Mumbai: A 2023 drone survey by Navbharat Mega Developers Pvt Ltd (NMDPL) will serve as the benchmark to demolish new structures that have cropped up in the Dharavi Notified Area (DNA), said Dharavi Redevelopment Project CEO and chairman of NMDPL S V R Srinivas. So anything that has come up after that survey will be razed.

The NMDPL, the special purpose vehicle set up for the redevelopment of Dharavi, had in Nov last year submitted the Dharavi Development Plan for the 251-hectare Dharavi Notified Area (DNA) to the Maharashtra govt for its consideration. Sources said so far, the govt has not recommended any changes to the plan. It is, however, not known when the state govt will publicise the plan and invite objections and suggestions.

According to sources, while construction of the rehabilitation tenements for those who are eligible for free housing will happen on the 47 acres of railway land that is available for the project, illegal construction continues unabated in the Dharavi Notified Area.

In a press release issued on Tuesday, the Dharavi Redevelopment Project/Slum Rehabilitation Authority or DRP/SRA, said that the illegal construction is being promoted by residents and the local land mafia.

It further said that in 2019, the BMC had undertaken a massive demolition drive in Dharavi. "The then assistant municipal commissioner Kiran Dighekar had said that unauthorised construction was a recurring problem and the BMC would identify the perpetrators as mafia and action would be taken against them under the Maharashtra Prevention of Dangerous Activities (MPDA) Act."

MUMBAI: For nine months last year, the 600 acres of Dharavi were mapped and surveyed using drones. The images from these drone surveys will now be used as proof to eliminate "illegal" structures, and Dharavikars in the latter will not qualify for redevelopment benefits. This is the first time that the authorities are making it clear who qualifies as illegal and stands to lose everything after the ongoing physical door-to-door survey is complete.

On Tuesday, the Adani Group-led Navbharat Mega Developers Private Limited (NMDPL), which has been awarded the project to redevelop one of Asia's largest slums, declared this on behalf of the Dharavi Redevelopment Project (DRP). According to officials, the drone survey, which was okayed in December 2023 at a cost of ₹22 crore, will serve as a

benchmark to identify existing tenements and vacant land within the Dharavi Notified Area (DNA).

"Coordinated action will be taken by the DRP and the BMC," said SVR Srinivas, CEO of the DRP. "If needed, the DRP will consider seriously the possibility of debaring such tenements from the rehabilitation package."

The authorities said that the drone images would be used to put illegal structures, namely new structures or extensions, under scrutiny. Any new structures or extensions built after this survey will be flagged as illegal and may not qualify for redevelopment benefits. "These illegal set-ups include any new upper floors, retrofitted tenements and new constructions on any vacant land in the DNA done to secure homes under the DRP," said an official close to the project.

The eligibility survey in Dhar-

avi is currently underway, and the exact number of illegal structures will be determined by the DRP once the survey is completed. The officials from NMDPL said that they had no role in determining the outcome of the survey, as it was purely a government initiative. Recently, 85,000 tenements were numbered and over 50,000 were surveyed in a door-to-door exercise.

The DRP authorities claimed that "real Dharavikars" were eager to get on with the redevelopment, were "rooting for progress" and were glad that the work had finally begun. Residents, on the other hand, are claiming that over the past few days, people from outside Dharavi have been coming and supporting the project, while Dharavikars were opposing it. In 2019, the BMC had undertaken a massive demolition drive in Dharavi. In December 2023, it wrote to the Collector's office, requesting action against encroachments.

2023 drone survey to be basis to identify illegal constructions in Dharavi

A DRONE survey conducted in 2023 will serve as the official reference for identifying tenements and vacant land within the Dharavi Notified Area (DNA). Any construction or expansion after this survey will be deemed illegal and may disqualify the property from receiving benefits under the Dharavi Redevelopment Plan, as per the Adani-owned Navbharat Mega Developers Private Ltd, a joint venture with the state government previously called as Dharavi Redevelopment Project Pvt Ltd (DRPPL).

