Ice skaters dazzle for TN as state finishes 2nd in first leg

M.Sudharshan@timesofindia.com

Chennai: The Tamil Nadu contingent finished the first leg of the Khelo India Winter Games (KIWG) on a high in Ladakh. With five medals (three gold and two silver), TN are second on the table. On Sunday, TN's Avikshit Vijay clinched gold by clocking 51.45 seconds in the men's speed skating long track 500m event, while his state mate Selva Kumar (54.03s) came second. Later, D Yashashree (58s) added a gold to the state's tally in the women's speed skating long track 500m event.

Avikshit, who has won multiple medals in inline skating, participated in his maiden Winter Games. "It feels great to win a medal in a sport that is very underrated in the country. The condition in the final was not ideal as the ice was melting due to extreme heat. The level of competition was not high as several senior skaters are training for the Asian Winter Games," Avikshit told TOI.

Avikshit began to focus on ice skating only three months ago. In a short period of time, the 18-year-old adapted himself to the sport. "I wanted to try ice skating as it

has good potential and is an Olympic sport. The motivation to pick ice skating came when I saw many inline skaters training for ice skating competitions."

The youngster went on to add that there is not much difference between inline and ice skating. Many athletes train for inline skating during summer and then shift to ice skating in winter. "The technicalities are not very different. However, there are a few things which matter a lot; the way you push, the way you pull your leg over the other in the corners and the crosses (in ice skating). I was training under Olympian Gerd Cooper in the Netherlands, and he helped me improve."

Ladakh finish on top

In their second year as hosts, the Union Territory of Ladakh finished on top of the Khelo India Winter Games 2025, the first chapter of which ended at the NDS Stadium in Leh on Monday. Like always, the grand finale saw the mouth-watering men's ice hockey final and the Indian Army squeezed past ITBP 2-1 to retain the KIWG crown. The second and final phase of KIWG 2025 will be held in J&K's Gulmarg from February 22-25. Ladakh won two of the four gold medals decided on Monday. Their mixed relay quartet, comprising Stanzin Jampal, Skarma Tsultim, Mohammed Saquaf Raza, and Padma Angmo, clocked 3:02.19 secs to strike gold. Maharashtra (3:03.78 secs) and Telangana (3:04.85 secs) won silver and bronze, respectively. There was more joy for the local fans. In what was sweet revenge, Ladakh girls romped past fancied ITBP 4-0 to finish on top of the women's round-robin league at a packed NDS Stadium complex. Women's ice-hock-

Teenager Pranav Madav Surapaneni won a second gold medal for Telangana in the Khelo India Winter Games (KIWG) ice-skating competition — the 500m short track for men — held at Leh's NDS Stadium on Saturday.

Schoolboy Surapaneni clocked 56.86 seconds to win the 500m short track gold at the NDS complex. It was quite a tight race as No. 2 Samrudh SD of Karnataka (1:00.31) and No. 3 Sumit Tapkir of Maharashtra (1:00.58) were separated by micro seconds.

The 15-year-old further stated that his main goal is the Olympics, but before that, there's the world tour, the world championships, and the junior world championship to compete in. "It's a long journey ahead," he said.

On Friday, 15-year-old Nayana Sri Talluri had won Telangana's first gold medal, in the Women's 500-metre Ice Skating event.

Maharashtra and hosts Ladakh also won their first skating gold medals but it is Telangana who lead the medal tally. At the end of Day Three, Maharashtra were third with a total haul of five skating medals (one gold, one silver and three bronze) while Karnataka are second with three medals (one gold and two silvers), all from ice skating.

With Khelo India Winter Games-2025 (KIWG) kicking off in Leh on Thursday, Prime Minister Narendra Modi said his government's top priority is to develop sports across the country, especially in Jammu, Kashmir and Ladakh. The event's snow games will be held at 2,650-metre high Gulmarg.

ice-hockey match made for a crisp opening ceremony.

Mandaviya expressed his disappointment at missing the opening ceremony but cheered all the stakeholders saying that India was truly a "4D sports destination". He said, "If I talk of one and a great united India, then I also look at the diversity hidden in it and the benefits that come from it. Khelo India Winter Games 2025

Telangana's Nayana skates to gold in 500m short track

LEH (LADAKH)

TWO southern states – Telangana and Karnataka – stole the honours when a pair of speed-skating gold medals were decided on Day 2 of the Khelo India Winter Games (KIWG) 2025 here on Friday. Telangana's 15-year-old Nayana Sri Talluri won the first gold medal of KIWG 2025 and completed a 'hat-trick' when she sped to the women's 500m short track gold at the NDS Stadium.

