Consent of slum-dwellers is not needed for Dharavi project: CEO

'Developer Picked By State; Above 50% Of Residents Have Consented'

Priyanka Kakodkar
& Clara Lewis | TNN

Mumbai: With the state clearing the master plan for the Dharavi Redevelopment Project, the spotlight is on the road ahead for one of the biggest urban renewal schemes in the world. Responding to queries on the resistance to the project from a section of slum-dwellers, its CEO, S VR Srinivas, told TOI that more than 50% of the residents have already consented to the project. But more significantly, he revealed that the project did not require public consent in the first place because the developer had been appointed by the state govt.

"Under the SRA rules, the building society appoints the developer. For that, 50% consent is required. But here, the govt has appointed the developer. In this case, there is no need for consent," said Srinivas in an exclusive interview to TOI.

The project is being implemented by Nav Bharat Mega Developers Pvt Ltd, an SPV in which the Adani Group holds 80% stake and the govt 20%. The land on which Dharavi stands is owned by the govt and the BMC.

Srinivas said around 1 lakh slum-dwellers had responded to the house-to-house survey and just around 20,000 remained to be surveyed. So even if the 50% consent parameter was applied, it had already been crossed, he said.

Participation in the door-to-door survey on eligibility for rehabilitation translated into consent, he clarified. "They have given their docu-

ments voluntarily. There is a line in the survey which says they are willing to participate in the redevelopment. So, when they sign, it is consent," said Srinivas.

Although consent is not required for the project, the govt had made multiple efforts to get residents to respond to the survey and agree to the project, he emphasised. "We don't want to ride roughshod on anybody. We have already given four opportunities. We put it in the newspaper and then we also put it on their doors," he said.

Srinivas said that the survey was still ongoing but roughly 5 lakh eligible tene-

ments would need to be given free space within Dharavi and 5 lakh ineligible tenements would have to move out to subsidised rental housing outside Dharavi.

But the question is: Why a massive expanse of 541 acres of land has been earmarked for rental housing and a free sale component for the Adani-led SPV? This has fuelled allegations from the opposition that the project is essentially a "land-grab" to capture lucrative real estate both within and outside Dharavi.

The 541 acres for rental housing have been allocated in Deonar, Kurla, Aksa, Malvani and salt pan lands in

Bhandup, Mulund and Kanjur Marg. Of this, possession has been given of 63.5 acres so far in Kurla and Mulund.

Srinivas said the land meant for rental housing was in the possession of the state's DRP and was not with the Adani-led SPV. "The problem is that there is a shortage of land in Mumbai. We had written to many different agencies including from the central government for these lands. In some cases, there were rejections. So, we did not know which lands would come and we started applying to different places," he said. "Now these lands are coming but they will be with the DRP. Unless people are rehabilitated, the land will not be given to the SPV," he said. He also said that rental units would be built in phases. If all the land was not required, then all the parcels would not be used.

The land which is not used from the 541 acres would then revert from the DRP to the govt. "Our mandate is limited to Dharavi. The land that is not used, will revert to the govt," said Srinivas.

Responding to questions about the basis on which the project has been planned since the door-to-door survey on eligible and ineligible tenements is yet to be completed, Srinivas said, "There was initially a drone survey followed by a LIDAR survey to map the structures in the area. And now there is a physical door-to-door survey, which is almost complete. Based on these three, we did a comparison and an extrapolation of data, which is how it works. In projects of this size, some things can go on simultaneously," he said.

Land given for Dharavi redevpt, Cong holds protest

Shourya Avankhedkar

Mumbai: On Sunday afternoon, Mumbai Congress organised a protest in Kurla against the state's recent decision to formally approve transfer of 21.25 acres of Kurla dairy land to the Dharavi redevelopment project. Navbharat Mega Developers Pvt Ltd (NMDPL), a special purpose vehicle (SPV) set up by the state govt in a joint venture with the developer, Adani Realty, will implement the redevelopment project.

The protest was led by Congress MP Varsha Gaikwad, her sister and Dharavi MLA Jyoti Gaikwad, with several other party workers and citizens.

Speaking at the event, Varsha Gaikwad said: "While we were peacefully protesting, the govt has once again sent a large police force to suppress our voices and crush the movement using brute power. What kind of justice is this? Modani & Co. are snatching away people's rights, grabbing land that belongs to Mumbaikars, committing injustice – and instead of stopping them, the govt is shielding these land-grabbers while silencing citizens. But we will not be intimidated by this tyranny. We will continue to fight this Adani govt for Mumbai's rights and the future of Mumbaikars."

