Walk to work in a slum-free megacity

RAGHAVENDRA KAMATH
Mumbai, June 10

A SMELL OF decay and waste hangs heavy as you approach Dharavi's 90-foot main road. That's only to be expected in the world's largest slum with more than half a million people per square km. So when SVR Srinivas, chief executive officer at the Dharavi Redevelopment Project, describes the world's largest urban rejuvenation project as a big step towards making Mumbai "slum-free", it sounds dramatic—even unbelievable.

But as head of the ₹3-lakh-crore redevelopment project, Srinivas has the air of a man who knows what he is talking about. The plans are grand. "The whole concept is "walk to work," Srinivas says.

The master plan for Dharavi proposes roads width of 9 metre to 36 metre, each serving a specific purpose. A dense road network inside Dharavi will ensure that residents can commute with the arterial routes without having to come on the main road. "Dharavi's streets will be wide and interlinked every 125 metres," he adds.

People in Dharavi can access all amenities such as central park, riverside promenade, business hubs

and so on within 15 minutes of commuting.

A third of the massive corpus will go into infrastructure and rehabilitation and home to home internal

sewage lines will be drawn by Navbharat Mega Developers, the joint venture between the Maharashtra government and Adani Group, while the major sewage lines will be drawn by the Municipal Corporation of Greater Mumbai.

There are also plans to have a one-time corpus fund of ₹40,000 per tenement which will be later transferred to the buildings for the maintenance.

EACH PROPERTY ALSO has 10% commercial built-up area whose rent will be shared with the buildings for the same purpose.

The interior roads will be built by the SPV which will be later transferred to the MCGM, added Srinivas.

The SPV will create an eco-system for 19,000 business units in Dharavi including leather, pottery and food items that will get exported, Srinivas said. The units will be encouraged to use pollution-free technology to keep the nearby Mithi river and the entire area

less polluted. The carrot: these units will get a five-year tax holiday.

Developers such as Niranjan Hiranandani, managing director of Hiranandani group, are encouraged by the fact the commuting from Dharavi should be smoother compared to the Bandra Kurla Complex due to connectivity from all sides.

Dharavi is surrounded by all the three main routes – the central, western and harbour lines. In addition, the metro is also near and it has two bus depots.

Srinivas said they have also requested the Mumbai Metro Rail Corporation (MMRC) to extend line 11 from Wadala to Dharavi. The line currently runs from Wadala to CSTM. If this happens, passengers can go to Thane comfortably.

Business district for everyone:

Maharashtra chief minister Devendra Fadnavis said both rehabilitees and those who bought properties in Dharavi will get access to open spaces such as the central park, promenade and other amenities unlike the normal slum rede-

velopment projects where rehabilitees are kept separately.

While those are eligible will stay in the area till new houses are built, those who are ineligible will get rental accommodation in different places of Mumbai with an option to buy the apartments later.

What would be interesting to see is the impact of the redevelopment programme on the Mumbai's skyrocketing property prices – one of the most expensive in the world. Srinivas believes that there will be some sobering effect.

‘More AC trains in Mumbai without increase in fares’

Mumbai: More AC trains will be introduced on Mumbai's suburban railway network without increasing fares, said CM Devendra Fadnavis in the aftermath of the CR accident in Mumbai. At a presser on Tuesday Fadnavis said he had a 45-minute interaction with Union railway minister Ashwini Vaishnaw on the need to further improve the suburban train system. Admitting there is a load on the suburban network, Fadnavis said, "This is going to be there till all metro lines are completed."

He said in 11 years, the Modi govt has invested in a big way in railway infrastructure, whether it is passenger amenities, new signaling systems, widening of platforms or laying railway lines. However, it is true that during peak hours, carrying capacity is inadequate and needs to be further strengthened, he said. "Our railway minister has said existing trains will be retrofitted so doors close, as such instances are more because doors do not close. Yesterday's accident was unfortunate. The railway minister told me additional trains will be introduced on suburban routes with more AC trains. If automatic doors are installed (in non-AC trains), govt will take care of ventilation. AC trains will be introduced without increasing fares," he said.

