GAUTAM ADANI, 62

CHAIRMAN, ADANI GROUP

WHY

A first-generation entrepreneur, Gautam Adani has interests in energy, ports and logistics, gas, airports, defence, aerospace and mining. Forbes Billionaires list puts his net worth at \$60.6 billion.

POWER PUNCH

Adani weathered two big storms — one that arose after Hindenburg Research allegations and led to demands for a Joint Parliamentary Committee by the Opposition parties, and the other of bribery charges by US prosecutors.

WHAT NEXT

He faces a legal challenge with the US Securities and Exchange Commission issuing summons

to him over alleged security fraud and bribery. Meanwhile, the group continues its expansion spree. It is coming up with a Rs 2,800 crore power transmission project in Gujarat for green hydrogen. Its real estate arm will be redeveloping Dharavi, Asia's largest slum, spanning 600 acres and valued at Rs 5,069 crore. This is expected to rehabilitate over a million residents and transform the area into a modern, urban hub. Then there's the Navi Mumbai Airport, which will be a hub of low-cost carriers.

BY THE WAY

He loves to do Sudoku.
