Oil Min Demands \$2.8 b from RIL, Partners in Gas Drilling Dispute

Co to challenge HC judgment in case related to alleged gas migration from ONGC's blocks

Our Bureau

Mumbai: Reliance Industries said the oil ministry has asked the company and its partners BP Exploration and NIKO Ltd to pay \$2.81 billion following a court order in a gas drilling dispute.

Reliance is taking steps to challenge the judgement of the Delhi High Court and does not expect any liability, the company said Tuesday in a statement filed with the stock exchanges. The company has been legally advised that "the judgement and this provisional demand are unsustainable", Reliance said.

The Ministry of Petroleum and Natural Gas' demand stems from a case dating back to 2016, when the

government first issued a notice to Reliance and its partners, demanding about \$1.55 billion for alleged gas migration from ONGC's blocks off the eastern coast.

Reliance contested the claim and initiated international arbitration in 2018. The arbitration panel ruled in Reliance's favour, awarding it about \$1.55 billion.

However, the ministry appealed the decision. While a single judge bench of the Delhi HC dismissed the appeal in May 2023, the government filed another appeal before a division bench, which in February 2025 overturned the earlier ruling, invalidating the company's arbitration victory, leading the ministry to issue a fresh demand for \$2.81 billion.

RIL gets \$2.81 bn demand notice from oil ministry

Mukesh Ambani-promoted Reliance Industries (RIL) on Tuesday informed exchanges that it has received a \$2.81 billion demand notice from the oil ministry over the long-pending gas dispute related to its KG-D6 operations.

RIL gets \$2.8 bn demand notice from oil ministry

Case relates to long-pending gas dispute over KG-D6 operations

AMRITHA PILLAY
Mumbai, 4 March

Mukesh Ambani-promoted Reliance Industries (RIL) on Tuesday informed exchanges that it has received a \$2.81 billion demand notice from the oil ministry over the long-pending gas dispute related to its KG-D6 operations.

In another stock exchange announcement, RIL also said its new energy business wholly-owned subsidiary has received a letter from the Ministry of Heavy Industries (MHI) levying liquidated damages related to its battery project. Regarding the gas dispute, RIL said the Ministry of Petroleum and Natural Gas has raised a demand of \$2.81 billion on the production sharing contract contractors — RIL, BP Exploration (Alpha), and Niko (Neco). RIL said it received the letter on Monday.

The demand notice follows a February 14 Delhi High Court (HC) order, in which a division Bench reversed the order of a single judge passed in May 2023. The May 2023 order had dismissed the Government of India's (GoI's) appeal challenging a previous arbitral award.

On Tuesday, RIL said that the company is "legally advised that the Division Bench judgment and this provisional demand are unsustainable". In July 2018, RIL won an arbitral award against the GoI's claim

CASE FILE

July 2018: RIL won an arbitral award against GoI's \$1.55 billion claim on the KG-D6 Consortium on account of alleged gas migration from ONGC's blocks

May 2023: Single Judge of Delhi Court dismissed GoI appeal challenging a previous arbitral award

February 2025: The Division Bench of the Delhi High Court reversed the order from a single judge of the Delhi High Court

March 2025: RIL, partners receive \$2.81 billion demand notice from GoI over gas dispute

on the KG-D6 consortium for roughly \$1.55 billion, related to alleged gas migration from Oil and Natural Gas Corporation's blocks.

RIL said it is taking steps to challenge the judgment of the division Bench of the Delhi HC. "The company does not expect any liability on this account," it added.

"It is quite interesting to note that claims are being made against the consortium of RIL when, in fact, it appears that there is no order in favour of the Union of India, sustained by any court of law, to make claims against the consortium of RIL," said Shrenik Gandhi, managing partner, Chambers of Shrenik Gandhi. "If at all the claims of the Union of India are to be established against the consortium of RIL, the only option appears to be a re-trial before the arbitral tribunal. It is unlikely that any court would itself adjudicate/re-adjudicate the alleged disputes," Gandhi added.

In a separate notification, RIL also informed exchanges that Reliance New Energy Battery Storage (RNEBSL), a step-down wholly owned subsidiary of the company, received a letter from the MHI on Monday.

The MHI letter, RIL said, refers to levying liquidated damages at the rate of 0.1 per cent of the performance security (₹50 crore) for each day of delay from January 1, 2025. The delays pertain to the achievement of the first milestone under the programme agreement executed with MHI for 5 gigawatt-hour manufacturing capacity. This capacity was awarded under the performance-linked incentive (PLI) scheme for advanced chemistry cell.

RIL said the liquidated damages computed until March 3 add up to ₹3.1 crore.

RIL said the liquidated damages computed until March 3 add up to ₹3.1 crore.

Firms with gap between earnings growth, P/E multiples hardest hit

"The erosion in the billion-dollar club mirrors the broader contraction in total market capitalisation. However, the scale of this wealth destruction is both sudden and sweeping," said Chokkalingam G, founder of Equinomics. "Companies with a significant gap between earnings growth and price-to-earnings multiples have been hardest hit."

In every bull run, certain stocks benefit from euphoria-driven valuations. "When a correction sets in, investors often hold onto these stocks instead of cutting losses. Yet, even quality stocks are not immune to selling pressure during a rout," he explained.

FPIs have been reallocating capital to the more attractively valued Chinese equity market, spurred by Beijing's stimulus measures. Additionally, Donald Trump's victory in the US presidential election has raised concerns over shifts in US trade policy, leading to higher US bond yields and a stronger dollar. These factors have prompted FPIs to reduce their exposure to emerging markets like India. The imposition

of trade tariffs following Trump's inauguration further rattled investors, accelerating the exodus from risk assets.

Since the Nifty's peak on September 26, 2024, the index has fallen by 15.8 per cent, while total market capitalisation has declined by ₹93 trillion, or 19.4 per cent.

The recovery of stocks that have lost value will depend on company fundamentals and broader market trends.

"Corporate profit expectations surged during the bull run, but disappointment has led to sharp corrections. With earnings downgrades, expectations have now tempered," said Ambareesh Baliga, an independent equity analyst.

A market rebound could be driven by stronger-than-expected corporate profits, rate cuts, improved macroeconomic indicators, or stability in trade policy. "This is an opportune time for investors to review portfolios and weed out underperformers," said Baliga, adding when the markets recover, investors can expect to recoup losses in quality stocks.

Govt seeks \$2.81 bn from RIL, BP, Niko

Reliance Industries Ltd (RIL) said the petroleum and natural gas ministry has raised a demand of \$2.81 billion from the company, BP Exploration and Niko in a gas drilling dispute case.

On 14 February, a division bench at Delhi High Court ruled against Reliance and its partners in a dispute regarding extraction of gas in a deepwater field in India's KG D6 block in the Krishna Godavari basin in the eastern coast.

The firm has been legally advised that the division bench judgment and this provisional demand are unsustainable and is taking steps to challenge the judgment, Reliance said, adding it does not expect any liability due to this case.

The Indian government in 2016 sent a notice to Reliance and its partners, asking to deposit about \$1.55 billion on account of alleged gas migration from nearby blocks of state-run ONGC. **REUTERS**

RIL, partners get \$2.8-bn demand notice from govt

ARUNIMA BHARADWAJ
New Delhi, March 4

THE MINISTRY OF petroleum and natural gas has raised a demand of \$2.81 billion from Reliance Industries (RIL), BP Exploration (Alpha) and NIKO (NECO) over the long-running gas dispute, alleging migration of gas from state-owned ONGC's blocks to RIL's in the Krishna Godavari (KG) basin.

The ministry's demand came after the Delhi High Court overturned a 2018 international arbitration tribunal ruling that had favoured Reliance Industries in the gas migration dispute. The court set aside both the May 2023 single bench ruling and the arbitral award, calling them "contrary to the settled position of law".

"Consequent upon the Division Bench judgment, the Ministry of Petroleum and Natural Gas has raised a demand of \$2.81 billion on the PSC Contractors namely Reliance Industries Limited, BP Exploration (Alpha) Limited and NIKO (NECO) Limited. The letter of demand was received by the company at 11:30 am on March 3, 2025," the company said in a stock exchange filing.

The company said that it is legally advised that the division bench judgment and this provisional demand are 'unsustainable'. "The company is taking steps to challenge the judgment of the division bench of the Delhi High Court. The company does not expect any liability on this account," it added.

CASE FILE

■ Centre alleges migration of gas from ONGC's blocks to RIL blocks in the KG basin

■ ONGC had argued at least four wells that RIL drilled in its KG-D6 block drew natural gas from the neighbouring block

■ HC overturns a 2018 international arbitration tribunal ruling that had favoured RIL in the dispute

■ HC sets aside both the May 2023 single bench ruling and the arbitral award

The conflict arose when in 2013, ONGC claimed that RIL had illegally extracted natural gas from its blocks adjacent to the latter's in the KG basin. It accused RIL of drilling wells near the boundaries of its hydrocarbon blocks which allowed gas to flow from ONGC's fields to RIL's KG-D6 block between 2009-2013, leading to the latter's "unjust enrichment."

Following this, the oil ministry sought disgorgement from RIL and its partners BP and Niko Resources, demanding around \$1.5 billion, along with an additional \$174 million in interest. RIL had in response invoked the arbitration clause.

RIL faces \$2.81 b demand from Oil Ministry in KG gas migration dispute case

Our Bureau
New Delhi

Reliance Industries (RIL) said on Tuesday that the Ministry of Petroleum & Natural Gas (MoPNG) had raised a demand of \$2.81 billion in the long-running Krishna Godavari (KG) basin gas migration dispute case.

RIL said it had won an arbitral award issued by an eminent international arbitration panel on July 24, 2018, against the Government of India's claim on the KG-D6 consortium for around \$1.55 billion related to alleged gas migration from ONGC's blocks.

VERDICT OVERTURNED

A single judge of the Delhi High Court, on May 9, 2023, dismissed the GoI's appeal challenging the arbitral award. The government filed an appeal before the Division Bench of the Delhi High Court. The Division Bench, however, overturned the judgment of the single judge, it added.

"Consequent upon the above-mentioned Division Bench judgment, the MoPNG has raised a demand of \$2.81 billion on the pro-

A single judge of the Delhi High Court, on May 9, 2023, dismissed the GoI's appeal challenging the arbitral award

duction sharing contractors, namely Reliance Industries, BP Exploration (Alpha) and NIKO (NECO). The letter of demand was received by the company on March 3, 2025," it said in a filing to the BSE.

Reliance said it has been legally advised that the Division Bench judgment and this provisional demand are "unsustainable".

LEGAL CHALLENGE

"The company is taking steps to challenge the judgment of the Division Bench of the Delhi High Court. The company does not expect any liability on this account," it added.

Centre slaps ₹24,500-cr penalty on Reliance, BP

It's for gains made from selling natural gas migrated from ONGC block in KG basin

Legal Tussle

- Intl arbitration tribunal favoured RIL-BP
- It said they're not responsible for paying any compensation
- Govt demand payment for selling migrated gas
- Delhi High Court overturned tribunal's decision on Feb 14
- Hence, govt issued demand notice to RIL-BP

NEW DELHI

THE government has slapped a \$2.81 billion (Rs24,500 cr) demand notice on Reliance Industries Ltd (RIL) and its partners, including BP Plc for gains made from producing and selling natural gas that may have migrated from neighbouring block of state-owned ONGC.

This follows the Delhi High Court's decision on February 14, overturning an international arbitration tribunal ruling that held the duo not responsible for paying any compensation for the gas they produced and sold which had allegedly migrated from adjoining fields.

"Consequent upon the Division Bench judgment, the Ministry of Petroleum and Natural Gas has raised a demand of \$2.81 billion on the PSC contractors namely

Reliance Industries Ltd, BP Exploration (Alpha) Ltd and NIKO (NECO) Ltd," Reliance said in a stock exchange filing.

Originally, Reliance held 60 per cent interest in Krishna Godavari basin deep-sea block KG-DWN-98/3 or KG-D6 while BP had 30 per cent and Canadian firm Niko held the remaining 10 per cent. Subsequently, Reliance and BP took over Niko's interest in the production sharing contract (PSC) and now hold 66.66 per cent and 33.33 per cent, respectively.

Penalty for missing battery deadline

The government has slapped a penalty on a unit of RIL for failing to meet the deadline for setting up a battery cell plant for which it was granted PLI, the firm said on Tuesday.

In a stock exchange filing, Reliance said its step-down subsidiary, Reliance New Energy Battery Storage Ltd on March 3 received a letter from the Ministry of Heavy Industries levying liquidated damages at the rate of 0.1 per cent of the performance security (Rs50 cr) for each day of delay.

RIL stock tumbles 1% amid Delhi HC's ruling

MUMBAI:

Shares of Reliance Industries Limited continued to slide on Tuesday, following

a ruling from the Delhi High Court that reversed a previous judgment. Amid the legal uncertainty, the company's shares dropped by as much as 1 per cent, reaching Rs 1,159.55 per share during the intra-day trade.

