Why longevity is the new luxury

From biohacking to ageing control & wellness monitoring, the world's ultra-rich are going the extra mile to stay young and live longer

Eshna Bhattacharya

What's more desirable than a new lipstick? Living longer. This is how a *Vogue* Business article sums up the latest luxury trend worldwide – wellness hacks and longevity. While Silicon Valley tech billionaire Bryan Johnson's age-reversal experiment is a bit of a stretch, given the resources it demands, the world's ultra-rich and celebs are not that far behind when it comes to pursuing wellness and longevity. From David Beckham's daily supplements, which now include adaptogens and super greens, Chris Hemsworth's fitness app, which has evolved into a full-blown longevity lab, to Alia Bhatt monitoring her sleep cycle and overall wellness, celebs worldwide are opting for premium wellness hacks. And there's more....

@bryanjohnson

Bryan Johnson holds up a bag of plasma extracted from his own body

The 'blueprint' for the future

That's Silicon Valley tech billionaire Bryan Johnson for you. The 47-year-old spends over \$2 million a year and five hours a day chasing immortality. Johnson's morning routine – from 4.30am to 10am – is packed with biohacking rituals involving serums, light therapy, Zone 2 workouts, a nutrient-rich breakfast, and sessions in a hyperbaric oxygen chamber. He not only follows every new-age wellness, fitness, and diet regimen but even had a plasma transfusion from his 18-year-old son – all to rewind his biological age to 18. While some call him a visionary, others wonder if he's too busy trying to live forever to actually live.

In July 2024, Kim Kardashian and sister Khloe took a biological age test on *The Kardashians*. Kim, 43, was stunned to learn Khloe, 40, had the biological age of 28 – beating her 35. Kim clapped back on Instagram, flaunting her 'athlete-grade' body fat and bone density scores, plus a peek into her in-home red light therapy bed

Hrithik Roshan recently posted about getting infusions at a clinic in New York & said it felt like he was in 'a health and wellness Disneyland'

6 We are living in a time when DNA mapping, genetic testing, aren't just health trends anymore; they're social statements

– Prof Suhrita Saha, HoD Sociology, Presidency University, Kolkata

Longevity lingo decoded

Epigenetic testing: Reveals how lifestyle choices affect gene expression. The Kardashian sisters took this test on their show

NAD+ drips: These are IV infusions of the coenzyme. Nicotinamide adenine dinucleotide (NAD), is said to boost energy and support cellular repair. Janhvi Kapoor, Hrithik Roshan, Kendall Jenner, and others are known to take the drips

Red-light therapy (RLT): Exposure to light of this wavelength is said to promote collagen production, improve sleep, and speed up post-workout recovery. The wellness routine of Deepika Padukone, Priyanka Chopra and Bella Hadid includes RLT

Biohacking: Upgrading the body using tech, data, and DIY science. Suniel Shetty, Jeff Bezos, Peter Thiel, and Bryan Johnson are vocal proponents; some even invest in cutting-edge biohacking ventures

Ice baths: A cold plunge is said to boost mood, reduce inflammation, and earn some Instagram cred. Samantha Ruth Prabhu, Cristiano Ronaldo, and others have embraced the icy dip for health and hype

Infrared sauna: A glowing sweat session for detox, muscle relief, and patience. Lady Gaga and Selena Gomez are fans of this wellness ritual

6 There's a quiet crisis among mid-lifers, especially those between 45 and 55, who feel pressured to stay sexually vibrant, mentally sharp, and camera-ready. It's a psychological treadmill

– Dr Hemant Mittal, consultant psychiatrist

Gene tests start at ₹22,000, while epigenetic age testing begins at ₹47,000. But prices vary depending on the company

Source: Grand View Research

The global biohacking market is valued at \$24.61 billion in 2024 and is poised to grow at an impressive CAGR of 18.95% from 2025 to 2030*

According to reports, key drivers of this growth include the rise of wearable health trackers, genetic testing kits, smart devices, and apps that monitor and analyse biometric data*

6 Gyms were a luxury 30 years ago. So were aesthetic clinics. Now they're mainstream. The same will happen to biohacking and other modern wellness therapies with time

– Pallav Chordia, founder & CEO of a longevity company

Alia Bhatt swears by her Oura Band when it comes to monitoring her overall wellness. "It's beautiful, and I think it's been the most accurate way to monitor my sleep," Alia told *Vogue* in a video

The biohacking boom in India

"The trend took off post COVID," says Pallav Chordia, founder & CEO of a longevity brand. "The pandemic made people value health over material things. That's when we brought ice-bath tubs to India." Since then, his company has collaborated with anti-ageing clinics that assess biological age through blood tests and offer targeted interventions. He added that science is catching up fast. "Ageing is often accelerated by stress, poor sleep, and improper nutrition. If a test shows your biological age is speeding up, something's off. But you can intervene," Pallav points out that such therapies, once reserved for elite athletes, are now being used by celebs including Shah Rukh Khan, Vijay Deverakonda, Allu Arjun, and Shilpa Shetty.

