# Arabian nights... & days!

Here's why Abu Dhabi is a haven for all culture mavens...

*Sheikh Zayed Grand Mosque*

**I**F YOU'RE OVER 21, chances are you are living in a city or country which you were not born into. Yet, where you reside, you are mostly identified by your ethnicity. So there are spaces you feel welcomed because you are different, and there are also spaces you feel left out because you either don't speak the language or are from different culture. If this hits closer home, you are not alone. *The UN World Migration Report 2024* says 3.6 percent of the global population are international migrants.

This makes adopting cultural identities and in turn, identity crises, one of the most crucial paradigm shifts in global society. To this author, who has lived and

continues to live through this dichotomy, a recent trip to Abu Dhabi seemed like the first place she has been to, which is an exception to this rule. A city, which is so sure of its roots, that it's forged into a futuristic living without the trepidation of losing its past. And what better than a region where past, present and future coexist in harmony, to become a growing hub of arts and culture across the globe?

The first destination with which we started our cultural exploration was Emirates Palace on a winter evening, which felt like stepping inside a gilded dream. From the floors to the ceiling, the space looked bathed in gold, replete with ornate leaf motifs

everywhere and regal chandeliers that could light up the largest ballrooms!

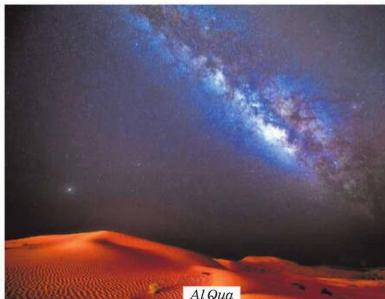

While we had expected all things Emirati to be swanky, what blew us over was how connected the architecture was to its heritage. Designed by Wimberly Allison Tong & Goo, Emirates Palace was unveiled in 2005. Concealed to showcase Emirati hospitality to the world, the place soon doubled up as a palace and a hotel to welcome official state guests. This led to the palatial design, filled with marble, mosaics and dome-shaped doors reflecting the opulent aesthetic of the region. We rounded off our visit with a cup of the famous gold cappuccino at one of its lounges. The verdict? It tast-

ed exactly how a cup of good cappuccino is supposed to taste like. But of course, we never regret the dash of drama that drinking coffee with gold dust offers. After all, we don't do opulence out of necessity!

Caffeine-invigorated, we decided to make one more stop before dinner. We wanted to check out local shops for souvenir shopping and so decided to visit a market at the World Trade Centre called The Souk. On entering, we realised that this one is not only for the task but also for the 'Gram.' A contemporary take on the traditional Arabic souks, this colourful, Insta-worthy shopping centre features a mix of crafts, food and luxury goods. The architecture

is replete with high ceilings, two atria and Arabian décor. While you get handcrafted bags to coaster sets designed like miniature Turkish carpets in this market, there are two things we couldn't find at better deals anywhere other than here—tea and jewellery. Tea flavours range from the classics like chamomile and jasmine to local favourites like Iranian rose and white pepper; the price range in this market is probably the cheapest in the city. Rosary beads set on silver dominate the trend in jewellery. You can find anklets, earrings, rings, statement and dainty necklaces and more. And don't forget to bargain!

The next morning, we visited Sheikh Zayed Grand Mosque —

Selection of teas

the country's largest mosque. And its immensity captivated us the moment we stepped inside. Bathed in bright sunshine against the azure sky, it stood tall with the strength of the thousand prayers believers offer there every day.

Conceived by UAE's founding father Sheikh Zayed bin Sultan Al Nahyan as a symbol of peace, tolerance and diversity, the mosque boasts Mameluke, Ottoman and Fatimid architectural styles. It houses the world's largest hand-knotted carpet by Iranian artisans, and one of the world's largest chandeliers, adorned with Swarovski crystals. The ultramarine and saffron floral motifs that run across the walls might make you feel like you are walking inside an Indo-Persian painting. This opulence, however, has been balanced well with the strict rules that the visitors need to abide by.

