Consent of slum-dwellers is not needed for Dharavi project: CEO

'Developer Picked By State; Above 50% Of Residents Have Consented'

Priyanka Kakodkar
& Clara Lewis | TNN

Mumbai: With the state clearing the master plan for the Dharavi Redevelopment Project, the spotlight is on the road ahead for one of the biggest urban renewal schemes in the world. Responding to queries on the resistance to the project from a section of slum-dwellers, its CEO, S V R Srinivas, told TOI that more than 50% of the residents have already consented to the project. But more significantly, he revealed that the project did not require public consent in the first place because the developer had been appointed by the state govt.

"Under the SRA rules, the building society appoints the developer. For that, 50% consent is required. But here, the govt has appointed the developer. In this case, there is no need for consent," said Srinivas in an exclusive interview to TOI.

The project is being implemented by Nav Bharat Mega Developers Pvt Ltd, an SPV in which the Adani Group holds 80% stake and the govt 20%. The land on which Dharavi stands is owned by the govt and the BMC.

Srinivas said around 1 lakh slum-dwellers had responded to the house-to-house survey and just around 20,000 remained to be surveyed. So even if the 50% consent parameter was applied, it had already been crossed, he said.

Participation in the door-to-door survey on eligibility for rehabilitation translated into consent, he clarified. "They have given their docu-

ments voluntarily. There is a line in the survey which says they are willing to participate in the redevelopment. So, when they sign, it is consent," said Srinivas.

Although consent is not required for the project, the govt had made multiple efforts to get residents to respond to the survey and agree to the project, he emphasised. "We don't want to ride roughshod on anybody. We have already given four opportunities. We put it in the newspaper and then we also put it on their doors," he said.

Srinivas said that the survey was still ongoing but roughly 5 lakh eligible tene-

ments would need to be given free space within Dharavi and 5 lakh ineligible tenements would have to move out to subsidised rental housing outside Dharavi.

But the question is: Why a massive expanse of 541 acres of land has been earmarked for rental housing and a free sale component for the Adani-led SPV? This has fuelled allegations from the opposition that the project is essentially a "land-grab" to capture lucrative real estate both within and outside Dharavi.

The 541 acres for rental housing have been allocated in Deonar, Kurla, Aksa, Malvani and salt pan lands in

Bhandup, Mulund and Kanjurmarg. Of this, possession has been given of 63.5 acres so far in Kurla and Mulund.

Srinivas said the land meant for rental housing was in the possession of the state's DRP and was not with the Adani-led SPV. "The problem is that there is a shortage of land in Mumbai. We had written to many different agencies including from the central government for these lands. In some cases, there were rejections. So, we did not know which lands would come and we started applying to different places," he said. "Now these lands are coming but they will be with the DRP. Unless people are rehabilitated, the land will not be given to the SPV," he said. He also said that rental units would be built in phases. If all the land was not required, then all the parcels would not be used.

The land which is not used from the 541 acres would then revert from the DRP to the govt. "Our mandate is limited to Dharavi. The land that is not used, will revert to the govt," said Srinivas.

Responding to questions about the basis on which the project has been planned since the door-to-door survey on eligible and ineligible tenements is yet to be completed, Srinivas said, "There was initially a drone survey followed by a LIDAR survey to map the structures in the area. And now there is a physical door-to-door survey, which is almost complete. Based on these three, we did a comparison and an extrapolation of data, which is how it works. In projects of this size, some things can go on simultaneously," he said.

Land given for Dharavi redevpt, Cong holds protest

Mumbai: On Sunday afternoon, Mumbai Congress organised a protest in Kurla against the state's recent decision to formally approve transfer of 21.25 acres of Kurla dairy land to the Dharavi redevelopment project. Navbharat Mega Developers Pvt Ltd (NMDPL), a special purpose vehicle (SPV) set up by the state govt in a joint venture with the developer, Adani Realty, will implement the redevelopment project.

The protest was led by Congress MP Varsha Gaikwad, her sister and Dharavi MLA Jyoti Gaikwad, with several other party workers and citizens.

Speaking at the event, Varsha Gaikwad said: "While we were peacefully protesting, the govt has once again sent a large police force to suppress our voices and crush the movement using brute power. What kind of justice is this? Modani & Co. are snatching away people's rights, grabbing land that belongs to Mumbaikars, committing injustice – and instead of stopping them, the govt is shielding these land-grabbers while silencing citizens. But we will not be intimidated by this tyranny. We will continue to fight this Adani govt for Mumbai's rights and the future of Mumbaikars."

The MP said: "The land is worth hundreds of crores, but it was transferred to Adani at a nominal rate for his benefit. The BJP govt has become a facilitator of Adani's mega-loot."

So, we did not know which lands would come and we started applying to different places," he said.

"Now these lands are coming but they will be with the DRP. Unless people are rehabilitated, the land will not be given to the SPV," he said. He also said that rental units would be built in phases. If all the land was not required, then all the parcels would not be used.

The land which is not used from the 541 acres would then revert from the DRP to the govt. "Our mandate is limited to Dharavi. The land that is not used, will revert to the govt," said Srinivas.

Responding to questions about the basis on which the project has been planned since the door-to-door survey on eligible and ineligible tenements is yet to be completed, Srinivas said, "There was initially a drone survey followed by a LIDAR survey to map the structures in the area. And now there is a physical door-to-door survey, which is almost complete. Based on these three, we did a comparison and an extrapolation of data, which is how it works. In projects of this size, some things can go on simultaneously," he said.