This ruling concerns an arbitral award won by Reliance, along with BP Exploration (Alpha) Limited and NIKO (NECO) Limited, in a dispute with the government over alleged gas migration from ONGC's blocks in the KG-D6 area.

In the original case, the government accused the consortium of causing gas migration, which led to a demand for compensation of \$1.55 billion. On May 9, 2023, a single-judge bench of the Delhi High Court dismissed the government's appeal, upholding the arbitral award in favour of the consortium.

रिलायंस को 24,500 करोड़ रु. का मांग नोटिस

सरकार ने अपने क्षेत्र के पास स्थित गैस ब्लॉक से प्राकृतिक गैस के उत्पादन और बिक्री से हुए लाभ पर रिलायंस इंडस्ट्रीज और उसकी साझेदार फर्म बीपी पर 2.81 अरब डॉलर (24,500 करोड़ रुपये) की मांग का नोटिस भेजा है। सरकार ने यह नोटिस 14 फरवरी को आए दिल्ली उच्च न्यायालय के फैसले के बाद भेजा है। पृष्ठ 3

गैस विवाद पर झटका

रिलायंस इंडस्ट्रीज को 2.81 अरब डॉलर का नोटिस

यह डिमांड नोटिस 14 फरवरी के दिल्ली उच्च न्यायालय के हालिया आदेश के बाद दिया गया

अमृता पिल्लै
मुंबई, 4 मार्च

मुकेश अंबानी की रिलायंस इंडस्ट्रीज (आरआईएल) ने मंगलवार को एक्सचेंजों को बताया कि उसे केजी-डी6 परिचालन से जुड़े अरसे से लंबित गैस विवाद पर तेल मंत्रालय से 2.81 अरब डॉलर का नोटिस मिला है। स्टॉक एक्सचेंज को दी गई एक अन्य घोषणा में आरआईएल ने यह भी कहा कि उसकी नई ऊर्जा कारोबार वाली पूर्ण स्वामित्व वाली सहायक कंपनी को भारी उद्योग मंत्रालय (एमएचआई) से पत्र मिला है, जो बैटरी परियोजना से संबंधित क्षतिपूर्ति के बारे में है।

गैस विवाद पर आरआईएल ने कहा कि पेट्रोलियम और प्राकृतिक गैस मंत्रालय ने प्रोक्डेशन शेयरिंग कॉन्ट्रैक्ट (पीएससी) ठेकेदारों - आरआईएल, बीपी एक्सप्लोरेशन (अल्फा) लिमिटेड और निको (एनईसीओ) लिमिटेड से 2.81 अरब अमेरिकी डॉलर की मांग की है। आरआईएल ने कहा कि उसे इस संबंध में सोमवार को पत्र मिला।

यह डिमांड नोटिस 14 फरवरी

को दिल्ली उच्च न्यायालय के एक हालिया आदेश के बाद जारी किया गया है जिसमें दिल्ली उच्च न्यायालय के खंडपीठ ने मई 2023 में पारित दिल्ली उच्च न्यायालय के एकल न्यायाधीश के आदेश को उलट दिया था। मई, 2023 के आदेश में पिछले मध्यस्थता फैसले को चुनौती देने वाली भारत सरकार की अपील को खारिज कर दिया गया था। आरआईएल ने मंगलवार को कहा कि कंपनी को 'कानूनी तौर पर सलाह दी गई है कि डिवीजन बेंच का फैसला और यह मांग अस्थायी है।'

जुलाई 2018 में, आरआईएल ने ओएनजीसी के ब्लॉकों से कथित गैस आपूर्ति के कारण केजी-डी6 कंसोर्टियम पर भारत सरकार के दावे के खिलाफ लगभग 1.55 अरब अमेरिकी डॉलर की राशि के लिए मध्यस्थता मामला जीता था।

आरआईएल ने कहा कि वह दिल्ली उच्च न्यायालय के खंडपीठ के निर्णय को चुनौती देने के लिए कदम उठा रही है। आरआईएल ने कहा, 'कंपनी को इस मामले में किसी तरह की देनदारी की उम्मीद नहीं है।'

चैंबर्स ऑफ श्रेणिक गांधी के मैनेजिंग पार्टनर श्रेणिक गांधी ने कहा, 'यह काफी दिलचस्प है कि आरआईएल के कंसोर्टियम के खिलाफ दावे किए जा रहे हैं जबकि वास्तव में ऐसा प्रतीत होता है कि भारत सरकार के पक्ष में कोई आदेश नहीं है और आरआईएल के कंसोर्टियम के खिलाफ दावा करने के लिए किसी भी कानून की अदालत द्वारा इस आदेश को बरकरार रखा गया है।'

एक अलग अधिसूचना में आरआईएल ने एक्सचेंजों को यह भी बताया कि कंपनी की पूर्ण स्वामित्व वाली सहायक कंपनी रिलायंस न्यू एनर्जी बैटरी स्टोरेज लिमिटेड (आरएनईबीएसएल) को सोमवार को भारी उद्योग मंत्रालय (एमएचआई) से एक पत्र मिला।

मंगलवार को, आरआईएल का शेयर लगातार दूसरे दिन गिरावट के साथ बंद हुआ। यह शेयर अपने पिछले बंद भाव से 0.8 फीसदी गिरकर 1,161.70 रुपये पर बंद हुआ। सोमवार को आरआईएल के शेयर में 2.4 फीसदी की गिरावट आई थी।

Oil min slaps \$2.8bn demand on RIL-BP

Consortium Gears Up To Challenge Delhi HC Order Upholding Govt's Claim In SC

Sanjay.Dutta@timesofindia.com

New Delhi: The oil ministry has slapped a demand for \$2.8 billion on Mukesh Ambani-led Reliance Industries and its partner BP operating the KG-D6 block off the Andhra coast, even as the consortium prepares to challenge a Delhi High Court order upholding the govt's claim in a decade-old battle that has come to be known as the 'gas siphon case'.

The ministry sent the notice on Monday, days after a division bench of the high court last month quashed an earlier single-judge order that had upheld an international arbitration award in RIL-BP's favour and rejected the govt's claim.

The case began in 2014 when state-run ONGC moved court, alleging RIL-BP was extracting gas that had migrated from its IG and KG-DWN-98/2 blocks adjacent to the KG-D6 block.

Soon thereafter, the ministry raised a demand of \$1.6 billion in cost, including interest, and \$175 million as additional cumulative 'profit petroleum' payable till March 31, 2016, for what an independent committee under retired Delhi HC chief justice

'GAS SIPHON' CASE

> The case began in 2014 when ONGC moved court

> The state-run company alleged that RIL-BP was extracting gas that had migrated from its IG and KG-DWN-98/2 blocks adjacent to the KG-D6 block

> The ministry raised a demand of \$1.6 billion in cost, including interest and

\$175 million as additional cumulative 'profit petroleum' payable till March 31, 2016

> RIL-BP consortium launched an arbitration against the claim

> Govt approached Delhi high court in 2018 after the arbitration panel struck down its claim, after rejecting charge of unjust enrichment by RIL-BP

AP Shah described as RIL-BP's "unjust enrichment" by producing the migrated gas.

The consortium launched an arbitration against the claim. The govt in 2018 approached the Delhi High Court after the arbitration panel rejected the charge of unjust enrichment by RIL-BP and struck down its claim.

A single-judge bench of justice Anup Jairam Bhambhani on May 9, 2023 upheld the arbitration award and rejected govt's claim.

Last month, the division bench of justices Rekha Palli and Saurabh Banerjee quashed that order and rejected the international arbitration tribunal's ruling in favour of RIL-BP.

ur of RIL-BP.

The consortium, however, does not see any immediate liability arising from the ministry's demand note since it is challenging the latest Delhi High Court order in the Supreme Court, the company said in a stock exchange filing on Tuesday.

Originally, Reliance held 60% interest in Krishna Godavari basin deep-sea block KG-DWN-98/3 or KG-D6, while BP had 30% and Canadian firm Niko held the remaining 10%. Subsequently, Reliance and BP took over Niko's interest in the production sharing contract (PSC) and now hold 67% and 33%, respectively.

NATURAL GAS MIGRATION DISPUTE

Govt slaps RIL, partners with \$2.8-billion demand notice in decade-old case

SUKALP SHARMA
NEW DELHI, MARCH 4

FOLLOWING A FAVOURABLE order from the Delhi High Court in an old natural gas migration dispute, the government has raised a demand of \$2.81 billion on Reliance Industries (RIL) and its partners, the refining-to-telecom conglomerate announced Tuesday. RIL said that it is legally advised that the Delhi High Court judgement and this provisional demand raised by the Petroleum Ministry are "unsustainable", and the company is taking steps to challenge the judgement. The conglomerate added that it does not expect any liability on account of the demand notice.

On February 14, the Division Bench of the Delhi HC had overturned the ruling of an international arbitration tribunal that had held that RIL and its partner BP were not liable to pay any compensation to the government for the natural gas they sold from their KG-D6 block in the Bay of Bengal. The government had contended that part of the gas that RIL and BP sold from the block had in fact been extracted from state-owned Oil and Natural Gas Corporation's (ONGC) adjoining block KG-DWN-98/2.

In 2016, the government had raised a demand of \$1.55 billion on RIL and its partners for sale of gas that allegedly migrated from ONGC's block. RIL took the case to an international arbitral tribunal, which ruled in its favour in 2018. Five years later, in 2023, the government appealed the arbitral award before the Delhi HC. While at first a single judge ruling of the court upheld the arbitral award, upon appeal, the Division Bench set aside that order and ruled in favour of the government.

ONGC had argued that at least four wells that Reliance Industries drilled in its KG-D6 block drew natural gas from the neighbouring block.

Express File

"Consequent upon the abovementioned Division Bench judgment, the Ministry of Petroleum and Natural Gas has raised a demand of US \$2.81 billion on the PSC (production sharing contract) Contractors namely Reliance Industries Ltd, BP Exploration (Alpha) Ltd and NIKO (NECO) Ltd. The letter of demand was received by the Company at 11:30 am on March 3, 2025," RIL said Tuesday in a stock exchange filing.

"The Company is legally advised that the Division Bench judgment and this provisional demand are unsustainable. The Company is taking steps to challenge the judgment of Division Bench of Hon'ble Delhi High Court. The Company does not expect any liability on this account," RIL added.

Earlier, RIL had 60 per cent stake in the deep-water block KG-D6, while UK-based BP and Canada's Niko held 30 per cent and 10 per cent interest, respectively. Later, however, Niko exited the block, which led to RIL's interest rising to 66.6 per cent and that of BP rising to 33.3 per cent.

The dispute first came to light over a decade ago in 2013 when ONGC moved the Delhi HC seeking compensation for losses arising from RIL's alleged sale of gas

that the state-owned energy major believed was actually from its KG-DWN-98/2 block. ONGC had argued that at least four wells that RIL drilled in its KG-D6 block drew natural gas from the neighbouring block. In 2014, the Delhi High Court directed the government to take a call on a matter on the basis of an independent study.

Global consultant DeGolyer and MacNaughton (D&M) carried out the study. In its report, which was finalised in November 2015, D&M said that its analysis "indicated connectivity and continuity of the reservoirs across the blocks" operated by ONGC and RIL. A month later, the government constituted a single-member panel under former Delhi High Court Chief Justice AP Shah on the issue.

The panel in its report said that the government, not ONGC, was entitled to compensation from RIL since the CPSE did not own the block, and all mineral resources of the country are owned by the Government of India. Basis the Shah panel report, the government in November 2016 slapped RIL and its partners with a total demand of \$1.55 billion. After that, RIL and its partners decided to go for arbitration, which eventually went in their favour.

Govt seeks \$2.81 bn from RIL, partners

RAKESH KUMAR @ New Delhi

THE government has demanded \$2.81 billion from Reliance Industries Limited (RIL) and its partners, BP Exploration and NIKO, over the alleged migration of gas from Oil and Natural Gas Corporation (ONGC) the blocks to RIL's KG-D6 block.

The petroleum ministry claims natural gas migrated from ONGC blocks to RIL's KG-D6 block in the Krishna Godavari basin, and that Reliance Industries subsequently extracted gas that rightfully belonged to ONGC.

This demand comes after the Delhi High Court Bench reversed a prior arbitration award that had favoured Reliance Industries.

In an exchange filing, Reliance Industries confirmed that the Ministry of Petroleum and Natural Gas had sent the demand notice to RIL and its partners for \$2.81 billion,

and stated its intention to challenge the notice.

"The Ministry of Petroleum and Natural Gas has raised a demand of \$2.81 billion on the PSC contractors namely Reliance Industries, BP Exploration (Alpha) and NIKO (NECO). The letter of demand was received by the company at 11:30 AM on March 3, 2025," said the company in an exchange filing.

