Bhopal: With Madhya Pradesh (MP) government signing MoUs of more than ₹30 lakh crores in its two day investors summit, Union Home Minister Amit Shah on Tuesday said the state will play a major role in achieving goal of making India a developed nation by 2047.

Speaking at the concluding session of the Global Investors Summit (GIS) organised by the Madhya Pradesh government, he also said the state has emerged as an at-

tractive investment destination because of its strategic location, skilled workforce, and overall pro-business ecosystem.

“Ten years ago, Prime Minister Narendra Modi had presented a vision before the country’s youth and 130 crore people to make India a developed nation by 2047 and third largest economy in the world. Madhya Pradesh, and this GIS will play a major role in fulfilling this resolve,” Shah said.

It cannot be achieved by the Union government alone, but both the central and state governments will need to work

as “Team India,” the senior BJP leader said.

Chief Minister Mohan Yadav noted in his speech that the state has inked MoUs worth ₹30,77,000 crore during the GIS and in the run-up to the meet. His government has introduced a single-window system for granting fast approval to set up industries, and has decided to observe 2025 as the year of “Industries and employment,” Yadav added.

The CM said the primary objective of the summit is to promote MP as a top destination for investments across sectors.

including manufacturing, infrastructure, agriculture, renewable energy, technology, and services.

On Monday, the summit began with big-ticket announcements—with the state going all out to woo global investors and large business houses to invest in the MP’s limitless potential.

Over a dozen companies including billionaire Gautam Adani’s group, Reliance Industries and state-owned power producer NTPC committed to invest about ₹4 lakh crore across businesses in Madhya Pradesh.

Bhopal, 24 February

Prime Minister Narendra Modi on Monday said the Deregulation Commission would help establish an investment-friendly regulatory ecosystem in states, adding that the Centre had begun discussions with all stakeholders to shape its framework and enhance the ease of doing business.

Speaking at the inauguration of the two-day Invest Madhya Pradesh – Global Investors Summit (MPGIS) 2025, Modi highlighted the World Bank's confidence in India's economic trajectory, stating that the nation is poised to remain the world's fastest-growing economy.

"For the first time in Bharat's history, the entire world is optimistic about its future," Modi said, appealing to investors to seize opportunities in Madhya Pradesh, citing its burgeoning talent pool and world-class infrastructure.

The day's marquee announcement came from Gautam Adani, founder and chairman of the Adani group, who mentioned potential investments worth ₹1.1 trillion across sectors, including pump storage, cement, mining, smart meters, and thermal energy. This is projected to generate at least 120,000 jobs in the state by 2030. Also, the group is in

advanced discussions with the state government for an additional ₹1 trillion investment in a greenfield smart city project, a major airport, and coal gasification ventures. These together entail ₹2.1 trillion worth of potential investments in Madhya Pradesh.

The conglomerate already has ₹50,000 crore worth of investments in the state.

Meanwhile, state-run power giant NTPC announced it had signed preliminary agreements to invest over ₹2 trillion in renewable energy projects, including solar, wind, pumped hydro storage, non-fossil fuel-based initiatives, and other carbon-neutral ventures.

In his address, Modi recalled a time when Madhya Pradesh grappled with electricity and water shortages, compounded by a deteriorating law-and-order situation that deterred businesses. But over the past 20 years, with the support of the people, the BJP-led state government has restored governance, positioning Madhya Pradesh among the top five investor-friendly states, he said. The PM reiterated that the Centre had begun consultations with state governments and other stakeholders regarding the Deregulation Commission, first mentioned in the FY26 Budget.

Madhya Pradesh Chief Minister Mohan Yadav, addressing the summit, said Bhopal would emerge on the global map in a new light after GIS 2025. A report by the Confederation of Indian Industry, released during the event, projected that Madhya Pradesh's economy could expand 18-fold to \$2.1 trillion (₹248.6 trillion) by 2047-48, at a compound annual growth rate of 8.6 per cent, from the current \$164.7 billion (₹13.6 trillion).

GUWAHATI: There is growing global trust in India and despite uncertainty around the world, the country's growth trajectory has generated unanimity among experts, Prime Minister Narendra Modi said on Tuesday as he underlined the reform and development agenda of his government.

Speaking at Advantage Assam 2.0, an infrastructure and investment summit expected to boost the northeastern state's development, Modi also lauded Assam and said eastern India will play a key role in *Viksit Bharat* (developed India).

