I want to soak in the culture and connect

EXCLUSIVE

Jackson Wang enjoyed a game of cricket at Juhu Beach and tried a vada pav during his day out

Vinay MR Mishra

After a 12-hour flight, China-based pop star Jackson Wang wasn't prepared for the massive welcome he got in Mumbai. Landing in the city on Tuesday morning, by noon, he was already immersed in the city's vibrant culture. From playing cricket on Juhu beach to savouring Mumbai's most-loved street food, *vada pav* and *pani puri*, Jackson explored the city with Bombay Times. "I feel like I have landed into this big production ceremony. I wasn't prepared for it," said the 31-year-old.

'Playing cricket in Mumbai reminded me of high school'

The singer later took a leisurely stroll on Juhu beach, where he was roped in for a game of cricket by a group of youngsters. Initially nervous, as he was playing cricket after a long time, the *LMLY* hitmaker soon got into the groove and managed to strike a few balls. "Playing cricket reminded me of my high school days. I had so much fun," he said on a nostalgic note.

During an exclusive photoshoot with us, Jackson tried Mumbai's iconic street food - *vada pav* and *pani puri*. "Although it was a little spicy, I really liked it. However, my favourite was *dahi puri*," he told us. He even tried his hand at working the sugarcane juice machine on the bustling streets of Bandra, causing quite a stir. Next stop was finding the perfect ethnic *kurta* for him, which he picked in 10 minutes. "I will wear the *kurta* on my way back home," he shared.

'COLLAB WITH DILJIT WAS MEANT TO HAPPEN'

Jackson's latest track *Buck* features Diljit Dosanjh, whom he met at Coachella four years ago. "After my set, I watched his performance and was blown away. I thought, 'I really want to work with him one day.' Two or three years later, I made a song and thought Diljit would kill it. So, I invited him to collaborate." He added, "When we met on set, he told me he had a screenshot of a picture of me six months before I invited him because he liked my earrings. I guess it was just meant to happen."

'Mumbai is the place I really wanted to come to'

This marks Jackson's second visit to India – he first came here in 2023 for a concert. "I feel that every time I visit a place, it's about following a schedule. This time, I just wanted to travel, explore off-the-beaten-path places and dive deep into local markets. Mumbai is the place I really wanted to come to," he said.

His previous trip was star-studded, with Hrithik Roshan hosting him for dinner. Rumours swirl about another meeting on the horizon. On that, Jackson remarked, "He is a superstar. If he is free, I would love to catch up. The last time I met him, Hrithik showed me his *Ek Pal ka Jeena* video, and I was awestruck. Honestly, this time I just want to go everywhere, soak in the culture and truly connect with the locals."

NTR begins dubbing for Hindi debut *War 2*

NTR is all excited about his Hindi debut film *War 2*. He is playing the antagonist in this high-octane action film, while Hrithik Roshan plays the lead role. Ayan Mukerji is directing the film, which is being produced by Yash Raj Films. This is yet another installment in the YRF Spy Universe. Kiara Advani plays the female lead.

Now, NTR has started dubbing for the film. The makers officially revealed on Wednesday that the actor began dubbing for his own role in the film. *War 2* is slated for release on August 14. After *RRR*, this is NTR's next big pan-India outing, especially marking his foray into Hindi cinema. The film will also be released in Telugu.

A few days ago, the makers released a teaser offering a glimpse of NTR's look in the film, which generated a lot of buzz.

On the Telugu front, NTR is simultaneously working with director Prashanth Neel for an upcoming project. The shooting is currently underway. NTR took a brief break from that shoot to complete dubbing work for *War 2*, and once it's wrapped up, he will rejoin the sets of the Prashanth Neel film.

Sources reveal that NTR is also planning to aggressively promote *War 2* in the Telugu states, given its simultaneous release in Telugu.

Bhumi Pednekar caught herself in the mirror and clearly couldn't look away — can you blame her? We're pretty sure she was silently thinking, "Who's the glammest of them all?" The actor turned heads at a clinic launch in the city.

PARTY TOH BANTI HAI

It's time to ditch the drama for one night, and dive headfirst into disco lights, bad dance moves, and cake for dinner. Vihaan, Sakshi, and Ishaan are only too thrilled to party till they drop to celebrate the success of their recent outing.

'UNDER COVER'

Looks like Hrithik Roshan's channelling full-time Kabir Dhaliwal (his character in War, 2019) vibes — hood up, mystery mode on. Spy life really hoodwinked him, huh?

STAR POWER

At the music launch of Dhanush (yes, minus his signature stubble), Rashmika, and Nagarjuna's next biggie, fans went frenzy. One glimpse of their faves and a sneak peek of the project was all it took to send the crowd into a scream-worthy spiral.

'NTR'S STYLING IN WAR 2 NEEDED TO SHOW HIM LIKE A HUMAN MACHINE OPERATING WITH PURPOSE!' : ANAITA SHROFF ADAJANIA

Chennai, 12 June 2025: With the War 2 teaser, NTR stood out with his magnetic, brooding, towering presence. People lauded the styling of his character which reflected raw masculinity and the costume designer of War 2, Anaita Shroff Adajania is thrilled to see how NTR's fans and audience pan India has showered love on his look in the most anticipated film of 2025!

Anaita, revered as the country's best stylist, reveals how she wanted the styling to reflect the machoness of NTR in War 2. She says, "Working with

NTR for the first time on War 2 was a discovery and an absolute joy. He walks into a room and there's this instant shift, like a current of energy that runs through everyone. It's not loud or performative—it's magnetic.

He has that rare ability to charge the atmosphere just by being present. And then you see the smile, the warmth, and this

deep, quiet confidence in the character he's playing. He knew exactly who he was from the start."

She adds, "With his look, I wanted to ground him—keep it real—but still retain that undeniable strength and masculinity he carries so effortlessly. There's a rawness to his presence, like a human machine operating

with purpose. That translated into a wardrobe built on power and simplicity: leather, rugged jackets, strong silhouettes."

Anaita further adds, "There's no fuss, no excess—just a man who means business. His styling reflects that: direct, impactful, and unapologetically no-nonsense." Produced by Aditya Chopra and directed by Ayan Mukerji, War 2 pits NTR, regarded as the Man of the Masses, against Hrithik Roshan. Kiara Advani plays the female lead. War 2 is set to release on August 14th in Hindi, Tamil, and Telugu.