Illegal constructions include new upper floors, retrofitted tenements and any unauthorized buildings on vacant land within the DNA intended to gain eligibility for the redevelopment programme. "Coordinated action will be taken by DRP & Brihanmumbai Municipal Corporation. If necessary, DRP will consider barring such tenements from rehabilitation packages and associated benefits," said DRP CEO SVR Srinivas.

the Dharavi Redevelopment initiative in 2019, the BMC had initiated a demolition drive on illegal tenements. In December 2023, the BMC requested action from the Collector's office regarding the rising encroachments. Although notices were issued, only a few structures were demolished.

Under the current redevelopment tender provisions, ground-floor residents who settled in Dharavi before January 1, 2000 will be eligible for 350 sq ft homes within Dharavi at no cost. Residents who settled between January 1, 2000 and January 1, 2011, will receive 300 sq ft homes outside Dharavi for a cost of Rs 2.5

Upper-floor structures built before November 15, 2022 and ground-floor tenements built between January 1, 2011 and November 15, 2022 will be offered rented accommodation outside Dharavi, with the option of a hire-purchase scheme. These residents will be entitled to 300 sq ft homes.

Additionally, new townships for ineligible Dharavi residents will be developed within the Mumbai Metropolitan Region (MMR). The ongoing government survey has now identified over 50,000 tenements, eligible for rehabilitation.

धारावीत अनधिकृत बांधकामांवर नजर

अनधिकृत बांधकामांना पुनर्वसनाचे लाभ नाहीत

मुंबई : धारावीतली सर्व अनधिकृत बांधकामे तत्काळ थांबवावी, असे धारावी पुनर्वसन प्रकल्पाच्या (डीआरपी) अधिकाऱ्याने स्पष्ट केले आहे. २०२३ साली झालेल्या ड्रोन सर्वेक्षणाचा आधारभूत मानून सध्याच्या भाडेकरूंची ओळख पटविली जाणार आहे. तसेच याच सर्वेक्षणाद्वारे धारावी अंतर्गत परिसरातील (डीएनए) मोकळ्या जागेची नोंद केली जाणार आहे. या सर्वेक्षणानंतर केलेले कोणतेही नवीन बांधकाम किंवा बांधकामाचा विस्तार हे अनधिकृत मानले जाईल आणि त्यांना पुनर्विकासाच्या लाभासाठी अपात्र ठरवले जाईल. या अनधिकृत बांधकामांमध्ये नव्याने बांधलेले वरचे मजले, सुधारित झोपड्या आणि धारावी पुनर्विकास प्रकल्पात घरे मिळवण्यासाठी धारावी अंतर्गत परिसरातील (डीएनए) मधील

कोणत्याही मोकळ्या जागेवर उभारलेली नवीन बांधकामे यांचा समावेश आहे. अनेक दशकांपासूनच्या अयशस्वी प्रयत्नांनंतर, आशियातील सर्वात मोठ्या आणि भारतातील सर्वात निराळ्या झोपडपट्टीच्या बहुप्रतीक्षित

पुनर्विकासाला अखेर सुरुवात झाली आहे. मात्र, काही स्थानिक रहिवाशांची लालसा आणि भूमाफियांच्या वाढत्या प्रभावामुळे धारावीत अनधिकृत बांधकामांना चालना मिळाली. ज्यामुळे अनियंत्रित अतिक्रमणे वाढली आणि धारावीत राहणीमानाची स्थिती अधिकच बिकट झाली. २०१९ मध्ये, मुंबई महानगरपालिकेने धारावीत मोठ्या प्रमाणावर अतिक्रमणविरोधी

६ “धारावी पुनर्वसन प्रकल्प (डीआरपी) आणि मुंबई महानगरपालिका अशा बांधकामांवर संयुक्तपणे कारवाई करणार आहे. आवश्यकता मासल्यास, अशा झोपडीधारकांना पुनर्वसन पॅकेज आणि त्याच्यापासून मिळणाऱ्या लाभांपासून वंचित ठेवण्याचा डीआरपी गंभीरपणे विचार करेल.
- एस. व्ही. आर. श्रीनिवास, मुख्य कार्यकारी अधिकारी, डीआरपी