No need of slum-dwellers' nod for Dharavi project: CEO

'Developer Picked By State; Above 50% Of Residents Have Consented'

Priyanka Kakodkar & Clara Lewis

Mumbai: With the state clearing the master plan for the Dharavi Redevelopment Project, the spotlight is on the road ahead for one of the biggest urban renewal schemes in the world. Responding to queries on the resistance to the project from a section of slum-dwellers, its CEO, S V R Srinivas, told TOI that more than 50% of the residents have already consented to the project. But more significantly, he revealed that the project did not require public consent in the first place because the developer had been appointed by the state govt.

"Under the SRA rules, the building society appoints the developer. For that, 50% consent is required. But here, govt has appointed the developer. In this case, there is no need for consent," said Srinivas in an exclusive interview to TOI.

The project is being implemented by Nav Bharat Mega Developers Pvt Ltd, an SPV in which the Adani Group holds 80% stake and govt 20%. The land on which Dharavi stands is owned by govt and the BMC.

Srinivas said around 1 lakh slum-dwellers had responded to the house-to-house survey and just around 20,000 remained to be surveyed. So even if the 50% consent parameter was applied, it had already been crossed, he said.

Participation in the door-to-door survey on eligibility for rehabilitation translated into consent, he clarified. "They have given their documents voluntarily. There is a line in the survey which says they are willing to participate in the redevelopment. So, when they sign, it is consent," said Srinivas.

required for the project, govt had made multiple efforts to get residents to respond to the survey and agree to the project, he emphasised. "We don't want to ride roughshod on anybody. We have already given four opportunities. We put it in the newspa-

Dharavi.

But the question is: Why a massive expanse of 541 acres of land has been earmarked for rental housing and a free sale component for the Adani-led SPV? This has fuelled allegations from the opposition that

Bhandup, Mulund and Kanjurmarg. Of this, possession has been given of 63.5 acres so far in Kurla and Mulund.

Srinivas said the land meant for rental housing was in the possession of the state's DRP and was not with the Adani-led SPV. "The problem is that there is a shortage of land in Mumbai. We had written to many different agencies including from the central government for these lands. In some cases, there were rejections. So, we did not know which lands would come and we started applying to different places," he said.

"Now these lands are coming but they will be with the DRP. Unless people are rehabilitated, the land will not be given to the SPV," he said. He also said that rental units would be built in phases. If all the land was not required, then all the parcels would not be used.

The land which is not used from the 541 acres would then revert from the DRP to the govt. "Our mandate is limited to Dharavi. The land that is not used, will revert to the govt," said Srinivas.

In projects of this size, some things can go on simultaneously," he said.

With the Dharavi Redevelopment Project advancing under state approval, the CEO's 'revelation' about slum-dwellers' consent has sparked a fresh debate over community rights. Meanwhile, a 541-acre land allocation for rental housing and saleable components has raised concerns of a 'land grab', putting the spotlight on transparency and rehabilitation

per and then we also put it on their doors," he said.

Srinivas said that the survey was still ongoing but roughly 5 lakh eligible tenements would need to be given free space within Dharavi and 5 lakh ineligible tenements would have to move out to subsidised rental housing outside

the project is essentially a "land-grab" to capture lucrative real estate both within and outside Dharavi.

Hope steams up among idli-makers of Dharavi over redevelopment plan

Mumbai: In the early hours of dawn, as most of Mumbai still sleeps, the narrow lanes of Dharavi echo with the whistle of steamers and the clatter of aluminium vessels. In makeshift kitchens tucked inside shanties, women like Alaguthai Thangapandi are already deep into their day's work — grinding soaked rice, mixing batter, and steaming fluffy idlis that will feed hundreds across the city.

The supply chain is precise, personal, and proudly preservative-free. Most raw materials are sourced through trusted agents — Ponni rice arrives from Tamil Nadu in

S. L. Shanthi Kumar

BASIC NEEDS: All that the idli-makers now ask for is dignity, better roads and clean water

bulk, and urad dal is bought from local wholesalers.

"We don't use shortcuts," says 26-year-old Prabhu, who assists his aunt Stella Nadar, 57, in their small home kitchen. "The batter is made fresh every night. We prepare at least 15 litres of batter daily, along with seven litres of

sambhar and two litres of coconut chutney."

Their idlis — four for ₹40 — reach breakfast counters in Slon, Matunga, Mahim, and Bandra. Stella, who runs her stall near Pila Bungla, says, "We are the city's breakfast makers, but we don't get any respect. Our kitchens are clean, but step outside and it's dirty, smelly, flooded in rains. How can we serve good food in such surroundings?"

As the Dharavi Redevelopment Project gains pace, the women are cautiously hopeful. "We want clear answers. Will we get better kitchens? Where will we go?" asks Thangapandi. "If they give us proper homes and space to cook, we can make 10 lakh id-

lis daily." Entrepreneur Ganesh Gajakosh says Dharavi's food makers are the backbone of informal Mumbai. "All they ask for is dignity, better roads, clean water — not charity. Let redevelopment not erase them, but empower them," says Gajakosh.

Yet the entrepreneurial spirit remains intact. Savita Muthuraman, a 22-year-old BBA student, helps her father carry steaming aluminium boxes across the city.

"If we had a proper kitchen, I wouldn't worry about my younger siblings having to do the same," she says. Most vendors earn between ₹1,000 and ₹3,000 a day. A few have scaled up into wholesale suppliers or caterers.

Cong. protests transfer of Kurla dairy land for Dharavi project

Mumbai Congress leader Varsha Gaikwad led her party's protest on Sunday against the Maharashtra government's decision to allot Mother Dairy's land in Kurla to the Adani Group for rehabilitating ineligible slum dwellers who will be displaced by the Dharavi Redevelopment Project. She demanded that the land be used for a botanical garden. "The land is environmentally sensitive and houses hundred-year-old trees. Locals are demanding a botanical garden, yet it is being transferred to Mr. [Gautam] Adani at a nominal rate," the Congress leader said.