Although we had worn outfits keeping in mind the mosque guidelines (you can find it on their website), we were stopped from entering as two of us were wearing *kurtis*, the sleeves of which did not cover us up to the wrists. Fortunately, we were able to find black sleeves under AED 15 (₹355 approx), which was probably the cheapest thing available at the shops inside the mosque premises. Also, be sure to keep your head covered at all points in time. Security guards always keep a check and do not shy away from asking visitors to cover their heads properly, even if it slips off for a moment. However, everyone is so respectful while doing so, it'd almost make you feel jealous of their ability to maintain discipline while being polite and hospitable.

Now, if you've got only a few hours in Abu Dhabi and are wondering where to go, we recommend

Louvre Abu Dhabi. A collaboration between the UAE and France, this museum uses the brand to borrow artworks from the French museum. The serene, white building itself looks like an artwork blending traditional Arabian architectural elements with modern aesthetics.

We had booked a guided tour (of 45 minutes) but you can opt for one without a guide as well — the labels accompanying every artwork are informative enough.

With almost 700 permanent and 300 loaned artefacts, the collection spans the entirety of human history, from prehistoric artefacts to contemporary artworks. In artefacts, you'll find pieces from ancient Egypt, Mesopotamia and the Islamic world. The best part? It doesn't showcase these with a 'here are things historians deem important' approach, but shows the connections between similar artefacts to help laymen like us understand why they are important. For example, we noticed three similar white-and-ultramarine porcelain plates on display side-by-side, derived from three different countries — China, Pakistan and Turkey! Alongside are works by European masters. Look out for Da Vinci's Saint-Jean Baptiste, Renoir's The Cup of Chocolate and Van Gogh's Bedroom in Arles.

The next day after an early lunch, we left for Al Ain to attend the 10th edition of the *Traditional Handicrafts Festival*. Popularly known for its abundance of greenery and cultural significance, Al Ain is a UNESCO World Heritage Site. At first glance, the festival looked like a scene from *The Arabian Nights*. On entering, we saw rows of men holding thin bamboo canes, moving in synchronised rhythm to drum beats with the occasional hauntingly beautiful sound of *rabbabah*. Our guide, told us that this performance was called *Al Ayyala*. Against the faint tint of the desert sun setting for the day, we noticed several small shops lined one after another across three different lanes. Hundreds of visitors, both tourists and locals, were present. We stepped inside a workshop first, where Emirati artisan women donning golden *battoulahs* were weaving bags out of dried palm fronds. We then moved on to

the next stall by the public library network MAKTABA and we met a kind calligraphist who offered us bookmarks, each with our names in Arabic!

Our next stop at the festival was the *souk*, which boasted a range of items you can't resist but buy for just the aesthetics! These included bags and hats with *tallî* weaves (metallic threads woven into fabrics), honeys extracted from different flowers, snacks made by Emirati grannies at home and whatnot! We tried a shot of Emirati coffee, along with a snack bar made of six kinds of nuts and dates called *tamaria*. Imagine creamy, chunky peanut butter marrying into sweet, rich dates — perfection.

Our senses were soon held hostage by the scent of musky *oudh*, a luxury ingredient in traditional Emirati perfumes, which was wafting from a shop nearby. "This is why your modern perfumes don't last longer," a shopkeeper told us when we were looking for a sample fragrance to apply on the pulse. She then proceeded to gently run a *bakhoor* (incense burner), which had *oudh* (the perfume), through the width of our hair. "This way," she smiled, "the perfume lingers for longer." And that, in fact, turned out to be an undeniable truth.

After a tour of the replicas of summer houses that were traditionally built by the desert inhabitants, we had our dinner assembling delectable treats from the food shops at the festival. We capped off the night after an hour of stargazing in the middle of Al Qaa desert, which was, simply put, a exhilaratingly 'peaceful' and cathartic as Hrithik Roshan's first scuba diving lesson in *Zindagi Na Milegi Dohara*!

Before we draw curtains on this story, let's just give you one more reason to love Abu Dhabi — the city is very safe for women and is, therefore, a great option for women wanting to travel solo. So, if you're a culture maven or simply drawn to all things Middle East, a trip to Abu Dhabi should be on your bucket list for 2025.

All-inclusive round trip to Abu Dhabi from Bengaluru: ₹60,000 onwards.