"Even amidst an atmosphere of global uncertainty at present, all experts across the world are certain about one thing. And that is the certainty about India's fast growth," Modi said. "There's a concrete reason for this faith. Keeping in mind the long-term vision of the next 25 years of the 21st century, today's India is taking one step after another and working on a massive scale," he added.

Union ministers for external affairs S Jaishankar, communications and development of north-eastern region Jyotiraditya Scindia, and shipping and ports Sarbananda Sonowal, Assam governor Lakshman Prasad Acharya, and the chief ministers of Assam and Tripura, Himanta Biswa Sarma and Manik Saha, respectively were part of the inaugural event of the two-day summit.

Several prominent industrialists including Mukesh Ambani of

the Reliance Group, Gautam Adani of the Adani Group, Prashant Ruia of the Essar Group, Anil Agarwal of Vedanta, Sajjan Jindal of the JSW Group, N Chandrabosekaran of the Tata Group delivered speeches in the inaugural event.

The PM said that the faith in India's growth is because of its large population of young people who are getting skilled at a very fast pace and leading to innovate.

Modi said India's robust connectivity with East Asia and the newly launched India-Middle East-Europe Economic Corridor is opening up new opportunities. "India is bolstering its local supply chains and entering free-trade agreements with various global regions," he added.

The PM said Assam's contribution in India's growth was growing continuously. In 2018, when the first Advantage Assam summit was held, the size of the state's economy was ₹3.25 lakh crore, compared to ₹6 lakh crore now. "It shows that under BJP rule, Assam's economy has doubled in just six years. The state has now become a place of unlimited possibilities," he said.

Citing infrastructure development in the state, Modi talked about how there were just three bridges across the Brahmaputra in 2014, and added that four more have been added since.

Assam signed 164 MoUs of investment proposals with companies in 15 sectors, chief minister Himanta Biswa Sarma said. "On Day 1 of Advantage Assam 2.0, we signed a historic 164 MoUs of

investment proposals, with companies in 15 sectors & received several investment commitments even from other districts," he posted on X.

Addressing the "I-Ways to Viksit Assam" session as part of the Advantage Assam 2.0 Summit, Scindia said: "Assam today is a gateway to South-East Asia; it is a gateway to the Global South. Assam is a manufacturing and logistics powerhouse. I request the chief minister to rename this summit from Advantage Assam to Advantage India. Assam witnessed 19.6% growth last year and is poised to grow at 15% this year."

He added: "PM Modi has a relationship of heart with the north-eastern region. An area which was known as the last fringes of India has today been brought to the centre of India's economic growth rate. In the last 10 years, the Centre has contributed ₹5.22 lakh crore to the developmental budget of northeast."

At the Act East, Act Fast and Act First session, Jaishankar said India-Myanmar-Thailand trilateral highway will be a game-changer for connectivity and economic prosperity between the eastern part of India and the South East Asia region. "The real game-changer will be the completion of the India-Myanmar-Thailand trilateral highway. Progress is currently challenged by the internal strife in Myanmar, but we can't allow this to block something which is so momentous. Practical solutions will have to be found to ensure the advancement of this initiative," he said.

Assam's economy has doubled in 6 yrs, says PM at biz summit...

PRASANTA MAZUMDAR @ Guwahati

PRIME Minister Narendra Modi on Tuesday said Assam's contribution to India's growth is steadily increasing, highlighting that the state's economy has doubled in just six years under BJP.

Addressing a gathering after inaugurating Advantage Assam 2.0 business summit in Guwahati, Modi said East India and Northeast India are embarking on a new journey of future and Advantage Assam is a mega initiative to intertwine the incredible potential and progress of Assam with the world. The PM said the large gathering in Guwahati was a manifestation of growing global trust in India. He noted that Assam's economy was valued at Rs 2.75 lakh crore during the first edition of Advantage Assam summit held in 2018 and today, it has increased to around Rs 6 lakh crore.

Before 2014, there were only three bridges over the river Brahmaputra, built over 70 years. However, four new bridges have been constructed in the past 10 years. Between 2009 and

2014, he continued, Assam received an average rail budget of Rs 2,100 crore but the NDA government at the Centre increased it to Rs 10,000 crore.

Touching upon the rapid expansion of air connectivity in Assam, the PM said until 2014, flights operated on only seven routes, but now there are flights on nearly 30 routes. He said over 50 per cent of India's on-shore natural gas production comes from Assam and there has been a significant increase in the capacity of the state's refineries in recent years.

