Adani Total Gas, Jio-bp Join Hands to Cross Sell Fuels at Retail Outlets

Partnership will allow cos to leverage each other's infra and improve customer offerings

Mumbai: The Adani Group and Reliance Industries on Wednesday announced a partnership for distribution of fuel. While select outlets of the Adani Group's Adani Total Gas will offer Jio-bp's petrol and diesel, certain Jio-bp stations will install Adani Total's CNG dispensing units, as per the agreement.

This is the second major collaboration between the two industrial giants.

In March last year, Mukesh Ambani's Reliance Industries had acquired a 26% stake in Adani Power's Mahan Energen for \$50 crore, securing 500 MW of captive power from a 600 MW Madhya Pradesh plant under a 20-year agreement.

While Adami Total manages about 650 CNG stations, Jlo-bp operates around 2,000 retail outlets. The partnership is expected to provide consumers access to high-quality fuels.

The arrangement will be applicable to both existing and future retail outlets operated by the two companies.

"It is our shared vision to provide a complete range of high-quality fuels at our outlets," Suresh P Mangiani, the chief executive officer at Adani Total Gas, was quoted in a release as saying "This partnership will enable us to leverage each other's infrastructure, thus enhancing customer experience and of-

ferings," he said.

Jio bp, a joint venture between Reliance Industries and UK oil giant British Petroleum established in February 2011, manages around 2,000 fuel retail outlets across the country.

Mumbai/New Delhi: Adani Total Gas and Reliance BP Mobility have formed an alliance to offer their respective fuels at each other's retail outlets, marking another collaborative venture between two of India's prominent conglomerates, Adani and Reliance. Previously, Reliance Industries acquired a 26% stake in Adani Power's subsidiary, Mahan Energy, for Rs 50 crore.

The latest collaboration enables Adani Total Gas to sell Reliance BP's petrol and diesel at their stations, while Reliance BP will distribute Adani's CNG at their outlets. This arrangement plugs gaps in both companies' fuel distribution networks.

MUMBAI: Adani Total Gas Ltd and Reliance Industries Ltd arm Jio-bp have partnered to sell auto fuel across select outlets, the firms said in a statement on Wednesday.

Select ATGL outlets will sell Jio-bp's petrol and diesel, and the Jio-bp outlets will integrate ATGL's compressed natural gas (CNG) dispensing units, the statement said.

"This partnership will enable us to leverage each other's infrastructure, thus enhancing customer experience and offerings," said Suresh P. Manglani, executive director and CEO of Adani Total Gas.

This is the second time the rival billionaires have partnered, after Reliance acquired a 26% stake in an Adani Power project in Madhya Pradesh in March

Nirav Karkera, the head of

prehensive customer experience. In a sector largely dominated by state-run entities, this alliance positions both groups advantageously."

The agreement covers the partners' existing and future outlets. Adani Total Gas has 650 CNG operating stations, and Jio-bp has 2.000 outlets.

"ATGL stands to benefit from the extensive Jio-BP fuel station network, while Jio-BP can expand its pincode-level reach through ATGL's infrastructure in a cost-efficient manner. The partnership is likely to be accretive for both players, enabling better margin management through station-level cost synergies," said Karkera.

NEW DELHI: Mukesh Ambani and Gautam Adani have partnered to sell automotive fuels by leveraging each other's fuel retail networks — marking the second business collaboration between the two billionaire industrialists.

Ambani's fuel venture with UK's BP, Jio-bp, will set up petrol and diesel dispensers at CNG retail outlets of Adani Total Gas Ltd (ATGL). Alongside, ATGL — the equal city gas joint venture of

Adani Group and TotalEnergies of France -- will put up CNG dispensing units at Jio-bp's fuel pumps, according to a joint statement on Wednesday.

The partnership will cover both group's existing as well as future outlets.

Jio-bp owns 1,972 petrol pumps across the country while ATGL operates a network of 650 CNG stations in 34 geographical areas.