In 2016, the government is-

sued a notice to Reliance and its partners demanding nearly \$1.55 billion over the alleged gas migration from nearby ONGC blocks.

However, Reliance Industries, one of India's largest oil & gas exploration and production companies, contested the claims and took the matter to international arbitration in 2018. In the arbitration, Reliance Industries won and the panel awarded it

nearly \$1.55 billion.

The Petroleum ministry appealed this decision, and a single judge of the Delhi High Court dismissed the appeal in May 2023.

However, the government pursued further action, filing another appeal before the Division Bench of the Delhi High Court. In February 2025, the Division Bench reversed the single judge's decision, invalidating RIL's earlier win.

Consequently, the Ministry of Petroleum and Natural Gas issued the demand notice for \$2.81 billion to Reliance Industries and its partners. Reliance Industries said that it will challenge the notice and is confident that it will not be required to pay the amount.

"The Company is taking steps to challenge the judgment of Division Bench of Delhi High Court. The Company does not expect any liability on this account," said Reliance Industries Limited.

RIL to challenge \$2.8-bn demand

RAVI RANJAN PRASAD
MUMBAI, MARCH 4

Reliance Industries will challenge an order by Division Bench of Delhi High Court leading to ministry of petroleum and natural gas raising \$ 2.81 billion demand from PSC contractor Reliance Industries.

BP Exploration and Nikko on allegations of migration of natural gas from ONGC's Krishna-Godavari Basin water block to adjoining Reliance's KG D6 Block in KG Basin.

"The Division Bench judgment and this provisional demand are unsustainable. The Company is taking steps to challenge the judgment of Division Bench of Delhi High Court. The Company does not expect any liability on this account," RIL said in a filing to the stocks exchanges. The letter of demand was received by the company on March 3.

Krishna Godavari Dhirubhai 6 (KG-D6) was Reliance's first offshore gas field development and its first underwater dis-

covery.

Reliance shares fell for third consecutive session and closed at new 52 week low of ₹1161.7 on BSE and ₹1161.9 on NSE.

The dispute regarding extraction of gas from ONGC field in KG Basin has been going on since 2014 and before Delhi High Court order, RIL said to stock exchanges that "The company had won arbitral award issued by an international arbitration panel on July 24,

2018 against GOI's claim on the KG-D6 Consortium for an amount of \$1.55 billion on account of alleged gas migration from ONGC's blocks. A single judge of the Delhi High Court, on May 09, 2023, dismissed the GOI's appeal challenging the arbitral award. GOI had filed an appeal before the Division Bench of the Delhi High Court."

Meanwhile, Reliance also played down reports of ₹125 cr penalty for delays in setting up battery plant as an insignificant amount of ₹3.1 crore accrued as on March 3 with no material impact on the company.

Govt. raises \$2.81 bn demand on RIL, partners for producing gas that came from ONGC block

The Hindu Bureau
MUMBAI

The government has slapped a \$2.81 billion demand notice on Reliance Industries Ltd. and its partners, including BP Plc for gains made from producing and selling natural gas that may have migrated from neighbouring block of state-owned ONGC.

The Ministry of Petroleum and Natural Gas has

RIL had won an arbitral award in 2018 against GoI's claim on the KG-D6 Consortium

raised a demand of \$2.81 billion on production sharing contract (PSC) contractors, namely Reliance Industries Ltd. (RIL), BP Exploration (Alpha) Ltd., and NIKO (NECO) Ltd., RIL said in a filing with stock

exchanges on Tuesday.

"The company is legally advised that the Division Bench judgment and this provisional demand are unsustainable," RIL said.

RIL said it won an award by an international arbitration panel on July 24, 2018 against the Government of India's (GoI) claim on the KG-D6 Consortium for approximately \$1.55 billion, on account of alleged gas migration from ONGC's

blocks. "A single judge of the Delhi High Court, on May 9, 2023, dismissed the GoI's appeal challenging the arbitral award. GoI had filed an appeal before the Division Bench. Yesterday, the Division Bench reversed the judgment of the single judge. Consequent to the above-mentioned Division Bench judgment, the Ministry has raised the demand," RIL said.

Govt seeks \$2.81 bn from RIL, partners

RAKESH KUMAR @ New Delhi

THE government has demanded \$2.81 billion from Reliance Industries Limited (RIL) and its partners, BP Exploration and NIKO, over the alleged migration of gas from Oil and Natural Gas Corporation (ONGC) blocks to RIL's KG-D6 block.

The petroleum ministry claims natural gas migrated from ONGC blocks to RIL's KG-D6 block in the Krishna Godavari basin, and that Reliance Industries subsequently extracted gas that rightfully belonged to ONGC.

This demand comes after the Delhi High Court Bench reversed a prior arbitration award that had favoured Reliance Industries.

In an exchange filing, Reliance Industries confirmed that the Ministry of Petroleum and Natural Gas had sent the demand notice to RIL and its partners for \$2.81 billion,

and stated its intention to challenge the notice.

"The Ministry of Petroleum and Natural Gas has raised a demand of \$2.81 billion on the PSC contractors namely Reliance Industries, BP Exploration (Alpha) and NIKO (NECO). The letter of demand was received by the company at 11:30 AM on March 3, 2025," said the company in an exchange filing.

In 2016, the government is-

sued a notice to Reliance and its partners demanding nearly \$1.55 billion over the alleged gas migration from nearby ONGC blocks.

However, Reliance Industries, one of India's largest oil & gas exploration and production companies, contested the claims and took the matter to international arbitration in 2018. In the arbitration, Reliance Industries won and the panel awarded it

nearly \$1.55 billion.

The Petroleum ministry appealed this decision, and a single judge of the Delhi High Court dismissed the appeal in May 2023.

However, the government pursued further action, filing another appeal before the Division Bench of the Delhi High Court. In February 2025, the Division Bench reversed the single judge's decision, invalidating RIL's earlier win.

Consequently, the Ministry of Petroleum and Natural Gas issued the demand notice for \$2.81 billion to Reliance Industries and its partners. Reliance Industries said that it will challenge the notice and is confident that it will not be required to pay the amount.

"The Company is taking steps to challenge the judgment of Division Bench of Delhi High Court. The Company does not expect any liability on this account," said Reliance Industries Limited.

Reliance faces \$2.81 bn demand in gas row

NEW DELHI, MARCH 4

Billionaire Mukesh Ambani's Reliance Industries has been slapped with two separate demand notices by the government — one seeking \$2.81 billion (nearly Rs 24,500 crore) for producing gas belonging to state-owned ONGC, and another for failing to meet the deadline for setting up a battery cell plant.

The \$2.81 billion demand note follows the Delhi High Court's order on February 14,

overturning an international arbitration tribunal ruling that held Reliance and its partner BP Plc of the UK not responsible for paying any compensation for the gas they produced and sold, which had allegedly migrated from adjoining fields.

"Consequent upon the Division Bench judgment, the Ministry of Petroleum and Natural Gas has raised a demand of \$2.81 billion on the PSC contractors namely Reliance Industries Ltd, BP

Exploration (Alpha) Ltd and NIKO (NECO) Ltd," Reliance said in a stock exchange filing.

Originally, Reliance held a 60 per cent interest in Krishna Godavari basin deep-sea block KG-DWN-98/3 or KG-D6, while BP had 30 per cent and Canadian firm Niko held the remaining 10 per cent. Subsequently, Reliance and BP took over Niko's interest in the production sharing contract and now hold 66.66 per cent and 33.33 per cent, respectively. —PTI

Govt demands \$2.81 billion from RIL, BP in gas migration dispute

FPJ News Service

MUMBAI

Reliance Industries Limited (RIL) on Tuesday said that the Ministry of Petroleum & Natural Gas has raised a demand of \$2.81 billion in the long-running Krishna Godavari (KG) basin gas migration dispute case.

In a disclosure filing on BSE, RIL said, the ministry has raised the demand on the production sharing contractors (PSC) RIL, BP Exploration (Alpha), and NIKO. The demand was issued over alleged migration of natural gas from ONGC blocks to RIL's KG-D6 block in the Krishna Godavari basin. The Ministry had claimed that RIL

extracted gas that rightfully belonged to ONGC.

On February 15, 2025, RIL had made a disclosure to stock exchanges saying that the company had won arbitral award issued by an eminent international arbitration panel on July 24, 2018 against the government's claim on the KG-D6 consortium for an amount of approximately \$1.55 billion on account of alleged gas migra-

tion from ONGC's blocks. A single judge of the Delhi High Court, on May 9, 2023, dismissed the government's appeal challenging the arbitral award. The government had filed an appeal before the Division Bench of the Delhi High Court. The Division Bench of the Delhi High Court on Monday reversed the judgment of the single judge.

"The company is legally advised that the Division Bench judgment and this provisional demand are unsustainable. The company is taking steps to challenge the judgment of Division Bench of Delhi High Court. The company does not expect any liability on this account," RIL added.

Govt slaps penalty on Reliance for missing battery deadline

The government has slapped a penalty on a unit of Reliance Industries Ltd for failing to meet the deadline for setting up a battery cell plant for which it was granted production-linked incentives, the firm said on Tuesday.

In a stock exchange filing, Reliance said its step-down subsidiary, Reliance New Energy Battery Storage Ltd on March 3 received "a letter from the Ministry of Heavy Industries levying liquidated damages at the rate of 0.1 per cent of the performance security (Rs 50 crore) for each day of delay from January 1, 2025." The penalty was for the "delay in achievement of Milestone 1 under the programme agreement executed with MHI in connection with 5 GWh manufacturing capacity awarded under the Performance-Linked Incentive Scheme for Advanced Chemistry Cell," it said. The liquidated damages or penalty computed till March 3, 2025 was Rs 3.1 crore.

GAS ROW: Govt sends \$2.81-bn demand notice to RIL, partners

Another for missing deadline to set up battery cell plant

MPOST BUREAU

NEW DELHI: Billionaire Mukesh Ambani's Reliance Industries has been slapped with two separate demand notices by the government - one seeking \$2.81 billion (about Rs 24,500 crore) for producing gas belonging to state-owned ONGC, and another for failing to meet the deadline for setting up a battery cell plant.

The \$2.81 billion demand note follows the Delhi High Court's order on February 14, overturning an international arbitration tribunal ruling that held Reliance and its partner BP Plc of the UK not responsible for paying any compensation for the gas they produced and sold, which had allegedly migrated from adjoining fields.

"Consequent upon the Division Bench judgment,

The \$2.81 billion demand note follows the Delhi High Court's order on February 14, overturning an international arbitration tribunal ruling that held Reliance and its partner BP Plc of the UK not responsible for paying any compensation for the gas they produced and sold

the Ministry of Petroleum and Natural Gas has raised a demand of \$2.81 billion on the PSC contractors namely Reliance Industries Ltd, BP Exploration (Alpha) Ltd and NIKO (NECO) Ltd," Reliance said in a stock exchange filing.

Originally, Reliance held a 60 per cent interest in Krishna Godavari basin deep-sea block KG-DWN-98/3 or KG-D6,

while BP had 30 per cent and Canadian firm Niko held the remaining 10 per cent.

Subsequently, Reliance and BP took over Niko's interest in the production sharing contract (PSC) and now hold 66.66 per cent and 33.33 per cent, respectively.

Separately, Reliance said its step-down subsidiary Reliance New Energy **Continued on P4**

Gas row

Battery Storage Ltd on March 3 received "a letter from the Ministry of Heavy Industries levying liquidated damages at the rate of 0.1 per cent of the performance security (Rs 50 crore) for each day of delay from January 1, 2025".

The penalty was for the "delay in the achievement of Milestone 1 under the programme agreement executed with MHI in connection with 5 GWh manufacturing capacity awarded under the Performance-Linked Incentive Scheme for Advanced Chemistry Cell," it said.

The liquidated damages or penalty computed till March 3, 2025, was Rs 3.1 crore.

"RNEBSL has requested for an extension of time for achievement of the said Milestone 1," it added.

The firm, however, neither disclosed the reasons for the delay nor the new timelines for meeting

the target.

RNEBSL had in 2022 signed an agreement to build 10 gigawatt-hour (GWh) battery capacity with production-linked incentives for an estimated USD 400 million.

The contract was part of government initiatives to get domestic manufacturing for a new energy supply chain developed in India. Besides RNEBSL, Rajesh Exports and the unit of Ola Electric Mobility Ltd too had won bids to build the battery cell plants.

Manufacturers were eligible for Rs 181 crore worth of production-linked incentives on meeting milestones for the project that sought to create a cumulative 30 GWh capacity of advanced chemistry cell battery storage.

The firms winning the PLI were required to achieve a minimum 'committed capacity', along with a local value addition of 25 per cent within two years of the agreement, and 50 per cent within five years.

Reliance had previously indicated the second half of 2026 as the timeline to launch operations at its battery Gigafactory in Jamnagar, Gujarat.