He said Assam is rapidly emerging in sectors such as electronics, semiconductors and green energy, emphasising that the state is becoming a hub for high-tech industries as well as startups.

"The day is not far when Assam will become a major manufacturing hub in eastern India," Modi said, adding that the Centre is fully supporting the state government in achieving this goal.

Chief Minister Himanta Biswa Sarma termed the summit a "landmark" event in As-

sam's industrial journey. He was confident that with Modi's blessings and presence, the summit would mark a new era of growth and opportunity.

He said the celebration of 200 years of Assam Tea marked the state's industrial legacy. Referring to its history, he said tea was the first major industry of Assam, discovered in 1823.

Sarma also said that Assam has been a pioneer in India's oil industry, and coal was discovered here as early as in 1847, which further propelled the industrial journey and laid the foundation for sustained economic growth. "At the time of India's independence, Assam was an economic frontrunner, enriched with tea, natural resources and hydrocarbon reserves with per capita income above the national average by 4 per cent," he said.

Chairman of Tata Sons Natarajan Chandrasekaran, CMD of Reliance Industries Mukesh Ambani, chairman of Adani Group Gautam Adani, chairman of Vedanta Groups Anil Agarwal and CMD of JSW Groups Sajjan Jindal also spoke.

Textile, tourism & tech to drive country's development: Modi...

ANURAAG SINGH @ Bhopal

PRIME Minister Narendra Modi said on Monday that textile, tourism and technology -- three Ts -- will be the key drivers of India's developed future as the sectors will create crores of new jobs.

Inaugurating Madhya Pradesh's Global Investors Summit-2025 (GIS-25) in Bhopal, Modi said India, with rich tradition, skills, and entrepreneurship in textiles, is the second-largest producer of cotton, silk, polyester and viscose.

"MP being the cotton capital of India contributes around 25 per cent of the country's organic cotton supply and is the largest producer of mulberry silk. The state's Chanderi and Maheshwari sarees have received GI tags. Investments in this sector will significantly help MP's textiles make a global impact," he said.

Modi said technical textiles such as agro-textiles, medical textiles, and geotextiles are being promoted, and a national mission has been initiated for this purpose. He said seven

The PM said India is enhancing the tourism sector, recalling MP Tourism campaign, 'MP Ajab Hai, Sabse Gajab Hai'. He highlighted the development of tourism infrastructure around the Narmada river and tribal

"Two decades of BJP rule has focused on governance and ushered in sea change. Two decades back, people were hesitant to invest in MP, but now the state has evolved into one the top investment destinations in the country. ● Modi says East India and Northeast embarking on a new journey of future

Assam's economy has doubled in 6 yrs, says PM at biz summit...

PRASANTA MAZUMDAR @ Guwahati

PRIME Minister Narendra Modi on Tuesday said Assam's contribution to India's growth is steadily increasing, highlighting that the state's economy has doubled in just six years under BJP.

Addressing a gathering after inaugurating Advantage Assam 2.0 business summit in Guwahati, Modi said East India and Northeast India are embarking on a new journey of future and Advantage Assam is a mega initiative to intertwine the incredible potential and progress of Assam with the world. The PM said the large gathering in Guwahati was a manifestation of growing global trust in India. He noted that Assam's economy was valued at Rs 2.75 lakh crore during the first edition of Advantage Assam summit held in 2018 and today, it has increased to around Rs 6 lakh crore.

Before 2014, there were only three bridges over the river Brahmaputra, built over 70 years. However, four new bridges have been constructed in the past 10 years. Between 2009 and

PM Narendra Modi with Assam Governor Lakshman Prasad Acharya and CM Himanta Biswa Sarma during the Advantage Assam 2.0 summit on Tuesday | EXPRESS

2014, he continued, Assam received an average rail budget of Rs 2,100 crore but the NDA government at the Centre increased it to Rs 10,000 crore.

Touching upon the rapid expansion of air connectivity in Assam, the PM said until 2014, flights operated on only seven routes, but now there are flights on nearly 30 routes. He said over 50 per cent of India's on-shore natural gas production comes from Assam and there has been a significant increase in the capacity of the state's refineries in recent years.

He said Assam is rapidly emerging in sectors such as electronics, semiconductors and green energy, emphasising that the state is becoming a hub for high-tech industries as well as startups.

"The day is not far when Assam will become a major manufacturing hub in eastern India," Modi said, adding that the Centre is fully supporting the state government in achieving this goal.