ON BMC ELECTIONS

Fadnavis said, "Who will form an alliance with whom, one cannot tell now. One thing is clear: Mumbaiers will stand with Mahayuti, and it will win BMC elections. Mumbai's mayor will be from Mahayuti."

ON BEST

The CM said, "Under no circumstances will BEST be shut. We will strengthen it. BEST has

placed an order for 5,000 new buses. Once these are delivered, BEST will function more efficiently. We have drafted the UMTA (Unified Metropolitan Transport Authority) law, whereby we will bring all public transport under one umbrella. Today we launched the common card, and the trial is on, which is successful. If BEST is not strengthened, neither the metros nor suburban railway can work efficiently."

ON ENDING NAXALISM

"Highly effective work has been done under the Modi govt on ending the Naxal movement. Union home minister Amit Shah has promised to end Naxalism by March 2026. Active Naxalism will be ended. In 10 years, good work has been done in Maharashtra against Naxals and Maoists, but five years of Congress govt in Chhattisgarh led to an increase in Naxal recruits. Since BJP govt was formed in Chhattisgarh, both govt are working jointly against Naxalism," he said.

ON DHARAVI

Fadnavis said the people of Dharavi support the redevelopment project and have even taken out a morcha in support of the project. "Merely because four Congress leaders take out a morcha does not mean people are opposed to it. This is the country's biggest urban transformation project. All eligible residents will get a house in Dharavi, and all eligible business establishments will be rehabilitated in Dharavi. Those ineligible will also get housing. No one will be left out. In fact, 8-10 lakh people will get housing. It is the world's biggest urban transformation project. Some do not want the poor to be pulled out of poverty. Congress has been doing this kind of politics," he said.

No one from Dharavi will be displaced unfairly, says Shinde

Mumbai: A day after Sena (UBT) MLA Aaditya Thackeray said his party would not let the Dharavi redevelopment project take off unless all residents get 500sqft homes for free within the area, deputy CM Ekanth Shinde on Tuesday said no one will be displa-

ced unfairly. "Those who kept people in slums for decades now live in bungalows and are opposing development," he said.

He praised PM Narendra Modi for his visionary leadership, saying India is on the verge of becoming an economic superpower. TNN

SLUM DWELLERS'
CONSENT NOT
NEEDED FOR 64
PROJECTS: BMC

Sabah Virani

sabah.virani@hindustantimes.com

MUMBAI: Following the Dharavi model, the BMC has announced that the consent of slum dwellers will not be needed for the redevelopment of 64 slum plots on BMC land. Effectively, this smoothes the road for developers interested in redeveloping the slum pockets after the Maharashtra government in March handed over the responsibility of their development to the civic body.

As per old surveys done by the BMC, this redevelopment will affect at least 40,000 homes.

The majority of the 64 plots lie in the western and eastern suburbs, with most falling in Govandi followed by Malad East. →P4

BMC: No need of slum dwellers' consent for redvpt on our land

The plots are for 64 redevelopment projects and occupy over 400,000 sq mts of slum land

Sabah Virani

sabah.virani@hindustantimes.com

MUMBAI: Following the Dharavi model, the BMC has announced that the consent of slum dwellers will not be needed for the redevelopment of 64 slum plots on BMC land. Effectively, this smoothes the road for developers interested in redeveloping the slum pockets after the Maharashtra government in March handed over the responsibility of their development to the civic body.

The projects will unfold as per the usual model established by the Slum Rehabilitation Authority (SRA), under the provisions of 33(10) of the Development Control and Promotion Regulation (DCPR), 2034, except with the BMC as the implementing authority, said an official from the BMC's estate department. The cut-off date for eligibility and home sizes offered to eligible dwellers will also be as per SRA rules. On May 10, BMC opened the gates for developers to express their interest in developing the plots.

The majority of the 64 plots lie in the western and eastern suburbs, with most falling in Govandi followed by Malad East. In total, the BMC is seeking to develop around 400,000 square metres of slum land in the city.

On Tuesday, the civic body released a supplementary document and also extended the date for developers to submit bids till June 25. The bids will be opened on that very day, and technical scrutiny will begin.

The BMC made the lack of consent clear in response to clarifications raised in pre-bid

No voice for slum dwellers

- In March, the Maharashtra government handed over the responsibility of redeveloping 64 slum plots to the BMC.