On the gas migration row, the government had in 2016 sought \$1.55 billion from Reliance and its partners for the quantum of gas that had migrated to its block KG-D6 from adjoining fields of ONGC.

Reliance contested the claims before an arbitral tribunal, which in July 2018 upheld that it was not obliged to pay any compensation.

The government filed an appeal and in May 2023, a single judge of the Delhi High Court upheld the arbitration award, dismissing the government's appeal. A division bench of the Delhi High Court last month set aside the single judge order, ruling against Reliance and its partners.

Reliance said the letter of demand was received by the company on March 3, 2025.

"The company is legally advised that the Division Bench judgment and this provisional demand are unsustainable. The company is taking steps to challenge the judgment of the Division Bench of Hon'ble Delhi High Court," it noted.

Government seeks \$2.81 billion from Reliance, BP

PTI ■ NEW DELHI

The government has slapped a \$2.81 Billion (about ₹24,500 Crore) demand notice on Reliance Industries Limited and its partners, including BP Plc for gains made from producing and selling natural gas that may have migrated from neighbouring block of state-owned ONGC. This follows the Delhi High Court's decision on February 14, overturning an international arbitration tribunal ruling that held the duo not responsible for paying any compensation for the gas they produced and sold which had allegedly migrated from adjoining fields. "Consequent upon the Division Bench judgment, the Ministry of Petroleum and Natural Gas has raised a demand of \$2.81 Billion on the PSC contractors namely Reliance Industries Ltd, BP Exploration (Alpha) Ltd and NIKO (NECO) Limited," Reliance said in a stock exchange filing. Originally, Reliance held 60 per cent interest in Krishna Godavari basin deep-sea block KG-DWN-98/3 or KG-D6 while BP had 30 per cent and Canadian firm Niko held the remaining 10 per cent. Subsequently, Reliance and BP took over Niko's interest in the production sharing contract (PSC) and now hold 66.66 per cent and 33.33 per cent,

respectively. The government had in 2016 sought \$1.55 Billion from Reliance and its partners for the quantum of gas that had migrated to its block KG-D6 from adjoining fields of ONGC. Reliance contested the claims before an arbitral tribunal which in July 2018 upheld that it was not obliged to pay any compensation. The government filed an appeal and in May 2023, a single judge of Delhi High Court upheld the arbitration award, dismissing the government's appeal. A division bench of the Delhi High Court last month set aside the single judge order, ruling against Reliance and its partners. Reliance said the letter of demand was received by the company on March 3, 2025. "The company is legally advised that the Division Bench judgment and this provisional demand are unsustainable. The company is taking steps to challenge the judgment of the Division Bench of Hon'ble Delhi High Court," it said. "The company does not expect any liability on this account," it added. Reliance had previously said that it would appeal the decision in the Supreme Court. The dispute dates back to July 2013 when Oil and Natural Gas Corporation (ONGC)

suspected reservoir connectivity of its KG-DWN-98/2 (KG-D5) and G-4 blocks with that of Reliance's KG-D6. It felt that at least four wells that Reliance drilled on the borderline with KG-D5 may have drained out its resources as well. ONGC in May 2013 filed a writ in the Delhi High Court seeking compensation for the loss. On September 10, 2014, the Delhi High Court disposed-off ONGC's petition and directed the government to take a decision, after it received a report from an independent panel set up by ONGC and RIL. Global consultant DeGolyer and Mac Naughton (D and M) was appointed to carry out a third-party study. In its final report dated November 19, 2015, D and M concluded inter-alia that "the integrated analyses indicated connectivity and continuity of the reservoirs across the blocks operated by ONGC and Reliance." The report quantified the volume of gas migrated from Godavari PML and KG-DWN-98/2 to KG-DWN-98/3 block and respective production of gas from migrated volumes till March 31, 2015. After submission of the D&M report, the government constituted a single member committee on December 15, 2015, composed of former Chief Justice of Delhi

High Court Ajit Prakash Shah "to quantify the unfair enrichment" by Reliance. The committee concluded that the Government of India, and not ONGC, is entitled to claim restitution from Reliance for the unjust benefit it received and unfairly retained. ONGC has no locus standi to bring a tortious claim against Reliance for trespass or conversion since it does not have any ownership rights or possessory interest in the natural gas. All mineral resources are the property of the government of India. Using Shah's report, the government asked ONGC to step aside and took over the matter. The Ministry of Petroleum and Natural Gas (MoPNG) in a November 4, 2026 order sought disgorgement from Reliance and its partners, demanding \$1.47 Billion from the partners for producing in seven years ending March 31, 2016 about 338.332 million British thermal units of gas that had seeped or migrated from ONGC's blocks into their adjoining KG-D6 in the Bay of Bengal. After deducting \$71.71 Million royalty paid on the gas produced and adding an interest at the rate of LIBOR plus two per cent, totalling \$149.86 Million, a total demand of \$1.55 Billion was made on Reliance, BP and Niko. The government also pressed

Reliance to pay \$174.9 Million of additional profit petroleum after certain costs were disallowed because of KG-D6 output being lower than the target. Reliance and its partners on November 11, 2016, slapped an arbitration notice. In July 2018, the international arbitration tribunal rejected the government's claim. The three-member panel by a majority of 2-1 also awarded \$8.3 Million compensation to the three partners. The government challenged the arbitration award before a single bench of Delhi High Court, seeking it be set aside as it "strikes at the heart of the public policy and has given a premium to a contractor (Reliance) that has amassed vast wealth by committing an insidious fraud as well as criminal offence." Delhi High Court in May 2023 upheld the arbitration award saying "the view taken by the arbitral tribunal is most certainly a 'possible view', which calls for no interference." The government approached the division bench of the Delhi High Court against the single bench order. The division bench, comprising justices Rekha Palli and Saurabh Banerjee, on February 15 set aside a May 2023 single bench ruling that had upheld the 2018 arbitration award rejecting the government's claim.

Govt slaps \$2.81bn fine on Reliance, BP

The oil giants are fined for producing gas that came from ONGC block

PRESS TRUST OF INDIA

New Delhi, March 4: The government has slapped a \$2.81 billion (about ₹24,500 crore) demand notice on Reliance Industries Ltd and its partners, including BP Plc for gains made from producing and selling natural gas that may have migrated from neighbouring block of state-owned ONGC.

This follows the Delhi High Court's decision February 14, overturning an international arbitration tribunal ruling that held the duo not responsible for paying any compensation for the gas they produced and sold which had allegedly migrated from adjoining fields.

"Consequent upon the Division Bench judgment, the Ministry of Petroleum and Natural Gas has raised a demand of \$2.81 billion on the PSC contractors namely Reliance Industries Ltd, BP Exploration (Alpha) Ltd and NIKO (NECO) Ltd," Reliance said in a stock exchange filing.

Originally, Reliance held

GAS
DISPUTE
CASE

60 per cent interest in Krishna Godavari basin deep-sea block KG-DWN-98/3 or KG-D6 while BP had 30 per cent and Canadian firm Niko held the remaining 10 per cent.

Subsequently, Reliance and BP took over Niko's interest in the production sharing contract (PSC) and now hold 66.66 per cent and 33.33 per cent, respectively.

The government had in 2016 sought \$1.55 billion from Reliance and its partners for the quantum of gas that had migrated to its block KG-D6 from adjoining fields of ONGC.

Reliance contested the claims before an arbitral tribunal which in July 2018 upheld that it was not obliged to pay any compensation.

The government filed an appeal and in May 2023, a single judge of Delhi High Court upheld the arbitration award, dismissing the government's appeal. A division bench of the Delhi High Court last month set aside the single judge order, ruling against Reliance and its partners.

Reliance said the letter of demand was received by the company March 3, 2025.

"The company is legally advised that the Division Bench judgment and this provisional demand are unsustainable. The company is taking steps to challenge the judgment of the Division Bench of Hon'ble Delhi High Court," it said.

"The company does not expect any liability on this account," it added.

Reliance had previously said that it would appeal the decision in the Supreme Court.

The dispute dates back to July 2013 when Oil and Natural Gas Corporation (ONGC) suspected reservoir connectivity of its KG-DWN-98/2 (KG-D5) and G-4 blocks with that of Reliance's KG-D6.

It felt that at least four wells that Reliance drilled on the borderline with KG-D5 may have drained out its resources as well.

RIL to challenge \$2.8-bn demand

RAVI RANJAN PRASAD
MUMBAI, MARCH 4

Reliance Industries will challenge an order by Division Bench of Delhi High Court leading to ministry of petroleum and natural gas raising \$ 2.81 billion demand from PSC contractor Reliance Industries, BP Exploration and Nikko on allegations of migration of natural gas from ONGC's Krishna-Godavari Basin water block to adjoining Reliance's KG D6 Block in KG Basin.

"The Division Bench judgment and this provisional demand are unsustainable. The Company is taking steps to challenge the judgment of Division Bench of Delhi High Court. The Company does not expect any liability on this account," RIL said in a filing to the stocks exchanges. The letter of demand was received by the company on March 3.

Krishna Godavari Dhirubhai 6 (KG-D6) was Reliance's first offshore gas field development and its first underwater dis-

covery.

Reliance shares fell for third consecutive session and closed at new 52 week low of ₹1161.7 on BSE and ₹1161.9 on NSE.

The dispute regarding extraction of gas from ONGC field in KG Basin has been going on since 2014 and before Delhi High Court order, RIL said to stock exchanges that "The company had won arbitral award issued by an international arbitration panel on July 24,

2018 against GOI's claim on the KG-D6 Consortium for an amount of \$1.55 billion on account of alleged gas migration from ONGC's blocks. A single judge of the Delhi High Court, on May 09, 2023, dismissed the GOI's appeal challenging the arbitral award. GOI had filed an appeal before the Division Bench of the Delhi High Court."

Meanwhile, Reliance also played down reports of ₹125 cr penalty for delays in setting up battery plant as an insignificant amount of ₹3.1 crore accrued as on March 3 with no material impact on the company.

ओएनजीसी के केजी-डी5 ब्लॉक से सटे थे रिलायंस के चार कुएं

नई दिल्ली। रिलायंस इंडस्ट्रीज के ओएनजीसी के नजदीक स्थित ब्लॉक से गैस लेने का विवाद जुलाई, 2013 में उस समय शुरू हुआ था, जब ऑयल एंड नेचुरल गैस कॉर्पोरेशन (ओएनजीसी) को संदेह हुआ कि उसके केजी-डी5 और जी-4 ब्लॉक का क्षेत्र रिलायंस के केजी-डी6 ब्लॉक से जुड़ा हुआ है। सरकारी कंपनी लगा कि केजी-डी5 ब्लॉक के सटे इलाके में रिलायंस की ओर से खोदे गए कम-से-कम चार कुओं ने उसके संसाधनों का भी दोहन किया है।

कृष्णा गोदावरी घाटी में स्थित ब्लॉक केजी-डी6 में रिलायंस की 60 फीसदी हिस्सेदारी थी, जबकि बीपी की तीस फीसदी और कनाडा की कंपनी निको की 10 फीसदी हिस्सेदारी थी। बाद में रिलायंस और बीपी ने मिलकर निको की हिस्सेदारी भी खरीद ली। इसके बाद रिलायंस की हिस्सेदारी 66.66 और बीपी की हिस्सेदारी 33.33 फीसदी हो गई।

बैटरी संयंत्र की समयसीमा में चूक पर भी लगा जुर्माना : वहीं, सरकार ने रिलायंस इंडस्ट्रीज की अनुषंगी कंपनी रिलायंस न्यू एनर्जी बैटरी स्टोरेज लि. पर बैटरी सेल संयंत्र लगाने की समयसीमा में चूक के लिए भी जुर्माना लगाया है। इसके लिए कंपनी को उत्पादन से जुड़े प्रोत्साहन दिए गए थे। रिलायंस ने बताया, उसकी अनुषंगी कंपनी को तीन मार्च को भारी उद्योग मंत्रालय से एक पत्र मिला, जिसमें एक जनवरी, 2025 से हर दिन की देरी के लिए प्रदर्शन सुरक्षा (50 करोड़ रुपये) की 0.1 फीसदी की दर से क्षतिपूर्ति वसूलने का निर्देश दिया गया है। तीन मार्च तक यह जुर्माना 3.10 करोड़ रुपये होता है। ब्यूरो

કેન્દ્ર સરકારે રિલાયન્સને ૨.૮૧ અબજ ડોલરની ડિમાન્ડ નોટિસ ફટકારી

અમદાવાદ, તા. ૪ પેટ્રોલિયમ અને કુદરતી ગેસ મંત્રાલયે મુકેશ અંબાણીની આગેવાની હેઠળની રિલાયન્સ ઈન્ડસ્ટ્રીઝ લિમિટેડ અને તેના કન્સોર્ટિયમ ભાગીદારો બીપી એક્સપ્લોરેશન (આલ્ફા) લિમિટેડ અને નિકો લિમિટેડ પાસેથી ૨.૮૧ અબજ ડોલરનું વળતર માંગ્યું છે. આ વિવાદ ઓએનજીસીના બ્લોકમાંથી કેજ-ડીઈ બ્લોકમાં ગેસ સ્થળાંતર સાથે સંબંધિત છે.