Nayana, who had won the same medal in the under-17 category last year, was an emphatic winner, clocking 1:01.35 seconds, leaving in her wake the skaters from Karnataka and Maharashtra. She has won in KIWG 2023 in Gulmarg. Unlike KIWG 2024, where there were two skating categories – under-17 and 17 years plus – the skating competition this time is an open one. With several top Indian skaters away in

Korea and China to train for the Asian Winter Games in February, this year will see some of the best junior skaters in the country.

Nayana is one of them. She had won two gold medals in KIWG 2024 and then went on to win a 3000m women's relay gold at the 2024 Asian Open Short Track Speed Skating Cham-

pionship in Jakarta in August. She has been building on her exposure and experience. "(In Jakarta), there were participants from different countries, which is great, but playing in our own country feels entirely different. This year, I'm back on the ice for the first time, and it's a nostalgic feeling to be back in Ladakh. It's been a

hat-trick of gold medals for me since I won in Gulmarg in 2023. I feel super great about it," Nayana told SAI Media.

Khelo India Winter Games are not only about winning medals. It's about gaining experience and setting higher benchmarks. Although he did not win the gold medal in Leh, it

was quite a feeling for Guru Harshan H. of Tamil Nadu to finish second in his first long-track Khelo India Winter Games race.

The 14-year Harshan finished behind Karnataka's Harshith K., who won the second skating gold medal of the day at Gupuks Pond. Sachin Singh of Haryana finished third. Taking part in a long track race in an atmosphere he is not used to, Harshan's performance was definitely affected by Ladakh's thin air. "I could not give my best," said Harshan. He added that the Gupuk surface was difficult to manage as he was used to skating on artificial ice.

The ice hockey competition is also turning out to be a learning curve for teams like Haryana, Maharashtra, Chandigarh, and Rajasthan. The top teams like the Army, ITBP, and Ladakh have so far had smooth sailing in the competition. (IASI)

A cultural display and an exhibition ice-hockey match made for a crisp ceremony.

Mandaviya expressed his disappointment at missing the opening ceremony but encouraged all the stakeholders by stating that India was truly a "4D sports destination."

"If I talk of one and a great united India, then I also look at the diversity hidden in it and the benefits that come from it.

"Currently we are in Leh, we can hold the Winter Games here due to the prevalent weather conditions. If we go towards the Northeast, it's a great region for the development of adventure sports," he said.

"Going forward, we will explore the immense possibilities of beach games in south India, we will see all our other popular games being organised on the west coast. This tells us that we are a 4D Nation in terms of sports," Mandaviya added.

Sports Minister Mansukh Mandaviya is set to declare the Games open in Leh on Thursday.

Nineteen teams, comprising states, Union Territories, and institutional outfits, will compete over five days across two events – ice hockey and ice skating – marking the first part of KIWG 2025.

A traditional Ladakhi-style opening ceremony has been planned to welcome 594 participants, including 428 athletes.

The second part, featuring snow games like skiing, will be hosted by Jammu and Kashmir from February 22 to 25.

"Sports Minister will attend the opening ceremony at the iconic Nawang Dorjay Stobdan Sports Complex in Leh on Thursday and will declare the games open," an official spokesperson said.

Mandaviya will be joined by a host of dignitaries, including the Lieutenant Governor of Ladakh, Brigadier Dr BD Mishra, and senior officials from the

Sports Authority of India and the Ladakh Autonomous Hill Development Council.

This will be the second time Ladakh hosts the Winter Games, now in its fifth edition, the spokesperson said.

"All teams have arrived in Leh, which is at an altitude of 11,562 feet. Himachal Pradesh has the largest contingent, comprising 78 athletes and support staff," he added.

Haryana (62), hosts Ladakh (52), and Maharashtra (48) will compete in the Ladakh edition. Uttarakhand, which will host the National Games later this

month, has the smallest team, comprising just one athlete.

The fifth edition of the Khelo India Winter Games will be held across two phases in Ladakh and Jammu & Kashmir, from January 23 to 27 and February 22 to 25, respectively, covering two ice and four snow disciplines, the spokesperson said.

Apart from identifying talent, the Khelo India Winter Games aim to showcase a region's art, culture, heritage, and promote tourism through sports. Several young skaters will compete at the Nawang Dorjay

Stobdan Sports Complex and Gupuks Pond, the venues for short- and long-form skating events.

Ice hockey matches will be played at the NDS Complex and the Ladakh Scouts Regimental Centre.

The technical conduct of the events will be supervised by the Sports Authority of India (SAI) with support from national sports federations.

The KIWG opening ceremony will be covered live by Doordarshan Sports, and events will be live-streamed daily until January 27.

In KIWG 2024, Maharashtra won 20 skating medals, including six golds.

