Ashish Shelar calls Uddhav 'badshah' of land scams

TIMES NEWS NETWORK

Mumbai: BJP's Ashish Shelar attacked Uddhav Thackeray on Tuesday, calling him the "badshah of land scams in Mumbai".

Addressing a BJP workshop organised for party workers from the minority community to discuss the Waqf Amendment Act in the city, Shelar said, "In his (Thackeray's) mind, he is constantly thinking of land, land scam ... He has given away Muslim land to builders, Ambani, Adani In the last 25 years, who was in the corporation? In the last 25 years, the price of land went up to Rs 1 lakh per sq foot, and he committed the sin of giving one crore square feet to builders," he said.

The Shiv Sena (UBT) opposed the Dharavi Redevelopment Project awarded to Adani Realty by the govt. It has also been wooing the minority community ever since it split from the BJP in 2019. The party also benefited from the minority community support in the Lok Sabha election.

Maharashtra govt. faces legal notice over decision to move Dharavi residents to dump yard

The Hindu Bureau
MUMBAI

A Mulund-based activist on Tuesday sent a legal notice to Maharashtra's Urban Development and Environment departments and the Mumbai Municipal Commissioner demanding the cancellation of the Cabinet decision to allot the Deonar dumping ground to the Dharavi rehabilitation project. The activist and lawyer, Sagar Devre, argued that the allotment violates several Central Pollution Control Board guidelines, prohibiting construction activities on closed dumping grounds and declaring 500 metres around such places as buffer zones.

The Maharashtra Cabi-

The Dharavi Redevelopment Project is being carried out by the Adani Group. FILE PHOTO

net had in October last year cleared a proposal to hand over 124.3 acres of the Deonar dumping yard land for the rehabilitation of those affected by the Dharavi Redevelopment Project, which is being carried out by the Adani Group.

The project has been in the cross hairs of the Oppo-

sition Shiv Sena (UBT).

The government is also planning to allot 46 acres of the Mulund dumping ground and 18 acres of the Mulund Octroi land to house 3-4 lakh residents of Dharavi in Mumbai.

Mr. Devre said that the waste mounds in Deonar and Mulund generate a high volume of methane and leachate (liquid waste). The latter, he added, pollutes the groundwater, which would affect the proposed residential projects in the area.

"Besides, Deonar is not even a closed landfill. It is one of the top 22 methane-producing spots in the country, releasing an average of 6,202 kg every hour," read the notice.