૨૦૧૮ના એક કેસમાં ભારત સરકારે કેજ-ડીઈ કન્સોર્ટિયમ, જેમાં રિલાયન્સનો પણ સમાવેશ થતો હતો તેમાં ઓએનજીસીના નજીકના બ્લોકમાંથી ગેસ સ્થળાંતર માટે જવાબદાર હોવાનો આરોપ મૂક્યો હતો. સરકારમાં, પેટ્રોલિયમ મંત્રાલયે કથિત ગેસ સ્થળાંતર માટે લગભગ ૧.૫૫ અબજ ડોલરનું વળતર માંગ્યું હતું. આ મામલો અનેક કાનૂની કાર્યવાહીમાં ફસાઈ ગયો અને આખરે દિલ્લી હાઈકોર્ટ પહોંચ્યો હતો. મે, ૨૦૨૩માં દિલ્લી હાઈકોર્ટેની ફિગલ જજ બેન્ચે આર્બિટ્રેશન એવોર્ડને પસંદ કરતી સરકારની અરજીને ફગાવી દીધી. આ નિર્ણયમાં રિલાયન્સ ઈન્ડસ્ટ્રીઝના પક્ષમાં સુકારો આવ્યો હતો.

જોકે સરકારે ટ્રિબ્યુનલ બેચમાં અપીલ કરી અને ૩ માર્ચ ૨૦૨૫ના રોજ દિલ્લી હાઈકોર્ટે અગાઉના નિર્ણયને ઊલટવી દીધો હતો. આ નિર્ણય બાદ પેટ્રોલિયમ અને કુદરતી ગેસ મંત્રાલયે હવે માંગ વધારીને ૨.૮૧ અબજ ડોલર કરી દીધી છે.

रिलायंस को 24,522 करोड़ का डिमांड नोटिस मिला

मिनिस्ट्री ऑफ पेट्रोलियम एंड नेचुरल गैस ने कंपनी को नोटिस भेजा

नई दिल्ली। भारत सरकार ने रिलायंस इंडस्ट्रीज को 2.81 बिलियन डॉलर यानी 24,522 करोड़ रुपए का डिमांड नोटिस भेजा है। कंपनी को यह नोटिस मिनिस्ट्री ऑफ पेट्रोलियम एंड नेचुरल गैस की तरफ से मिला है।

कंपनी को यह नोटिस दिल्ली हाई कोर्ट के फैसले के बाद जारी किया गया। यह मामला ओएनजीसी ब्लॉक से जुड़ा है। जिसके तहत रिलायंस पर आरोप है कि उसने ओएनजीसी ब्लॉक से गैस का माइग्रेशन किया था।

यह मामला इंटरनेशनल कोर्ट तक पहुंचा था, जिसके बाद इंटरनेशनल आर्बिट्रटर ने रिलायंस लेड कंसोर्टियम के पक्ष में साल 2018 में 1.55 बिलियन डॉलर यानी 13,528 करोड़ रुपए का फैसला सुनाया था। मई 2023 में सिंगल जज बेंच ने रिलायंस के पक्ष में फैसला सुनाया था इस

फैसले के खिलाफ भारत सरकार की तरफ से दिल्ली हाई कोर्ट में चुनौती दी गई थी। मई 2023 में सिंगल जज बेंच ने रिलायंस के पक्ष में फैसला सुनाया था। सरकार की तरफ से दोबारा डिबिजन बेंच के सामने इसे चुनौती दी गई। अब दिल्ली हाई कोर्ट की डिबिजन बेंच ने सिंगल जज की इस

रूलिंग को पलट दिया है। जिसके बाद भारत सरकार की तरफ से रिलायंस इंडस्ट्रीज को यह फ्रेश डिमांड नोटिस भेजा गया है।

रिलायंस इंडस्ट्रीज का शेयर मंगलवार (4 मार्च) को 0.41 प्रतिशत की गिरावट के साथ 1,166 रुपए के स्तर पर कारोबार कर रहा है।

कंपनी का शेयर पिछले 5 दिन में 3.05 प्रतिशत और एक महीने में 9.26 प्रतिशत गिरा है। वहीं पिछले 6 महीने में इसमें 23.00 प्रतिशत और एक साल में 22.64 प्रतिशत की गिरावट रही।

रिलायंस इंडस्ट्रीज ने 16 जनवरी को वित्त वर्ष 2024-25 के तीसरी तिमाही के नतीजे जारी किए थे। तीसरी तिमाही में कंपनी को 18,540 करोड़ रुपए का मुनाफा हुआ है। सालाना आधार पर इसमें 7.38 प्रतिशत की बढ़ोतरी हुई है। एक साल पहले की इसी तिमाही में कंपनी का कॉन्सोलिडेटेड नेट प्रॉफिट 17,265 करोड़ रुपए रहा था।

वहीं अक्टूबर-दिसंबर तिमाही में कंपनी का ऑपरेशनल रेवेन्यू 2.44 लाख करोड़ रुपए रहा। एक साल पहले की समान तिमाही में कंपनी ने 2.28 लाख करोड़ रुपए का रेवेन्यू जनरेट किया था। सालाना आधार पर इसमें 7 प्रतिशत की बढ़ोतरी हुई है। वस्तुओं और सेवाओं को बेचने से मिली राशि को रेवेन्यू या राजस्व कहा जाता है।

‘रिलायन्स’वर २४,५०० कोटींच्या भरपाईची नोटीस

पीटीआय, नवी दिल्ली

सरकारी मालकीच्या 'ओएनजीसी'च्या क्षेत्रांतून मिळविलेल्या नैसर्गिक वायूच्या उत्पादन आणि विक्रीतून मिळालेल्या नफ्याबद्दल सरकारने रिलायन्स इंडस्ट्रीज लिमिटेड आणि बीपी पीएलसीसह त्यांच्या भागीदारांकडे २.८१ अब्ज डॉलरच्या (२४,५०० कोटी रुपये) भरपाईची मागणी करणारी नोटीस बजावली आहे.

आंतरराष्ट्रीय लवाद न्यायाधिकरणाच्या निवाड्यात, रिलायन्स-बीपी यांनी कथितपणे कोणत्याही वायू क्षेत्रावर अतिक्रमण केला नसल्याचे स्पष्ट करत, त्यांनी उत्पादित आणि विक्री केलेल्या वायूसाठी कोणतीही नुकसानभरपाई देण्यास ते जबाबदार नसल्याचे म्हटले होते. मात्र या निर्णयाला उलथवून लावणारा निकाल दिल्ली उच्च न्यायालयाने अलिकडेच १५ फेब्रुवारीला दिला. या निकालानंतर, पेट्रोलियम आणि नैसर्गिक वायू मंत्रालयाने रिलायन्स इंडस्ट्रीज लिमिटेड, बीपी एक्सप्लोरेशन (अल्फा) लिमिटेड आणि निको

बॅटरी निर्मिती प्रकल्पाची मुदत चुकवल्याबद्दल दंडही

उत्पादन-संलग्न प्रोत्साहन (पीएलआय) योजनेअंतर्गत मंजूर बॅटरी सेल निर्मिती प्रकल्प स्थापित करण्याची अंतिम मुदत पाळण्यात अपयशी ठरल्याबद्दल सरकारने रिलायन्स इंडस्ट्रीजच्या उपकंपनीवर दंड ठोठावला आहे. रिलायन्स न्यू एनर्जी बॅटरी स्टोरेज लिमिटेड या उपकंपनीला ३ मार्च रोजी हे दंडवसुलीचे पत्र दिले गेले. त्यानुसार १ जानेवारी २०२५ पासून प्रत्येक दिवसाच्या विलंबासाठी ३ मार्च २०२५ पर्यंत एकूण दंडाची रक्कम ही ३.९ कोटी रुपये होते, असे अवजड उद्योग मंत्रालयाने म्हटले आहे.

लिमिटेड या कंत्राटदारांवर एकत्रित २.८१ अब्ज डॉलरची मागणी करणारी ही नोटीस बजावली आहे. कंपनीला ३ मार्च २०२५ रोजी हे नुकसानभरपाईच्या मागणीचे पत्र मिळाले असल्याचे रिलायन्सने स्पष्ट केले.

वायू उत्पादकांमधील हा वाद जुलै २०१३ पासून सुरू आहे. सरकारने सर्वप्रथम २०१६ मध्ये ओएनजीसीसाठी राखीव क्षेत्रालगत रिलायन्सकडे असलेल्या कृष्णा गोदावरी खोऱ्यातील क्षेत्रांमधून स्थलांतरित झालेल्या वायूच्या

समभाग नीचांकाला

रिलायन्स इंडस्ट्रीज लिमिटेडचा समभाग नकारात्मक बातम्यांच्या परिणामी मंगळवारी सलग तिसऱ्या सत्रात घसरणीत राहिला. ०.८० टक्के घसरणीसह तो १,९६९.९० रुपये या ५२ आठवड्यांच्या नीचांकी पातळीवर दिवसअखेर स्थिरावला.

प्रमाणात रिलायन्स आणि तिच्या भागीदारांकडून १.५५ अब्ज डॉलरची मागणी केली होती. रिलायन्सने त्याला लवाद न्यायाधिकरणसमोर आव्हान दिले. जुलै २०१८ मध्ये सकारात्मक निवाडाही मिळविला. त्यावर सरकारने अपील दाखल केले. त्यावर मे २०२३ मध्ये, दिल्ली उच्च न्यायालयाच्या एका न्यायाधीशाने लवाद निर्णय कायम ठेवला आणि सरकारचे अपील फेटाळून लावले. नंतर दिल्ली उच्च न्यायालयाच्या खंडपीठापुढे प्रकरण गेले आणि गेल्या महिन्यात खंडपीठाने रिलायन्स आणि त्यांच्या भागीदारांविरुद्ध निकाल देणारा एकल न्यायाधीशांचा आदेश रद्द केला.

रिलायंस, बीपी को 24500 करोड़ रुपए का नोटिस

■ दिल्ली हाईकोर्ट के फैसले पर सरकार ने उठाया कदम

नई दिल्ली, 4 मार्च (एजेंसी): सरकार ने अपने क्षेत्र के पास स्थित गैस ब्लॉक से प्राकृतिक गैस के उत्पादन और बिक्री से हुए लाभ पर रिलायंस इंडस्ट्रीज लिमिटेड और उसकी साझेदार फर्म बीपी पर 2.81 अरब डॉलर (लगभग 24,500 करोड़ रुपए) की मांग का नोटिस भेजा है।

सरकार ने यह नोटिस 14 फरवरी को आए दिल्ली उच्च न्यायालय के फैसले के बाद भेजा है। उच्च न्यायालय ने एक अंतरराष्ट्रीय मध्यस्थता

न्यायाधिकरण के उस फैसले को पलट दिया था जिसमें रिलायंस और बीपी को नजदीकी ब्लॉक से निकाली गई गैस के लिए किसी भी हर्जाने की देनदारी नहीं बताई गई थी। रिलायंस ने शेयर बाजार को भेजी सूचना में इस मांग नोटिस की जानकारी दी है। कंपनी ने कहा, 'खंडपीठ के फैसले के बाद पेट्रोलियम और प्राकृतिक गैस मंत्रालय ने रिलायंस इंडस्ट्रीज लिमिटेड, बीपी एक्सप्लोरेशन

(शेष पृष्ठ 7 कालम 4 पर)

रिलायंस, बीपी को...