The MP said: "The land is worth hundreds of crores, but it was transferred to Adani at a nominal rate for his benefit. The BJP govt has become a facilitator of Adani's mega-loot."

Mumbai: In the early hours of dawn, as most of Mumbai still sleeps, the narrow lanes of Dharavi echo with the whistle of steamers and the clatter of aluminium vessels. In makeshift kitchens tucked inside shanties, women like Alaguthai Thangapandi are already deep into their day's work — grinding soaked rice, mixing batter, and steaming fluffy idlis that will feed hundreds across the city.

The supply chain is precise, personal, and proudly preservative-free. Most raw materials are sourced through trusted agents — Ponni rice arrives from Tamil Nadu in

St. Sharath Kumar

BASIC NEEDS: All that the idli-makers now ask for is dignity, better roads and clean water

bulk, and urad dal is bought from local wholesalers.

"We don't use shortcuts," says 26-year-old Prabhu, who assists his aunt Stella Nadar, 57, in their small home kitchen. "The batter is made fresh every night. We prepare at least 15 litres of batter daily, along with seven litres of

sambhar and two litres of coconut chutney."

Their idlis — four for ₹40 — reach breakfast counters in Sion, Matunga, Mahim, and Bandra. Stella, who runs her stall near Pila Bungla, says, "We are the city's breakfast makers, but we don't get any respect. Our kitchens are clean, but step outside and it's dirty, smelly, flooded in rains. How can we serve good food in such surroundings?"

As the Dharavi Redevelopment Project gains pace, the women are cautiously hopeful. "We want clear answers. Will we get better kitchens? Where will we go?" asks Thangapandi. "If they give us proper homes and space to cook, we can make 10 lakh id-

lis daily." Entrepreneur Ganesh Gajakosh says Dharavi's food makers are the backbone of informal Mumbai. "All they ask for is dignity, better roads, clean water — not charity. Let redevelopment not erase them, but empower them," says Gajakosh.

Yet the entrepreneurial spirit remains intact. Savita Muthuraman, a 22-year-old BBA student, helps her father carry steaming aluminium boxes across the city.

"If we had a proper kitchen, I wouldn't worry about my younger siblings having to do the same," she says. Most vendors earn between ₹1,000 and ₹3,000 a day. A few have scaled up into wholesale suppliers or caterers.

Cong. protests transfer of Kurla dairy land for Dharavi project

Mumbai Congress leader Varsha Gaikwad led her party's protest on Sunday against the Maharashtra government's decision to allot Mother Dairy's land in Kurla to the Adani Group for rehabilitating ineligible slum dwellers who will be displaced by the Dharavi Redevelopment Project. She demanded that the land be used for a botanical garden. "The land is environmentally sensitive and houses hundred-year-old trees. Locals are demanding a botanical garden, yet it is being transferred to Mr. [Gautam] Adani at a nominal rate," the Congress leader said.

Congress slams 'surrender govt' over Adani land grab

Mumbai party chief alleges BJP handed over Mother Dairy plot to tycoon at throwaway price for Dharavi project

THE Congress on Sunday staged a protest against the Maharashtra government's decision to allot Mother Dairy's land in Kurla for rehabilitating ineligible slum-dwellers who will be displaced by the Dharavi redevelopment project.

City Congress president Varsha Gaikwad, who led the demonstration, targeted the state government's decision with a "surrender" barb, alleging that the opposition by local people was ignored.

"The market value of this land is in the hundreds of crores, but it is being handed over to Adani at a nominal price," she alleged.

The Maharashtra Cabinet last gave its nod to the revised terms and conditions for an 8.5-hectare plot of Mother Dairy in Kurla area meant to be used for rehabilitating ineligible

slum-dwellers.

According to the government, under the Dharavi redevelopment project, 8.5 lakh families have to be rehabilitated. Of these families, 5 lakh are eligible to be rehabilitated in Dharavi itself. The Kurla plot is among the spaces that will be used to rehabilitate the remaining 3.5 lakh families, it said.

"Adani seems to suffer from an

insatiable greed to grab all of Mumbai's land, and the BJP government is handing over plots to him while ignoring local opposition. The Kurla dairy land, despite being environmentally sensitive, has been transferred solely at Adani's request," Gaikwad alleged.

Despite massive public opposition, the state government granted the land to Adani in a cabinet decision.

"This is a surrender government," Gaikwad added.

