇ ਇਸ ਨੂੰ ਮਨਜ਼ੂਰੀ ਦਿੱਤੀ ਸੀ।
