'I am not unconventional looking, Hrithik is'

Actor Nawazuddin Siddiqui says he enjoys the ability to merge with the crowd but that has also led to some funny situations like being stopped from entering the set of his own films.

Siddiqui said in the initial years, whenever he would approach people for auditions, they would tell him that he didn't look like an actor.

"I would get angry. You go to someone's office and introduce yourself as an actor and they would ask 'Who are you?' I would say I am an actor. They would be like, 'You don't look like one'," Siddiqui said during a session at the second edition of the Cinevesture International Film Festival.

"During interviews, they (journalists) would say, 'You are unconventional looking.' Bhai, how am I unconventional when crores of people look like me in India."

Hrithik gushes over girlfriend Saba's photoshoot

A ctor Hrithik Roshan couldn't help but gush over his girlfriend Saba Azad's latest glamorous photoshoot. The actor took to the comments section of Saba's post and praised her stunning look. Hrithik commented, "Beautiful," followed by a red heart emoji.

On Sunday, Saba took to her Instagram handle and shared a series of her alluring photos in a stylish white outfit. In the photos, she could be seen exuding glamour as she strikes different poses. Saba looked so hot in a white monokini paired with a chic frill jacket and long socks.

Notably, Hrithik Roshan often shows his support for Saba Azad by cheering her on and leaving sweet comments on her social media posts. Whether it's praising her work or simply showing admiration, the 'War' actor never misses an opportunity to express his love and appreciation for Saba. A few days ago, Saba dropped her photos in a black outfit, captioning, "studio day!!" Hrithik's cousin Pashmina Roshan commented, "Wow." For the unversed, Hrithik Roshan and Saba Azad's romance began to bloom in 2022. As per reports, their connection started on Twitter when the actor liked and shared a video of Saba collaborating with a rapper. In response, Saba thanked Hrithik, which led to them striking up a conversation. Their exchange marked the beginning of their love story.

The couple, often seen together at various events such as birthday parties, weddings, family brunches, and vacations, have become a regular sight in each other's lives. Recently, they celebrated their third anniversary, marking another milestone in their relationship. The Krrish actor took to his Instagram and shared a picture of himself with the actress-singer.