She alleged that heavy police force was deployed to suppress the peaceful protest on Sunday.

"Modi-Adani & Co. are snatching away people's rights and occupying land that belongs to Mumbaikars, while the government provides security to the looters and suppresses

the people's voice," the Congress leader said.

She alleged that the government was using the Dharavi redevelopment project as a cover to hand over salt pan lands, Deonar, and Madh-Aksa land, totalling 541 acres, to Adani for free.

"Plans are also afoot to seize government land in Air India Colony, Bandra Reclamation, Behrampada, and Motilal Nagar without consulting the local population," the Congress MP alleged.

According to Gaikwad, Kurla residents had been demanding a botanical garden on the land of Mother Dairy covered by thousands of century-old trees.

Gaikwad wondered if Chief Minister Devendra Fadnavis is the spokesperson of the Election Commission.

She was responding to a query on a newspaper article written by Fadnavis rebutting Rahul Gandhi's claims on the fairness of the 2024 Maharashtra assembly elections.

"Why is Fadnavis answering the questions that Opposition Leader Rahul Gandhi posed to the Election Commission? Is he the commission's mouthpiece?" she asked.

कांग्रेस ने धारावी पुनर्विकास परियोजना के लिए मदर डेरी की भूमि आवंटित करने के खिलाफ प्रदर्शन किया

मुंबई, (भाषा)। कांग्रेस ने रविवार को महाराष्ट्र सरकार के उस फैसले के खिलाफ प्रदर्शन किया, जिसमें धारावी पुनर्विकास परियोजना के तहत विस्थापित होने वाले अपात्र झुग्गीवासियों के पुनर्वास के लिए कुर्ला स्थित मदर डेरी की जमीन आवंटित की गई है।

कांग्रेस की मुंबई इकाई की अध्यक्ष वर्षा गायकवाड़ के नेतृत्व में यह प्रदर्शन किया गया। उन्होंने राज्य सरकार पर निशाना साधते हुए कहा कि स्थानीय लोगों के विरोध को नजरअंदाज कर यह फैसला लिया गया है। गायकवाड़ ने आरोप लगाया, इस जमीन का बाजार मूल्य सैकड़ों करोड़ रुपये में है, लेकिन इसे अडाणी को मामूली कीमत पर सौंपा जा रहा है।

राज्य मंत्रिमंडल ने हाल ही में कुर्ला इलाके में मदर डेरी की 8.5 हेक्टेयर जमीन को लेकर पुनर्निर्धारित शर्तों को मंजूरी दी है। इस जमीन का उपयोग धारावी पुनर्विकास परियोजना के तहत विस्थापित झुग्गीवासियों के पुनर्वास के लिए किया जाना है। सरकार के अनुसार, धारावी परियोजना के तहत 8.5 लाख परिवारों को पुनर्वासित किया जाना है, जिनमें से पांच लाख परिवारों को धारावी में ही बसाया जाएगा। बाकी 3.5 लाख परिवारों के पुनर्वास के लिए अन्य स्थानों का चयन किया गया है, जिनमें कुर्ला की यह जमीन भी शामिल है। गायकवाड़ ने आरोप लगाया, अडाणी को मुंबई की हर जमीन पर कब्जा करने का लालच है और भाजपा सरकार स्थानीय लोगों के विरोध की अनदेखी करते हुए उसे जमीन सौंप रही है। पर्यावरणीय दृष्टि से संवेदनशील मानी जाने वाली कुर्ला डेरी की जमीन भी सिर्फ अडाणी के अनुरोध पर स्थानांतरित की गई है। उन्होंने कहा कि व्यापक जनविरोध के बावजूद राज्य मंत्रिमंडल ने यह निर्णय लिया।

मुंबई : ‘अदानी कंपनी’ला संपूर्ण मुंबई गिळायची आहे असून स्थानिकांचा विरोध डावलून महायुती सरकार जमिनी देत सुटले आहे. कुला मदर डेअरीची जमीन पर्यावरणदृष्ट्या संवेदनशील असून तेथे उद्यान करण्यात यावे, अशी मागणी कांग्रेसच्या मुंबई अध्यक्ष व खासदार वर्षा गायकवाड यांनी केली.