(अल्फा) लिमिटेड और निको (एनईसीओ) लिमिटेड से 2.81 अरब डॉलर की मांग की है।' मूल रूप से रिलायंस के पास कृष्णा गोदावरी बेसिन गहरे समुद्र वाले ब्लॉक में 60 प्रतिशत हिस्सेदारी थी, जबकि बीपी के पास 30 प्रतिशत और कनाडाई कंपनी निको के पास शेष 10 प्रतिशत हिस्सेदारी थी। इसके बाद, रिलायंस और बीपी ने उत्पादन साझाकरण अनुबंध (पीएससी) में निको की हिस्सेदारी ले ली और अब उनकी हिस्सेदारी बढ़कर क्रमशः 66.66 प्रतिशत और 33.33 प्रतिशत हो चुकी है। रिलायंस ने कहा कि कंपनी को सरकार से मांग का पत्र तीन मार्च, 2025 को प्राप्त हुआ है। इसके साथ ही उसने कहा, 'कंपनी को कानूनी रूप से सलाह दी गई है कि खंडपीठ का फैसला और यह मांग टिकने योग्य नहीं है। कंपनी खंडपीठ के फैसले को चुनौती देने के लिए कदम उठा रही है।' रिलायंस इंडस्ट्रीज ने कहा, 'कंपनी को इस खाते में किसी भी देयता की उम्मीद नहीं है।'

सरकार ने रिलायंस, बीपी से ओएनजीसी के ब्लॉक से आई गैस के लिए निवेश की मांग की

एजेंसी ■ नई दिल्ली

सरकार ने अपने क्षेत्र के पास स्थित गैस ब्लॉक से प्राकृतिक गैस के उत्पादन और बिक्री से हुए लाभ पर रिलायंस इंडस्ट्रीज लिमिटेड और उसकी साझेदार फर्म बीपी को 2.81 अरब डॉलर (लगभग 24,500 करोड़ रुपए) की मांग का नोटिस भेजा है। सरकार ने यह नोटिस 14 फरवरी को आए दिल्ली उच्च न्यायालय के फैसले के बाद भेजा है। उच्च न्यायालय ने एक अंतरराष्ट्रीय मध्यस्थता न्यायाधिकरण के उस फैसले को पलट दिया था जिसमें रिलायंस और बीपी को नजदीकी ब्लॉक से निकाली गई गैस के लिए किसी भी हर्जाने की देनदारी नहीं बताई गई थी। रिलायंस ने शेयर बाजार को भेजी सूचना में इस मांग नोटिस की जानकारी दी है। कंपनी ने कहा, खंडपीठ के फैसले के बाद पेट्रोलियम और प्राकृतिक गैस मंत्रालय ने रिलायंस इंडस्ट्रीज लिमिटेड, बीपी एक्सप्लोरेशन (अल्फा) लिमिटेड और निको (एनईसीओ) लिमिटेड से 2.81 अरब डॉलर की मांग की है। मूल रूप से रिलायंस के पास कृष्णा गोदावरी बेसिन गहरे समुद्र वाले ब्लॉक में 60 प्रतिशत हिस्सेदारी थी, जबकि बीपी के पास 30 प्रतिशत

और कनाडाई कंपनी निको के पास शेष 10 प्रतिशत हिस्सेदारी थी। इसके बाद, रिलायंस और बीपी ने उत्पादन साझाकरण अनुबंध (पीएससी) में निको की हिस्सेदारी ले ली और अब उनकी हिस्सेदारी बढ़कर क्रमशः 66.66 प्रतिशत और 33.33 प्रतिशत हो चुकी है। सरकार ने 2016 में सार्वजनिक क्षेत्र की कंपनी ओएनजीसी के आसपास के क्षेत्रों से केजी-डी6 ब्लॉक में स्थानांतरित हुई गैस की मात्रा के लिए रिलायंस और उसके भागीदारों से 1.55 अरब डॉलर की मांग की थी। इस दावे का रिलायंस ने विरोध किया था और जुलाई, 2018 में मध्यस्थता न्यायाधिकरण ने भी कहा कि वह मुआबजे का भुगतान करने के लिए बाध्य नहीं है। दिल्ली उच्च न्यायालय की एकल पीठ ने मई, 2023 में

खारिज करते हुए मध्यस्थता निर्णय को बरकरार रखा था। हालांकि, पिछले महीने उच्च न्यायालय की ही एक खंडपीठ ने रिलायंस और उसके भागीदारों के खिलाफ फैसला सुनाते हुए एकल न्यायाधीश के आदेश को खारिज कर दिया था। रिलायंस ने कहा कि कंपनी को सरकार से मांग का पत्र तीन मार्च, 2025 को प्राप्त हुआ है। इसके साथ ही उसने कहा, कंपनी को कानूनी रूप से सलाह दी गई है कि खंडपीठ का फैसला और यह मांग टिकने योग्य नहीं है। कंपनी खंडपीठ के फैसले को चुनौती देने के लिए कदम उठा रही है। रिलायंस इंडस्ट्रीज ने कहा, कंपनी को इस खाते में किसी भी देयता की उम्मीद नहीं है। रिलायंस ने कहा था कि वह इस फैसले के खिलाफ उच्चतम न्यायालय में अपील करेगी।

रिलायन्स, बीपीला २४,५०० कोटी रुपयांची मागणी

दिल्ली, वृत्तसंस्था. सरकारने रिलायन्स इंडस्ट्रीज लिमिटेड आणि त्यांच्या भागीदार कंपनी बीपी यांना त्यांच्या क्षेत्राजवळील गॅस ब्लॉक्समधून नैसर्गिक वायूच्या उत्पादन आणि विक्रीतून मिळणाऱ्या नफ्याबद्दल २.८१ अब्ज डॉलर्स (सुमारे २४,५०० कोटी रुपये) ची मागणी करणारी नोटीस पाठवली आहे. १४ फेब्रुवारी रोजी दिल्ली उच्च न्यायालयाच्या निर्णयानंतर सरकारने ही नोटीस पाठवली आहे.

जवळच्या ब्लॉकमधून काढलेल्या गॅसच्या नुकसानीसाठी रिलायन्स आणि बीपी जबाबदार नसल्याचा आंतरराष्ट्रीय लवाद न्यायाधिकरणाचा निर्णय उच्च न्यायालयाने रद्द केला होता. रिलायन्सने शेअर बाजाराला पाठवलेल्या माहितीत या मागणी सूचनेची माहिती दिली आहे. कंपनीने म्हटले आहे की, डिक्विजन बॅचच्या निर्णयानंतर, पेट्रोलियम आणि नैसर्गिक वायू मंत्रालयाने रिलायन्स इंडस्ट्रीज लिमिटेड, बीपी एक्सप्लोरेशन (अल्फा) लिमिटेड आणि निको (नेको) लिमिटेडकडून २.८१ अब्ज डॉलर्सची मागणी केली आहे. कृष्णा गोदावरी बेसिनच्या खोल पाण्याच्या ब्लॉकमध्ये रिलायन्सचा मूळ हिस्सा ६० टक्के होता, तर बीपीचा ३० टक्के आणि कॅनेडियन कंपनी निकोचा उर्वरित १० टक्के हिस्सा होता. त्यानंतर, रिलायन्स आणि बीपीने उत्पादन सामायिकरण करार (पीएससी) मध्ये निकोचा हिस्सा ताब्यात घेतला आणि आता त्यांचा हिस्सा अनुक्रमे ६६.६६ टक्के आणि ३३.३३ टक्के झाला आहे.

सरकार ने रिलायंस इंडस्ट्रीज से मांगे 2.81 अरब डॉलर

● रिलायंस ने दी यह जानकारी

महानगर नेटवर्क

नई दिल्ली

सरकार ने देश की सबसे वैल्यूएबल कंपनी रिलायंस इंडस्ट्रीज और उसकी पार्टनर बीपी एक्सप्लोरेशन (अल्फा) लिमिटेड और NIKO (NECO) लिमिटेड से 2.81 अरब डॉलर यानी करीब 2,45,48,86,25,000 रुपये की मांग की है। रिलायंस ने मंगलवार को यह जानकारी दी। यह विवाद ONGC के ब्लॉक से KG-D6 ब्लॉक में गैस के रिसाव को लेकर काफी समय से चला आ

रहा है। पेट्रोलियम और प्राकृतिक गैस मंत्रालय ने रिलायंस और उसकी पार्टनर कंपनियों से यह मांग की है। यह मामला 2018 का है। तब सरकार ने KG-D6 कंसोर्टियम पर गैस माइग्रेशन का आरोप लगाया था। इस कंसोर्टियम में रिलायंस भी शामिल है। सरकार का कहना था कि ONGC के पास वाले ब्लॉक से गैस का रिसाव KG-D6 ब्लॉक में हो रहा है। इसके लिए रिलायंस जिम्मेदार

है। शुरुआत में मंत्रालय ने इस रिसाव के लिए लगभग 1.55 अरब डॉलर का मुआवजा मांगा था। यह कानूनी लड़ाई कई अदालती कार्यवाहियों से और उलझ गई। आखिरकार यह मामला दिल्ली उच्च न्यायालय में पहुंच गया। मई 2023 में दिल्ली उच्च न्यायालय की एकल न्यायाधीश पीठ ने रिलायंस के पक्ष में दिए गए एक मध्यस्थता के फैसले को चुनौती देने वाली सरकार की अपील को खारिज कर दिया था। लेकिन, सरकार ने एक खंडपीठ में अपील की। इसके बाद 3 मार्च, 2025 को अदालत ने पिछले फैसले को फलट दिया। इस फैसले के उलट जाने के बाद पेट्रोलियम और प्राकृतिक गैस मंत्रालय ने अब 2.81 अरब डॉलर की मांग की है।

रिलायन्सला सरकारचा दणका

■ गॅस प्रकरणात अब्जावधी डॉलरची मागणी ■ बॅटरी उत्पादन वेळापत्रक चुकवल्याबद्दल दंड

नवी दिल्ली : अब्जाधीश मुकेश अंबानी यांच्या रिलायन्स इंडस्ट्रीजवर सरकारने दोन स्वतंत्र दावे ठोठावले आहेत.

२.८१ अब्ज डॉलरचा (₹२४,५०० कोटी) ची मागणी ही सरकारी तेल गॅस कंपनी ओएनजीसीच्या गॅसच्या उत्पादनाबाबत करण्यात आली आहे. तर बॅटरी सेल प्रकल्प उभारणीच्या मुदतीत उशीर केल्याबद्दल दंड ठोठावण्यात आला आहे.

गॅस प्रकरणातील २.८१ अब्ज डॉलर दावा हा दिल्ली उच्च न्यायालयाच्या १४ फेब्रुवारीच्या निर्णयाच्या पार्श्वभूमीवर लावण्यात आला आहे. आंतरराष्ट्रीय लवादाने दिलेल्या निर्णयानुसार, रिलायन्स आणि त्याचे भागीदार बीपी (ब्रिटन) यांना कोणतीही नुकसानभरपाई द्यावी लागणार नव्हती. मात्र दिल्ली उच्च न्यायालयाच्या विभागीय खंडपीठाने हा निर्णय रद्द केला. परिणामी पेट्रोलियम मंत्रालयाने रिलायन्स इंडस्ट्रीज, बीपी

एक्सप्लोरेशन (अल्फा) आणि निकोवर २.८१ अब्ज डॉलरचा दंड लावला.

केजी-डी६ गॅस ब्लॉकमध्ये मूळतः रिलायन्सचा ६०% वाटा तर बीपीचा ३०% व कॅनडाच्या निकोचा १०% वाटा होता. नंतर रिलायन्स आणि बीपीने निकोचा हिस्सा विकत घेतला आणि आता त्यांच्या मालकीचे प्रमाण ६६.६६% आणि ३३.३३% असे आहे.

सरकारने २०१६ मध्ये केजी-डी६ ब्लॉकमधील ओएनजीसीच्या गॅसच्या स्थलांतरामुळे

दिल्ली उच्च न्यायालयाचा निर्णय कायद्याच्या चौकटीत टिकू शकत नाही. हा निर्णय आम्हाला देण्यासाठी आवश्यक कायदेशीर पावले उचलली जातील. आम्हाला या संदर्भात कोणतीही जबाबदारी लागू होणार नाही. कंपनीने सर्वोच्च न्यायालयात अपील दाखल करण्याचा निर्णय घेतला आहे.

- प्रवक्ता, रिलायन्स

रिलायन्सकडून १.५५ अब्ज डॉलर दंडाची मागणी केली होती. रिलायन्सने हा दावा आंतरराष्ट्रीय

उशीर सुरू केल्याबद्दल दंड

रिलायन्सच्या रिलायन्स न्यू एनर्जी बॅटरी स्टोरेज कंपनीला ३ मार्च रोजी भारत सरकारच्या अवजड उद्योग मंत्रालयाकडून पत्र मिळाले. १ जानेवारी २०२५ पासून प्रती दिवस ०.१% दंड (₹५० कोटीच्या परफॉर्मन्स सिक्युरिटीवर) आकारण्यात येणार आहे. ३ मार्च २०२५ पर्यंत या दंडाची रक्कम ₹३.१ कोटी असेल. ही कारवाई "परफॉर्मन्स-लिंक्ड इन्सॅटिड योजनेअंतर्गत ५ जीडब्ल्यूएच उत्पादन क्षमतेच्या प्रकल्पातील पहिले टप्पे वेळेत पूर्ण न केल्यामुळे" करण्यात आली आहे.

लवादात आव्हान दिले आणि २०१८ मध्ये लवादाने हा दंड देण्याची गरज नाही, असा निकाल दिला. मात्र सरकारने उच्च न्यायालयात याचिका दाखल केली.

मे २०२३ मध्ये दिल्ली उच्च न्यायालयाच्या एकल न्यायाधीशाने सरकारची याचिका फेटाळली. परंतु गेल्या महिन्यात विभागीय खंडपीठाने हा निकाल उलटवला आणि सरकारच्या बाजूने निर्णय दिला. रिलायन्सने ३ मार्च २०२५ रोजी हा दंड मागणी पत्र प्राप्त केल्याचे सांगितले.