जूनियर एनटीआर के किरदार का नाम विक्रम है, दोस्ती का प्लॉट फिल्म में एक महत्वपूर्ण हिस्सा होगा

## 'वॉर 2' में बचपन के दोस्त हो सकते हैं ऋतिक-एनटीआर

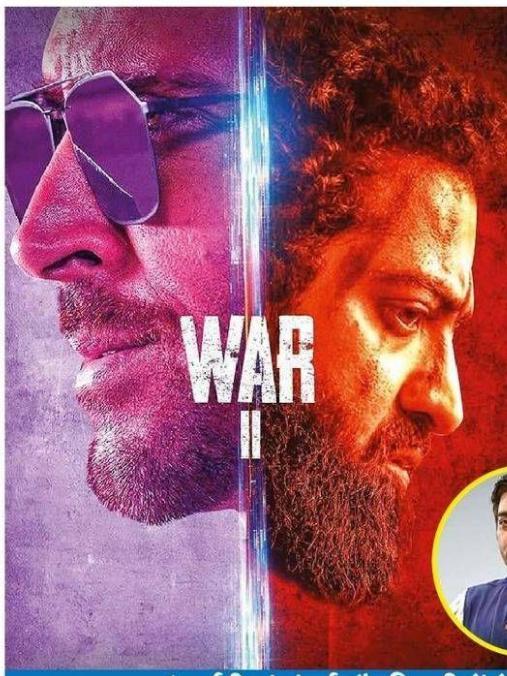

कबीर और विक्रम के बचपन के दिनों को प्ले करने वाले बाल कलाकारों के साथ सिर्फ एक दिन की शूटिंग होगी।

अमित कर्णा। मुंबई

**ऋ** तिक रोशन और जूनियर एनटीआर की फिल्म 'वॉर 2' की शूटिंग लगाभग पूरी हो चुकी है। वे फिल्म के निर्माताओं ने अब एक नया फैसला लिया है। वे फिल्म के दोनों मुख्य किरदारों, कबीर और विक्रम के बचपन के सीन को भी फिल्म में शामिल करना चाहते हैं। सूत्रों ने इस खबर की पुष्टि भी की है। इस फैसले के अनुसार, बुधवार को फिल्म के सेट पर बचपन के सीन के लिए रिहर्सल का आयोजन किया गया। हालांकि, यह शूटिंग केवल एक दिन की होगी। यानी, फिल्म में कबीर और विक्रम के बचपन के दिनों को प्ले करने वाले बाल कलाकारों के साथ सिर्फ एक दिन की शूटिंग होगी। फिल्म में इन सीन का उपयोग मोन्टेज के रूप में होगा, जिससे फिल्म की कहानी को और गहराई मिलेगी।

### कबीर-विक्रम के बीच दोस्ती का प्लॉट फिल्म में एक महत्वपूर्ण हिस्सा होगा

सूत्रों ने आगे बताया कि 'वॉर 2' में ऋतिक और जूनियर एनटीआर के किरदारों के बीच एक मजबूत बंधन दिखेगा। उनके बचपन के दिनों के सीन इस बंधन को और भी मजबूत करेंगे। 'वॉर 2' स्पाइ यूनिवर्स का हिस्सा है। हालांकि, इसमें 'पठान' और 'टाइगर' की एटी नहीं होगी। यह भी तय है कि ये दोनों किरदार भविष्य में स्पाइ यूनिवर्स की अन्य फिल्मों में भी दिखाई देंगे। जूनियर एनटीआर के किरदार का नाम विक्रम है। यह देखना दिलचस्प होगा कि व्या विक्रम का किरदार भी कबीर की तरह खुफिया विभाग से जुड़ा होगा या कुछ और है। यह तय है कि कबीर और विक्रम के बीच दोस्ती का प्लॉट फिल्म में एक महत्वपूर्ण हिस्सा होगा।