मुंबईकरांच्या हक्काच्या जमिनींची अदानीकडून लूट

मुंबई, दि. ८ (प्रतिनिधी) – धारावी पुनर्विकास प्रकल्पाच्या नावाखाली राज्य सरकारने मदर डेअरीची २१ एकरची जमीन अदानी समूहाला दिली. डेअरीची जमीन मुंबई आणि मुंबईकरांसाठी पर्यावरणदृष्ट्या संवेदनशील असूनही केवळ अदानीसाठी ती हस्तांतरित करण्यात आली आहे. केंद्र आणि राज्य सरकाराच्या मदतीने मुंबईकरांच्या हक्काच्या जमिनी लुटण्याचा भस्म्या रोग अदानीला झाला आहे. मात्र, ही जाग अदानीच्या घशात घालण्याऐवजी इथे वनस्पती उद्यान उभारा, स्थानिकांसाठी सोयीसुविधा उभारा, अशी मागणी करत आज कुला येथे मुंबई काँग्रेस अध्यक्ष खासदार वर्षा गायकवाड यांच्या नेतृत्वाखाली जोरदार आंदोलन करण्यात आले.

धारावी का विकास देगा मुंबई को नया स्पष्टप

सभी निवासियों का बेहतर घर का सपना होगा साकार पहली बार मल्टी-मॉडल ट्रांजिट हब (MMTH)

"धारावी सिर्फ एक इलाका नहीं है बल्कि यह एक शैवितशाली सूखम अर्थव्यवस्था का प्रतिनिधित्व करता है"

- टेंट्रेंड फ़डणवीस
मुख्यमंत्री, महाराष्ट्र

"धारावी का विकास सिर्फ एक सपना नहीं बल्कि एक सामाजिक वादा है"

- एकनाथ शिंदे,
उप मुख्यमंत्री, महाराष्ट्र

आमची मुंबई के विकास के लिए यह एक ऐतिहासिक पुनर्विकास है, जो कई दशकों के लिए इंतजार के बाद अंतहीन हो रहा है। और प्रधानमंत्री नरेंद्र मोदी की 'सभी के लिए आवास नींव' इस संकल्पना के अनुरूप है। धारावी के पुनर्विकास के लिए यह एक विकास योजना इस अंतर्गत सुधारों पर केंद्रित है, लेकिन इस योजना में विशेष रूप से खुली जाहांगी को सामिल करने का प्रयत्न किया गया है, जिससे निवासियों को लंबे समय से झेलते आ रहे तंग और कठोर हालातों से छात मिल सके। धारावी नोटिफिड परिया (DNA) का नया मास्टरप्लान मीजूदा भोड़भाड़ वाले जाल को एक जीवंत, समावेशी और प्रकृति-समृद्ध शहरी वातावरण में बदलने की दिशा में है। यह पुनर्विकास योजना महाराष्ट्र नेचं पाक से प्रेरणा लेती है, जो मिठी नदी के नाम जान छूकने की कोशिश कर रहा है। प्रोजेक्ट से जुड़े सुधारों के अनुसार, इस योजना का उद्देश्य सिर्फ़ नई जीवन्यादी ढांचे का निर्माण करना नहीं है, बल्कि एक हारित और रहने योग्य समुदाय

बनाना है। हालांकि धारावी पुनर्विकास परियोजना (DRP) मुख्य रूप से आवासक जीवन्यादी विकास तुलना पर केंद्रित है, लेकिन इस योजना में विशेष रूप से खुली जाहांगी को सामिल करने का प्रयत्न किया गया है, जिससे निवासियों को लंबे समय से झेलते आ रहे तंग और कठोर हालातों से छात मिल सके। धारावी नोटिफिड परिया (DNA) का नया मास्टरप्लान मीजूदा भोड़भाड़ वाले जाल को एक जीवंत, समावेशी और प्रकृति-समृद्ध शहरी वातावरण में बदलने की दिशा में है। यह पुनर्विकास योजना महाराष्ट्र नेचं पाक से प्रेरणा लेती है, जो मिठी नदी के नाम जान छूकने की कोशिश कर रहा है। प्रोजेक्ट से जुड़े सुधारों के अनुसार, इस योजना का उद्देश्य यह है कि प्रकृति को शहरी परिवेश में लाया जाए और एक स्वस्थ, टिकाऊ समुदाय का निर्माण किया जाए।