- The BMC responded by floating an Expression of Interest in May, calling developers to bid for the redevelopment of these plots.

- While the BMC will be the special planning authority (SPA) implementing the projects, the redevelopment will be done as per the SRA model, following the provisions of Regulation 33(10) of the DCPR.

- The authorities have previously forgone consent of the slum dwellers in the Dharavi Redevelopment Project and in the redevelopment of Kamraj Nagar and Ambedkar Nagar in Ghatkopar due to the exception for slum redevelopment undertaken by public authorities as stated in Regulation 33(10), VI-1.15 of the DCPR 2034.

consultations by interested developers, saying, "As the BMC is the landowner, slum dweller consent is not required for redevelopment as per the provisions of Regulation 33(10), VI-1.15 of DCPR 2034." Slum redevelopment projects typically require a majority consent from residents, but the DCPR makes an exception to the rule.

"While there is the question of carrying out slum redevelopment in a democratic manner, there is no doubt here that the BMC has administrative authority over municipal land and is empowered to initiate action for the removal of unauthorised structures and the eviction of their occupants, following due

THE BMC HAS SET JUNE 25 AS THE DATE TO SUBMIT BIDS FOR DEVELOPERS WHO WILL ALSO HAVE TO COMMUNICATE AND SURVEY THE RESIDENTS

process," explained Dhaval Parsana, principal architect at Project Maitree, which works in the field of redevelopment. "In this way, at least the eligible slum dwellers are promised housing. Redevelopment may

happen at a quicker pace than the prevailing practice, as there will be little scope of LOI (letter of intent) issues on the basis of their consent forms being traded from one developer to another for years on end, often jeopardising their chances of a home."

When asked if this was a way to lead to the promised slum-free Mumbai, Parsana did not hold his breath. "A slum-free city is a distant dream that will take a long time to reach," he said. "To eradicate slums, Mumbai needs an affordable rental market that provides an alternative to people coming into the city. It is likely that those deemed ineligible in these slum

redevelopment projects will revert to slum homes in other areas if left with no affordable alternative."

Govandi, the area with the most slums in the city and the one that stands to be affected the most, has its roots in forceful evictions conducted when the suburbs of Bandra, Juhu and Andheri had begun being developed.

"This is a classic case of exclusion. You cannot make decisions affecting thousands of families on public land without consulting them. It's against the principles of democracy and natural justice," said a vehement Faiyaz Alam, president of the Govandi-based NGO New Sangam Welfare Forum, who shot off a letter to the Maharashtra CM, BMC and other authorities. "No community consultations, surveys or official notices have been issued to inform or involve residents in the decision-making process. The people are not going to be against redevelopment as it will only improve their area, but the process needs to be transparent so that they have the space and time to raise their concerns beforehand. The decisions cannot be made between the builder and BMC alone when it is the residents that stand to be affected."

Parsana questioned what the BMC was offering in these projects to make it lucrative for developers to undertake the whole exercise: from surveying the site, communicating with the slum dwellers, preparing the annexures, providing them with rehabilitation homes, and providing additional housing to the BMC to get the edge over other developers.

After the developers are chosen, they will have to communicate with the residents on the project plan and survey them to create an annexure of eligible residents. The civic body has said it will assist in carrying out any necessary evictions.

धारावी प्रकल्पाला दिलेल्या जमिनींवरील ४५ कोटींचा मुद्रांक शुल्क होणार माफ

मुंबई : राजन शेलार

धारावी पुनर्विकास प्रकल्पात अपात्र ठरणाऱ्या कुटुंबांची खानगी भाड्याच्या घरात करण्यासाठी राज्य सरकारने धारावी पुनर्विकास प्राधिकरणाला विविध ठिकाणी ५४१.२ एकर जमीन भाडेपट्ट्याने दिली असून, या जमिनींचा प्राधिकरणासोबत लवकरच करार केला जाणार आहे आणि त्यासाठी ४५ कोटींचा मुद्रांक शुल्क माफ केला जाणार आहे.