Chief Minister Himanta Biswa Sarma termed the summit a "landmark" event in As-

sam's industrial journey. He was confident that with Modi's blessings and presence, the summit would mark a new era of growth and opportunity.

He said the celebration of 200 years of Assam Tea marked the state's industrial legacy. Referring to its history, he said tea was the first major industry of Assam, discovered in 1823.

Sarma also said that Assam has been a pioneer in India's oil industry, and coal was discovered here as early as in 1847, which further propelled the industrial journey and laid the foundation for sustained economic growth. "At the time of India's independence, Assam was an economic frontrunner, enriched with tea, natural resources and hydrocarbon reserves with per capita income above the national average by 4 per cent," he said.

Chairman of Tata Sons Natarajan Chandrasekaran, CMD of Reliance Industries Mukesh Ambani, chairman of Adani Group Gautam Adani, chairman of Vedanta Groups Anil Agarwal and CMD of JSW Groups Sajjan Jindal also spoke.

Firms ink MoUs worth over Rs 1.5 lakh cr for investments in Assam

GUWAHATI, DHNS: Efforts to end Assam's two major impediments, militancy and agitations, seem to be paying dividends, with investors from across the country and abroad on Tuesday signing MoUs for investments worth over Rs 1.50 lakh crore to push the Northeastern state's growth.

This was the largest investment Assam has received so

far. From Tata Sons to Ambani, Adani and Jindal groups, several prominent industrialist players on Tuesday announced big investment plans in Assam during the Advantage Assam 2.0 Investment and Infrastructure Summit here, in the presence of Prime Minister Narendra Modi, foreign minister S. Jaishankar and others.

Reliance Group Chairman

Mukesh Ambani and Gautam Adani of Adani Group announced investments of Rs 50,000 crore each in the next five years. Tata Group, which is setting up the state's first semi-conductor assembling plant on the outskirts of Guwahati, signed an MoU worth Rs 30,000 crore for new investments.

The state government said

sectors like semiconductors, electronics, healthcare, renewable energy and tourism attracted maximum investments.

Assam had reported over 68,000 crore investment proposals during a similar investment summit organised in 2018. But all did not materialise on the ground, mainly due to insurgency and agitations.

ग्लोबल इन्वेस्टर्स समिट • प्रधानमंत्री ने निवेशकों को दिखाई भारत की उभरती ताकत की तस्वीर

पहली बार दुनिया भारत को लेकर आशावादी, अवसर गंवाएं नहीं: मोदी

मोदी ने कहा- डबल इंजन से मप्र में विकास भी डबल

भास्कर न्यूज़ | भोपाल

प्रधानमंत्री नरेंद्र मोदी ने सोमवार को मध्यप्रदेश के भोपाल में 'इन्वेस्ट एमपी- ग्लोबल इन्वेस्टर्स समिट 2025' का उद्घाटन किया। उन्होंने कहा कि इतिहास में पहली बार ऐसा अवसर आया है, जब पूरी दुनिया भारत के प्रति आशावादी है। हमें अवसर गंवाना नहीं है। विश्व बैंक ने विश्वास जताया है कि भारत आने वाले दो वर्षों तक दुनिया की सबसे तेजी से बढ़ती अर्थव्यवस्था बना रहेगा। कुछ दिन पहले ही जलवायु परिवर्तन पर एक संयुक्त राष्ट्र संगठन ने भारत को सोलर सुपर पावर कहा। संगठन ने यह भी कहा कि जहां कई देश केवल बातें करते हैं, भारत नतीजे दिखाता है। एक अन्य रिपोर्ट कहती है कि भारत वैश्विक एयरोस्पेस कंपनियों के लिए शीर्ष सप्लायर चेन बन रहा है।

मोदी ने कहा कि पिछले दशक में ऊर्जा क्षेत्र में अभूतपूर्व वृद्धि हुई है। इन 10 साल में लगभग 70 बिलियन डॉलर (6 लाख करोड़ रु.) का निवेश नवीकरणीय ऊर्जा क्षेत्र में हुआ है। 10 लाख से अधिक नौकरियां उत्पन्न हुईं। उन्होंने निवेशकों से मप्र में निवेश करने की अपील की। मोदी ने कहा- मैंने लाल किले से कहा है, यही समय है, सही समय है। एमपी नए निवेश करने और पुराने निवेश को बढ़ाने का यही समय है। भविष्य में 3 सेक्टर टेक्सटाइल, टूरिज्म और टेकोलॉजी की बहुत बड़ी भूमिका रहने वाली हैं। ये करोड़ों नौकरियां पैदा करेंगे।