Congress slams 'surrender govt' over Adani land grab

Mumbai party chief alleges BJP handed over Mother Dairy plot to tycoon at throwaway price for Dharavi project

THE Congress on Sunday staged a protest against the Maharashtra government's decision to allot Mother Dairy's land in Kurla for rehabilitating ineligible slum-dwellers who will be displaced by the Dharavi redevelopment project.

City Congress president Varsha Gaikwad, who led the demonstration, targeted the state government's decision with a "surrender" barb, alleging that the opposition by local people was ignored.

"The market value of this land is in the hundreds of crores, but it is being handed over to Adani at a nominal price," she alleged.

The Maharashtra Cabinet last gave its nod to the revised terms and conditions for an 8.5-hectare plot of Mother Dairy in Kurla area meant to be used for rehabilitating ineligible

slum-dwellers.

According to the government, under the Dharavi redevelopment project, 8.5 lakh families have to be rehabilitated. Of these families, 5 lakh are eligible to be rehabilitated in Dharavi itself. The Kurla plot is among the spaces that will be used to rehabilitate the remaining 3.5 lakh families, it said.

"Adani seems to suffer from an

insatiable greed to grab all of Mumbai's land, and the BJP government is handing over plots to him while ignoring local opposition. The Kurla dairy land, despite being environmentally sensitive, has been transferred solely at Adani's request," Gaikwad alleged.

Despite massive public opposition, the state government granted the land to Adani in a cabinet decision.

"This is a surrender government," Gaikwad added.

She alleged that heavy police force was deployed to suppress the peaceful protest on Sunday.

"Modi-Adani & Co. are snatching away people's rights and occupying land that belongs to Mumbaikars, while the government provides security to the looters and suppresses

the people's voice," the Congress leader said.

She alleged that the government was using the Dharavi redevelopment project as a cover to hand over salt pan lands, Deonar, and Madh-Aksha land, totalling 541 acres, to Adani for free.

"Plans are also afoot to seize government land in Air India Colony, Bandra Reclamation, Behrampada, and Motilal Nagar without consulting the local population," the Congress MP alleged.

According to Gaikwad, Kurla residents had been demanding a botanical garden on the land of Mother Dairy covered by thousands of century-old trees.

Gaikwad wondered if Chief Minister Devendra Fadnavis is the spokesperson of the Election Commission.

She was responding to a query on a newspaper article written by Fadnavis rebutting Rahul Gandhi's claims on the fairness of the 2024 Maharashtra assembly elections.

"Why is Fadnavis answering the questions that Opposition Leader Rahul Gandhi posed to the Election Commission? Is he the commission's mouthpiece?" she asked.

धारावी पुनर्विकास परियोजना : मास्टर प्लान

धारावी पुनर्विकास परियोजना (DRP) धारावी निवासियों के जीवन और निवास के साथ काम करने की स्थितियों को एक व्यावहारिक तरीके से बदलने का एक अनुत्पन्न अवसर है, जिसका उद्देश्य उत्कृष्ट बुनियादी ढांचे और सार्वजनिक सुविधाओं के साथ उच्च गुणवत्ता वाला जीवन स्तर प्रदान करना है, प्रस्तावित मास्टर प्लान धारावी की मौजूदा विशेषताओं पर निर्माण करने, धारावीकर हेतु एक विश्व स्तरीय क्षेत्र बनाने और मुंबई के लिए एक नए दिल को पुनःकल्पना करने का एक प्रयास है.

मुख्य विशेषताएं:-

नियोजन रणनीति

धारावी मास्टर प्लान तीन मार्गदर्शक सिद्धांतों पर बनाया गया है: पुनर्विकास के माध्यम से अधिक बढताव लाना, मजबूत इकोलॉजी और बुनियादी ढांचे का निर्माण करना, और उचित धारावी को बढ़ावा देना.

कनेक्टेड ओपन स्पेस नेटवर्क

बड़े पार्कों से लेकर छोटे समुदायिक खेल के मैदानों तक, हरे और सार्वजनिक स्थानों का एक परस्पर जुड़ा हुआ ओपन स्पेस नेटवर्क यानी खुला क्षेत्र यह सुनिश्चित करेगा कि प्रत्येक निवासी के पास जीवंत, चलने योग्य खुले स्थानों तक पहुंच हो. यह नेटवर्क धारावी में इकोलॉजिकल स्थिति स्थापकता को मजबूत करेगा और दैनिक जीवन की गुणवत्ता को बढ़ाएगा.

सेंटरल हार्ट

धारावी के केन्द्र में एक बड़ा सक्रिय सार्वजनिक खुला स्थान बनाने की योजना बनाई गई है, जो न केवल निवासियों की मनोरंजन संबंधी आवश्यकताओं को पूरा करेगा, बल्कि मुंबई शहर के एक बड़े हिस्से की मनोरंजन संबंधी आवश्यकताओं को भी पूरा करेगा, जहां धारावी और मुंबईकर उत्सवों और त्योहारों के लिए एक साथ आ सकेंगे.

पैदल चलने योग्य और पारगमन उन्मुख

धारावी को एक नए उच्च परिवहनलक्षी विकास में रूपांतरित किया जाएगा, जिसमें सीमलेस मल्टी-मोडल कनेक्टिविटी होगी, जिसमें एक नए मेट्रो कॉरिडोर को भी शामिल किया जाएगा. बस फोडर सिस्टम, गैर-मोटर चालित परिवहन के लिए समर्पित बुनियादी ढांचा और एक बढ़िया सड़क नेटवर्क सभी इलाकों में एंड-टु-एंड कनेक्टिविटी को बढ़ाएगा और निकट के क्षेत्रों में आधुनिक पहुंच को बढ़ाएगा.