धारावी के मध्य में, मल्टी-मॉडल ट्रांजिट हब (MMTH) की योजना इस आगामी पर बनायी रखी है कि यह फलती सुधारों होगी जहां शहर की जड़ें और अन्य शहरी परिवहन, साथ ही अंतर-शहर, शहर के भीतर, उपनगरीय, मेट्रो, हाई-स्पेंड और एक्स्प्रेस हाईसीप्स ट्रॉने एक ही स्थान पर इस्तमाल की जा सकेंगी। यह एकीकृत रेल मंड़ी, रेल, बसों, फोटोड्राइवर्स और मीट्रो-मास्टर चालिंग परिवहन अवधारणावाले को जोड़ेगा, जिससे उत्तर-दक्षिण-पश्च-पश्चिम दिशाओं में सभी साधनों में कुशल स्थानान्तरण संभव होगा। जो लोग परागमन में हैं, वे धारावी आ सकते हैं, दिन के अंत में मुंबई या नवी मुंबई से उड़ान के लिए अपनी बांग चेक-इन कर सकते हैं और एप्सेंट्री-एच में विभिन्न सुविधाओं में दिन

वित्त सकते हैं, भूमित लिपाटा, एक्स्प्रेस

ओ और बांध के माध्यम से एप्सेंट्री-एच

निवासियों के लिए विकास प्रदान करेगा-

- 24x7 सुरक्षा सुविधाएं
- रेस्तरां, कैफे और शॉपिंग
- कार्यालय और होल्डल स्थान

कांग्रेस ने निकाला मोर्चा, निकाली भड़ास कुर्ला मदर डेयरी की जमीन को लेकर मचा घमासान

■ मुंबई (स). कुर्ला पूर्व की मदर डेयरी की जमीन अदाणी समूह को देने पर कांग्रेस पार्टी ने कड़ा एतराज जताया है, गविवार को कांग्रेस ने मोर्चा निकाला और अदाणी की जमकर खिलाफत की। पार्टी सांसद व मुंबई की अध्यक्ष वर्षा गायकवाड ने आरोप लगाया कि भाजपा सरकार के आशीर्वाद से मुंबई में अदाणी की महालूट चल रही है। इस मुद्दे को लेकर वर्षा गायकवाड के नेतृत्व में मुंबई कांग्रेस ने कुर्ला में विरोध प्रदर्शन किया। वर्षा ने कहा कि भाजपा सरकार ने स्थानीय लोगों के विरोध को नजरअंदाज कर मदर डेयरी की जमीन अदाणी समूह को दे दी है। लाखों भारावीकरों को उजाड़कर धारावी में 600 एकड़ जमीन पर कब्जा करने की साजिश रची गई। फिर इस परियोजना की आड़ में कुर्ला मदर डेयरी, मीठागढ़ भूमि, देवनार, मध्य-अक्सा में मुंबईकरों की 541 एकड़ जमीन अदाणी ने मुफ्त में हासिल कर ली। स्थानीय लोगों को विश्वास में लिए बिना एयर इंडिया कॉलोनी, बांद्रा रिक्लेमेशन, बेहरामपाड़ा, मोतीलाल नगर में सरकारी जमीन हड्पने की साजिश रची गई है, यह मोर्चा कुर्ला पूर्व में अधूर्दय बैंक के पास निकाला गया।

वर्षा गायकवाड के इस दौहरे रवैये कि मैं कड़ी आलोचना करता हूं, यह प्रोजेक्ट जब वे मत्री थीं, तब ही तय किया गया था और अब इसका वे विरोध कर रही हैं, वे धारावी से दो बार विद्यायक हैं, उनके पिताजी एकनाथ गायकवाड भी वहाँ से विद्यायक थे। उसके बाहरूद इलाने वर्षों में उन्होंने कुछ नहीं किया।

- मंगेश कुडालकर, विद्यायक, शिवसेना शिंदे गुरु

कांग्रेस का विरोध जारी

■ मदर डेयरी की जगह पर हजारों बड़े पेड़ हैं जो सैकड़ों साल पुराने हैं। स्थानीय लोग की मांग है कि इस जगह पर बनस्पति उद्यान बनाया जाए, कांग्रेस लगातार इस मुद्दे पर विरोध कर रही है।

■ सासद ने कहा यह सरेडर सरकार है और जब झोलाल ट्रैप बुलाते हैं तो नरेंद्र सरेडर कर देते हैं और जब मोदी अदाणी को बुलाते हैं तो देवेंद्र सरेडर कर देते हैं।

■ विधानसभा चुनाव में घोटाला हुआ है, इसका जवाब चुनाव आयोग को देना होगा। राहुल गांधी ने चुनाव आयोग से सवाल पूछे हैं, तो मुख्यमंत्री देवेंद्र फडणवीस जवाब क्यों दे रहे हैं?