मोदी बोले- मप्र ईवी क्रांति में सबसे आगे, यहां 2 लाख ईवी पंजीकृत

जीआईएस समिट शुरू करते पीएम मोदी। साथ हैं मप्र के मुख्यमंत्री डॉ. मोहन यादव।

■ मोदी ने कहा कि मप्र में 18 नई नीतियों का अनावरण हुआ है, जो राज्य में बड़े निवेश को आकर्षित करने के लिए बनाई गई हैं। मप्र में विकास की गति डबल इंजन सरकार बनने के बाद दोगुनी हो गई है।
■ मप्र इलेक्ट्रिक वाहनों की क्रांति में अग्रणी राज्यों में से एक है। जनवरी 2025 तक यहां लगभग 2 लाख इलेक्ट्रिक वाहन पंजीकृत हो चुके हैं, जो 90% की वृद्धि दर्शाता है।

■ मप्र ने 20 साल में कई परिवर्तन देखे हैं। पहले बिजली और पानी की बड़ी समस्या थी और कानून व्यवस्था भी खराब थी।
■ यहां 5 लाख किमी से अधिक का सड़क नेटवर्क है। 300 से अधिक इंडस्ट्रियल कॉरिडोर हैं, जो आधुनिक एक्सप्रेस-वे से जुड़ रहे हैं। यहां के ऊर्जा सेक्टर में जबरदस्त उछाल है। मप्र आज पावर सरप्लस है, जिसकी 31 हजार मेगावाट बिजली उत्पादन की क्षमता है।

मंच से माफी मांगी: छात्रों को असुविधा न हो, इसलिए प्रधानमंत्री देर से पहुंचे...

मोदी ने मंच पर पहुंचते ही अतिथियों से माफी मांगी। उन्होंने कहा कि मैंने यहां आने में इसलिए देरी की ताकि छात्रों को असुविधा न हो। जब मैं कल यहां पहुंचा तो मेरे मन में यह बात आई कि आज 10वीं-12वीं की परीक्षाएं हैं। मेरे राजभवन से निकलने और परीक्षा का समय एक साथ पड़ रहा था, जिससे सुरक्षा कारणों से सड़कें बंद हो सकती थीं और बच्चों को परीक्षा केंद्र पहुंचने में दिक्कत होती। इसलिए मैं यहां 15 मिनट देर से आया।

पहला दिन: 22.50 लाख करोड़ के निवेश प्रस्ताव, इनसे 13 लाख रोजगार पैदा होंगे

समिट के पहले दिन मप्र सरकार को 22.50 लाख करोड़ रु. के निवेश प्रस्ताव मिले। इनमें अदाणी ग्रुप का 2.10 लाख करोड़, रिलायंस का 60 हजार करोड़, आदित्य बिरला ग्रुप का 15 हजार करोड़, पतंजलि का 5 हजार करोड़ और अवाडा एनर्जी का 50 हजार करोड़ रु. का निवेश है। इनसे 13.43 लाख रोजगार पैदा होने का दावा है। सर्वाधिक 3.71 लाख करोड़ का निवेश रिन्यूएबल एनर्जी में आएगा। मप्र रेलवे को 2.15 रु./यूनिट में सबसे सस्ती बिजली देगा।

बिहार में पीएम बोले... जंगलराज वाले महाकुम्भ को गाली दे रहे

भागलपुर | भोपाल के बाद मोदी बिहार के भागलपुर पहुंचे। यहां उन्होंने किसान सम्मान निधि की 19वीं किस्त के 22 हजार करोड़ रु. देश के 9.8 करोड़ किसानों के खातों में जारी किए। इसके बाद मोदी ने राजद पर निशाना साधते हुए कहा कि ये जो जंगलराज वालों को हमारी धरोहर, आस्था से नफरत है। वे महाकुम्भ को गाली दे रहे हैं। जिन्होंने पशुओं का चारा खाया, वे हालात नहीं बदल सकते। इस दौरान मोदी को एनडीए नेताओं ने मखाने की माला पहनाई। मोदी ने कहा कि मैं साल के 365 में से 300 दिन मखाना खाता हूँ।
नीतीश बोले- अब इधर-उधर नहीं होगा... मंच से मुख्यमंत्री नीतीश कुमार ने एक बार फिर कहा कि मोदी पूरे देश के लिए काम कर रहे हैं। अब इधर-उधर कुछ नहीं। अब इनके ही नेतृत्व आगे और विकास होगा।