या प्रस्तावावर लवकरच मंत्रिमंडळाच्या बैठकीत शिक्कामोर्तब केले जाणार असल्याचे समजते. धारावी पुनर्विकासात पात्र आणि अपात्र झोपडपट्टीधारकांची संख्या अद्याप निश्चित झालेली नसताना धारावी पुनर्विकास प्राधिकरणाला आतापर्यंत कुर्ला मंदर डेअरीची २१ एकर, देवनार डम्पिंगची १२४.३ एकर, बोरिवली तालुक्यातील आक्सा व मालवणी येथील १४० एकर याचबरोबर मुलुंड येथे ५८.५ एकर, मौजे कांजूर येथे १२०.५ एकर व भांडूप येथील ७६.९ एकर या पूर्व उपनगरातील मिठागराच्या जमिनी भाडेपट्ट्याने देण्यात

धारावीकर पुनर्विकास प्रकल्पाच्या बाजूने : मुख्यमंत्री

● काँग्रेसचे चार लोक धारावी पुनर्वसन प्रकल्पाला विरोध करत आहेत म्हणून जनता या प्रकल्पाच्या विरोधात नाही. जनता या प्रकल्पाच्या सोबत आहे, प्रकल्पाला पाठिंबा देण्यासाठी तेथील जनतेने मोर्चाही काढला होता, असे मुख्यमंत्री देवेंद्र फडणवीस यांनी मंगळवारी पत्रकार परिषदेत सांगितले. नियमानुसार धारावीत राहणाऱ्या सर्वांना धारावीतच घरे मिळतील. त्यांचा व्यवसायही तिथेच धाटला जाईल. जे यादीच्या बाहेर आहेत मात्र धारावीत राहतात त्यांनाही घरे दिले जातील. जवळपास ८ ते १० लाख लोकांना घर देण्याचा हा प्रकल्प जगातील सर्वात मोठा नागरी पुनर्विकासाचा प्रकल्प आहे. काही लोकांना गरिबांचा विकास व्हावा असे वाटतच नाही. पन्नास वर्षे काँग्रेसने हेच राजकारण करत गरिबांना बेघर ठेवले, असा टोला फडणवीसांनी लगावला.

आल्या आहेत. या जमिनीवर आता धारावीच्या अपात्र झोपडपट्टीधारकांसाठी उभारण्यात येणाऱ्या घरांना देण्यात आलेल्या जमिनींच्या भाडेपट्ट्यावरील मुद्रांक शुल्क माफ करण्यात येणार आहे.

असे आहे सूत्र...

धारावीच्या पुनर्वसनासाठी दिलेल्या ५४१.२ एकर जमिनीची बाजारभावाप्रमाणे एक हजार कोटी रुपये किंमत होईल, असा अंदाज मांडण्यात आला आहे. ही जमीन विकली गेली असती तर ५ टक्के मुद्रांक शुल्क

आकारले गेले असते. ती रक्कम ५० कोटी पर्यंत गेली असती. परंतु, ही जागा भाडेपट्ट्याने दिली जाणार असल्याने ५० कोटीच्या १० टक्केप्रमाणे मुद्रांक शुल्क आकारले जाईल. ती रक्कम ४५ कोटीपर्यंत पोहोचते. मुद्रांक शुल्काची ही रक्कम माफ करण्याचा प्रस्ताव महसूल विभागाकडून तयार करण्यात आला आहे. मात्र, मुद्रांक शुल्क माफ केले तरी नोंदणीची रक्कम व एक टक्का मेट्रोचा सेस भरावा लागणार आहे, अशी माहिती वरिष्ठ अधिकाऱ्याने दिली.

धारावी मास्टरप्लान टप्प्याटप्प्याने राबवला जाईल – श्रीनिवास

मुंबई : धारावी पुनर्विकास प्रकल्पाला शासनाने घालून दिलेल्या ठोस धोरणात्मक चौकटी आणि नियमांचे पाठबळ आहे. मास्टरप्लान २०१६ च्या विकास आराखड्यावर आधारित आहे. हा मास्टरप्लान आधीच मंजूर झालेल्या निर्णयांशी मोठ्या प्रमाणात सुसंगत आहे. धारावी मास्टरप्लान टप्प्याटप्प्याने राबविला जाईल. अंमलबजावणीदरम्यान जर एखादा मोठा बदल झाला, जो उल्लेख केलेला नाही किंवा जो विकास आराखड्याच्या विरुद्ध असेल, तरच सूचना आणि हरकतीची प्रक्रिया आवश्यक असेल. सर्व प्रमुख भागधारकांना, स्थानिक लोकसंख्या आणि सरकारला सहभागी करून प्रकल्प राबविला जाईल, असे धारावी पुनर्विकास प्रकल्प (डीआरपी) चे सीईओ