**'मर्दानी 3' मुंबई और दिल्ली में सेट है, शूटिंग मई-जून में शुरू होगी**

सूत्रों बताते हैं कि अदित्य चौपड़ा की फैन्चाइज फिल्मों के बारे में साफ दृष्टि है। वे चाहते हैं कि हर फिल्म का निर्देशन एक अलग निर्देशक करे। इसलिए चाहे वह 'धूम' सीरीज हो, या 'टाइगर', 'वॉर' या 'मर्दानी' वे हर फिल्म के लिए एक अलग निर्देशक को चुनते हैं। अभिराज पहले सलमान खान के बैनर से जुड़े रहे हैं और यशराज फिल्म्स के साथ भी काम कर चुके हैं। वे 'वॉर 2' में भी सहयोगी थे। उन्होंने 'फैन' में मनीष शर्मा के पहले सहायक निर्देशक के रूप में काम किया था। इसी बीच उन्होंने एक रोमांटिक फिल्म 'लव यात्री' भी की थी। एक्साइड उनकी विशेषज्ञता है। इसलिए 'वॉर 2' में ऋतिक और जूनियर एनटीआर के सीन्स की शूटिंग पूरी होने के बाद उन्हें 'मर्दानी 3' के लिए नियुक्त किया गया है। 'मर्दानी 2' कोटा में सेट थी, जबकि 'मर्दानी 3' मुंबई और दिल्ली में सेट है। कहानी दोनों शहरों में घूमेगी और दिल्ली में शूटिंग मई-जून में होगी।

**'मर्दानी 3' का निर्देशन अभिराज मीनावाला करेंगे**

इस बीच, फिल्म निर्माताओं ने एक और फैन्चाइज, 'मर्दानी 3' की शूटिंग शुरू कर दी है। सूत्रों के अनुसार, निर्माताओं ने इस मीने की शुरुआत 'मर्दानी 3' की शूटिंग से की है। पहली 'मर्दानी' का निर्देशन प्रदीप सरकार ने किया था, जबकि दूसरी 'मर्दानी' का निर्देशन गोपी पुरुष ने किया। अब 'मर्दानी 3' का निर्देशन अभिराज मीनावाला करेंगे। अभिराज ने सलमान खान के बहाने इस अवधि शर्मा की पहली फिल्म 'लवयात्री' का निर्देशन किया था।

# बालीवुड के अभिनेताओं का भरोसा डगमगाने लगा

आरती सरक्सेना

हा

ल ही में ईद के मौके पर प्रदर्शित सलमान खान की फिल्म सिकंदर को खास लोकप्रियता नहीं मिल पाई है। इससे पहले अक्षय कुमार की सिरफिरा, बरुण धवन की बेबी जान, शाहिद कपूर की देवा और जर्सी जैसी फिल्में भी सिनेमाघरों में ज्यादा दिन तक नहीं टिक पाई थीं। इन सभी फिल्मों का निर्देशन दक्षिण के निर्देशकों ने किया था।

ऐसे में माना जा रहा है कि बालीवुड के सफल अभिनेताओं का अब दक्षिण के निर्देशकों के ऊपर भरोसा डगमगाने लगा है। पेश है एक रपट...।

दक्षिण भारत की फिल्मों व निर्देशकों का पिछले एक अरसे से सिनेमा जगत पर खासा प्रभाव रहा है। हाल ही में ईद के मौके पर प्रदर्शित हुई अभिनेता सलमान खान की फिल्म सिकंदर का निर्देशन भी दक्षिण के जाने-माने निर्देशक एआर मुरुगादास ने किया है। इससे पहले वे आमिर खान की फिल्म गज़ीनी और अक्षय कुमार की हालीडे जैसी कई फिल्मों का निर्देशन कर चुके हैं, जो काफी लोकप्रिय रही हैं। इसलिए फिल्म सिकंदर को लेकर भी दर्शकों की बड़ी उम्मीदें थीं। मार, यह फिल्म उम्मीदों के विपरीत कुछ ही दिनों में सिनेमाघरों से विदा हो गई।