सुलभ सामाजिक सुविधाएं

विद्यालय, स्वास्थ्य सेवा और समुदायिक सुविधाओं के साथ-साथ पैदल चलकर पहुंच सके, ऐसी सामाजिक बुनियादी ढांचे की कई सुविधाएं होंगी. निकट में खुली

जगहें और परिवहन पहुंच भी शामिल होंगी, जो शहर की विविध आवश्यकताओं को पूरा करेंगी. निवासी पैदल चलकर 5 से 15 मिनट के भीतर अपनी निकटतम सुविधाओं तक पहुंच सकेंगे.

आधुनिक स्वास्थ्य सेवाएं

धारावी और अन्य MMR स्थानों में अत्याधुनिक अस्पताल नेटवर्क स्थापित किया जाएगा, जिसमें धारावी में पोलिक्लिनिक्स, प्राथमिक उपचार केंद्र और धारावी में नैदानिक सुविधाएं शामिल हैं. यह अंततः मध्य मुंबई में चिकित्सा बुनियादी ढांचे को मजबूत करेगा.

विविध मिश्रित उपयोग

वाले आस-पास के इलाके

यह योजना कॉम्पैक्ट, पैदल चलकर पहुंचने योग्य इलाकों में आवासीय, वाणिज्यिक और संस्थागत उपयोगों के मिश्रण को बढ़ावा देती है. यह मिश्रण अतिथि गतिशीलता का समर्थन करेगा और मौजूदा निवासियों के लिए समावेशी पुनर्विकास सुनिश्चित करेगा.

लीव एंड वर्क

मास्टर प्लान छोड़ों के लिए उपयुक्त और स्वच्छ स्थान सुनिश्चित करता है. नई अवसरचना इकाइयों को संरचनात्मक रूप से स्थिर बनाया जाएगा ताकि भारी औद्योगिक मशीनरी और उपकरणों को जहाँ भी आवश्यकता हो, रखा जा सके. इसके अलावा, पात्र औद्योगिक इकाइयों, सभी क्रियायदाओं और योग्य औद्योगिक और वाणिज्यिक इकाइयों को वाणिज्यिक स्थानों को फिर से देने का विकल्प दिया जाएगा, जिन्हें धारावी परियोजना का विकास करने वाली विशेष कंपनी नवभारत मेगा डेवलपर्स प्राइवेट लिमिटेड पुनर्वास समितियों के रखरखाव के लिए 10% आवश्यकता का हिस्सा बनाएगी. यह सुनिश्चित करता है कि धारावी की अनूठी 'लीव एंड वर्क' संस्कृति बनी रहे.

क्लस्टर विकास

प्रत्येक क्लस्टर में अलग-अलग जरूरतों और गतिविधियों को पूरा करने वाले कई स्तर पर सामाजिक स्थान होने चाहिए. पुनर्विकास योजना का मुख्य उद्देश्य आवागमन विकास क्लस्टर बनाना है जो सभी निवासियों, विशेष रूप से बच्चों की जरूरतों को प्राथमिकता देता है. गुणवत्तापूर्ण खेल सुविधाएं और खेल उपकरण उपलब्ध कराए जाएंगे, जो बच्चों के विकास और विकसित होने के लिए एक सुरक्षित और योग्य करने वाला वातावरण प्रदान करेंगे.

धारावी का विकास देगा मुंबई को नया स्वरूप

सभी निवासियों का बेहतर घर का सपना होगा साकार पहली बार मल्टी-मॉडल ट्रांजिट हब (MMTH)

"धारावी सिर्फ एक इलाका नहीं है बल्कि यह एक शक्तिशाली सूक्ष्म अर्थव्यवस्था का प्रतिनिधित्व करता है"

- देवेंद्र फडणवीस
मुख्यमंत्री, महाराष्ट्र

आमची मुंबई के विकास के लिए यह एक ऐतिहासिक पुनर्विकास है, जो कई दशकों के लंबे इंतजार के बाद अंततः साकार हो रहा है और प्रधानमंत्री नरेंद्र मोदी की 'सभी के लिए आवास' नीति इस संकल्पना के अनुरूप है। धारावी के पुनर्विकास के लिए राज्य सरकार द्वारा मास्टर प्लान को मंजूरी मिलने के साथ ही, 'एशिया की सबसे बड़ी झुग्गी' होने का बदनुमा दाग अब मुंबई के नक्शों से मिटने वाला है। धारावी को पूरी तरह से बदलने की दिशा में एक बड़ा कदम उठाते हुए, एक व्यापक मास्टरप्लान मुंबई के सबसे घनी आबादी वाले इलाके में एक नई जान फूंकने की कोशिश कर रहा है। प्रोजेक्ट से जुड़े सूत्रों के अनुसार, इस योजना का उद्देश्य सिर्फ नई बुनियादी ढांचे का निर्माण करना नहीं है, बल्कि एक हरित और रहने योग्य समुदाय

बनाना है। हालांकि धारावी पुनर्विकास परियोजना (DRP) मुख्य रूप से आवश्यक बुनियादी ढांचागत सुधारों पर केंद्रित है, लेकिन इस योजना में विशेष रूप से खुली जगहों को शामिल करने का प्रयास किया गया है, जिससे निवासियों को लंबे समय से झेलते आ रहे तंग और कठोर हालातों से राहत मिल सके। धारावी नॉटिफाइड एरिया (DNA) का नया मास्टरप्लान मौजूदा भीड़भाड़ वाले जाल को एक जीवंत, समावेशी और प्रकृति-समृद्ध शहरी वातावरण में बदलने की दिशा में है। यह पुनर्विकास योजना महाराष्ट्र नेचर पार्क से प्रेरणा लेती है, जो मिठी नदी के पास एक समृद्ध मानव निर्मित वन क्षेत्र है। उद्देश्य यह है कि प्रकृति को शहरी परिदृश्य में लाया जाए और एक स्वस्थ, टिकाऊ समुदाय का निर्माण किया जाए।