મોદીએ કહ્યું- ડબલ એન્જિલથી એમપીમાં વિકાસ પણ ડબલ

મોદીએ કહ્યું- એમપી ઈવી ક્રાંતિમાં સૌથી આગળ, અહીં 2 લાખ રજીસ્ટર

ભારતર વ્યૂઝ | બોમ્બાઇ

વડાપ્રધાન નરેન્દ્ર મોદીએ સોમવારે મધ્યપ્રદેશના ભોપાલમાં 'ઈન્વેસ્ટ એમપી- ગ્લોબલ ઈન્વેસ્ટર્સ સમિટ 2025'નું ઉદ્ઘાટન કર્યું હતું. તેમણે કહ્યું કે ઈતિહાસમાં પહેલીવાર આવી તક આવી છે જ્યારે આખું વિશ્વ ભારત પ્રત્યે આશાવાદી છે. આપણે આ તકને ગુમાવવાની નથી. અર્થશાસ્ત્રી, દેશ અને સંસ્થા ભારત પાસે મોટી આશા ધરાવે છે. વિશ્વ બેન્કે પણ વિશ્વાસ જતાવ્યો છે કે ભારત આગામી બે વર્ષ સુધી વિશ્વની સૌથી ઝડપથી વિકસતી અર્થવ્યવસ્થા રહેશે. થોડાંક દિવસો પહેલા જળવાયુ પરિવર્તન પર એક સંયુક્ત રાષ્ટ્ર સંગઠને ભારતને સોલર સુપર પાવર ગણાવ્યું હતું. સંગઠને એ પણ કહ્યું હતું કે જ્યાં ઘણાં દેશો માત્ર વાતો જ કરે છે, પરંતુ ભારત પરિણામ બતાવે છે. એક અન્ય રિપોર્ટ કહે છે કે ભારત વૈશ્વિક એરોસ્પેસ કંપનીઓ માટે મુખ્ય સપ્લાઈ ચેઈન તરીકે ઉભરી રહ્યું છે.

મોદીએ કહ્યું કે છેલ્લા દાયકામાં ઉર્જા ક્ષેત્રમાં અભૂતપૂર્વ વૃદ્ધિ થઈ છે. આ 10 વર્ષમાં લગભગ 70 બિલિયન ડોલર (6 લાખ કરોડ રૂપિયા)નું રોકાણ નવીનીકરણીય ઉર્જા ક્ષેત્રમાં થયું છે. 10 લાખથી વધુ નોકરીઓનું સર્જન થયું છે. તેમણે રોકાણકારોને મધ્યપ્રદેશમાં રોકાણ કરવાની અપીલ કરી છે. મોદીએ કહ્યું- મેં લાલાકિલ્લા પરથી કહ્યું છે

...અનુસંધાન પાના નં. 4

જીઆઈએસ સમિટ શરૂ કરતાં પીએમ મોદીની સાથે મુખ્યમંત્રી ડો.મોહન યાદવ.

- મોદીએ કહ્યું કે એમપીમાં 18 નવી નીતિનું અનાવરણ થયું છે, જે મોટા રોકાણને આકર્ષિત કરવા માટે બનાવાઈ છે. એમપીમાં વિકાસની ગતિ ડબલ એન્જિન સરકાર બન્યા પછી બમણી થઈ છે.
- ઈવીમાં ક્રાંતિમાં એમપી અગ્રણી રાજ્યોમાંનું એક છે. જાન્યુ. 2025 સુધીમાં અહીં 2 લાખ ઈવી રજીસ્ટર થયા છે, જે 90%નો વધારો દર્શાવે છે.
- એમપીમાં 20 વર્ષમાં ઘણા પરિવર્તનો જોવા મળ્યાં.

- પહેલા વીજળી અને પાણીની વિકટ સમસ્યા હતા અને કાયદો વ્યવસ્થા પણ કચળેલી હાલતમાં હતા.
- અહીં 5 લાખ કિમીથી વધુનું રોડ નેટવર્ક છે. 300થી વધુ ઈન્ડસ્ટ્રિયલ કોરિડોર છે, જે આધુનિક એક્સપ્રેસવે સાથે જોડાયેલા છે. અહીં ઊર્જા ક્ષેત્રમાં જબરદસ્ત તેજ છે. આજે, મધ્યપ્રદેશ વીજળીનો પુરવઠો ધરાવે છે. જે 31 હજાર મેગાવોટ વીજળી ઉત્પન્ન કરવાની ક્ષમતા ધરાવે છે.

