'WE HAVE TRIED TO PUSH HRITHIK'S MAGNETIC PRESENCE EVEN FURTHER WHILE STYLING HIS CHARACTER IN WAR 2!': ANAITA SHROFF ADAJANIA

Chennai, 18 June 2025: One of India's biggest superstars ever, Hrithik Roshan, hailed as the Greek God of India cinema, has captivated the imagi nation of one and all with his hypnotic screen presence in the War 2 teaser in which he again looked like a million bucks. Hrithik plays the role of the super spy Kabir in the blockbuster War been incredibly franchise within the YRF Spy Universe that has only delivered historic hits!

His suave look and effortless style caused an internet meltdown as soon as the War 2 teaser was released by Yash Raj Films. The costume designer of War 2, Anaita Shroff Adajania, reveals the film will push Hrithik's and instead created a slightly unkempt

magnetic presence ever cleaner, sleeker look further with the way his for him. It still had an character has been edge-somewhere styled in War 2.

Anaita says, "I've fortunate to work with Hrithik over the years on Dhoom 2, Bang Bang, countless

She adds, "For War appearances and 2, it felt essential to ads—and then came explore a deeper, War. Each project darker mood in Kabir. brought something This version of him is new, but with War, we layered-not just made a conscious emotionally, but decision to shift gears. visually too. Anaita further says, "We built on what worked in War 1: that transformative haircut, Hrithik's magnetic presence, and then we just pushed it further. I think that combination-the looks, the attitude, the restraint-is what truly created this Kabir for War 2." Produced by Aditya Chopra and directed by Ayan Mukerji, War 2 pits NTR, regarded as the Man of the Masses, against Hrithik Roshan, Kiara Advani plays the female lead. War 2 is set to release on August 14th worldwide in Hindi, Tamil, and Telugu.