"धारावी का विकास सिर्फ एक सपना नहीं बल्कि एक सामाजिक वादा है"

-एकनाथ शिंदे,
उप मुख्यमंत्री, महाराष्ट्र

धारावी के मध्य में, मल्टी-मॉडल ट्रांजिट हब (MMTH) की योजना इस आधार पर बनाई गई है कि यह पहली सुविधा होगी जहाँ शहर की बसें और अन्य शहरी परिवहन, साथ ही अंतर-शहर, शहर के भीतर, उपनगरीय, मेट्रो, हाई-स्पीड और एयरपोर्ट एक्सप्रेस ट्रेन एक ही स्थान पर इस्तेमाल की जा सकेंगी। यह एकीकृत हब मेट्रो, रेल, बसों, फीडर सेवाओं और पैर-मोटर चालित परिवहन अवसरचना को जोड़ेगा, जिससे उत्तर-दक्षिण-पूर्व-पश्चिम दिशाओं में सभी साधनों में कुशल स्थानांतरण संभव होगा, जो लोग परामर्श में हैं, वे धारावी आ सकते हैं, दिन के अंत में मुंबई या नवी मुंबई से उड़ान के लिए अपने बैग चेक-इन कर सकते हैं और एयरपोर्ट में विभिन्न सुविधाओं में दिन

बिता सकते हैं, भूमिगत लिफ्टों, एस्केलेटर और सबवे के माध्यम से एयरपोर्ट एच निम्नलिखित सुविधाएं प्रदान करेगा:-

- 24x7 खुदरा सुविधाएं
- रेस्तरां, कैफे और शॉपिंग
- कार्यालय और होटल स्थान
- सेंट्रल एवेन्यू से कनेक्टिविटी

कांग्रेस ने निकाला मोर्चा, निकाली भड़ास कुर्ला मदर डेयरी की जमीन को लेकर मचा घमासान

■ मुंबई (सं). कुर्ला पूर्व की मदर डेयरी की जमीन अदाणी समूह को देने पर कांग्रेस पार्टी ने कड़ा एतराज जताया है. रविवार को कांग्रेस ने मोर्चा निकाला और अदाणी की जमकर खिलाफत की. पार्टी सांसद व मुंबई की अध्यक्ष वर्षा गायकवाड ने आरोप लगाया कि भाजपा सरकार के आशीर्वाद से मुंबई में अदाणी की महालुट चल रही है. इस मुद्दे को लेकर वर्षा गायकवाड के नेतृत्व में मुंबई कांग्रेस ने कुर्ला में विरोध प्रदर्शन किया. वर्षा ने कहा कि भाजपा सरकार ने स्थानीय लोगों के विरोध को नजरअंदाज कर मदर डेयरी की जमीन अदाणी समूह को दे दी है. लाखों धारावीकरों को उजाड़कर धारावी में 600 एकड़ जमीन पर कब्जा करने की साजिश रची गई. फिर इस परियोजना की आड़ में कुर्ला मदर डेयरी, मोठागर भूमि, देवनार, मध-अक्सा में मुंबईकरों की 541 एकड़ जमीन अदाणी ने मुफ्त में हासिल कर ली. स्थानीय लोगों को विश्वास में लिए बिना एयर इंडिया कॉलोनी, बांद्रा रिक्लेमेशन, बेहरामपाड़ा, मोतीलाल नगर में सरकारी जमीन हड़पने की साजिश रची गई है. यह मोर्चा कुर्ला पूर्व में अभ्यूद्य बैंक के पास निकाला गया.

वर्षा गायकवाड के इस दोहरे रवैये कि मैं कड़ी आलोचना करता हूँ. यह प्रोजेक्ट जब वे मंत्री थीं, तब ही तय किया गया था

और अब इसका वे विरोध कर रही हैं. वे धारावी से दो बार विधायक हैं. उनके पिताजी एकनाथ गायकवाड भी वहां से विधायक थे. उसके बावजूद इतने वर्षों में उन्होंने कुछ नहीं किया.

—मंगेश कुडात्कर, विधायक, शिवसेना शिंदे गट

कांग्रेस का विरोध जारी

■ मदर डेयरी की जगह पर हजारों बड़े पेड़ हैं जो सैकड़ों साल पुराने हैं. स्थानीय लोग की मांग है कि इस जगह पर वनस्पति उद्यान बनाया जाए. कांग्रेस लगातार इस मुद्दे पर विरोध कर रही है.

■ सांसद ने कहा यह सरेंडर सरकार है और जब डोनाल्ड ट्रंप बुलाते हैं तो नरेंद्र सरेंडर कर देते हैं और जब मोदी अदाणी को बुलाते हैं तो देवेन्द्र सरेंडर कर देते हैं.

■ विधानसभा चुनाव में घोटाला हुआ है, इसका जवाब चुनाव आयोग को देना होगा. राहुल गांधी ने चुनाव आयोग से सवाल पूछे हैं, तो मुख्यमंत्री देवेन्द्र फडणवीस जवाब क्यों दे रहे हैं?

मुंबई गिळंकृत करू पाहणाऱ्या अदानीला राज्य सरकारची मदत; खा. वर्षा गायकवाड यांचा घणाघाती आरोप

मुंबई - मुंबईतील कुर्ला मंदर डेअरीची मोठ्याची जागा धारावी पुनर्वसनासाठी अदानी समूहाला देण्याच्या विरोधात काँग्रेस खासदार वर्षा गायकवाड यांच्या नेतृत्वाखाली रविवारी (८ जून) कुर्ला परिसरात निषेध मार्चा काढण्यात आला. अभ्युदय बँक चौकापासून मंदर डेअरीच्या जागेपर्यंत या मोर्चाचे आयोजन करण्यात आले होते. मात्र, पोलिसांनी परवानगी नाकारल्यामुळे

मुख्य चौकातच निदर्शने करून हे आंदोलन आटोपते घेण्यात आले.