"Adani Total Gas Ltd (ATGL) and Jio-bp (operating brand of Reliance BP Mobility Ltd) today (Wednesday) announced signing of an agreement to redefine the auto fuel retail experience for Indian consumers.

This is the second time in recent months that the rival billionaires have come together. In March last year, the two had signed the pact for their firstever collaboration for a power project in Madhya Pradesh.Ambani's firm Reliance had picked up a 26% stake in Adani Power's project in MP and signed to use the plants' 500 MW of electricity for captive use.

Adani and Ambani, both hailing from Gujarat, have often been pitted against each other in business. The two have also been jostling for the title of Asia's richest person for the last few years.

With Ambani's interests spanning oil and gas to retail and telecom and Adani's focus on infrastructure spanning sea ports to airports, coal and mining, they rarely crossed each other's path except in the clean energy business where the two have announced multi-billion investments.

Adani is building mega renewable energy parks and has also ventured into solar modules and wind turbine manufacturing. Ambani's Reliance, too, is building four gigafactories at Jamnagar in Gujarat — one each for solar panels, batteries, green hydrogen, and fuel cells. Markets log gains for 2nd day; Sensex, Nifty surge on global rally

PRESS TRUST OF INDIA Mumbai

Penchmark indices Sensex and Nifty surged nearly 1 per cent on Wednesday, powered by widespread buying and a positive trend in global equities amid easing tensions in the Middle East following a ceasefire between Iran and Israel.

Besides, intense buying market heavyweights HDFC Bank, Infosys and Reliance Industries supported domestic equities, traders said.

Extending its previous day's rally, the 30-share Sensex jumped 700.40 points or 0.85

per cent to settle at 82,755.51. During the day, it surged 760.8 points or 0.92 per cent to 82,815.91.

As many as 2,821 stocks advanced while 1,207 declined and 134 remained unchanged on the BSE.

Similarly, the wider gauge NSE Nifty climbed 200.40 points or 0.80 per cent to 25,244.75.

"Benchmark indices extended their winning streak for a second consecutive session on Wednesday, closing decisively in the green as investor sentiment got a boost from the Israel-Iran ceasefire, which alleviated geopolitical over-

hang. The Nifty kicked off trade on a buoyant note, subsequently oscillated in a narrow band with a positive undertone...," according to Bajaj Broking market commentary.

From the Sensex pack, Titan, Mahindra & Mahindra, Infosys, Power Grid, Tata Consultancy Services and Bharti Airtel were among the major gainers.

On the other hand, Bharat Electronics, Kotak Mahindra Bank and Axis Bank were the laggards.

"Markets maintained their positive tone and gained nearly a per cent, supported by favourable global cues. A strong handover from the US markets triggered a gap-up start, which was further fuelled by buying interest in select heavyweight stocks," Ajit Mishra — SVP, Research, Religare Broking Ltd, said.

जियो मेरी जिंदगी का सबसे बडा जोखिम थाः अंबानी

रिलायंस इंडस्ट्रीज के अध्यक्ष और प्रबंध निदेशक मुकेश अंबानी ने कहा है कि टेलीकॉम सेक्टर की जियो में बड़े पैमाने पर निवेश करना उनके करियर का 'सबसे बड़ा जोखिम' था। उस समय कई विश्लेषकों को इसकी सफलता पर संदेह था। उनका कहना था कि भारत इतनी उन्नत डिजिटल तकनीक के लिए तैयार नहीं है। यहां एक साक्षात्कार में मुकेश अंबानी ने यह बातें कही। उन्होंने कहा

कि अगर जियों में निवेश किसी वजह से अपेक्षित लाभ नहीं भी दे पाता, तब भी यह भारत को डिजिटल बनाने की दिशा में बड़ा कदम तो जरूर माना जाता। रिलायंस जियों में निवेश का फैसला आसान नहीं था।