મંચ પરથી માફી માગી: વિદ્યાર્થીઓને મુશ્કેલી ન પડે એટલે PM મોડી પહોચ્યા

મોદીએ મંચ પર પહોંચતાં જ અતિથિઓની માફી માગતા કહ્યું હતું કે અહીં આવવામાં એટલા માટે મોડું કર્યું કારણ વિદ્યાર્થીઓને કોઈ તકલીફ ન પડે. જ્યારે હું કાલે અહીં આવ્યો ત્યારે મને યાદ આવ્યું કે આજે 10મા અને 12માની પરીક્ષા છે. મારા રાજભવનથી નીકળવાનો અને પરીક્ષાનો સમય એક સાથે હતો, જેથી સુરક્ષાને લીધે રસ્તાઓ બંધ થઈ શકતા હતા અને બાળકોને પરીક્ષા કેન્દ્રમાં પહોંચવામાં મુશ્કેલી પડતી. તેથી 15 મિનિટ મોડું આવ્યો.

જીઆઈએસ: એમપીમાં 5 વર્ષમાં અદાણી ગ્રૂપ 2.10 લાખ કરોડનું રોકાણ કરશે

મધ્યપ્રદેશમાં નાસ્તો, બિહારમાં બપોરનું ભોજન, આસામમાં રાત્રિ ભોજન

PM મોદીને મખાનાની માળા પહેરાવી

- બિહારથી દેશભરના ખેડૂતોના ખાતામાં પીએમ કિસાન હેઠળ સીધો લાભ અપાવ્યો
- વડાપ્રધાન નરેન્દ્ર મોદી 24 ફેબ્રુ. દેશની સેવામાં રહે છે જે ફરી જોવા મળ્યું. આજે વડાપ્રધાને એક જ દિવસમાં 3 તજવોળી મુલાકાત લીધી.

- મધ્યપ્રદેશમાં ઈન્વેસ્ટમેન્ટ સમિટના ઉદ્ઘાટનથી રોકાણમાં નવા દ્વાર ખુલશે
- આસામમાં પીએમનું ભવ્ય સ્વાગત, સાથે જ 9000 ફલકાસર દ્વારા કરવામાં આવેલ ગુમોહર ઇન્કિબિટીની ભૂત્યા પ્રદર્શન પણ બિહારનું.

ઈતિહાસમાં પ્રથમવાર...

આજ સમય છે, યોગ્ય સમય છે. એમપી માટે આ સમય નવા રોકાણો કરવાનો અને જૂના રોકાણો વધારવાનો છે.

બિહારમાં પીએમ મોદીએ કહ્યું- જંગલરાજના લોકો મહાકુંભને અપશબ્દો બોલે છે - ભોપાલ પછી મોદી ભાગલપુર પહોંચ્યા હતા. અહીં તેમણે દેશના 9.8 કરોડ ખેડૂતોના ખાતામાં કિસાન સન્માન નિધિના 19મા હપ્તાના 22 હજાર કરોડ રૂપિયા રિલીઝ કર્યા. આ પછી મોદીએ આરજેડી પર નિશાન સાધતા કહ્યું કે જંગલ રાજના આ લોકો આપણા વારસા અને આસ્થા સાથે નફરત કરે છે. તેઓ મહાકુંભને અપશબ્દો કહે છે. જે લોકોએ પશુઓનો ચારો ખાધો છે તેઓ પરિસ્થિતિને બદલી શકતા નથી. આ દરમિયાન એનડીએના નેતાઓએ પીએમ મોદીને મખાનાની માળા પહેરાવી હતી. મોદીએ કહ્યું કે હું વર્ષના 365 દિવસમાં 300 દિવસ મખાના ખાઉં છું.

नवी दिल्ली : भारतीय रिझर्व्ह बँकेने व्याजदरात कपात करणे आणि २०२५-२६ (एप्रिल-मार्च) च्या अर्थसंकल्पात आयकर दर कमी करण्याच्या सरकारच्या प्रस्तावाचे पंतप्रधान नरेंद्र मोदी यांनी सोमवारी कौतुक केले. हे दोन्ही निर्णय भारताच्या मध्यमवर्गीयांला सशक्त करतील, असे ठामपणे सांगत हा वर्ग देशातील सर्वात मोठा करदाता असल्याचे पंतप्रधान म्हणाले.