या आंदोलनात काँग्रेस खासदार वर्षा गायकवाड आणि आमदार ज्योती गायकवाड काँग्रेस कार्यकर्त्यांसह सहभागी झाल्या होत्या. मुंबई पोलिसांनी मुख्य चौकाच्या परिसरात बॅरिकेडिंग करून तो बंद केल्याने मोर्चा पुढे जाऊ शकला नाही. त्यामुळे आंदोलकांनी तिथेच बसून निदर्शने केली. मुंबई गिळंकु

त करू पाहणाऱ्या अदानीला सर्वत्र विरोध असतानाही राज्य सरकार सर्वतोपरी मदत करत असल्याचा आरोप यावेळी खासदार वर्षा गायकवाड यांनी केला. धारावीकरांचे पुनर्वसन आहे, त्याच ठिकाणी होणार आहे. मग मुंबईभर अदानीला जागा देण्याचे कारणच काय? असा सवाल करत वर्षा गायकवाड यांनी विरोध करणाऱ्या स्थानिकांच्या पाठीशी उभे राहू, असे म्हणत आंदोलनाचा इशारा

दिला आहे.

कुर्ल्यातील मंदर डेअरीची जागा धारावी पुनर्वसन प्रकल्पाच्या नावाखाली अदानी उद्योग समूहाला देण्याचा निर्णय राज्य मंत्रिमंडळाच्या बैठकीत घेण्यात आला आहे. कुर्ल्यातील जवळपास ८ हेक्टरची जागा धारावी पुनर्विकासाच्या नावाखाली अदानी समूहाला देण्यात येऊ नये, याकरिता सत्ताधारी शिवसेनेने शिंदे गटाचे स्थानिक आमदार मंगेश कुडाळकर,

काँग्रेसच्या विद्यमान खासदार वर्षा गायकवाड यांच्यासह स्थानिकांनी स्थापन केलेल्या समितीनेही अनेक आंदोलने केली होती. मानवी साखळ्यांद्वारे निषेधही दर्शवला होता. मात्र, या विरोधाला न जुमानता राज्यातील सत्ताधारी महायुती सरकारने मंदर डेअरीची जागा अदानी समूहाला देण्याचा निर्णय घेतला.

धारावी पुनर्विकास प्रकल्पात धारावीकरांचे स्थलांतर करणे क्रमप्राप्त होते. त्यादृष्टीने

मुंबईतील मुलुंड, देवनारप्रमाणेच कुर्ला येथील मंदर डेअरीची जागाही महत्वाची मानली जात होती. ही जागा आपल्याला या प्रकल्पात दिली जावी, अशी मागणी अदानी समूहाकडून करण्यात आली होती. ही मागणी राज्य सरकारने मान्य केली आहे. धारावीतील नागरिकांच्या स्थलांतरासाठी मंदर डेअरी, देवनार डॅम्पिंग ग्राऊंड, मालाडसह मुलुंडमधील भूखंडाची मागणी करण्यात आली आहे.

મુંબઈ, તા. ૮
મુંબઈના દેવનાર ડમ્પિંગ ગ્રાઉન્ડમાં ટોક્સિકોલોજી ઈન્ડિકેટર્સનું લેવલ કેન્દ્રના પ્રદુષણ નિયંત્રણ બોર્ડ (સીપીસીબી) દ્વારા નિર્ધારિત મર્યાદા (પરમિસિબલ લિમિટ્સ) કરતા ચાર ગણા હોવાનું ખુદ મુંબઈ મહાપાલિકા દ્વારા શરૂ કરાયેલા અભ્યાસમાં જાણવા મળ્યું છે.

દેવનાર ડમ્પિંગ ગ્રાઉન્ડને સાફ કરી ત્યાં ધારાવીનાં સ્લમ રેડેવલપમેન્ટ પ્રોજેક્ટને કારણે વિસ્થાપિત થનારા રહેવાસીઓનું પુનર્વસન કરવાની યોજના ઘડાઈ રહી છે. ત્યારે બીએમસીના અભ્યાસનો આવો ચૌકાવનારો રિપોર્ટ આવ્યો છે.

મુંબઈના પૂર્વી ઉપનગરમાં આવેલું ૩૨૬ એકરમાં ફેલાયેલ દેવનાર ડમ્પિંગ ગ્રાઉન્ડ ભારતનું સૌથી જુનું અને સૌથી મોટું ડમ્પિંગ ગ્રાઉન્ડ છે. અહીં ૧૨ માળની ઈમારત જેટલો ૩૫ થી ૪૦ મિટર ઉંચો કચડાનો ડુંગર ખડકાયો છે.

એમાં ૧.૮૫ મેટ્રિક ટન કચરા ધરાયાેલો પડ્યો છે.

અસંખ્ય રિપોર્ટમાં એવો નિર્દેશ કરાયો છે કે ડમ્પિંગ ગ્રાઉન્ડ આસપાસની માનવ વસાહતો પર ટોક્સિક (ઝેર) ગેસો અને મરક્યુરી (પારા)નું ગંભીર જોખમ તોળાય છે.