Ram Gopal Varma slammed for inappropriate comment on Kiara Advani's War 2 bikini teaser

Filmmaker Ram Gopal Varma (RGV) came under fire on social media after posting a controversial comment alongside Kiara Advani's bikini photos from the recently released War 2 teaser. The statement sparked widespread outrage for its indecent nature, forcing RGV to

delete the post amid the backlash.

The teaser for War 2 dropped on Tuesday, creating a buzz as Hrithik Roshan and Jr NTR prepare to face off in the highly anticipated sequel. Alongside his commentary on the film, RGV shared an image of Kiara Advani donning a bikini from the teaser, captioning it: "Instead of our countries and societies, if the war between Hrithik and Jr NTR is on who gets her bk, then 2 will be a b*buster."

Social media users quickly condemned the remark, calling it disrespectful and sexist. The comment ignited a heated debate across platforms, including Reddit, where users expressed shock and disappointment.

One user wrote, "What the actual f**," while another commented, "And this is what he is uttering publicly... Can you imagine what he is like in private?" Others described RGV's behaviour as having "gone down bad sleazy levels" and labelled him a "creepazoid," criticizing his repeated inappropriate remarks.

Despite the uproar surrounding RGV's post, Kiara Advani remained positive and enthusiastic about her role in War 2. On Tuesday, she shared an Instagram Story listing several personal milestones connected to the film, including her first action film, first collaboration with stars Hrithik Roshan and Jr NTR, and notably, her first bikini shot.

Alongside a video, Kiara wrote: "Lots of firsts in this. First YRF film. First action film. First with these two amazing heroes. First collaboration with Ayan. And of course, first bikini shot."

ANANDITA GUPTA

WHEN you think of celebrity photography in India, one name flashes brighter than the rest—Dabboo Ratnani. With over 25 years of experience, he's not just a photographer, but a cultural icon. His annual calendar, launched in 2000, has featured everyone from Amitabh Bachchan and Shah Rukh Khan to Priyanka Chopra and Alia Bhatt, and is now archived in the Oxford library. He's been awarded the Dadasaheb Phalke Excellence Award, honoured by Giants International and seen judging shows like India's Next Top Model and MTV Made in India. But ask Dabboo, and he'll simply say, "I'm still that guy who just loves taking pictures."

A boy with big dreams
Dabboo didn't inherit a legacy—he built one. "I didn't come from a film background. But I came with love—for cinema, for faces and for stories," shares Dabboo. As a boy, he loved gadgets. His other love was flipping through magazines, mesmerised by cinematic stills. That fascination slowly bloomed into a curiosity when his father brought home a camera. "I knew I wanted to make people pause with a picture—to make them feel." That curiosity turned into a calling when he began assisting photographers like Sumeet Chopra. Slowly, frame by frame, he built a dream of his own.

The calendar that became a tradition
In the year 2000, when no one imagined a calendar could be more than a date-keeper, Dabboo redefined the idea. "I wanted to cre-

ate something India hadn't seen—portraits that had a soul. People thought I was crazy," he recalls. "They asked, who would buy a calendar of Bollywood portraits?" But his gut said otherwise.

With a single concept and a lot of courage, he shot his first celebrity calendar—and Bollywood never looked the same again.

Today, his calendar has become a collector's delight, and a moment stars wait for. "The calendar became a canvas," he says. "I wasn't just photographing people—I was telling stories."

It's all about the vibe
For Dabboo, photography is more about energy than equipment. "You can have the best camera, but if the vibe's off, nothing works," he explains. From Hrithik Roshan's brooding charm to Kiara Advani's freshness, Dabboo's portraits bring out a side rarely seen. "I don't want people to pose. I want them to feel free," he says. "That's when magic happens."

Behind the lens
What powers the man who powers Bollywood's most iconic shots? Family. "Manisha, my wife, is the silent force behind everything. She's my anchor," he smiles.

His children—Myrah, Kiara, and Shivaan—have grown up amidst lights, laughter and the scent of camera rolls. "Our calendar isn't just a professional project; it's our family's tradition. We create it together, pouring our hearts into it. That makes it magic."

Still dreaming, still clicking
Despite the global recognition, Dabboo remains refreshingly humble. "Even today, I get butterflies before a big shoot," he says. "That's how I know I still care." In an industry that's ever-changing, Dabboo's images stay timeless—because they carry heart. "I didn't chase fame," he reflects. "I just followed the light."

And that's the legacy he's still building—one frame, one feeling, one unforgettable moment at a time.