काय होता करार?

- २०२२ मध्ये रिलायन्स न्यू एनर्जी बॅटरी स्टोरेजने १० जीडब्ल्यूएच क्षमतेचा बॅटरी उत्पादन प्रकल्प उभारण्यासाठी करार केला होता.
- यासाठी ४०० दशलक्ष डॉलर (₹३,३०० कोटी) गुंतवणूक केली जाणार होती.
- भारत सरकारच्या पीएलआय योजनेअंतर्गत, ३० जीडब्ल्यूएच क्षमतेचा बॅटरी स्टोरेज निर्मितीसाठी कंपन्यांना ₹१८९ कोटीचे प्रोत्साहन देण्यात येणार होते.
- रिलायन्स न्यू एनर्जी बॅटरी स्टोरेज व्यतिरिक्त राजेश एक्स्पॉर्ट्स आणि ओला इलेक्ट्रिक मोबिलिटी लिमिटेडनेही निविदा जिंकली होती.
- कंपन्यांना पहिल्या दोन वर्षात किमान २५% स्थानिक मूल्यवर्धन आणि पाच वर्षात ५०% मूल्यवर्धन करण्याचे बंधन घालण्यात आले होते.
- रिलायन्सने जामनगर, गुजरात येथे बॅटरी गिगाफॅक्टरी सुरू करण्याकरिता २०२६ च्या दुसऱ्या सहामाहीत मुदत दिली होती.

ओएनजीसी की गैस के मुआवजे से जुड़ा मामला केंद्र ने रिलायंस को ₹24,500 करोड़ वसूली का नोटिस दिया

नई दिल्ली | केंद्र सरकार ने अपने क्षेत्र के पास स्थित गैस ब्लॉक से प्राकृतिक गैस के उत्पादन और बिक्री से हुए लाभ पर रिलायंस इंडस्ट्रीज लि. और उसकी साझेदार फर्म बीपी को 2.81 अरब डॉलर (24,500 करोड़ रु.) चुकाने का नोटिस भेजा है। नोटिस दिल्ली हाई कोर्ट के 14 फरवरी के आदेश के बाद दिया गया है। शेयर बाजार को भेजी सूचना में रिलायंस ने बताया, 'पेट्रोलियम व प्राकृतिक गैस मंत्रालय ने रिलायंस, बीपी और निको से 2.81 अरब डॉलर की मांग की है।' कृष्णा गोदावरी बेसिन गहरे समुद्र वाले ब्लॉक में रिलायंस की हिस्सेदारी 60%, बीपी की 30% और कनाडाई कंपनी निको की 10% थी। रिलायंस और बीपी ने निको की हिस्सेदारी ले ली, जिससे

2016 में पहली बार सरकार ने मांग थे 13,536 करोड़ रु.

केंद्र ने 2016 में रिलायंस, उसके भागीदारों को 1.55 अरब डॉलर (₹13,536 करोड़) का डिमांड नोटिस दिया था। रिलायंस ने विरोध किया और जुलाई, 2018 में न्यायाधिकरण मुआवजे को गलत करार दिया। दिल्ली हाई कोर्ट की एकल पीठ ने मई, 2023 में यह निर्णय बरकरार रखा। पिछले महीने हाईकोर्ट की खंडपीठ ने सिंगल बेंच का आदेश खारिज कर दिया।

उनकी हिस्सेदारी क्रमशः 66.66% और 33.33% हो चुकी है। रिलायंस ने कहा- 'हमें सोमवार को सरकार से मांग का पत्र मिला। कोर्ट का फैसला और यह नोटिस टिकने योग्य नहीं है। कंपनी इस फैसले को चुनौती देने के लिए कदम उठा रही है।'

ਓ. ਐੱਨ. ਜੀ. ਸੀ. ਗੈਸ ਮਾਈਗ੍ਰੇਸ਼ਨ ਵਿਵਾਦ : ਸਰਕਾਰ ਨੇ ਰਿਲਾਇੰਸ ਤੋਂ ਮੰਗਿਆ 24,500 ਕਰੋੜ ਦਾ ਮੁਆਵਜ਼ਾ

ਨਵੀਂ ਦਿੱਲੀ, 4 ਮਾਰਚ (ਭਾਸ਼ਾ)- ਪੈਟਰੋਲੀਅਮ ਅਤੇ ਕੁਦਰਤੀ ਗੈਸ ਮੰਤਰਾਲਾ ਨੇ ਮੁਕੱਬ ਅੰਬਾਨੀ ਦੀ ਅਗਵਾਈ ਵਾਲੀ ਰਿਲਾਇੰਸ ਇੰਡਸਟਰੀਜ਼ ਲਿਮਟਿਡ (ਆਰ. ਆਈ. ਐੱਲ.) ਅਤੇ ਉਸ ਦੇ ਕੰਸੋਰਟੀਅਮ ਪਾਰਟਨਰਜ਼ ਬੀ. ਪੀ. ਐਕਸਪਲੋਰੇਸ਼ਨ (ਅਲਵਾ) ਲਿਮਟਿਡ ਅਤੇ ਨੀਕੋ (ਐੱਨ. ਈ. ਸੀ. ਓ.) ਲਿਮਟਿਡ ਤੋਂ 2.81 ਅਰਬ ਡਾਲਰ (ਲੱਗਭਗ 24,500 ਕਰੋੜ ਰੁਪਏ) ਦੇ ਮੁਆਵਜ਼ੇ ਦੀ ਮੰਗ ਕੀਤੀ ਹੈ।

ਇਹ ਵਿਵਾਦ ਓ. ਐੱਨ. ਜੀ. ਸੀ. ਦੇ ਬਲਾਕਸ ਤੋਂ ਕੇ. ਜੀ.-ਡੀ6 ਬਲਾਕ 'ਚ ਗੈਸ ਮਾਈਗ੍ਰੇਸ਼ਨ ਨਾਲ ਸਬੰਧਤ ਹੈ। ਰਿਲਾਇੰਸ ਨੇ ਅੱਜ ਭਾਵ ਮੰਗਲਵਾਰ (4 ਮਾਰਚ) ਨੂੰ ਸ਼ੇਅਰ ਬਾਜ਼ਾਰ ਨੂੰ ਇਹ ਸੂਚਨਾ ਦਿੱਤੀ। ਇਹ ਮਾਮਲਾ ਲੰਮੇ ਸਮੇਂ ਤੋਂ ਵਿਵਾਦ ਦਾ ਵਿਸ਼ਾ ਬਣਿਆ ਹੋਇਆ ਹੈ, ਜਿਸ 'ਚ ਸਰਕਾਰ ਅਤੇ ਕੰਪਨੀਆਂ ਵਿਚਾਲੇ ਕਾਨੂੰਨੀ ਅਤੇ ਵਿੱਤੀ ਦਾਵਾਵਾਂ 'ਤੇ ਚਰਚਾ ਜਾਰੀ ਹੈ।

ਕੇ. ਜੀ.-ਡੀ6 ਬਲਾਕ 'ਚ ਗੈਸ ਮਾਈਗ੍ਰੇਸ਼ਨ 'ਤੇ ਆਰ. ਆਈ. ਐੱਲ. ਅਤੇ ਸਰਕਾਰ ਵਿਚਾਲੇ ਖਿੱਚੜਾਟ
ਕੇ. ਜੀ.-ਡੀ6 ਬਲਾਕ 'ਚ ਗੈਸ ਮਾਈਗ੍ਰੇਸ਼ਨ

'ਤੇ ਆਰ. ਆਈ. ਐੱਲ. ਅਤੇ ਸਰਕਾਰ 'ਚ ਖਿੱਚੜਾਟ ਚੱਲ ਰਹੀ ਹੈ। ਐਕਸਚੇਂਜ ਵਾਈਲਿੰਗ 'ਚ ਕੰਪਨੀ ਨੇ ਕਿਹਾ, "ਪੈਟਰੋਲੀਅਮ ਅਤੇ ਕੁਦਰਤੀ ਗੈਸ ਮੰਤਰਾਲਾ ਨੇ ਪੀ. ਐੱਸ. ਸੀ. ਨੀਕੋਦਾਰਾ-ਰਿਲਾਇੰਸ ਇੰਡਸਟਰੀਜ਼ ਲਿਮਟਿਡ, ਬੀ. ਪੀ. ਐਕਸਪਲੋਰੇਸ਼ਨ (ਅਲਵਾ) ਲਿਮਟਿਡ ਅਤੇ ਨੀਕੋ (ਐੱਨ. ਈ. ਸੀ. ਓ.) ਲਿਮਟਿਡ ਤੋਂ 2.81 ਅਰਬ ਡਾਲਰ ਦੀ ਮੰਗ ਕੀਤੀ ਹੈ।"

ਇਹ ਦਾਅਵਾ 2018 ਦੇ ਇਕ ਮਾਮਲੇ ਨਾਲ ਜੁੜਿਆ ਹੈ, ਜਦੋਂ ਭਾਰਤ ਸਰਕਾਰ ਨੇ ਕੇ. ਜੀ.-ਡੀ6 ਕੰਸੋਰਟੀਅਮ, ਜਿਸ 'ਚ ਰਿਲਾਇੰਸ ਵੀ ਸ਼ਾਮਲ ਹੈ, 'ਤੇ ਓ. ਐੱਨ. ਜੀ. ਸੀ. ਦੇ ਨੇੜਲੇ ਬਲਾਕਾਂ ਤੋਂ ਗੈਸ ਮਾਈਗ੍ਰੇਸ਼ਨ ਲਈ ਇੰਮੇਦਾਰ ਹੋਣ ਦਾ ਦੋਸ਼ ਲਾਇਆ ਸੀ।

ਸ਼ੁਰੂਆਤ 'ਚ ਸਰਕਾਰ ਨੇ 1.55 ਅਰਬ ਡਾਲਰ ਦਾ ਮੰਗਿਆ ਸੀ ਮੁਆਵਜ਼ਾ

ਸ਼ੁਰੂਆਤ 'ਚ ਪੈਟਰੋਲੀਅਮ ਮੰਤਰਾਲਾ ਨੇ ਕਬਿਤ ਗੈਸ ਮਾਈਗ੍ਰੇਸ਼ਨ ਲਈ ਲੱਗਭਗ 1.55 ਅਰਬ ਡਾਲਰ ਦਾ ਮੁਆਵਜ਼ਾ ਮੰਗਿਆ ਸੀ।

ਮਾਮਲਾ ਕਈ ਕਾਨੂੰਨੀ ਕਾਰਵਾਈਆਂ 'ਚ ਉਲਝ ਗਿਆ ਅਤੇ ਅਖੀਰ ਦਿੱਲੀ ਹਾਈ ਕੋਰਟ ਤੱਕ ਪਹੁੰਚ ਗਿਆ।

ਮਈ 2023 'ਚ ਦਿੱਲੀ ਹਾਈ ਕੋਰਟ ਦੀ ਸਿਗਲ ਬੈਚ ਨੇ ਸਰਕਾਰ ਦੀ ਉਸ ਪਟੀਸ਼ਨ ਨੂੰ ਖਾਰਜ ਕਰ ਦਿੱਤਾ, ਜਿਸ 'ਚ ਇਕ ਵਿਚੋਲਗੀ ਫੈਸਲੇ ਨੂੰ ਚੁਣੌਤੀ ਦਿੱਤੀ ਗਈ ਸੀ। ਇਸ ਫੈਸਲੇ 'ਚ ਰਿਲਾਇੰਸ ਇੰਡਸਟਰੀਜ਼ ਦੇ ਪੱਖ 'ਚ ਫੈਸਲਾ ਦਿੱਤਾ ਗਿਆ ਸੀ। ਹਾਲਾਂਕਿ, ਸਰਕਾਰ ਨੇ ਡਿਵੀਜ਼ਨ ਬੈਚ 'ਚ ਅਪੀਲ ਕੀਤੀ, ਜਿਸ ਤੋਂ ਬਾਅਦ 3 ਮਾਰਚ 2025 ਨੂੰ ਦਿੱਲੀ ਹਾਈ ਕੋਰਟ

ਨੇ ਆਪਣੇ ਪਹਿਲਾਂ ਦੇ ਫੈਸਲੇ ਨੂੰ ਪਲਟ ਦਿੱਤਾ।

ਆਰ. ਆਈ. ਐੱਲ. ਨੂੰ ਕੋਈ ਵਿੱਤੀ ਦੇਣਦਾਰੀ ਹੋਣ ਦੀ ਉਮੀਦ ਨਹੀਂ

ਇਸ ਫੈਸਲੇ ਤੋਂ ਬਾਅਦ ਪੈਟਰੋਲੀਅਮ ਅਤੇ ਕੁਦਰਤੀ ਗੈਸ ਮੰਤਰਾਲਾ ਨੇ ਹੁਣ ਆਪਣੀ ਮੰਗ ਵਧਾ ਕੇ 2.81 ਅਰਬ ਡਾਲਰ ਕਰ ਦਿੱਤੀ ਹੈ। ਮੰਤਰਾਲਾ ਨੇ ਨਵੇਂ ਕਾਨੂੰਨੀ ਘਟਨਾਚੱਕਰ ਅਤੇ ਗੈਸ ਮਾਈਗ੍ਰੇਸ਼ਨ ਮਾਮਲੇ ਦੇ ਮੁੜ-ਮੁਲਾਂਕਣ ਨੂੰ ਆਧਾਰ ਬਣਾਉਂਦੇ ਹੋਏ ਇਹ ਕਦਮ ਚੁੱਕਿਆ ਹੈ।