Karnataka also secured six golds but finished second with eight total medals, compared to Maharashtra's 20. Hosts Ladakh, who made history with two Khelo India golds in speed skating, finished third with 13 medals overall.

The ice hockey competition is expected to be fiercely contested, with teams from the Army, ITBP, Himachal Pradesh, and UT-Ladakh vying for supremacy.

The Army, defending men's champions, and ITBP, reigning women's titleholders, have dominated national and Khelo India Winter Games events.

Skater Shruti Kotwal hopes to qualify for Winter Olympics through AWG

PTI ■ NEW DELHI

Indian skater Shruti Kotwal has set her sights on the Asian Winter Games (AWG) in Harbin, China, next month as a platform to qualify for the 2026 Winter Olympics to be held in Italy. Kotwal, who is training in the United States, will be leading the country's 41-member athlete contingent in the AWG to be held from February 7 to 14.

Kotwal said the AWG will be a big opportunity for her to test herself against the best skaters in the world.

"I'm focusing on the 500m and 1000m events for Olympic qualification. The timing requirements are incredibly challenging - sub-40 seconds for the 500m and under 1:20 for the 1000m. My Indian national record is 41.97 seconds and I need to skate under 40 seconds to qualify," Kotwal told SAI Media. This will be Kotwal's

second appearance in the AWG after 2017, when the Asian meet was held in Japan.

"Countries like South Korea, Japan, and China consistently produce strong skaters who are technically and physically exceptional. I've faced some of these competitors in previous events and understand their strengths. It's a tough field," said the 33-year-old from Pune. Several Indian speed skaters are training in Korea

for AWG and contestants from at least 24 nations are expected to take part in the continental event.

Kotwal said the Khelo India Winter Games have been an ideal platform for skaters aspiring to make a mark at the international level.

"Khelo India Winter Games brings everybody together. It really helps to promote the sport. We didn't have that when we started and I think the skaters now are very lucky," said Kotal.

Speedskater Shruti aims for 2026 Winter Olympics

STATESMAN NEWS SERVICE
NEW DELHI, 20 JANUARY

India's first professional woman speed skater Shruti Kotwal, who will be leading India's charge in the Asian Winter Games (AWG) in Harbin, China from 7-14 February, has her eyes set on qualifying for the 2026 Winter Olympics.

The AWG will be a big opportunity for Shruti to test herself against the best skaters in the world and qualify for the 2026 Winter Olympics. "I'm focusing on the 500m and 1000m events for Olympic qualification. The timing requirements are incredibly challenging — sub-40 seconds for the 500m and under 1:20 for the 1000m.

"My Indian national record is 41.97 seconds and I need to skate under 40 seconds to qualify," Shruti told SAI Media.

The sports ministry has cleared a squad of 41 athletes for AWG. These include speed

skaters and their support staff. For Shruti, this will be her second appearance in the AWG after 2017, when the Asian meet was last held in Japan.

"This will be my second Asian Winter Games and I'm thrilled to compete again. Countries like South Korea, Japan, and China consistently produce strong skaters who are technically and physically exceptional. I've faced some of these competitors in previous events and understand their strengths. It's a tough field, but I see every race as an opportunity to push my limits and improve my performance," she said.

Shruti is currently training at the Utah Olympic Oval in the US. Training at this indoor speed skating centre, which was built for the 2002 Winter Olympics, has played a major role in her career.

"Training in the US, especially at facilities like the Utah Olympic Oval, has been a game-changer.

The exposure to world-class coaches, advanced training methodologies, and access to one of the fastest ice tracks in the world has significantly improved my technique, endurance, and speed.

"Competing with and observing some of the best skaters here has pushed me to refine my skills and understand the finer details of the sport. The environment has been incredibly motivating and challenging which has accelerated my progress," said Shruti.

This will be the first time in China that India will be represented by such a large contingent of skaters. In 2017, there were just three athletes, all skaters. Several Indian speed skaters are training in Korea for Harbin 2025. At least 24 nations will take part in AWG.

Shruti will have her eyes on the upcoming Khelo India Winter Games 2025 in Ladakh even as she trains in the United States for the Asian Winter Games. India's first professional woman speed skater took part in KIWG last year and produced some standout performances in her maiden appearance at these Games.

Shruti said the Khelo India Winter Games have been the ideal platform for skaters aspiring to make a mark in international tournaments. "Khelo India Winter Games brings everybody together. It really helps to promote the sport. We didn't have that when we started and I think the skaters now are very lucky," said Shruti.