कियाय आइवाणी का बिकिनी लुक, 'वॉर 2' की स्टाइलिस्ट अनाइता ने की तारीफ

बॉलीवुड अभिनेत्री कियरा आइवाणी जल्द ही एक्शन फिल्म 'वॉर 2' में नज़र आएंगी। इसी बीच, फैशन स्टाइलिस्ट अनाइता शर्मा अदानीया ने कियरा की ज़रूरत तारीफ की है। हाल ही में रिलीज फिल्म के टीजर ने दर्शकों को उत्साहित कर दिया। ब्रिटिश रोलन और एनटीआर जुनियर को खनदार एक्शन के लिए खेती ने खुब पसंद किया। वहीं, कियरा आइवाणी ने बिकिनी में फुल के किनारे अपने परफेक्ट बॉडी परफेक्ट करते हुए धूम मचा दी। फिल्म में कियरा का लुक तैयार करने वाली अनाइता ने कहा,

"यह पहली बार था, जब मैंने कियरा को किसी फिल्म के लिए स्टाइल किया था और वह निर्देशन का लुक अत्यंत ही। मैंने पहले भी कई फिल्मों के लिए रिगमसुट स्टाइल किए हैं। मैंने हमेशा उन्हें अधिक सहाज मानसिकता के साथ देखा है। मेरे लिए, मैं उसके लिए जो सार्वजनिक वाइब चाहती थी, वह यह था कि हम समुद्र तट पर महिलाएं कैसे होती हैं, खुश, स्वयंपूर्ण, बिकिनी में पूरी तरह से खुद को, बिना इस बात पर ज़रा सोचे कि

यह किताब खेती का बाड़ा है, इस तरह की सहजता मुझे है।" यहां तक कि जब हम को डरिप हो रही थी, तब भी फैशन स्टाइलिस्ट ने अभिनेत्री से कहा कि वह इसे अपना लें, अपनी जगह पर रहें, अपना काम करें, न कि वह दिखाएं कि 'मैं रिगमसुट में हूँ, इसलिए मुझे अब सौम्य दिखना है।' अनाइता ने बताया कि फिल्म में कियरा के बिकिनी लुक के बारे में और भी बहुत कुछ देखने और ज़रूरत को मिलेगा। उन्होंने कहा, "कियरा के लिए, मैं एक असामान्य रंग, कुछ अदृश्यता चुनना चाहती थी। यह एक ऐसा शेड है, जिसे पहचानना मुश्किल है... बिल्कुल हरा नहीं, बिल्कुल पीला नहीं। यह कहीं बीच में है, एक लुचकना, लगभग अचानक बिजली जो तुरंत आपको अपनी ओर खींचता है।"

उन्होंने आगे कहा, "पहली बार हमने बिकिनी चारमै पेश किए हैं। मुझे यह पसंद है कि वह लुक में ठीक उतरी मस्ती और खनद जेड़ता है।" उन्होंने आगे कहा, "कियरा ने हमें बिल्कुल वैसा लुक देने के लिए बहुत मेहनत की, जैसा हम चाहते थे। मैं चाहती थी कि वह इतनी सहज महसूस करें कि उन्हें यह सोचने की ज़रूरत न पड़े कि वह किस तरह मुड़ रही हैं या क्या कर रही हैं।" चलचित्र फिल्म द्वारा निर्मित 'वॉर 2' 14 अगस्त को हिंदी, तमिल और तेलुगु में रिलीज होने वाली है।

चर्चा मानधनाची

मुंबई टाइम्स टीम

दोन दिवसांपूर्वी 'वॉर २' या सिनेमाचा टिझर आला. त्यातल्या प्रत्येक कलाकाराच्या लूकबद्दल बोललं जाऊ लागलं. आता चर्चा होतेय, ती कलाकारांच्या मानधनाची. हृतिक रोशन यानं सिनेमासाठी खूप मानधन घेतल्याचं आधीपासूनच बोललं जात होतं. त्यानं ४७ कोटी रुपये मानधन घेतलं असल्याची चर्चा असतानाच आता **कियारा अडवाणी**नं सिनेमासाठी किती पैसे घेतले याचा आकडाही समोर आला आहे. तिने 'वॉर २'साठी १५ कोटी रुपये मानधन घेतल्याचं बोललं जातंय. काही दिवसांपूर्वी दीपिकानं एका सिनेमासाठी तगडी रक्कम घेतल्याची बातमी समोर आली होती. आता तिच्यानंतर इतकं जास्त मानधन घेणाऱ्या अभिनेत्रींमध्ये कियाराचं नाव पुढे आलं आहे. अर्थात 'वॉर २' हा बिग बजेट सिनेमा असल्यामुळे त्यातले कलाकारही तसंच 'बिग' मानधन घेणार यात शंका नाही. ज्युनिअर एनटीआरनंही या सिनेमात खलनायक साकारण्यासाठी ३० कोटी घेतल्याचं बोललं जातंय.