फिल्म सिकंदर से पहले दक्षिण के निर्देशकों वे निर्देशन में बनी अक्षय कुमार की फिल्म सिरफिरा, सैफ अली खान व रितिक रोशन अभिनीत विक्रम वेदा, बरुण धवन की बेबी जान, शाहिद कपूर की देवा और जर्सी जैसी फिल्में भी दर्शकों के द्विमें खासी जगह बनाने में समायाव नहीं हो पाई थीं। इसलिए माना जा रहा है कि बालीवुड के सफल अभिनेताओं का अब दक्षिण के निर्देशकों के ऊपर विश्वास डगमगाने लगा है। ऐसे में फिल्म छावा, भूल भुलैया-तीन और स्ली-दो जैसी फिल्में

क्या एक बार फिर लोकप्रियता हासिल कर बालीवुड के निर्देशकों की धाक लौटा पाएगी। इन सभी फिल्मों का निर्देशन बालीवुड के निर्देशकों ने किया है।

बालीवुड के निर्देशकों की कई फिल्में प्रदर्शित होने वाली हैं। इनमें अक्षय कुमार अभिनीत व सिंह त्यागी निर्देशित फिल्म के सरी-3, तमन्ना भाटिया अभिनीत व अशोक तेजा

निर्देशित उडयला, शशांक खेतान निर्देशित सनी संस्कारी की तुलसी कुमारी, संजय दत्त अभिनीत व सिद्धार्थ सचदेव निर्देशित द भूतनी, बरुण धवन अभिनीत व डेविड धवन निर्देशित हैं जबानी तो इश्क होना है, शमिल हैं। इसके अलावा आलिया भट्ट अभिनीत व शिव रेवल निर्देशित अल्पा, विजय देआस्कर निर्देशित फिल्म ग्राउंड जीरो, सनी दे ओल और बरुण धवन अभिनीत व अनुराग सिंह निर्देशित बाईर्ड-दो, दिलजीत दोसांझ अभिनीत पंजाब-95, हनी तेरहान व पुलकित निर्देशित हाउसफूल-पांच भी प्रदर्शित होने वाली हैं।

इसी तरह आयुष्मान खुरान अभिनीत व आदित्य सर्पेंद्र निर्देशित थामा, सिद्धार्थ मल्होत्रा व जाहनवी कपूर अभिनीत फिल्म परम सुरेशी, अयान मुख्यर्जी निर्देशित वार-दो और जौली एलएलबी-तीन भी सिनेमाघरों में आएगी। इन सभी फिल्मों का निर्देशन बालीवुड निर्देशकों ने किया है।

इसके अलावा दक्षिण के निर्देशकों की फिल्में भी कतर में हैं। सनी दे ओल अभिनीत जाट फिल्म के जरिए दक्षिण के प्रसिद्ध निर्देशक गोपीचंद माली नैनी हिंदी फिल्मों में अपनी शुरुआत करने जा रहे हैं। दक्षिण के एक और निर्देशक वामसी आमिर खान के साथ आनाम फिल्म बनाने जा रहे हैं। टाइगर श्राफ अपनी अगली फिल्म बागी-चार में नजर आएंगे, जिसका निर्देशन कनाढा के ए हर्षा ने किया है। ए हर्षा इससे पहले बजरंगी, देवा और भीमा फिल्मों का निर्देशन कर चुके हैं।

होते. फोटो बिलक  
करण्यासाठी चाहत्यांनी  
१५०० डॉलर्स म्हणजेच  
सुमारे १.२ लाख रुपयांचे  
व्हीआयपी तिकिटे खरेदी केली  
होती. त्यांना हितिकला फोटो  
काढण्यासाठी रागेत उभे  
करायला लावण्यात आले.

सर्वजण २ तास रागेत उभे राहिले, पण नंतर  
व्यवस्थापनाने बैटक संपर्कनी, फोटो काढू दिले  
नाहीत आणि यादरम्यान हितिकला रोशन निघूनही  
गेला. याशिवाय, चाहत्यांचा असाही आरोप आहे  
की हितिकले कार्यक्रमात फक्त अर्धा तासच  
परफॉर्म केले, अनेक चाहते त्यांचे वाईट  
अनुभव सोशल मीडियावर शेरक करत  
आहेत. जेव्हा त्यांना फोटो काढण्याची  
परवानगी नव्हती, तेव्हा अनेक लोकांनी  
आयोजकांकडून पैसे परत मागितले, परंतु  
त्यांना पैसे परत मिळाले नाहीत.