जम्मू-कश्मीर और लद्दाख में खेल का विकास करना हमारी सरकार की प्राथमिकता : प्रधानमंत्री मोदी

लेह, (भाषा)। प्रधानमंत्री नरेंद्र मोदी ने बृहस्पतिवार को कहा कि उनकी सरकार की प्राथमिकता देश भर में विशेषकर जम्मू-कश्मीर और केंद्र शासित प्रदेश लद्दाख में खेलों का विकास करना है। यहां खेलो इंडिया शीतकालीन खेल 2025 के उद्घाटन समारोह के दौरान एक संदेश में मोदी ने पूरे भारत में खेल गतिविधियों को फैलाने के लिए सरकार की प्रतिबद्धता दोहराई और कहा कि कैसे लद्दाख और जम्मू-कश्मीर ने सिर्फ हमारे देश में खेल की संस्कृति को ही आगे नहीं बढ़ाया है बल्कि पर्यटन को भी बढ़ावा दिया है जो देश की सुंदरता और विविधता को प्रदर्शित करता है।

प्रधानमंत्री मोदी ने कहा, हमारी सरकार लद्दाख और जम्मू-कश्मीर में खेल विकास को पहली प्राथमिकता देती है। जम्मू-कश्मीर में 100 खेलो इंडिया केंद्रों और लद्दाख में तीन केंद्रों से हमारे प्रयास इस क्षेत्र को खेल उत्कृष्टता के केंद्र के रूप में आकार दे रहे हैं। उन्होंने कहा, खेलो इंडिया शीतकालीन खेल 2025 हमारी खेल उत्कृष्टता को अगले स्तर तक ले जाने में महत्वपूर्ण भूमिका निभाएगा। बर्फीली सुबह में खेलो इंडिया शीतकालीन खेल 2025 का बृहस्पतिवार को यहां प्रतिष्ठित एनडीएस स्टेडियम में शानदार

आगाज हुआ। खेलो इंडिया शीतकालीन खेल 2025 का पहला हिस्सा 27 जनवरी तक केंद्र शासित प्रदेश लद्दाख द्वारा आयोजित किया जा रहा है। केंद्र शासित प्रदेश जम्मू और कश्मीर 22-25 फरवरी तक इन खेलों के दूसरे चरण की मेजबानी करेगा। दिल्ली से आने वाली फ्लाइट खराब मौसम के कारण लेह के कुशोक बकुला रिम्पोछे हवाई अड्डे पर नहीं उतर सकी जिसमें खेल मंत्री मनसुख मांडविया आ रहे थे जिन्हें इन खेलों के उद्घाटन समारोह में शामिल होना था। उद्घाटन समारोह में लद्दाख के उपराज्यपाल ब्रिगेडियर डॉ बीडी मिश्रा सहित कई गणमान्य व्यक्ति मौजूद थे। मांडविया ने उद्घाटन समारोह में शामिल नहीं हो पाने पर निराशा व्यक्त की लेकिन सभी हितधारकों को प्रोत्साहित किया। खेलो इंडिया शीतकालीन खेल 2025 की शुरुआत बृहस्पतिवार को एनडीएस परिसर और लद्दाख स्काउट्स रेजिमेंटल सेंटर में आइस हॉकी मैचों के साथ हुई। राज्यों, केंद्र शासित प्रदेशों और सेना और आईटीबीपी जैसे संस्थागत संगठनों से बनी उन्नीस टीमों इसमें प्रतिस्पर्धा कर रही है। यह दूसरी बार है जब लद्दाख शीतकालीन खेलों की मेजबानी कर रहा है। यह टूर्नामेंट का पांचवां चरण है।

शीतकालीन खेल : तेलंगाना
पदक तालिका में शीर्ष पर

लेह। प्रणव माधव सुरपनेनी ने खेलो इंडिया शीतकालीन खेलों की 'आइस स्केटिंग' स्पर्धा में तेलंगाना को दूसरा स्वर्ण पदक दिलाया लेकिन शनिवार को भारतीय सेना और आईटीवीपी के बीच 'आइस हॉकी' लीग मैच पर दिलचस्पी रखी। भारत-तिब्बत सीमा पुलिस (आईटीवीपी) के लिए स्टैनजिन मिगुरे ने अंतिम 10 मिनट में लगातार दो गोल जिससे टीम ने भारतीय सेना पर 3-1 की रोमांचक जीत दर्ज की। इस 'आइस हॉकी' मैच के लिए 5000 दर्शकों की क्षमता वाला एनडीएस खेल परिसर भरा था। हमेशा की तरह इसमें सेना के जवान बैठे हुए थे जो जैतून के हरे रंग की पोशाक पहने अपनी टीम का समर्थन कर रहे थे। लेकिन मोहम्मद इस्माइल ने मैच के दूसरे मिनट में आईटीवीपी के लिए पहला गोल कर बढ़त दिलाई।