एसव्हीआर श्रीनिवास यांनी स्पष्ट केले. कोणीही बेघर होणार नाही, कारण प्रत्येक धारावीकराला घर दिले जाईल. या प्रकल्पाचे उद्दिष्ट सर्वांसाठी घरे उपलब्ध करून देणे आहे. इतर सर्व आधुनिक गृहनिर्माण संस्थांप्रमाणे, यामध्येही बहुस्तरीय तळघर पार्किंग असेल. पोटियमच्या मजल्यावर व्यवसाय आणि व्यावसायिक युनिट्स असतील. लोक वरच्या मजल्यावर राहतील आणि खालच्या मजल्यावर त्यांचे व्यवसाय चालवतील. म्हणून, आम्ही रहिवाशांचे व्यवसाय परिसंस्था शक्य तितके राखण्याचा प्रयत्न केला आहे. माटुंगा रेल्वे जमिनीवर बांधकाम आधीच सुरू झाले आहे आणि रेल्वे अधिकाऱ्यांनी योग्य पुनर्वसन केल्यानंतर, तेथील इमारतीत पुन्हा एकदा धारावीकरांना घरे उपलब्ध करून देतील. आम्हाला आशा आहे की, पुढील दोन ते तीन वर्षांत रेल्वे इमारती पूर्ण होतील. बरीच बांधकामे आणि विकासकामे समांतरपणे सुरू होतील. हा प्रकल्प भारतातील सर्वात गुंतागुंतीच्या ब्राऊनफिल्ड प्रकल्पांपैकी एक आहे आणि येत्या काही महिन्यांत हा प्रकल्प गती घेईल, असा विश्वास श्रीनिवास यांनी व्यक्त केला.

धारावीतील सर्व नागरिकांना पात्र करा - आदित्य ठाकरे

। मुंबई : धारावी झोपडपट्टी पुनर्वसन प्रकल्पात सर्व नागरिकांना पात्र करा; अन्यथा पाऊल ठेवू देणार नाही, असा इशारा शिवसेना (ठाकरे) नेते, युवासेनाप्रमुख आदित्य ठाकरे यांनी दिला. मुलुंड येथील कालिदास नाट्यगृहात घेतलेल्या मेळाव्यात ते बोलत होते.

...तर त्यांना धारावीत पाऊल ठेवू देणार नाही : आदित्य ठाकरे

लोकमत न्यूज नेटवर्क

मुंबई : धारावीतील सर्व नागरिकांना पात्र केले नाही तर लोकप्रतिनिधींसह अधिकाऱ्यांना धारावीत पाऊल ठेवू देणार नाही, असा इशारा युवासेना प्रमुख आदित्य ठाकरे यांनी दिला. ते धारावी पुनर्विकासाबाबत मुलुंडमधील कालिदास सभागृहात पार पडलेल्या सभेत बोलत होते.

कालिदास सभागृहात सोमवारी 'लढा आपल्या मुंबईचा' या अंतर्गत ही सभा आयोजित करण्यात आली होती. या सभेला उद्देशून आदित्य ठाकरे बोलत होते. ते म्हणाले, मुंबई आपली आहे आणि आपलीच राहिली पाहिजे. अनेक उद्योगपती मुंबईत आले आणि त्यांनी मुंबईला आपले मानले. तुम्हाला मुंबईत यायचे असेल तर तिचा आदर करा, असे ते यावेळी म्हणाले.

धारावीचा विकास म्हणजे मालकाचा विकास आहे. मुंबईत एक धारावी होती, त्याची अनेक धारावी करण्याचा प्रयत्न या सरकारचा आहे. ते वेगवेगळ्या ठिकाणी धारावीतील लोकांचे पुनर्वसन करणार आहेत, असेही ते म्हणाले.