મહાપાલિકા દ્વારા શરૂ કરાયેલા દેવનારના વેસ્ટ ક્રેક્ટરરાઈઝેશન (કચરાના ગુણધર્મ)ના વૈજ્ઞાનિક અભ્યાસમાં બાયોકેમિકલ ઓક્સિજન ડિમાંડ કેમીકલ ઓક્સિજન ડિમાંડ અને વેસ્ટમાં સોલિડિટીસ (ઘનકચરા)ના વિસર્જનનું એનાલિસીસ કરાયું હતું. પર્યાવરણમાં ટોક્સિકોલોજી (વિષ)ના ત્રણેય ચાવીરૂપ ઈન્ડિકેટર્સ દેવનાર ડમ્પિંગ ગ્રાઉન્ડ આસપાસના હવામાનમાં ટોક્સિન્સ (ઝેરી તત્ત્વો)નું પ્રમાણ ભયજનક રીતે વધ્યું હોવાનો નિર્દેશ કરે છે. બીએમસીએ ૨૦૨૩માં શરૂ કરેલા આ અભ્યાસનું કામ નીટલ ઈન્ડિયા લિમિટેડને સોંપાયું હતું. મહાપાલિકાએ

૩ વરસમાં ડમ્પિંગ ગ્રાઉન્ડની સાઈટ આસપાસના પર્યાવરણને ઝેરી તત્ત્વોથી મુક્ત કરવા રૂ. ૨૩૬૮ કરોડનું ટેન્ડર બહાર પાડ્યા બાદ મે મહીનામાં ઉક્ત અભ્યાસનો રિપોર્ટ બહાર પાડ્યો હતો. ૨૩મી જુન સુધીમાં આ કામ માટેનો કોન્ટ્રાક્ટ આપી દેવાશે.

અત્રે નોંધવું ઘટે કે સ્પેશ્યલ પર્યાવરણ વેલિકલ મારફત ધારાવી સ્લમ પુનર્વસન પ્રોજેક્ટ હાથ ધરાયો છે. જેમાં અદાણી ગ્રુપનો ૮૦ ટકા અને રાજ્ય સરકારનો ૨૦ ટકા હિસ્સો છે. આ પ્રોજેક્ટ પુરો થતા દાયકાઓ લાગી શકે છે. પ્રોજેક્ટ પુરો ન થાય ત્યાં સુધી મહારાષ્ટ્ર સરકારે ધારાવીના રહીશોને શહેરમાં વિવિધ સ્થળોએ વસાવવાનો નિર્ણય કર્યો છે. જ્યારે ધારાવીમાં નવા ઘરો મેળવવા અપાત્ર ઠરાવાયેલા રહેવાસીઓના એક મોટા વર્ગને ૧૨ કિમી દૂર આવેલા દેવનાર ડમ્પિંગ ગ્રાઉન્ડમાં કાયમ માટે શિફ્ટ કરી દેવાશે.

मुंबईकरांच्या हक्काच्या जमिनींची अदानीकडून लूट

कुर्ला मंदर
डेअरीची
जमीन देण्याविरोधात
काँग्रेसचे आंदोलन

मुंबई, दि. ८ (प्रतिनिधी) - धारावी पुनर्विकास प्रकल्पाच्या नावाखाली राज्य सरकारने मंदर डेअरीची २१ एकरची जमीन अदानी समूहाला दिली. डेअरीची जमीन मुंबई आणि मुंबईकरांसाठी पर्यावरणदृष्ट्या संवेदनशील असूनही केवळ अदानीसाठी ती हस्तांतरित करण्यात आली आहे. केंद्र आणि राज्य सरकारच्या मदतीने मुंबईकरांच्या हक्काच्या जमिनी लुटण्याचा भस्म्या रोग अदानीला झाला आहे. मात्र, ही जागा अदानीच्या घशात घालण्याऐवजी इथे वनस्पती उद्यान उभारा, स्थानिकांसाठी सोयीसुविधा उभारा, अशी मागणी करत आज कुर्ला येथे मुंबई काँग्रेस अध्यक्ष खासदार वर्षा गायकवाड यांच्या नेतृत्वाखाली जोरदार आंदोलन करण्यात आले.

कुर्लातील मंदर डेअरीची २१ एकर जागा अदानीला धारावी पुनर्वसन प्रकल्पासाठी देण्याविरोधात

कुर्लावासीयांनी खासदार वर्षा गायकवाड यांच्या नेतृत्वाखाली आंदोलन केले. यावेळी मोठा पोलीस बंदोबस्त ठेवण्यात आला होता. वर्षा गायकवाड म्हणाल्या, मोदानी अँड कंपनी लोकांचे हक्क हिरावून घेत आहे, मुंबईकरांच्या हक्काच्या जागा बळकावल्या जात आहेत. मात्र, ही लूट करणा-या चोरांनाच सरकार सुरक्षा देत आहे. मात्र, आम्ही मुंबईच्या हक्कासाठी, मुंबईकरांच्या

भविष्यासाठी या अदानी सरकारविरुद्ध लढत राहू, असा निर्धार त्यांनी व्यक्त केला. यावेळी आमदार ज्योती गायकवाड, सुभाष भालेराव, सुरेशचंद्र राजहंस, महेंद्र मुणगेकर, संदीप शुक्ला, अवनीश सिंह, कचरू यादव, माजी नगरसेवक अशरफ आझमी, वंदना साबळे, अजंता यादव, इंदूप्रकाश तिवारी, राजेश इंगळे यांच्यासह पदाधिकारी, कार्यकर्ते, रहिवासी उपस्थित होते.

कोट्यवधीची जमीन अदानीला कवडीमोलाने

कुर्ला मंदर डेअरीच्या जागेचे बाजारमूल्य शेकडो कोटी रुपयांत आहे, मात्र भाजपने ही जमीन अदानीला कवडीमोलाने दिली आहे. मुंबईत भाजप सरकारच्या आशीर्वादने अदानीची महालूट सुरू आहे. ही लुटालूट थांबता थांबत नाही. त्यासाठी आता धारावीसह मुंबईकरांनी रस्त्यावर उतरण्याची वेळ आली आहे, असे आवाहनही त्यांनी केले.