कारवाई केली होती. त्यावेळी महापालिकेच्या जी-नॉर्थ वॉर्डचे तत्कालीन सहाय्यक महापालिका आयुक्त किरण दिघावकर यांनी अनधिकृत बांधकामे ही एक ‘वारंवार उद्भवणारी समस्या’ आहे, असे म्हटले होते. “अनधिकृत बांधकामात मदत करणाऱ्यांविरोधात पोलीस महाराष्ट्र धोकादायक कृत्ये प्रतिबंधक कायदा अंतर्गत कारवाई करतील,” असे त्यांनी तेव्हा स्पष्ट केले होते.

डिसेंबर २०२३ मध्ये, मुंबई महानगरपालिकेने जिल्हाधिकारी कार्यालयाला अशा अतिक्रमणांविरोधात कारवाई करण्याची विनंती केली होती. त्यावेळी नोटिशी देखील संबंधितांना जारी करण्यात आल्या होत्या. पण फक्त काही अतिक्रमणेच पाडण्यात आली होती. कारण, ही अतिक्रमणे पाडणे हे आव्हानात्मक कार्य असल्याचे तेव्हा स्पष्ट झाले होते. मात्र, खरे धारावीकर पुनर्विकासासाठी उत्सुक असून प्रगतीसाठी होणाऱ्या या कामात पाठिंब्या देत आहेत. सध्या धारावीमध्ये हे पुनर्विकासाचे कार्य सुरू झाल्याने एकप्रकारे अनियंत्रित कार्माना आळाच बसतो आहे. मात्र, पुनर्विकासाला साथ देणाऱ्या धारावीकरांना भीती आहे की, हे पुनर्विकासाचे काम सुरू न झाल्यास धारावी आणखी अनियंत्रित होईल. तसेच तिथल्या सार्वजनिक आरोग्य आणि पायाभूत सुविधा आणखी दयनीय होतील.

Unauthorized construction in Dharavi hampers redevelopment efforts, according to DRP officials. Despite a drone survey identifying illegal structures, action has been slow. The Mumbai Municipal Corporation, alongside DRP, is committed to halting illegal construction and exploring rehabilitation benefits. Dharavikars support redevelopment to avoid further deterioration.

धारावी पुनर्वसनातून २०२२ नंतरची अतिक्रमणे बाद

‘डीआरपी’ची घोषणा; ड्रोन सर्वेक्षणाद्वारे अपात्र बांधकामांचा शोध

लोकसत्ता प्रतिनिधी

मुंबई : धारावी पुनर्विकास प्रकल्पांतर्गत पोटमाळ्यावरील अपात्र रहिवाशांचेही पुनर्वसन करण्यात येणार आहे. त्यांना धारावीबाहेर भाडेतत्त्वावरील योजनेअंतर्गत घरे दिली जाणार आहेत. मात्र २०२२ नंतरच्या अतिक्रमित, अपात्र बांधकामांना पुनर्वसन योजनेचा कोणताही लाभ मिळणार नाही, असे धारावी पुनर्वसन प्रकल्पाकडून

● अतिक्रमण करणाऱ्यांना 'माफिया', 'झोपडीदादा' म्हणून संबोधित करून त्यांच्याविरोधात कायदेशीर कारवाई करण्याचा निर्णय घेण्यात आल्याचे श्रीनिवास यांनी सांगितले. झोपडीदादा प्रतिबंधक कायदा, महाराष्ट्र घोकादायक कृत्ये प्रतिबंधक कायदा अर्थात "एमपीडीपी" अंतर्गत या माफियांविरोधात कारवाई करण्यात येणार असल्याचेही त्यांनी स्पष्ट केले.