ਰਿਲਾਇੰਸ ਨੇ ਐਕਸਚੇਂਜ ਵਾਈਲਿੰਗ 'ਚ ਕਿਹਾ ਕਿ ਕੰਪਨੀ ਨੂੰ ਕਾਨੂੰਨੀ ਸਲਾਹ ਮਿਲੀ ਹੈ ਕਿ ਡਿਵੀਜ਼ਨ ਬੈਚ ਦਾ ਫੈਸਲਾ ਅਤੇ ਇਹ ਪ੍ਰੋਵਿਜ਼ਨਲ ਮੰਗ ਅਸਥਿਰ ਹੈ। ਕੰਪਨੀ ਦਿੱਲੀ ਹਾਈ ਕੋਰਟ ਦੀ ਡਿਵੀਜ਼ਨ ਬੈਚ ਦੇ ਫੈਸਲੇ ਨੂੰ ਚੁਣੌਤੀ ਦੇਣ ਲਈ ਕਦਮ ਉਠਾ ਰਹੀ ਹੈ। ਕੰਪਨੀ ਨੂੰ ਇਸ ਮਾਮਲੇ 'ਚ ਕੋਈ ਵਿੱਤੀ ਦੇਣਦਾਰੀ ਹੋਣ ਦੀ ਉਮੀਦ ਨਹੀਂ ਹੈ।

ਬੈਟਰੀ ਪਲਾਂਟ ਦੀ ਸਮਾਂ-ਹੱਦ 'ਚ ਖੁੰਝ ਨੂੰ ਲੈ ਕੇ ਵੀ ਰਿਲਾਇੰਸ ਦੀ ਇਕਾਈ 'ਤੇ ਲੱਗਾ ਜੁਰਮਾਨਾ

ਸਰਕਾਰ ਨੇ ਰਿਲਾਇੰਸ ਇੰਡਸਟਰੀਜ਼ ਲਈ ਪ੍ਰਦਰਸ਼ਨ ਸੁਰੱਖਿਆ (50 ਕਰੋੜ ਰੁਪਏ) ਦੀ ਲਿਮਟਿਡ ਦੀ ਇਕ ਇਕਾਈ 'ਤੇ ਬੈਟਰੀ ਸੈੱਲ 0.1 ਫੀਸਦੀ ਦੀ ਦਰ ਨਾਲ ਨੁਕਸਾਨਪੂਰਤੀ ਵਸੂਲਣ ਦਾ ਹੁਕਮ ਦਿੱਤਾ ਗਿਆ ਹੈ।

ਇਸ 'ਚ ਕਿਹਾ ਗਿਆ ਹੈ ਕਿ ਇਹ ਜੁਰਮਾਨਾ ਉਨਤ ਰਸਾਇਣ ਸੈੱਲ ਲਈ ਪ੍ਰਦਰਸ਼ਨ ਨਾਲ ਜੁੜੀ ਪ੍ਰਤੀਸ਼ਠਾ ਯੋਜਨਾ ਤਹਿਤ ਪ੍ਰਦਾਨ ਕੀਤੀ ਗਈ 5 ਸਬੰਧ 'ਚ ਮੰਤਰਾਲਾ ਨਾਲ ਲਾਗੂ ਕੀਤੇ ਪ੍ਰੋਗਰਾਮ ਸਮੇਂ ਤੋਂ ਤਹਿਤ ਮਾਈਲਸਟੋਨ-1 ਨੂੰ ਹਾਸਲ ਕਰਨ 'ਚ ਦੇਰੀ ਲਈ ਲਾਇਆ ਗਿਆ ਹੈ। 3 ਮਾਰਚ, 2025 ਤੱਕ ਦੀ ਗਣਨਾ ਅਨੁਸਾਰ ਇਹ ਨੁਕਸਾਨਪੂਰਤੀ ਜਾਂ ਜੁਰਮਾਨਾ 3.1 ਕਰੋੜ ਰੁਪਏ ਸੀ।

ਰਿਲਾਇੰਸ ਨੇ ਸ਼ੇਅਰ ਬਾਜ਼ਾਰ ਨੂੰ ਦਿੱਤੀ ਸੂਚਨਾ 'ਚ ਕਿਹਾ ਕਿ ਉਸ ਦੀ ਸਹਿਯੋਗੀ ਕੰਪਨੀ ਰਿਲਾਇੰਸ ਨਿਊ ਐਨਰਜੀ ਬੈਟਰੀ ਸਟੋਰੇਜ ਲਿਮਟਿਡ ਨੂੰ 3 ਮਾਰਚ ਨੂੰ ਭਾਰੀ ਉਦਯੋਗ ਮੰਤਰਾਲਾ ਵੱਲੋਂ ਇਕ ਪੱਤਰ ਮਿਲਿਆ, ਜਿਸ 'ਚ 1 ਜਨਵਰੀ, 2025 ਤੋਂ ਹਰ ਇਕ ਦਿਨ ਦੀ ਦੇਰੀ

ओ.एन.जी.सी. गैस माइग्रेशन विवाद: सरकार ने रिलायंस से 24,500 करोड़ मांगा मुआवजा

नई दिल्ली, 4 मार्च (प.स.) : पेट्रोलियम और प्राकृतिक गैस मंत्रालय ने मुकेश अंबानी की अगुवाई वाले रिलायंस इंडस्ट्रीज लिमिटेड (आर.आई.एल.) और उसके कंसोर्टियम पार्टनर्स बीपी एक्सप्लोरेशन (अल्फा) लिमिटेड और निको (एन.ई.सी.ओ.) लिमिटेड से 2.81 अरब डॉलर (लगभग 24,500 करोड़ रुपए) के मुआवजे की मांग की है।

यह विवाद ओ.एन.जी.सी. के ब्लॉक्स से केजी-डी6 ब्लॉक में गैस माइग्रेशन से जुड़ा हुआ है। रिलायंस ने आज यानी मंगलवार (4 मार्च) को शेयर बाजार को यह सूचना दी। यह मामला लंबे समय से विवाद का विषय बना हुआ है, जिसमें सरकार और कंपनियों के बीच कानूनी तथा वित्तीय दावों पर चर्चा जारी है।

केजी-डी6 ब्लॉक में गैस माइग्रेशन पर आर.आई.एल. और सरकार में खींचतान चल रही है। एक्सचेंज फाइलिंग में कंपनी ने कहा, "पेट्रोलियम और

प्राकृतिक गैस मंत्रालय ने पीएससी टेकदारों - रिलायंस इंडस्ट्रीज लिमिटेड, बीपी एक्सप्लोरेशन (अल्फा) लिमिटेड और निको (एन.ई.सी.ओ.) लिमिटेड पर 2.81 अरब डॉलर की मांग उठाई है।"

यह दावा 2018 के एक मामले से जुड़ा है, जब भारत सरकार ने केजी-डी6 कंसोर्टियम, जिसमें रिलायंस भी शामिल है, पर ओ.एन.जी.सी. के निकटवर्ती ब्लॉकों से गैस माइग्रेशन के लिए जिम्मेदार होने का आरोप लगाया था।

शुरूआत में सरकार ने 1.55 अरब डॉलर का मांगा था मुआवजा

शुरूआत में पेट्रोलियम मंत्रालय ने कथित गैस माइग्रेशन के लिए लगभग

1.55 अरब डॉलर का मुआवजा मांगा था। मामला कई कानूनी कार्रवाइयों में उलझ गया और अंततः दिल्ली हाईकोर्ट तक पहुंच गया।

मई 2023 में दिल्ली हाईकोर्ट की एकल न्यायाधीश पीठ ने सरकार की उस याचिका को खारिज कर दिया, जिसमें एक मध्यस्थता फैसले को चुनौती दी गई थी। इस फैसले में रिलायंस इंडस्ट्रीज के पक्ष में निर्णय दिया गया था। हालांकि, सरकार ने डिबीजन बैंक में अपील की, जिसके बाद 3 मार्च 2025

को दिल्ली हाईकोर्ट ने अपने पहले के फैसले को पलट दिया।

आर.आई.एल. को कोई वित्तीय देनदारी होने की उम्मीद नहीं

इस फैसले के बाद पेट्रोलियम और प्राकृतिक गैस मंत्रालय ने अब अपनी मांग बढ़ाकर 2.81 अरब डॉलर कर दी है। मंत्रालय ने नए कानूनी घटनाक्रम और गैस माइग्रेशन मामले के पुनर्मूल्यांकन को आधार बनाते हुए यह कदम उठाया है।

रिलायंस ने एक्सचेंज फाइलिंग में कहा कि कंपनी को कानूनी सलाह मिली है कि डिबीजन बैंक का फैसला और यह प्रोजेक्शन मांग अस्थिर है। कंपनी दिल्ली हाईकोर्ट की डिबीजन बैंक के फैसले को चुनौती देने के लिए कदम उठा रही है। कंपनी को इस मामले में कोई वित्तीय देनदारी होने की उम्मीद नहीं है।

बैटरी संयंत्र की समय-सीमा में चूक को लेकर भी रिलायंस की इकाई पर लगा जुर्माना

सरकार ने रिलायंस इंडस्ट्रीज लिमिटेड की एक इकाई पर बैटरी सैल संयंत्र स्थापित करने की समय-सीमा को पूरा करने में विफल रहने के लिए जुर्माना लगाया है। इसके लिए उसे उत्पादन से जुड़े प्रोत्साहन दिए गए थे। कंपनी ने मंगलवार को यह जानकारी दी।

रिलायंस ने शेयर बाजार को दी सूचना में कहा कि उसकी अनुषंगी कंपनी रिलायंस न्यू एनर्जी बैटरी स्टोरेज लिमिटेड को 3 मार्च को भारी उद्योग मंत्रालय से एक पत्र मिला, जिसमें एक जनवरी, 2025 से प्रत्येक दिन की देरी के लिए प्रदर्शन सुरक्षा (50 करोड़ रुपए) की 0.1 प्रतिशत की दर से क्षतिपूर्ति वसूलने का निर्देश दिया गया है।

इसमें कहा गया है कि यह जुर्माना

उन्नत रसायन सैल के लिए प्रदर्शन से जुड़ी प्रोत्साहन योजना के तहत प्रदान की गई पांच गीगावाट घंटा विनिर्माण क्षमता के संबंध में मंत्रालय के साथ निष्पादित कार्यक्रम समझौते के तहत माइलस्टोन-1 को हासिल करने में देरी के लिए लगाया गया है। तीन मार्च, 2025 तक की गणना के अनुसार यह क्षतिपूर्ति या जुर्माना 3.1 करोड़ रुपए था।

अदालत ने बदल दिया था पुराना फैसला रिलायंस, बीपी से 24,500 करोड़ मांगे

■ दिल्ली, नवभारत न्यूज नेटवर्क. सरकार ने अपने क्षेत्र के पास स्थित गैस ब्लॉक से प्राकृतिक गैस के उत्पादन और बिक्री से हुए लाभ पर रिलायंस इंडस्ट्रीज लिमिटेड और उसकी साझेदार फर्म बीपी पर 2.81 अरब डॉलर (लगभग 24,500 करोड़ रुपये) की मांग का नोटिस भेजा है. सरकार ने यह नोटिस 14 फरवरी को आए दिल्ली उच्च न्यायालय के फैसले के बाद भेजा है. उच्च न्यायालय ने एक अंतरराष्ट्रीय मध्यस्थता न्यायाधिकरण के उस फैसले को पलट दिया था जिसमें रिलायंस और बीपी को नजदीकी ब्लॉक से निकाली गई गैस के लिए किसी भी हर्जाने की देनदारी नहीं बताई गई थी. रिलायंस ने शेयर बाजार को भेजी सूचना में इस मांग नोटिस की जानकारी दी है.

कंपनी फैसले को देगी चुनौती

हालांकि पिछले महीने उच्च न्यायालय की ही एक खंडपीठ ने रिलायंस और उसके भागीदारों के खिलाफ फैसला सुनाते हुए एकल न्यायाधीश के आदेश को खारिज कर दिया था. रिलायंस ने कहा कि कंपनी को सरकार से मांग का पत्र तीन मार्च, 2025 को प्राप्त हुआ है.