कांग्रेस ने धारावी पुनर्विकास परियोजना के लिए मदर डेरी की भूमि आवंटित करने के खिलाफ प्रदर्शन किया

मुंबई, (भाषा)। कांग्रेस ने रविवार को महाराष्ट्र सरकार के उस फैसले के खिलाफ प्रदर्शन किया, जिसमें धारावी पुनर्विकास परियोजना के तहत विस्थापित होने वाले अपात्र झुग्गीवासियों के पुनर्वास के लिए कुर्ला स्थित मदर डेरी की जमीन आवंटित की गई है।

कांग्रेस की मुंबई इकाई की अध्यक्ष वर्षा गायकवाड़ के नेतृत्व में यह प्रदर्शन किया गया। उन्होंने राज्य सरकार पर निशाना साधते हुए कहा कि स्थानीय लोगों के विरोध को नजरअंदाज कर यह फैसला लिया गया है। गायकवाड़ ने आरोप लगाया, इस जमीन का बाजार मूल्य सैकड़ों करोड़ रुपये में है, लेकिन इसे अडाणी को मामूली कीमत पर सौंपा जा रहा है।

राज्य मंत्रिमंडल ने हाल ही में कुर्ला इलाके में मदर डेरी की 8.5 हेक्टेयर जमीन को लेकर पुनर्निर्धारित शर्तों को मंजूरी दी है। इस जमीन का उपयोग धारावी

पुनर्विकास परियोजना के तहत अपात्र झुग्गीवासियों के पुनर्वास के लिए किया जाना है। सरकार के अनुसार, धारावी परियोजना के तहत 8.5 लाख परिवारों को पुनर्वासित किया जाना है, जिनमें से पांच लाख परिवारों को धारावी में ही बसाया जाएगा। बाकी 3.5 लाख परिवारों के पुनर्वास के लिए अन्य स्थानों का चयन किया गया है, जिनमें कुर्ला की यह जमीन भी शामिल है। गायकवाड़ ने आरोप लगाया, अडाणी को मुंबई की हर जमीन पर कब्जा करने का लालच है और भाजपा सरकार स्थानीय लोगों के विरोध की अनदेखी करते हुए उसे जमीन सौंप रही है। पर्यावरणीय दृष्टि से संवेदनशील मानी जाने वाली कुर्ला डेरी की जमीन भी सिर्फ अडाणी के अनुरोध पर स्थानांतरित की गई है। उन्होंने कहा कि व्यापक जनविरोध के बावजूद राज्य मंत्रिमंडल ने यह निर्णय लिया।

लोकसत्ता विशेष प्रतिनिधी

मुंबई : ‘अदानी कंपनी’ला संपूर्ण मुंबई गिळायची आहे असून स्थानिकांचा विरोध डावलून महायुती सरकार जमिनी देत सुटले आहे. कुर्ला मदर डेअरीची जमीन पर्यावरणदृष्ट्या संवेदनशील असून तेथे उद्यान करण्यात यावे, अशी मागणी काँग्रेसच्या मुंबई अध्यक्ष व खासदार वर्षा गायकवाड यांनी केली.

मदर डेअरी जमिनीबाबतच्या निर्णयाविरोधात काँग्रेसचा मोर्चा

लोकमत न्यूज नेटवर्क

मुंबई : मदर डेअरीमध्ये हजारोहून अधिक झाडे असून त्यातील काही शंभर ते दीडशे वर्षे जुनी आहेत. त्या झाडांची कत्तल सुरू असून यामुळे मुंबईच्या पर्यावरणाचा समतोल बिघडत आहे. या पार्श्वभूमीवर ही जमीन अदानीला देऊ नये, या मागणीसाठी मुंबई काँग्रेसतर्फे रविवारी नेहरूनगर ते कुर्ला मदर डेअरीपर्यंत जनआक्रोश मोर्चा काढण्यात आला. मोर्चामध्ये सर्वसामान्यांनी मोठ्या संख्येने सहभाग घेतला.

यावेळी मुंबई काँग्रेस अध्यक्षा खा. वर्षा गायकवाड यांनी सांगितले की, अदानी हे राज्य सरकारचे 'आका' आहेत. हे सरकार पोलिस यंत्रणेचा वापर करून जनतेचा आवाज दाबण्याचा प्रयत्न करते.

आवाज दडपण्याचा प्रयत्न!

जमीन लुटीविरोधात आम्ही लोकशाही मागने शांततेत निदर्शने करत आहोत. मात्र, लोकांचा आवाज दडपण्यासाठी येथे पोलिसांचा मोठा फौजफाटा पाठवून आमचं शांततापूर्ण आंदोलन रोखण्यात आलं आहे, पण आम्ही डगमगणार नाही, असेही त्या म्हणाल्या

मुंबईच्या हक्कासाठी, मुंबईकरांच्या भविष्यासाठी या 'अदानी' सरकारविरुद्ध लढत राहू, असा निर्धारही त्यांनी व्यक्त केला. या निर्णयानंतर पर्यावरणाचा न्हास होणार आहे, याबाबत कोणताही अभ्यास करण्यात आलेला नाही. यामुळे फक्त कुर्ल्यातीलच नाही तर संपूर्ण मुंबईचे नुकसान होणार आहे, असे मत खा. गायकवाड यांनी व्यक्त केले.

कुर्ला मदर डेअरीचा भूखंड अदानीला देण्याच्या राज्य सरकारच्या निर्णयाविरोधात मुंबई काँग्रेस अध्यक्षा खासदार प्रा. वर्षा एकनाथ गायकवाड यांच्या नेतृत्वाखाली रविवारी जन आक्रोश आंदोलन करण्यात आले.