ધારાવી માસ્ટર પ્લાનનું તબક્કાવાર અમલીકરણ કરાશે: DRP CEO

નીતિ માળખું અને નિયમોને આધારે આગળ ધપાવવામાં આવી રહ્યો છે

ભાસ્કર વ્યૂઝ | મુંબઈ

ધારાવી પુનર્વિકાસ પ્રોજેક્ટ (DRP) ના CEO એસ.વી. આર. શ્રીનિવાસે સ્પષ્ટ જણાવ્યું છે કે પુનર્વિકાસ યોજનાને સરકારી ઠરાવોમાં ઉલ્લેખિત નીતિ માળખું અને નિયમોના આધારે આગળ ધપાવવામાં આવી રહી છે.

DRPના CEOએ જણાવ્યું કે, “માસ્ટર પ્લાન ૨૦૧૬ના ડેવલપમેન્ટ પ્લાન પર આધારિત છે અને મોટે ભાગે તે પહેલેથી મંજૂર થયેલા ધોરણો સાથે સુસંગત છે.” ધારાવી માસ્ટર પ્લાન તબક્કાવાર અમલમાં મૂકવામાં આવશે. જો અમલીકરણ દરમિયાન કોઈ મોટા ફેરફારો થાય, જેનો ઉલ્લેખ ન થયેલો હોય અથવા વિકાસ યોજનાનું ઉલ્લંઘન ન થાય, તો જ

સૂચનો અને વાંધાઓ મગાવવાની પ્રક્રિયા કરવી જરૂરી રહેશે.”

તેમણે ઉમેર્યું કે ‘આ પ્રોજેક્ટ તમામ મુખ્ય હિતધારકો, એટલે કે સૌથી અગત્યના સ્થાનિક રહેવાસીઓ અને સરકારને સામેલ કરીને અમલમાં મૂકવામાં આવશે.” શ્રીનિવાસે ખાતરી આપી હતી કે કોઈ વિસ્થાપન થશે નહીં કારણ કે દરેક ધારાવીકરને ઘર આપવામાં આવશે.

‘આ પ્રોજેક્ટનો હેતુ બધા માટે આવાસનો છે. અન્ય તમામ આધુનિક હાઉસિંગ સોસાયટીઓની જેમ, ત્યાં પણ બહુ-સ્તરીય બેઝમેન્ટ પાર્કિંગ હશે. પોડિયમ ફ્લોરમાં વ્યવસાયિક અને વાણિજ્યિક એકમોને સમાવી શકાશે. લોકો ઉપરના માળે રહેશે અને નીચેના માળે તેમનો વ્યવસાય ચલાવી

શકશે. તેથી, અમે શક્ય તેટલી હદ સુધી રહેવાસીઓની વ્યવસાયિક ઈકો-સિસ્ટમ ટકાવી રાખવાનો પ્રયાસ કર્યો છે,’ તેમ તેમણે કહ્યું હતું. તેમણે વધુમાં ઉમેર્યું કે માટુંગા રેલવે જમીન પર નિર્માણકાર્ય પહેલેથી જ શરૂ થઈ ચૂક્યું છે અને રેલવે અધિકારીઓને યોગ્ય રીતે સમાવિષ્ટ કર્યા પછી ત્યાંની ઈમારતો ધારાવીકરોને ફરીથી નિવાસસ્થાન આપશે.” અમે આશા રાખીએ છીએ કે રેલવે ઈમારતો આગામી બેથી ત્રણ વર્ષમાં પૂર્ણ થશે. ઘણું બધું બાંધકામ અને વિકાસ સમાંતર રીતે ચાલશે. આ પ્રોજેક્ટ ભારતના સૌથી વધુ જટિલ બ્રાઉનફિલ્ડ પ્રોજેક્ટ્સમાંથી એક છે અને આવનારા મહિનાઓમાં આ પ્રોજેક્ટ વધુ ઝડપ પકડશે,” એમ તેમણે જણાવ્યું હતું.

the article discusses the phased implementation of dharavi's master plan under drp ceo r srinivas, focusing on resident welfare and sustainable development.