या महिन्याच्या सुरुवातीला आरबीआयच्या पंतप्रधान समितीने एकमताने पॉलिसी रेपो दर २५ आधार अंकांनी कमी करून ६.२५ टक्क्यांवर आणण्याचा निर्णय घेतला. ही जवळपास पाच वर्षांतील पहिली कपात आहे. सरकारने, आर्थिक वर्ष २६ च्या अर्थसंकल्पात १.२ दशलक्ष रुपयांपर्यंतचे उत्पन्न पूर्णपणे करमुक्त करण्याचा प्रस्ताव मांडला.

एनटीपीसी, रिलायन्स, अदानी चार लाख कोटी गुंतवणार

उद्योगपती गौतम अदानी यांचा समूह, रिलायन्स इंडस्ट्रीज लिमिटेड आणि सरकारी मालकीची ऊर्जा उत्पादक कंपनी एनटीपीसी या इझनभर कंपन्यांनी सोमवारी मध्य प्रदेशातील उद्योगांमध्ये सुमारे ४ लाख कोटी रुपयांची गुंतवणूक करण्याचे आश्वासन दिले होते.

जगातील सर्वात वेगाने वाढणारी अर्थव्यवस्था राहिल. सामान्य लोक, आर्थिक धोरण तज्ज्ञ, विविध देश किंवा संस्था अशा प्रत्येकाच्या भारताकडून अपेक्षा आहेत. गेल्या काही आठवड्यांत आलेल्या टिप्पण्यांमुळे भारतातील प्रत्येक गुंतवणूकदाराचा उत्साह वाढेल, असे मोदी म्हणाले. काही दिवसांपूर्वीच जागतिक बँकेने सांगितले की, येत्या काही वर्षांत भारत ही जगातील सर्वात वेगाने वाढणारी अर्थव्यवस्था राहिल. ऑर्गनायझेशन फॉर इकॉनॉमिक को-ऑपरेशन अँड डेव्हलपमेंटचे प्रतिनिधी म्हणाले की, जगाचे

भविष्य भारतात आहे, असे मोदी म्हणाले.

नियमनमुक्तीबाबत केंद्र सरकार राज्य सरकारांशी सतत चर्चा करत असल्याचे मोदींनी सांगितले. तत्पूर्वी, २०२४-२५ (एप्रिल-मार्च) साठीच्या आर्थिक सर्वेक्षणात असे म्हटले होते की, भारताला त्याच्या मध्यम-मुदतीच्या वाढीच्या संभाव्यतेला चळकट करण्यासाठी तळागाळातील संरचनात्मक सुधारणा आणि नियंत्रणमुक्तीद्वारे जागतिक स्पर्धात्मकता सुधारण्याची आवश्यकता आहे.

आर्थिक वर्ष २५ च्या आर्थिक सर्वेक्षणाने एप्रिलपासून सुरू

होणाऱ्या पुढील आर्थिक वर्षासाठी जीडीपी ६.३ टक्के ते ६.८ टक्क्यांपर्यंत वाढण्याचा अंदाज वर्तवला आहे. २०४७ साठी 'विकसित भारत' दृष्टिकोन साध्य करण्यासाठी भारताने अंदाजे १०-२० वर्षांसाठी सरासरी ८ टक्क्यांच्या वास्तविक जीडीपी वाढीचा दर गाठला पाहिजे, असेही त्यात म्हटले आहे. गेल्या दशकात ऊर्जा क्षेत्रात अभूतपूर्व वाढ झाल्याचे मोदींनी अधोरेखित केले. हरित ऊर्जा क्षेत्रात भारताने जे साध्य केले आहे ते कल्पनाही करणे कठीण होते, असे ते म्हणाले. १० वर्षांत, अक्षय ऊर्जा क्षेत्रात सुमारे ७० अब्ज डॉलरची गुंतवणूक करण्यात आली आहे, असे मोदी म्हणाले.

गेल्या दशकात देशाने पायाभूत सुविधांमध्ये भरभराट पाहिली आहे आणि मध्य प्रदेशला याचा मोठा फायदा झाला आहे, असेही पंतप्रधान म्हणाले. देशातील दोन मोठ्या शहरांना जोडणाऱ्या दिल्ली-मुंबई द्रुतगती मार्गाचा मोठा भाग मध्य प्रदेशातून जातो, असे ते म्हणाले.
